Unusual modesty was shown by a man at an arms factory at Prague, Czechoslovakia. He had been promoted, with an increase of salary, but told his "chief" he did not feel qualified for such important work. He was assured of the confidence of the management and was advised not to turn down his opportunity. His associates all thought he was "lucky" but the new departmental manager left the factory and drowned himself rather than take on his new work. He was the father of two children.—Montreal Herald.

Be Still and Know

ETHEL TITUS WORTHEN

Be still and know that He is God,
O troubled heart be still!
Rough was the path your Savior trod.
To do the Father's will.

O weary heart look up today:
Trust Him and do your best.
Be still, and hear Him softly say,
"Come unto Me and rest."

O broken heart, He died for you
And gladly took your place
That He might give you life anew,
And save you by His grace.

Be still and know that He is near.
Yield to His gentle will.
His love will cast out every fear,
O troubled heart be still!

Origin of Phrase "Sub Rosa"

The origin of the phrase "sub rosa" or "under the rose," implies secrecy and had its origin in 477 B. C. At that time, Pausanias, commander of the confederate fleet of the Spartans and the Athenians, was engaged in a secret plot with Xerxes for bringing Greece under the Persian rule. Their plottings were carried on in a building connected to the temple of Minerva, the roof of which was a bower of roses, so that the plans, which were conducted with the utmost secrecy, were literally made "under the rose." It afterward became a custom among the Athenians to wear roses in their hair whenever they wished to communicate to one another a secret. Hence, the saying "sub rosa" among them, and since that time, among Christian nations.

The Smithsonian institution was established in 1846 under the will of James Smithson.

A TEAM AT LAST

For a long time we have pondered concerning the West High basketball team. So fine potentially, it seems a shame that it has been so miserable practically. It has been actually capable of winning more than 5 of 17 games, but it has not done so. It has not been handicapped by smallness of stature nor by poor coaching. Every man on the floor has always demonstrated a good knowledge of the game.

Yet, when it came to scoring points, there has been a deplorable deficiency of efficiency. Every man strived hard for points—as an INDIVIDUAL. But seldom has there been concerted TEAM action. Every sharpshooter on the squad has sought for high scoring honors, and just because of that, none ever reached the mark. There has been a hesitancy to pass the ball, a lingering, lest the individual pass to someone who would beat him in the box score. And all the time, the box score showed West as a team—far behind: as INDIVIDUALS — worse. What folly! It has been a pity that coach Wise has been forced to send five INDIVIDUALS on the floor instead of one TEAM. Every Cowboy seemed to think that he, and he alone, was all that was needed. It has not proved true!

All this we wrote last week—and withheld it from publication. Now—we're wondering, since the Central game, if the officials at West High have held a pep meeting to cheer West High's first basketball of the season—the one that performed against Central Friday night! Here is a TEAM, working together for the good of all. Fast breaking, they passed the ball without discrimination to the man in the best position to score points. Every member of this team forgot the box score—ever remembering, however, the team that represented West High. There was not an individual display of talent throughout the evening. But we saw more basketball Friday than the so-called first stringers showed all season. We're wondering, we repeat, if the student body is sending this TEAM to the district tournament cognizant of the fact that the school appreciates TEAM-WORK instead of a display of INDIVIDUALITY.

Before we left the building Friday, we heard that the seniors on the squad would quit.

It did not surprise us. That is

Improvement of Sullivant Ave. Tracks Sought

Council Turns Matter Over to City Attorney in Effort to Solve Financial Problem.

Residents and representatives of business houses on Sullivant avenue attended a meeting of city council Monday, Feb. 27, seeking improvement of the car tracks from Hague to Central avenues. Miss Mary Bentz, 2000 Sullivant Ave., speaking for the group, asked council to take some action toward the improvement of the sector. According to the franchise of the interurban line, however, the traction company must finance the proposition. And being in the hands of a receiver, the legality of forcing the company to this is in doubt.

The condition of this right of way, combined with the narrowness of the street, has made Sullivant avenue a dangerous thoroughfare, and although immediate improvement is improbable, those interested in the project believe that efforts should be made in that direction without delay.

W. L. Millikin, councilman from the Hilltop, stated Wednesday, that legal questions were involved before the city could take any definite action. The matter was turned over to the city attorney for judgment.

Wether the project must be paid for by the interurban company can only be decided by the judge who appointed the receiver for the lines. Millikin stated also, that the consent of the receiver must first be received, however.

Should the court decide that the company did not have to pay for the improvement, then the question would arise whether or not the city could spend the public money for the work, inasmuch as the franchise states that the car company must maintain the street, one foot on each side of the tracks.

A report from the city attorney may be ready next Monday, although the report may be delayed due to recent legal difficulties which the bank situation has forced upon the city attorney's office.

Stress Play-Time At P.-T. A. Meet

Parents and Scholars Join in Unusual Program at West Broad

About 400 people attended the monthly meeting of the West Broad Parent - Teacher Association at West Broad school Tuesday evening when a most interesting program of play-time was participated in by parents and pupils. Mrs. P. B. Benton was general chairman of the meeting and after a short business session, introduced Rev. C. D. Osborn, vice-president of the association, who acted as master of ceremonies during the play period.

Participating in the program were several organizations, each of which demonstrated some particular feature of its group. Boy Scout Troop 172 gave a demonstration of fire building by flint and steel. Girl Scout Troop 19 of West Broad school and the Witocesa Campfire girls of West High school each illustrated their work by speech and song.

The guest speaker of the evening, Dr. D. Oberteuffer, professor of physical education at Ohio State, stressed the idea of play-time and other methods of recreation.

Then after the pupils, scouts, camp fire girls, etc., the parents and teacher's turn came, and did they strut their stuff! Ask anyone who attended this meeting.

Under the able direction of Miss Hutt, one of West Broad teachers, 16 parents and teachers danced the old-fashioned minuet and Virginia Reel. They were in full costume and made a wonderful showing. The children of these parents certainly got a thrill seeing that their parents had not forgotten how to play. Those who took part in the dancing were the Ladies Boelker, Waymer, Brotton, Corder, Higgins, Winner, Barnes, Laird and the Messrs. Swick, Cruea, Lohr, Layman, Corder, McGarvey, Ford, and Anspoker.

As a closing to the evening's fun, Mr. George Schultz of Ohio State took charge of a general play-time and everyone joined in a round of games.

Fred W. Bell Buys Cruea Business

New Owner of Hague and Steele Ave. Store Takes Over Business Monday

Announcement was made this week of the change of ownership of the service station and grocery store at Hague and Steele avenues, formerly owned by Charles Cruea. Fred W. Bell has purchased the entire stock, the deal being consummated Monday.

Bell has been in the chain store business all of his life, formerly operating from Fort Wayne, Ind., Canton, O., and more recently from Columbus. His son, Richard Bell, will be the proprietor of the newly purchased business.

Work started Monday on remodeling, fixtures being changed and various other improvements being made.

The new store will handle fresh and smoked meats, groceries, ice cream, candies and tobacco. An up to date service station will also be operated.

In a statement Monday, Mr. Bell stated that his policy would be to give the best of service to his patrons. He also indicated that he would be active in community activities.

Cruea, the former owner, also made a statement, thanking those who had favored him with their patronage through the past three years. He will remain in business on the Hilltop, operating the swimming pool, along with a new fishing pond, now under construction.

Chorus Rehearsals

Chorus Rehearsals for the Fourth Annual Hilltop Minstrel Revue will be held Sunday afternoon, March 5, at West High School auditorium, W. Hayden Jones, director, announced this week. Another practice is scheduled for Monday evening at the same place at 7:30. The Business Men's Chorus will rehearse at 8 o'clock. All members are asked to be present, as pictures of the group will be taken at that time.

Record Broken

The state record for Sunday school attendance at the Church of the Nazarene was broken last Sunday, Feb. 26, when 1150 persons attended the Warren Avenue church. More than 2000 calls were made during the week and 365 new families contacted. Prof. A. S. London spoke on "The Cause of the Hickman Crime."

Fourth Hilltop Minstrel Show Thursday and Friday

Wise to Send New Team to District Tourney Tonight

Cowboys to Meet Strong Lancaster Quintet in State Gym at 7 o'Clock Tonight

West High will enter the district basketball tournament tonight with a revised line-up, according to coach Harld Wise, who has been drilling the squad through the entire week following the Central defeat last Friday.

Sending practically a new team on the floor against the Pirates, the Cowboys functioned as a team for the first time this year last week, and although the score was doubled by the co-champions, Wise expressed satisfaction with the showing. The final count was 38 to 19, but the figures fail to tell an accurate story of the battle.

Benching the regulars in favor of inexperienced stringers, the new Cowboy outfit showed plenty of fight, and especially shone when it came to teamwork. Playing in bad luck through the first half, they trailed 21 to 4 at the intermission. Then in the second half, they came back to hold the rampaging Pirates practically even. It will be this team that will face Lancaster in the district opener tonight at Ohio State University gym.

The line-up for tonight's battle will be: Huffman at center, Deshler and Boy at the guards, with David and Link at the forward positions.

Day of Prayer to Be Observed

Services Sponsored By Local Missionary Societies to Be Held This Afternoon.

Union services, observing a world day of prayer, will be held this afternoon at the Hoge Memorial Presbyterian church, 29 S. Eureka Ave., at 2 o'clock. From a small beginning the growth of the observance of this day has formed a circle about the earth.

Mrs. C. C. Chen, of Shanghai, China, says: "China is in trouble. There is potent power, intelligence and energy in the Chinese, but at present it does not seem that we are using it in the right way. I believe that it is due to the fact that we have not enough Christ-like men and women to handle the situation. Won't you pray for us?"

Pastors and laymen the world over cite cases of this nature as an incentive toward further endeavor.

The Women's Missionary societies of the Hilltop churches are sponsoring the program. Members from 12 local churches will participate in the worship, Mrs. A. M. Forrester will preside.

An offering will be taken, the proceeds of which will go to assist union missionary work which consists of work among foreigners in America and the construction of Christian colleges abroad.

Well Balanced Program Offered

Business Men Promise Abundance of Fun and Variety in Choice Numbers

Just a week hence, six days to be exact, the Fourth Annual Hilltop Minstrel Revue will show at the West High auditorium under the direction of C. C. Hartley and sponsored by the Hilltop Business Men's Association.

Everything is in readiness for the final rehearsals and the show is going down the home stretch in better shape than in any previous production, according to Hartley. Last rehearsals are scheduled for Sunday afternoon, Monday and Wednesday of next week.

Despite the condition of the times, tickets are selling well according to reports, and capacity houses are expected at both performances. Hilltoppers are being requested to get to the show early, as no reserved seats are available. At last year's production, many from other sections of the city attended, and a filled house caused some in the local community to observe the S. R. O. sign.

Well Balanced Program

Singing, dancing and the usual number of jokes will fill the program, which will be augmented by a short concert by the Hilltop Business Men's Male Chorus and also, six excellent olio acts. The minstrel chorus has been chosen from the larger Business Men's group, and will be, directed by W. Hayden Jones.

Have Word Contest

Those who are interested in solving puzzles and contests should turn to page three of the Record today and enter the Hidden Word Contest sponsored by the Hilltop Business Men's association. Fifteen free tickets to the Minstrel are offered as prizes. Details of the contest are printed on page three.

Twenty minutes of the program will be devoted to a concert by this prize winning group. The concert will follow the first part of the production, namely, the minstrel proper. Four numbers will be presented by the chorus, "Night and Dawn," by Owen, the selection which was sung at Jackson, the rendition of which took first honors, will be featured. Others are: "Mother O Mine," by Burleigh; "Plantation," by Steiner; and "Down Among the Dead Men," by Williams.

Almost 100 local residents will have part in the production. The end men will be: George Painter, Paul Hubbard, Dick Becker, and Leo Phillips. Auxiliary ends are: L. E. Saunders, George Pfaff, William Coulthard, Don Smith, Dr. T. S. Fox and Ray Hauntz. Floyd Green will again be the interlocutor.

The orchestra will be selected from students at the Hilltop School of Music and will be under the supervision of Miss Ethel Geiser and Miss Edith Robbins. The entire orchestra is composed of male artists and will present an excellent program.

Olio Acts Good

Six olio acts acts, even more entertaining than those of last year, will also be featured. Opie Reed, sensational eccentric dancer, is expected to make a tremendous hit. Reed is a graduate of West High and has been in the dancing game for more than 10 years. A clever skit by Betty Stauch, Evelyn Kellar and Jack Wiseman, also promises much entertainment.

A quartet of Harmony Hounds, featuring string music, will be presented by Jery Phenice, Ed McCarthy, Tony Reeder and Bill Ogden, while Phyllis Rawlins, Mary Campbell, Billy Ewald and Buddy Webber, whose work last year brought down the house, will again be a conspicuous part of the show.

Lodabelle Schmidt, whose ability is well known on the Hilltop, is again among the headline acts. Singing and dancing make up her skit.

Helen Richter, a master with the accordian, will also be presented. She will be remembered as one of last year's hit attractions with Leo Phillips, in a duet.

Track Men Called

Coach Arthur Buchanan, track coach at West High, issued a call for cinder path aspirants this week. Indoor rehearsals are being held now, with the candidates scheduled for out of door workouts in warm weather.

Professor Shetrone Relates of Glamorous Adventures

Local Archeologist Returns from Mexico With Store of Scientific Knowledge and Vivid Tales of Colorful Journey.

Back from a journey over dim trails that only science follows, —the dim trails left by an ancient race of men in old Mexico, Prof. H. C. Shetrone related to us a story this week, brimful of color, brilliant adventure, romance and thrills.

Just back from Mexico, he told us an enchanting story of men that lived long ago of the traces they left of their handiwork, of their relation to our own Ohio Moundbuilders; of the beauty and tropical grandeur of their native land; of their strange migrations from the towering mountains and deep canyons of Mexico to the great forest lands of the beautiful Ohio valley.

Deep seated in an easy arm chair, pausing now and then to light a fresh cigarette, Professor Shetrone told of strange things. We sat in silence, and listened, from beginning to end—to a strange tale of things we never knew before.

He told of his trip by rail to Miami, Fla., of how he could see the spring advancing northward as he travelled to the south. Of the beauty of subtropical scenery. He related how he missed his boat from Miami, and of his trip to Havana, Cuba, via air. Half mile above the seas below, he looked down on swirling waters washing against the golden sands of the shores—wave after wave, piling sand on sand—as it has done for centuries—to build continents.

Half way to Vera Cruz from Havana, a hurricane arose. It lasted for 24 hours, and for all but two of those hours, the ship ploughed into the wind, just holding its own. A day's delay in a 75-mile-an-hour gale.

Fifty miles from the coast of Mexico they could see, 90 miles in the distance, the peak of Orizaba, capped perpetually with a blanket of snow. One thousand miles through the waters of the Gulf of Mexico, into the ancient and picturesque city of Vera Cruz. Now they start their journey by rail — first through the tropical splendor of the lowlands—up into the sub-tropical areas—higher into temperate climate—now beyond the clouds—beyond the timberline, into an alpine land of little sticks. More than a mile below, the tropics, serene in the sunshine.

On to Mexico City, where the capital of the Aztec Indians was located so long ago. Where old Cortez, the Spanish conqueror, wrought one of the tragedies of history with his cruel and rabid desire to conquer. Where the Aztec pyramid, Tenayuca, is located, and the old cathedral, built in 1530, still stands; where the pyramids of the sun and moon, rivalling the famed structures of Egypt in size, are found. He related of Tolnca, the largest of those in the western world. And he told of the Toltecs, which tribe antedated the Aztecs.

Strange structures —these pyramids Built with platforms on top, for human sacrifice and carved beautifully with many figures. Strange people, these—and from this stock, Professor Shetrone believes the Ohio Moundbuilders came—over so long ago. "I am convinced," he said, and that means he's as convinced as scientists ever are, "that the ancient Ohio people were definitely related to the extinct Toltecs of Mexico.

"They merely left their native land before they had reached their ultimate peak of cultural development," he continued, "and consequently their architecture is not as highly perfected as the Mexican ruins show of those people who remained in Mexico."

A strange tale indeed! What were the factors that sent these people from tropical lands into temperate Ohio? Plodding science sometime will know. Tracing back over these time-dimmed trails, some day the story of these ancient peoples will be complete. What a fascinating story it will make!

He told of other things, more than we can mention. Of the floating Gardens of Xochimilco, of the Cave Alvarado, the Museum; of the tropical splendor of the natural parks—and we listened in silence.

Among those making the trip were: Edgar A. Guest, of the Detroit Free Press, C. F. Kettering, vice president of General Motors, and one of the country's outstanding engineers; Dr. Roy M. McClure, head of the Henry Ford hospital, and Ga. Wood, noted speed boat champion.

Blue Racers Meet First Cage Loss

Church Cage Battle Complicated As Hillcrest Team Is Downed In Surprise Game

The road to pennantville in the West Church basketball league was filled with many thorns for the Hillcrest Blue team last Thursday night when a "hot" Calvary brigade pranced madly through an "off" Hillcrest team to a surprise victory. The final score was 23 to 18. The loss for the Blue Racers placed them in a tie with Avondale U. B., which team also, has lost but a single fray, that to Hillcrest.

Other results Thursday were: Glenwood 30, Briggsdale 22; Gift 28, Warren avenue 16; Avondale 20, West Park 18; and Hoge Memorial 13, Hillcrest Red 22.

Tuesday night the race waxed hot, when both Avondale U. B. and Hillcrest Blues took easy victories. The Brethern doubled the score on Glenwood, coming out on the long end of a 3 to 17 17 count. The Racers on the other hand, led by Wills and Marshall, dealt likewise with Briggsdale, administering a stinging 30 to 24 defeat.

Hillcrest Reds, which team had started a winning streak which had reached three games, had an off night, and Gift St. took a 17 to 9 decision. Warren avenue continued its losing ways, bowing to West Park 18S to 11.

Calvary Presbyterian, which team upset the dope Thursday in ousting Hillcrest from the top rung, returned and dropped their fourth game of the season to Hoge Memorial. The score was 24 to 17.

Games were to have been played Thursday evening, with the final matches scheduled for next Tuesday.

Typewriter Stolen

C. W. Fisher, 226 Eldon Ave., frightened away a man and boy from the garage at his home, Thursday evening, Feb. 23, but not until after they had stolen a portable typewriter from his auto.

LOOKOUT

(Cont'd from Page One)

the spirit of West High. That, we say, is THE SPIRIT OF WEST HIGH! Is it strange then, that West has lost a dozen games? From our little corner we're sending out a lusty cheer for the team—not the individuals. And in the tournament, we're wishing the TEAM all the luck in the world.

The Teachers

Are always right, no matter what the circumstances

It was proved again last week. The teacher is always right. There's no if or and or but about it.

Even when the teachers gang together and get up a basketball team, like they did at West Jr. last Thursday. Messrs. Layman, Zulauf, Heits, Trout, House and Barlow played Gosnell laymen's varsity basketball team. And the varsity lost, 16 to 9.

But it seems that Gosnell Layman is the goat! It was he who taught the school team all it knows. And it didn't quite grasp enough of his knowledge to beat an outfit as culmsy as ancient has-beens, for these years, out of training.

Symphony Program Sunday Evening

The twenty-sixth concert—the second of the current (ninth) season of The Columbus Symphony Orchestra will be given in Memorial Hall, Sunday evening, March 26th at eight fifteen.

Conductor Hopkins is rehearsing a program of wide appeal, selected from both the classics and the better class modern compositions.

Two soloists will assist. Helen Hurst Holscher, one of the city's leading contraltos, at present singing at the First Baptist Church; and Russel Tower, accomplished violinist of Newark who has been enthusiastically received as a violin soloist in several concerts during the past year in other cities.

BOY SCOUT NEWS

TROOP 172

Scouts of Troop 172 gave a short scouting demonstration at the West Broad Parent Teacher Association meeting Tuesday night. A hike to Hocking county will be taken on Saturday, March 24.

The Beavers continued to lead the other patrols in the inter-patrol contest Monday. The competition will close March 24 when a Parent's Night is being planned. A special scouting program, with every boy participating, is being prepared for that date.

LARGE DOSE

of medicine makes little illness big illness

Medicine and Spinach must be taken in proper amounts to properly perform their respective functions, a Hilltopper found out this week. Although she's not so sure about the Spinach, the experiment with the medicine proved successful in one way—unfortunate in another.

Mrs. Gladys Davis, aged 28, of 21 S. Wheatland Ave., was treated in University Hospital last week after she had accidentally taken an overdose of medicine. She was reported better this week.

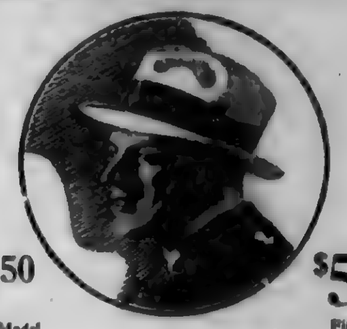
He Waited in Vain



She had been parked near a fire plug for three hours. As she unlocked the car and got in, a cop who had been waiting for the culprit to show up, sauntered up and remarked very kindly:

"I've been waiting a long time to see you, lady. What's your name?"

She smiled her sweetest, and as she put her foot on the starter, replied:

"It wouldn't do you any good if I told you. You look like a nice boy, but my husband is about twice your size and very jealous."

The LOOKOUT

'ROUND ABOUT THE HILLTOP

Along with Jim Shields, we're wondering who got the $1500 the city spent for a comfort station at Naughton and High streets in 1912, which was never built. Reference: City ordinance 25,715. . . . Ross Westlake, who will sell engraved glassware at the World's Fair. . . . So Ira Everetts thinks he knows who compiles this data! . . . Personal nomination for the Hilltop's most efficient and courteous grocery clerk: Bob Nowell. . . . Sure you know that a tomato is a berry, but what fruit is most in the public eye? . . . Grant Ringe, of the curly, curly hair. . . . I still owe Bill Sallee a "seegar" because the wrong team won the world serious—and a quartet of 'cokes' to officer Gilliian. . . . Street cars still stop at Wheatland, and 100 yards further, at Oakley. . . . Would you not also liked to have been among those present when Harold Wise (the coach) was hailed into Ohio State's student court? . . . I'd think two dollars could be raised to pay West High's fees into the class of accredited high schools—if that's all it takes. . . . "Heavy" ladies mount Keller's scales with less furtive glances about than their more lithe friends—watch 'em and see! . . . Lawrence (Larry) Minshall, a gentleman of leisure. . . . John Wagnitz, up and abroad early in the morning. . . . Bob Henery and frau, on their way downtown. . . . Dr. Fox and Messrs. Millikin and Deems, walking home from the day's work.

MINSTREL TICKETS

In keeping with the conditions of the times, the Hilltop Business Men's association announced a reduction in minstrel ticket prices. The first show, presented last night, was well worth the original price of 35 cents, and it is not for this reason that the lower dime price prevails. Regardless of how good a bargain is, if the money is not available, the bargain cannot be taken advantage of.

Tonight is the final night of the production. For 10 cents you can see one of the best minstrel shows to appear in Columbus. The four numbers presented by the male chorus would be more than worth the price of admission.

The Hilltop Business Men inaugurated the minstrel show four years ago as a stimulus to good will among the patrons of Hilltop stores and business houses. Now, the same thought prevails, and with the cost of production much reduced, the business men have sacrificed monetary profit for the greater profit of Hilltop good will.

Yours will be the loss if you miss the show.

UNETHICAL BUSINESS

In times like these, when co-operation between all would seem to be the best method of helping many bear the burdens depression has brought, it seems strange to us that the big boys should try to break the many little, struggling boys, who contribute so much to the welfare and wealth of the big boy!

There comes a story to us this week of certain downtown stores which pay their employes partly in scrip, good only at a certain chain store.

Who pays the salaries of the employes of this department store? Does the purchasing power of the people emminate from the chain store? What type of battle is this, that these stores are waging? Is it for the good of all, or for their own good?

Apparently they have not learned the lesson that the depression is teaching! Selfishness, especially in these times, is a strange method of solving problems! One sometimes wonders how much longer the common people must remain shackled. This type of business is a direct road backward to the unfeasible system from which we are gradually emerging — a selfish system—that did not work!.

Casey Named On Record All-Hi Cage Selection

Central Pirates and East Tigers Land Two Berths; Work of West Irishman Praised.

Even though finals and semi-finals in various tournaments are yet to be played, the crack of bat against horsehide soon will definitely end the 1932-33 basketball season in the vicinity of Columbus.

From a local point of view, the cage campaign has been a dismal event. The Cowboys, handicapped by poor teamwork throughout most of the season, were on the short end of the score on more occasions than not. With but one exception, the locals were overwhelmingly outclassed.

Charles Casey

The season as a whole, however, presented a high-class brand of basketball, the teams of Central and East being exceptionally strong, although had North shown more consistent form, it, too, might have been among the elite.

Individually, the season produced many stars and near-stars. At center, Dunn of Central was easily the class of the loop, possessing a deadly eye for the basket, and a brilliant floor game. His teammate, Adams, also was accurate at hitting the hoop, and a streak of ebony light on the floor. He was placed at guard.

Bob Starrett, East guard, has been shifted to forward, as has Willis, regular Tiger pivot man. These two lads have been the mainstays of the Bengal offensive through an excellent string of victories, and both are unequalled as defensive players.

CASEY PRAISED

Casey, scrappy guard at West, was given the other guard position. Casey has been handicapped by playing on a poor team, and further, was laid off late in the season at doctor's orders. The scrappy Irishman has been more valuable than spectacular to Coach Wise, and a glance at the score books will reveal that his man very seldom got away. Jimmy Hull, Greenfield McClain ace, averaging 17 points per game, was held to three by Casey. Bob Starrett, East luminary, likewise was held to a trio of points. Others could be mentioned.

Casey closed his athletic career at West when removed from the line-up in basketball. It is not likely that he will be out for baseball, which will be West's loss. Strictly a team player, he starred in football, basketball and baseball for almost three years at West. He was named all-high material in the first two.

Prayer Service Well Attended

Sixteen Local Churches Participate in World-Wide Event At Hoge Memorial Church.

On Friday, Mar. 3, the churches of the Hilltop joined hands with their brothers and sisters throughout the world in celebration of the World Day of Prayer at Hoge Memorial Presbyterian church. This marked the twelfth anniversary of the event.

A committee composed of one representative from each church was named, which appointed Mrs. A. R. Fox, chairman of program, assisted by Mrs. A. M. Forrester, leader. A business meeting preceding the afternoon service appointed Mrs. Howard Whitehead permanent chairman for the ensuing year.

The program for the day, "Follow Thou Me," prepared by Mrs. C. C. Chen of Shanghai university, Shanghai, China, was used throughout the world.

Mrs. Howard Whitehead introduced Miss Leonore Seeds, who has served 30 years as missionary in Japan. Miss Seeds gave the "Call to Prayer" and this was followed by responsive readings, hymns and prayers.

A poem by Lowell, "The Present Crisis," was given by Mrs. Fryhoff of the Highland Avenue Friends church.

There are four special types of work which are to be aided by the offerings this year.

Slight Damage By Wind Storm Wednesday

When Mother Nature took things in her hands Wednesday evening many Hilltop business houses and residents were forced to resort to the lighting system of the good old days and use candles for illumination.

A violent wind storm about 6 o'clock Wednesday afternoon disabled the Municipal and the Columbus Railway, Power and Light plants and put them out of commission for several hours. Many business houses were in semi-darkness and the Rivoli and Ritz theaters were forced to close for the evening.

Slight damage to property was done to the Hilltop, but in other sections the storm was more severe.

The traffic light system on West Broad street from Sandusky street west to the city limits was out of commission until Thursday.

Husband Kills Wife With Gun

Hillie Looff, Jealous of Wife's Affection for Son, Arrested On Charge of Murder.

Because she showed too much affection for a son by a former marriage, Mrs. Freida Looff, 42, of 847 S. Eureka Ave., was shot and killed by her husband in the front yard of their home Tuesday night. Following the shooting, Hillie, the husband stood on the porch and told gathering neighbors of the crime.

Mrs. Bernice Gemeinhardt, sister-in-law of Mrs. Looff, who resides near the Looff home, said that the two had quarrelled about Mrs. Looff's son, Clarence Sheehan, 21, who drives a bakery truck for the shop located in the home.

After he had beat her with his fists, Mrs. Gemeinhardt interceded, having heard the quarrel from her home. Looff ordered her away, and as she left, Mrs. Looff followed her to the front lawn. Looff then came from a side door with a 12-guage shotgun and shot her in the abdomen from a distance of four feet. She died a few seconds later, in Looff's arms, who immediately embraced her following the act.

Wins First Place For Second Straight Year

The Ladies' Auxiliary to Camp Chase Post No. 98, of which Mrs. C. W. Wagner, 66 N. Ogden Ave., is president, at the close of a state-wide membership drive, has attained first place again in membership in the state.

During the past few months, this unit has been very active in relief work, giving food and clothing to some 150 families, with 215 children, in the community.

Plans are being made now to boost the annual poppy program which is a fundamental part of the organization, as the money realized from the poppy sale is used to care for the disabled veteran, and his dependent.

The regular meeting of the unit will be held Thursday evening, Mar. 16, at the Legion headquarters, 2303½ W. Broad St., at 8 o'clock. Refreshments and entertainment will follow the short business session.

Mrs. Elizabeth Grenoble Dies At Home Tuesday

Mrs. Elizabeth Pfaltzgraf Grenoble, aged 71, died Tuesday morning, Mar. 7, at her home, 94 N. Eureka Ave., of paralysis. Services were held Thursday afternoon at the Hoge Memorial Presbyterian church, with Rev. H. C. Hutchison, assisted by Rev. W. G. Leubin, pastor of the Hilltop Evangelical Lutheran church. Noble Allen funeral directors had charge of the burial, which was in Union cemetery. She is survived by her husband, J. W. Grenoble; a daughter, Mrs. Hal Adamson, and eight grandchildren.

THE HILLTOP

By W. L. RICHEY

I live where you'll find
An unusual kind
Of neighbors living next door.
And where I have found
When shopping around
Almost every kind of a store.
There are butchers and bakers,
And fixers and makers
Of everything under the sun.
There are theatres, too,
That we all can go to
When our day's work is done.
There are churches and lodges,
Fine schools and garages,
You finish the list for me.
If there ever is found
A better part of this town,
I'd like to know where it could be.

Hillcrest Quints Cop Tournaments

Southeastern District Baptist Cage Eliminations Won By Blues; Reds Second.

The Hillcrest Blues, co-winners of the West Church cage league hunting, took first honors at the southeastern Baptist tournament at Zanesville, Saturday, Mar. 4, with the Hillcrest Reds, a member of the same loop, taking second place.

The Reds reached the finals by virtue of a 45 to 18 decision over New Metamoris, Steubenville; and a 30 to 24 win over Granville. The Blues drew a bye in the first round, and then proceeded to whip last year's champions, Zanesville Market Street, 28 to 24. It was this outfit that eliminated the locals in the 1931-32 tourney. In the finals, the Blue Racers continued a fast pace by edging out the Reds by a score of 29 to 23.

Trophies were awarded the two teams, which are now eligible for competition in the state meet at Granville, Mar. 17 and 18. Two teams from each of the four Baptist districts will be entered.

The Red team is composed of the following players: Larkins, Simms, Leady, Todd, Reynolds, and Vernon; the Blues have on their roster: Ballard, White, H. Kent, R. Wills, Marshall, Davis, and McCreg.

Rotary Club To Honor Students

Seniors at West Selected for Luncheon at Deshler on Basis of Service Rendered School.

At least 15 West High seniors will be honored for fine service rendered their school during their careers as students at the annual Rotary Luncheon to be held at the Deshler-Wallick Hotel Monday noon, Mar. 20.

Each year the Rotary club entertains outstanding Columbus senior high school students, each school having a specific quota, set by the superintendent's office. Although the exact number which will represent West has not yet been announced, at least 15 will be named. They were selected by a vote of the faculty at the school.

Those named were: Barbara Brownfield, Alverta Distelhorst, Lillian Felton, Valeda Gugger, Dorthea Lawson Mary Jane Scully, Martha Spears, Pauline Stansbury, John Buchman, Norton Benton, Carl Boss, William Brownfield, John Schenz, Plymale Smith, and Robert Thorne.

John Hipple and Ruth Burkhalter, graduates in the mid-year class last month, were also selected.

Record Reporter Takes Eery Trip With Ornithologists Into Asylum Towers

Whomever it was that signalled to Paul Revere from the belfry tower of the Old North church had nothing on a Record reporter Monday night for having eery sensations and fantastic, creepy emotions! While making a cautious climb into dark, ghostly chambers of the great towers of the Institution for the Insane, strange and mixed thoughts flitted pell mell through a befuddled brain, already congested with the tremendous traffic of a vivid imagination.

Lawrence E. Hicks, state ornithologist and instructor in the Botany department of Ohio State university; Clifford Coles and Floyd B. Chapman, along with the reporter, made their way into the belfry, but instead of it being infested with the proverbial bats, there were European Starlings there—by the hundreds. And the purpose of the expediting was to band them—for scientific purposes. More than 400 were caught and banded

Crawling up into the highest rafters Hicks bagged four or five burlap sacks of the birds, letting them down to the platform by means of a rope, where they were banded and released. High in the tower, midst the dust and dirt, the accumulation of many years standing—where through the dirty windows, just a little light came through, the rustle of many wings, the flitting of a bird through the dark and against one's face, and grotesque shadows—all made a setting one might read about. And it might have been better appreciated had the night been stormy. Then we could have said that the winds howled and the rain beat ominously against the window panes. (What a tough break.)

Strange men, these ornithologists! Almost as strange as these bug hunters, who scamper about over fields chasing winged creatures. But the officials of the institution were informed of the research going on about. Had they not been so informed, perhaps four young men, their respective heads adorned with handkerchiefs (for protection) and bags of birds over their shoulders, —might now be reposing in special cells

Chapman tells of one time, when they had made some collections, of meeting one of the nurses on their exit. And she all but called the man with the net!

Tickets, Prizes Given Winners In Word Contest

Prizes in the Hilltop Business Men's Minstrel Show Contest were mailed Wednesday of this week to the respective winners. The contest appeared in the advertisements sponsored by local merchants in the interests of the Fourth Annual Minstrel Revue in last week's Record.

The correct and neatest answer submitted, chosen from hundreds of sentences submitted, went to Walter I. Richey, 187 N. Oakley Ave. In a flare of artistry, Richey portrayed a shield, with the following correct answer engraved thereon: "To make the Hilltop a better community has always been the aim of the Hilltop Business Men's Association." He was awarded four tickets to the show.

Second honors went to Leota Thompson, 380 Midland Ave., who was awarded two tickets. The following received one ticket each: Mrs. C. McDermitt, 614 Nashoba Ave.; Miss Geraldine Luckey, 311 N. Ogden Ave.; Mrs. A. W. Justus, 828 S. Eureka Ave.; Miss Dorothy Martin, 350 S. Ogden Ave.; Dorothy Deitchle, 727 S. Eureka Ave.; Robert Strope, 1564 Sullivant Ave.; Kenneth R. Shaw, 202 N. Ogden Ave.; H. D. Kanode, 304 N. Burgess Ave.; and John D. Jones, 390 S. Richardson Ave.

Special prizes for the first three entries in the contest went to James A. Tucker, 2930 Wicklow Rd.; Elizabeth Streets, 586 Binns Blvd.; and Mrs. Harold B. Gillivan, 198 N. Wayne Ave. They were awarded cases of Silver King ginger ale, Silver King lime rickey and Silver King white soda, respectively.

Train Hits Car of William H. Morris

Wayne Avenue Resident in Critical Condition at Mt. Carmel Hospital.

William H. Morris, aged 54 of 160 N. Wayne Ave., was in critical condition in Mt. Carmel hospital Thursday, following an accident late Wednesday night in which a train struck the auto which he was driving, at the North Eureka avenue crossing.

A possible fracture of the skull, fractured left arm, fracture of the spine and internal injuries cause Morris's condition to be regarded as serious.

The auto was dragged but a few feet, members of the crew of the Big Four passenger train saying that the speed of the train was approximately 30 miles an hour. The accident occurred at 10:40 p. m.

Excelsior Society Names 65 Pupils

More Than 28% of Graduating Class at West Jr. Elected to Membership.

Sixty-five members of the 9-A class at West Jr. High school were elected to the Excelsior Society, honorary group, according to announcements made this week by H. H. Beighly, principal.

This is the largest group of candidates ever selected, and the 1933 class is one of the best scholastically, ever to graduate from the local junior high school.

Probably the most outstanding feature, however, is the fact that almost half of the new membership is composed of boys. This is regarded as exceptionally fine work, by school officials.

ASSEMBLY MONDAY

Hon. Will P. Stevenson, one of the Judges of the Ohio State Supreme Court, will be the principal speaker at an assembly in honor of the newly elected honorary students Monday afternoon at the school. The program will get under way at 2 o'clock. Music will be furnished by the junior high orchestra.

Candidates for membership must total 67 points scholastically through their school career. Three points are awarded for an E, two for a G, and 1 for an F. Fulfilling the requirement means at least half of grades recorded must be E's.

After meeting the first requisite, students are then graded by their respective teachers on their school spirit, loyalty, courtesy, participation in outside activities and general deportment, including punctuality.

Names of those honored appear elsewhere in this issue of the Record.

Fall In Hilltop Home Fatal to Peter Syfers

While attending a celebration in honor of his son's wedding anniversary at 138 N. Oakley Ave., Peter Syfers, father of 10 children, fell down a flight of cellar stairs and was fatally injured early Sunday, March 5.

He was pronounced dead by Dr. A. D. Eckart, 1239 W. Broad St., who was called following the accident by Norman Syfers, who with his wife, were observing their eighth wedding anniversary.

Syfers lived at 260 Martin Ave., and made the head long plunge when he opened a door in the dark which he apaprently thought led to a bathroom in the house. Funeral services were held Tuesday afternoon

Make High Marks

Admission Prices Slashed At Fourth Annual Minstrel

Titles Decided In Church Loop

Games Thursday Finish League Play; Winners to Enter City Eliminations.

The champion of the West Senior Church Basketball league was to have been decided Thursday night, Mar. 9, at the Glenwood shelter house, with Avondale U. B. and Hillcrest Baptist playing the leading roles.

Following a hectic season, in which the two were knotted with nine wins and a loss for top honors, the Brethren took the initial game of a three-game series last Thursday night, 21 to 19. Tuesday night, the Blue Racers evened the count in a rough and exciting game, 24 to 17.

Other results included a victory of Hoge Memorial over Glenwood M. E. in class B play. Gift Street M. E. is also in the running for honors in this division.

In class C, Hillcrest Reds, after a slow start, rambled high, wide and handsome to trim the Briggsdale outfit by a score of 24-19, a belated rally on the part of the losers being of no avail.

Games last night were to have concluded play in the league, 10 teams having completed their respective schedules.

Production On Again Tonight

Last Minute Reduction In Ducat Prices Produces Good Crowd At West High School.

The Fourth Annual Hilltop Minstrel Revue—the best show ever sponsored by local business men, made its initial showing at the West High school auditorium last night. A last minute reduction in price from 35 cents to 10 cents, caused tickets to sell readily, and a large crowd is anticipated tonight, when the final showing will be made.

Announcement of the admission price reduction was made Monday, when it was learned that the cost of the 1933 show would be much less than expected. Inasmuch as the Minstrel is a community good will project, sponsored by the Hilltop Business Men's association, the price scale was cut.

In keeping with the prevailing economic situation, it was thought by officials, that so long as the show was breaking even financially, as many Hilltoppers as possible should see the show.

PRODUCTION GOOD

Headlined by a 20-minute concert by the Hilltop Business Men's Male Chorus, the program moved along steadily last night, marked by fine music, good jokes and plenty of fine dancing and singing.

The olio acts, all of which are above par, were outstanding, while the work of the end men, Paul Hubbard, Dick Becker, Leo Phillips and George Painter proved highly acceptable. The end men were supported by an hilarious set of auxiliary ends. They were: L. E. Saunders, Ray Haunts, George Pfaff, William Coulthard, Dr. T. S. Fox and Don Smith. Floyd Green was again interlocutor.

"Mother o' Mine," by Burleigh; "Night and Dawn," by Owen; "Plantation," by Steiner and "Down Among the Dead Men," by Williams, were the selections rendered by the chorus, which, by the way, made a tremendous hit.

ALL MALE ORCHESTRA

The all male orchestra, directed by Miss Edith Robbins and Miss Ethel Greiser from the Hilltop School of Music, adds atmosphere to the show, besides presenting several fine musical selections. The six olio acts, all of which were well received, included: Dancing by Opie Reed; song and dance by Lodabelle Schmidt; string musical selections by the Harmony Hounds; song and dance by Billy Ewald, Buddy Weber, Mary Campbell and Phyllis Rawlins; accordian and song, Helen Richter, and a skit by Betty Stauch, Evelyn Kellar and Jack Wisemen.

It was announced Wednesday, that those who had already purchased tickets at the former price of 35 cents, could get them refunded by the merchant from whom the tickets were purchased.

CO-OPERATION NEEDED

Strenuous days are here, strenuous to rich and poor, to the individual and the business man alike. All have been forced into unforeseen circumstances which call for forebearance with one another. Especially is this true in a community such as this, where business is done more or less intimately and credit has been based to a great extent on individuality. In the past week revolutionary methods have taken place in the manner of transacting business, practically every business being forced to operate on a cash basis. Railroads will not move a car until the cash has been laid down for the freight, consequently the wholesaler must demand cash of the retailer and in turn the retailer is compelled to ask co-operation from customers to whom he has extended credit.

Locally the merchants are exerting every effort to meet the situation, but their supply of cash is limited and each customer should feel it his duty to co-operate with his merchant in every way he can so that all may survive the crisis.

Patronize Your Independent Hilltop Grocer

You Need Your Independent Grocer

Have you considered the important part the independent grocer is playing in the demands of the present crisis? They have met every demand placed upon them. They have given the same careful, conscientious service. They have kept their money in this community where it is available to residents of this community. Every dollar spent with an organization whose interests are foreign to this community, makes this community just that much poorer.

They have paid their employes in U. S. MONEY worth face value any place in the world, not in scrip or coupon books good only at a specific store. Their stocks are ample to meet the demands. You can materially help yourself and your community by patronizing independent organizations of the Hilltop.

West Eliminated by Lancaster "5"

Curtain Falls On Cage Season to Bring Lull In Athletic Activities.

The curtain of the West High basketball season dropped with a sudden thud last Friday evening at the Ohio State university gymnasium, when Lancaster High eliminated the locals from further competition in the district tournament by administering a 25 to 1 spanking to Coach Wise's proteges.

The Fairfield countians piled up a 11 to 3 advantage in the initial half, and although playing even through the final periods, Lancaster had too great a lead to be downed. Captain Deshler led the locals with a pair of fielders and a charity toss for five points.

Athletic thoughts at West will now be turned to the diamond pastime, although actual out-of-door work will not get under way for some time. Baseball prospects at the Cowboy institution are fair, but the absence of Charles Casey, catcher, from this Spring's array of talent will be a decided blow to championship hopes. Casey, who was forced from basketball competition in mid-season by doctor's orders, in all probability closed his West High athletic career at that time.

The lull preceding the spring athletic program, however, will be brief. This afternoon the city gym and wrestling meet will get under way at East High, with West entering wrestlers only. Not long after, baseball and track will take the stage, to remain until June.

OSTEOPATHY OR SERUMS
Think twice before you permit any serum to be injected into your pure blood stream. You take all the risk and the damage cannot be undone. Try Osteopathic treatment instead, to remove the cause of the trouble. I have been practicing Osteopathy in Columbus over 30 years and the results are remarkable. In many cases almost miraculous. Give it a trial in your case. Dr. E. D. Woolmansee, 2081 Summit St.

Girl Scouts To Have Birthday

Dr. M. H. Lichliter to Conduct Services At Congregational Church Sunday Afternoon.

All Girl Scouts of Columbus and Franklin county, as well as throughout the country, will celebrate the 21st birthday of Girl Scouting, Sunday, March 12. It was on March 12, 1912, that the first Girl Scout troop was organized in the United States under the direction of Mrs. Juliette Low. She was a friend of Lord Robert Baden-Powell, the founder of the Boy Scout movement, and who with his wife, Lady Baden-Powell, founded the Girl Guide movement in England. Mrs. Low, upon organizing the first troop in Savannah, Georgia, changed the name from Girl Guiding to Girl Scouting.

Dr. M. H. Lichliter will conduct the "Scouts' Own" service in observance of this birthday anniversary. This nonsectarian service will be held at the Congregational church on East Broad street at four o'clock, Sunday afternoon, March 12. The color guards will be Janet Gillie, Freda Boughton, Jean Ogilin, Peggy Pfening and Irma Hazlet, all members of the Columbus chapter of Golden Eaglets. Dorothy Jones, 291 S. Richardson Ave., of the Hilltop Troop 22 and other first class scouts will assist the Golden Eaglets in ushering.

Mrs. Robert Gordon, the Girl Scout Commissioner, will speak on the subject of the Girl Scout birthday over radio station WEAO on Saturday afternoon, March 11, at 3 o'clock.

BOY SCOUT NEWS

TROOP 161

Troop 161 meets every Wednesday night at the headquarters of Camp Chase Post 98 of the American Legion. Lu Bennett, acting scoutmaster in the absence of Mr. Brown, has charge of the ticket sales in the Southwest division for the Scout circus.

On a recent hike to Camp Lazarus, near Delaware, George Ward, Post commander, was present.

TROOP 18

The meeting was opened with the scout oath and law, followed by patrol meetings and games. After assembly in the council ring, a general discussion was held by the troop. Mrs. Freedum gave a short talk on George Washington. The mystery box was opened by the hound patrol and contained suckers. The meeting was closed with the scout benediction.

TROOP 172

Troop 173 has a A 5 rating for the year 1932, it was announced by headquarters this week. The troop has postponed its hike to Lancaster for two weeks. The parent banquet has also been postponed.

The Beavers, headed by Eugene Buckingham, continued to lead in the inter-patrol contest. At next week's meeting, Investiture and Inspection will be held. Four new scouts will be awarded their tenderfoot ranking.

Troop 173 has a full membership at the present time. No additional enrollment will be made.

Through Woods and Fields

THE NATURE TRAIL

BY THE RAMBLER

HOCKING RAMBLE

"Pokin' round 'mid ferns and mosses,
Like a hop-toad or a snail;
Somehow seems to lighten crosses,
Where my heart would elsewise fail."

It was early in the morning, before daylight, when we started for the hills of Hocking county. There was a party of four—Howard Michel, James Hastings, E. E. Bateman, and the writer.

As it happened, gray dawn was not followed by a warmth-giving flood of sunshine. The skies remained dark and overcast, and before we had reached Conkle's Hollow, our first stop, a drizzling rain began to fall, and never ceased through the entire day afield.

But the lashing of rain against our faces served more as an incentive than an obstacle, and we started up the rock-rimmed Conkle's Hollow in exuberant spirits, seeking for specimens of mosses, liverworts and lichens.

And we were not unsuccessful, especially in the case of the lichens, for the weather was ideal to find them. Moisture makes these lowly but fascinating plants highly conspicuous, for it brightens the green of the algae in them and changes their color from the usual drab gray, to various shades of green. Some were fruiting the prettiest of which was cristatella which was found in abundance on an old log the brilliant red of the fruiting bodies forming a striking sight against the winter brown of the woodland floor.

Deeper into the hollow we went. From atop a giant sycamore along a winding stream came the loud clear whistle of a cardinal. The perpetual and familiar song of the diminutive song sparrow belied the fact that it was winter. A chickadee hopped among the branches of a tulip tree, while in a neighboring elm, a brown creeper spiralled up the trunk.

Now along the stream, now upon the hillside, now exploring a rocky cove, we found Catharinea, Webera, Dicranum and a score of other mosses, with many liverworts. Then back to the car, following the little stream whose banks were lined with the yellow birch, best for Old Man's Cave, one of the many other beauty spots of Hocking Hills.

Old Man's Cave

I know of no finer place in the state than Old Man's Cave—especially during the winter months, when the horde of "nature lovers" characteristic of balmy weather are at home toasting their shins at some fireside. Here the gorge is deep and the roar of gushing waters over the sandstone cliffs re-echoes from wall to wall, giving a thrill comparable to none other that I know.

Here the work of the ages has gone on, slowly but surely, and the passing years have added grandeur to the spot. In the cavernous depths of the cut outs, where at some other time streams have washed and eroded away the sandstone, the dust of the years lies, unmoistened since before the advent, perhaps of the American Indian. For the rain never touches these protected places and the stream has long ever ago eroded its bed far below the level of this powdery sand.

High on the rocky cliffs the reindeer lichen may be found. Now the rocky slopes are clothed in brighter green than that of Springtime for the Christmas Fern the Shield Ferns and the polypodies are evergreen. In a rocky crevice a clump of Club-moss (really more closely related to the ferns) pokes its stem, covered with scale-like leaves, up from between the rocks. Mosses cover rocks and logs profusely.

Here the stately tulip trees, and chestnuts and oaks and hemlocks stand in a sort of majesty. The whip of the wind through the evergreen branches, the rumble of water through the gorge, the patter of rain on the decaying leaves; and the absence of the crashing and grinding of human traffic, all lend to the place an air of mystery and solitude, yet an air of complete placidity prevails. 'Tis the song of the forest.

No hurry, no commotion. Just the rock-bound hills, waiting, as it were, "through the still lapse of ages."

CONGRATULATIONS

To the Hilltop Business Men again—for the group's excellent community spirit, for its untiring efforts toward making the fourth annual minstrel a tremendous success. There is much time involved in the preparation of a show of such proportions as that given three times by the Business Men's Association. Long hours of practice and actual presentation.

And when the house was packed last Friday—when people were being turned away by the score at the box office—Chairman Herb Deems called the committee together—and the entire group was in favor of repeating the show. Then the cast was canvassed, every individual responding favorably toward the idea of a third production.

This is the type of co-operation that will soften the sting of depression. This is the type of Hilltop business man on the Hilltop. Doesn't he deserve your co-operation—and your patronage? As well as the congratulations of all the community.

Hilltop Girls Take Part In Style Show

The Wichaka group of the Camp Fire Girls, as a part of their twenty-first birthday celebration, presented a style show on the third floor of the Fashion store Wednesday afternoon, Mar. 15.

Those taking part were: Betty Strayer, Wanda Cales, Norma Thomas, Jean Ett, Beatrice Lawson, Betty Jean Price, Elsie Yee, Dorthea James, Barbara Veiser, Marie Epp, Anna Lee Frederick and Marjorie Thompson.

Marjorie Thompson wore the ceremonial dress of the organization, while others showed styles for junior high girls.

Mrs. Clyde James, 152 S. Richardson Ave., is guardian for the group.

E. choir with a violin duet by Edna Corcoran and Jannie Turley, recent winners in the Ada Eisteddfod, and a violin solo by Elwood Lee. Talks will be given by Betty Warner, Edna Rockard, and George Armour. Prayer will be offered by Richard Jones. This program will conclude a very successful School of Missions, which has been held for the past few weeks. Mission study classes for all ages will meet promptly at 6:30. The public is invited to all services.

All Minstrel Records Broken In 1933 Show

Revue Presented Three Times to Capacity Houses at West High School Auditorium.

With the third performance of the fourth Annual Hilltop Minstrel Revue Monday night, all previous attendance records were broken. In fact, the second show on Friday evening, brought the total number of admissions over the 3000 mark, and with Monday's large crowd it was estimated by officials that 4500 Hilltoppers witnessed the 1933 show.

Friday night the house was packed to overflowing at 7:30, and by eight o'clock the extra seats installed were filled and standing room was no longer available. The show started 15 minutes early, and an announcement was made that the minstrel would be repeated on Monday.

Even then, none would move from the aisles and some 300 local residents stood throughout the two-hour show.

Show Well Received

The crowd that packed the lobby of the school finally crashed the doors, more than 100 gaining admittance without paying the reduced price of one dime. Presenting a smoother performance than that of Thursday, which was also well liked by a capacity crowd, Friday's show made a tremendous hit, despite the uncomfortable arrangements endured by many who had to stand throughout the performance.

General Chairman H. G. Deems, who had announced himself as opposed to a third production, was besieged with calls from members of the cast saying that the show should be given again on Monday. Finally he called the minstrel committee, which group approved unanimously of a third production. Every member of the cast was then called—and there was not a dissenting vote. So the show was repeated Monday.

Sales Tax Not Just

So States H. E. Tate In Talk Before Hilltop Business Men's Association Tuesday.

The sales tax proposed by a bill before the state legislature is not the proper or just way to raise revenue for the state, according to H. E. Tate, who spoke before the Hilltop Business Men's association at its meeting Tuesday evening.

Mr. Tate stated that the enactment of a general sales tax would close the doors of many business houses, cause business rooms to be vacant and create unemployment because the retail merchant would be unable to absorb the tax and competition would keep him from passing the tax on to the public. Mr. Tate stated that a retail tax, as he saw it, was merely a tax on the retail merchant to do business.

The state needs $12,000,000 to balance the budget, he stated, and as an alternative to raise this amount he suggested a moritorium on new road construction for eight months and apply this amount toward the general revenue. The gasoline tax yields a revenue to the state of $18,000,000 a year, which can be used only for new construction work.

Announcement was made at the meeting that President McPhail of the Red Birds had reserved 100 seats for Hilltop business men for the opening of the baseball season April 15, when the Red Birds will meet Minneapolis. A committee composed of W. E. Eidson, C. J. Kohn and C. G. Wilcox was appointed by President Campbell to have charge of the affair.

The report of the minstrel committee showed that between 4200 and 4500 people witnessed the three performances of the minstrel show last week.

Other music will be furnished by the school. All parents and friends are cordially invited to attend these meetings.

Speedmonts Lose One Game In Three Years

The Speedmonts, girls' basket-ball team pictured above, has compiled quite an enviable record since its organization three years ago. At the present time the outfit has completed its second season with an immaculate record. In three years the team has dropped but a single conflict.

The Speedmonts are members of the Independent league, games being played at Glenwood shelter house on Monday evenings. Last Monday this team won its tenth victory of the season, copping the title therewith, and becoming eligible to compete in the city finals.

The only game ever dropped by this sextette came at the close of its initial season on the hardcourt, the Hilltop Six taking a close decision. The following year, however, the Speedmonts twice trounced the same outfit.

The team has never had a backer, something unusual for championship teams, and except for off and on instruction by Leo Cridil of the city recreation department and Mrs. Edna Fresin, 787 S. Richardson Ave., the squad has never had a regular coach.

From left to right, first row, Laura May Booth, Dolores Siegwald and Marjorie Marshall. Back row, Helen Ogg, Catherine Trout, Marjorie Hubbard, Virginia Gilliland, Helen Hayes and Louise Adkins.

In home issues, the Hilltop Library held a decided advantage, and in references, a margin of two operated the two branches, Hilltop and Clinton.

West Baseball Season to Open April 21st

South Bulldogs To Be Cowboy Diamond Opponents In Lidlifter.

West High's 1933 diamond aspirants will hear the initial call for practice sometime within the next two weeks, it was announced by Coach Harold Wise Saturday. This will give the West mentor a little more than three weeks in which to condition a team for the opening battle of the spring against South on April 21. The game will be played on the local lot.

Following the South game the Cowboys are not scheduled to go into action again until Aquinas is met two weeks later. It is proable, however, that a game will be scheduled for April 28.

The City leagues will function this year with but five teams participating, North High having abandoned the spring sport. Two rounds, making a total of eight games, will be played. The season will close May 26 with East being the Cowboy opponent.

Wise would not comment on baseball prospects this week, but indications are that West will probably be the dark horse of the circuit. With several valuable regulars gone from the line-up, some good prospects coming up may be able to fill their respective shoes. Should sophomores coming up from Junior High make the grade, West may land in the first division.

Church Quintets Cop First Games

Hillcrest Blues Cop West Church Title and Take First Game In City Eliminations.

The Hillcrest Blue Racers continued in fine form Tuesday night in the initial round of city basketball eliminations, taking an easy victory from Broad Street Presbyterian by a score of 20 to 13. The losers were champions of the south division of the East Church League.

In the class B division, Gift Street M. E. upheld the standard of the western sector with a 15 to 12 win over L. D. S. In class C, the Hillcrest Red quintet took the measure of Fifth Avenue U. B., 17 to 11.

Titles in three classes were decided last week in the West church basketball league in games played at Glenwood shelter house. The Blue Racers of Glenwood, led by the brilliant work of Ray Wills, took top honors in the Class A division. After dropping the first of a three-game series with Avondale U. B., the Hillcrest outfit came back to scamper easily to two straight wins.

In the deciding battle, Marshall, elongated center, kept the locals in the running through the initial half, while Wills ran high, wide and handsome to lead the scorers with four fielders and a pair of charity tosses. The final count was 26 to 18.

In Class B, Glenwood M. E. was nosed out by Gift Street M. E. in a closely played and hard fought game.

Another Hillcrest team copped the title in the Class C Division, defeating West Park M. E. 27 to 21 in another close game. Brodt, center, led the scorers with 13 markers.

The Hillcrest teams are coached by Pat Sullivan, well known in amateur and semi-pro circles. M. W. Kent is the financial backer of both squads, which have assisted in making Hillcrest have one of the outstanding athletic records of the city recreation department.

IMPROVING FROM OPERATION

Miss Harriett Judd, principal of West Broad Street school, is recovering from an operation and is doing very nicely.

Numerous New Accounts Made

Large Shipments of Gold Made From Local Office; Not a Single Full Withdrawal.

With the opening of Columbus banking institutions Tuesday morning, a wave of optimism swept through the entire city, which business men interpreted as good indication of a restoration of confidence and cooperation in business affairs.

Locally, C. G. Wilcox, manager of the Hilltop office of the Ohio National Bank, reported a rushing business. Numerous new accounts were opened, and the fact that not a single full withdrawal of any account was regarded as indicative of restored confidence.

The action taken by the federal goverment against the hoarding of gold certificates, gold and money, brought results locally, according to Wilcox. Several large shipments of gold were made by the Hilltop Bank last week and early this week.

All accounts are open and the public is being urged to make use of checking accounts in transaction of business.

BUSINESS IMPROVES

Hilltop business men also reported increasing activity as a result of the closing of the bank moratorium. A spirit of confidence prevailed, and increased buying was noted. Ray G. Haunts, grocer, was of the opinion that conditions are on the way to opening up. Mary Bentz, proprietor of Bentz's grocery, said: "The outlook is much brighter! People seemed to be in a buying mood, after the opening of the banks, and there was a reaction toward spending and the paying bills."

Similar reports came from every section of the community. Although there seemed to be prevalent a knowledge that the depression was by no means at an end, the concensus of opinions seemed to be that business conditions had reached their lowest levels and improvement would be noted in the future. This developed an attitude of confidence, which led to the lessening of purse strings, with the consequent result of better business all around.

Jr. Church Organized At Burgess Ave. U. B.

A "Junior Church" was organized last Sunday morning at the Burgess Avenue United Brethren church. This organization of young folks will meet at the same hour as the morning worship for the adults. Spears will be the superintendent and leader of the service. Thirty-five boys and girls between the ages of seven to fifteen attended the first meeting.

Mrs. Mattie Bishop Succumbs Tuesday

Mrs. Mattie Bishop, 430 S. Terrace St., died Tuesday afternoon at her home as a result of an illness from influenza and complications. Funeral services were held Thursday afternoon at the Spears and Born funeral home.

She is survived by two daughters, Miss Minette Bishop, at home and Mrs. Winifred Koetz, 441 Nashoba Ave.; a son, Chester, at home, and a sister, Mrs. Elizabeth Glenn of Columbus.

NATURE'S CALENDAR

Life awakens again in wood and field. Before March winds started to blow, the stagnant pool contained great masses of frog eggs, and strolling along the edge of the swelling stream, a water spider, in still pools skipped its way across the surface.

Back in soggy hollows, the first flower of the year, a cousin of the calla lily, skunk cabbage, pushes forth its peculiar blossom. Across the fields, wafted to the Rambler by raw winds, comes the first familiar call of the meadowlark.

Now in the sterile soil, the bud of Trailing Arbutus appears—the most fragrant of wild flowers. Velvety buds of willow show forth along the stream banks. And if one looks closely, the buds of trees will be observed to be swelling. Now the spring is coming, and every day will bring forth some new creature from winter's doz

BOY SCOUT NEWS

TROOP 161

Troop 161, sponsored by Camp Chase Post, American Legion, met Wednesday evening at Legion headquarters with 19 registered scouts and three committeemen in attendance. Band practice was held after scout meeting, 12 members being present. Next Tuesday evening the troop will have swimming instruction at the K. of C. pool at 7 o'clock.

TROOP 172

Inspection and tenderfoot examinations were the highlights at the Monday meeting of Troop 172. A hike, featuring nature instruction, will be taken Saturday, March 25, to Fairfield county. The troop will leave Hague and Broad at 9 o'clock.

The Beaver patrol increased its lead in the inter-patrol contest, practically clinching first honors, with but three weeks to go.

TROOP 162

Scoutmaster John Brown, with five scouts, ushered at the coliseum at the last regular scout meeting. Assistant Scoutmaster David Cook had charge of the regular session of the troop.

TROOP 18

Twenty-one were in attendance at Monday's meeting of the troop. Games were played following the patrol meetings. A general discussion and instruction in pioneering merit badges was next on the program. The mystery box was opened by the Hound patrol. The meeting was closed with scout benediction and taps.

Springtime May Come Splashing But Let 'er Come

Boy! If things keep up like things started this week, that winsome lassie, Springtime, is going to be a "washout" when she comes "alopin" into Columbus next Tuesday. And next Tuesday is when she's due. And from up here on the Hilltop folks can see her wading in already.

But friendly chats with those who know the weather signs reveal that Mother Nature is going to be all dolled up for her favorite child. She's been busy in some Hilltop yards and gardens already, and tuplips and crocuses and grass and buds of all sorts have been shined and polished ready for the coming of the bride. And everybody is ready and the cry has gone forth to "fetch her in."

Yearly, young men take advantage of the season and do strange things. And from the sights seen on Broad street about the time high school classes have finished, some young men have oiled up the heart machinery a trifle prematurely. But there is no harm done, for the poet has given sanction to such gymnastics and flip-flops with his immortal lines about fancies in the springtime.

But hearts are not the only things turning over. Out in the back yard, pa is digging a patch for ma's garden flowers; and Willie is turning over a few boxes and whatnots in the attic to get his kite string and marbles and tops out for action; and President Roosevelt is turning over a new leaf for the whole country. Reckon now, that the leaf is turned, though, the people will have to do the writing with confidence and hearty co-operation.

Everything is turning over, and as we said before, Spring might come splashing in—but let her come—splashing or not. Let 'er come. I repeat it, sir! Let 'er come.

Men's and boys' new spring suits, topcoats and hats. Lowest prices in years.—Seiller's.

ENTERTAINS ON EUPHILEAN CLUB ANNIVERSARY

Mrs. M. D. Hoenstine welcomed members of the Euphilean club and their husbands into her home, 2006 Chatfield Rd., Friday evening in celebration of the fifteenth anniversary of the organization of that group.

Organized during the World war by a group of six women, three of whose husbands were serving as Y. M. C. A. workers in France, the club served and folded surgical dressings with the Red Cross unit meeting at Wallace Conservatory of Music on Jefferson avenue.

Literary meetings were also held and at the close of the war the name was changed from Fireside Circle to Euphilean club.

Mrs. Mary B. Smith, Mrs. L. D. Griffith and Mrs. R. L. Nourse were assisting hostesses for the anniversary event and the program committee members were Mrs. W. O. Dunson, Mrs. Clyde D. Moore and Mrs. Hohenstine, who arranged the entertainment.

Burlesquing event and conditions during the war the guests engaged in sham battles, conflicts and pseudo military manoeuvers of the friendly but ritotous sort. Bugle calls announced the events and at mess call the guests moved in squads to the "mess hall" where glorified rations were served.

Guests included: Mr. and Mrs. A. V. Brindley, Mr. and Mrs. F. P. Colwell, Mr. and Mrs. H. C. Dunlap, Mr. and Mrs. W. O. Dunson, Mr. and Mrs. W. O. Folk, Mrs. L. D. Griffith, Mr. and Mrs. D. D. Guerin, Mr. and Mrs. W. S. McDaniel, Mr. and Mrs. C. D. Moore, Mr. and Mrs. R. L. Nourse, Mr. and Mrs. R. S. Paffenbarger, Mr. and Mrs. J. R. Shepherd, Mr. and Mrs. C. S. Shiffler, Mrs. Mary B. Smith, Mr. and Mrs. L. P. Weiss, Mr. and Mrs. I. E. White and Mr. and Mrs. Fred H. White.

Kidnapped And Robbed Tuesday

Robert E. Bell Abducted At Whittethorne and Sullivant Avenues By Two Men.

Officials of the Columbus Police department, Wednesday, were investigating the kidnapping of Robert E. Bell, 503 Whittethorne Ave., who was abducted Tuesday night at Whittethorne and Sullivant avenues by two unidentified men.

Bell, who is a ticket agent for the Columbus Railway Power & Light Co., was held prisoner for more than an hour. He was relieved of his keys and forced to inform his abductors of the combination of an office safe at the North High street car barns.

After he had given the required information, the two men took his keys and released him in the vicinity of Ohio State university.

Police said Wednesday that no attempt had been made to enter the office where the safe was located.

CAMP FIRE GIRLS

IMITAWASI

At the birthday ceremonial national honors were awarded to Mary Katherine Cornwell and Virginia Beattie for excellence in design and beauty of their beaded headbands. The other girls in the group have about completed their headwork and they will submit them for examination honors.

This is Camp Fire Birthday week, the birthday being Mar. 17, and in addition to the activities planned by the Franklin County Council, this group along with other groups at John Burroughs school is having a special Birthday Assembly at the school Friday afternoon at 2:30 o'clock. Imitawasi group will stage a special act written for them entitled, "What Our Symbol Means to Us." This along with the acts to be put on by the other groups will make an entertainment worth while for parents and friends of the school who are invited.

A hike is planned for Saturday if weather permits and Sunday at 4:30 p. m. all Camp Fire Girls will attend Vesper services at St. John's Episcopal church, 61 E. Mound St., to complete the most successful Birthday Week Camp Fire has ever known.

The Hilltop groups are especially active in Camp Fire and are bringing a lot of favorable mention to this section of the city.

The LOOKOUT

ROUND ABOUT THE HILLTOP

I earned my first dime from Jack Merriman, who so long ago peddled daily papers . . . And I think it was Dr. Fletcher with whom he bet on the Dempsey-Willard battle at Toledo, but the doctor bet on Willard . . . An atheist workman helped paint the woodwork in the Hilltop Lutheran church . . . Wanda Harper's red hair . . . . Nothing is so exasperating as a plate of noodles, the slippery, slippery things . . . There are more angary kids than daddies on the Hilltop, judging from the number of parents who go to school after them when it rains . . . And you'd be surprised to note more at West High than at West Broad . . . Louie Phelps resembles Buster Keaton, it is said . . . That confounding puzzle of Frank Morgan's . . . Only Max Moody of the fire engine house has been able to work it . . . Marie, the waitress at Ehhl's restaurant, so pensively quiet . . . A. W. Elliott, in his black hat, reminds me of Roger Chillingworth in Hawthorne's "Scarlet Letter" . . . . Kenneth Bishop is the best local grocery truck driver . . . Personal nomination for the worst: all the rest . . . Personal nomination for the jolliest chap on the Hilltop: Russel Kadel . . . Wonder what has become of Ralph Hill. They used to call him "Pete"—a name his mother never liked . . . Gesnell Layman is the only one who didn't gripe about that crack we made of him last week . . . which might be one reason he's the squarest football and basket-ball official in this man's town.

BANANA STORY

Abe loved Anna Mills. He loved her very much. He went to her father, and he said: "I love Anna Mills!" So, Anna's father took him to the zoo.

Not long after the two were strolling across the Broad street bridge. And it seemed that they had a quarrel. And that's where "a banana split."

Just a couple of mediocre ones from Art Miller!

POEM

The following, submitted by R. C. McCreary, exhibits a bit of the "tang" we look for and so seldom find:

The melancholy days have come,
The saddest of my life,
I'll have to go and get a job,
For the boss has canned my wife.

FAILED IN CRISIS

Comes this story to us, of a bridge shark who failed in the crisis. One evening this week Jim Ryan entertained a trio of his friends at his home, 137 Guernsey Ave. They played bridge, Jim having for his partner Joe Snyder, 137 S. Wheatland Ave. Joe's brother, Paul, and Howard Graber, 128 S. Wheatland, made up the opposing pair.

Now the game was progressing nicely. Jim dealed out the cards and proceeded to bid a measly one club. Paul bid a spade, and Jim jumped to two clubs, laughing all the while, while his heart pounded and hammered in his breast. In fact, he was laughing so heartily that he didn't hear Howard bid two spades, and passed. Two more passes and the game proceeded.

Then they discovered the Laughing Jim held 13 clubs and didn't get the bid! And his dad, who was looking on, was irked with his young son, for chances are that another such a hand won't be dealt out before Sunday, one week.

PHILOSOPHY

A bit of verse that the famous Knute Rockne was in the habit of reciting to his wonder football teams, before they took the field for battle, came to us this week. The fineness of its philosophy is worthy of passing on.

Dear Lord, in the battle that goes on through life,
I ask but a field that is fair,
A chance that is equal with all in the strife,
A courage to strive and to dare:
And if I should win, let it be by the code,
With my faith and my honor held high—
And if I should lose, let me stand by the road
And cheer as the winners go by!

Banking Deposits Up

Following the bank moritorium, school deposits at West Junior High school dropped nearly 50 per cent, but last week's reports show a decided increase, with deposits again approaching the normal mark.

Hillcrest Blue Racers Flinch In Final Game

Bow to St. Ladislas Quintet for Class A Senior Church Championship By Score of 31 to 21.

The Hillcrest Blue Racers cracked in the pinch Wednesday night on the Central Y. M. C. A. court with the city church cage championship at stake, and St. Ladislas took a 31 to 21 decision from the locals to cop the bunting.

The game was bitterly fought throughout the initial half and through a few minutes of the second stanza, but then the locals withered before an attack that placed the Catholics nine points to the good.

Shooting from all angles to make their shots good, the South Siders edged away from a stale Hillcrest quintet, never again to be threatened.

The final score, however, is no indication of the respective merits of the two teams, although the winners presented a classy array of talent. Pat Sullivan's boys apparently went stale at the crucial moment, while the Saints were "hot."

For the winners, Bellman was the outstanding player, while Marshall excelled for the losers.

The Blue Racers reached the finals last Thursday night by virtue of a thrilling victory over the formidable Second Avenue Presbyterian quintet. Although the final count was 27 to 20, the Hilltoppers experienced much difficulty in their conquest and came from behind to win the battle.

Coaches Sound Baseball Call

Seventy-five Report to Coach Wise; Layman Has 200 Out; Rehearsals Begin Soon.

Approximately 75 candidates reported to Coach Wise last week when the first call for baseball was sounded at the Cowboy institution. Prospects, however, are not bright, with but four letter men back from last year's third-place squad.

Dutz, first baseman; Boye, shortstop; Coon, outfielder, and Miles, outfielder and pitcher, are those returning. Wise will have to develop a pitcher of ability, a catcher, a dependable third sacker and a trio of outer gardeners in order to produce a formidable outfit in the forthcoming race for the scholastic title.

Thornton, last year's reserve hurler, will not be available, according to reports. Miles, a dependable outfielder, may be use on the slab this year. He showed some excellent hurling at times in games a year ago, and southpaw shants may be a tremendous asset to the Cowboys this coming spring.

Francis, a sophomore, may be available for catching duties, but has not reported as yet.

In the Junior High section, Coach Layman had over 200 report at the first indoor session. Most of these are battery men, and in the words of Layman, he has "nine throwers and as many stoppers."

Out-of-door workouts for both squads will get under way as soon as weather permits.

SPEAK UNTO US

By ETHEL TITUS WORTHEN

O Master, tender, gentle, kind—
With sweet and pleading face;
So wise and infinite in mind,
With heart so full of grace.

Through tear-dimmed eyes we see the cross,
That Thou did'st humbly bear:
To purge our souls of every dross,
Thy life with us to share.

Let us not hasten from this scene,
But linger silently . . .
To hear thy voice, calm and serene,
Say—Peace be unto Thee.

Heavy Rains Cause Much Damage In Hilltop Homes

Speedmonts Cop Championship

Local Girls' Sextet Finishes Second Season With Unblemished Record.

The Speedmonts, local girls' basketball team, won the city independent championship Monday night at Glenwood shelter house court by defeating Independent Mills in a good game by a score of 29 to 16.

The local outfit thereby completed a season with an immaculate record, having gone through the regular season without suffering defeat and surviving through the city tournament with a solid row of victories. This is the second consecutive undefeated season for the team.

In Monday's game the Hilltop squad failed to measure up to its usual form, teamwork being lacking, except on a few occasions in the second half. At the end of the first half the score was knotted at nine each. For most of the game three of the Speedmont regulars were not in the lineup, the final score being no indication of the Hilltopper's superiority.

The locals pulled gradually away in the final stanza, however, due largely to the excellent play of Marshall. The game marked the close of the current season.

The members of the team are: Laura May Booth, Dolores Siegwald, Marjorie Marshall, Marjorie Hubbard, Catherine Trout, Helen Ogg, Virginia Gilliland, Louise Adkins and H. Hayes.

Water, Sewage Flood Cellars

Inadequate Sewer Mains Prove Costly On Hilltop As Heavy Rains Flood Community.

Recent heavy rains, which have caused tremendous damage in other sections of the city and state, have also had ill affects on the Hilltop, causing thousands of dollars worth of damage when sewer lines were unable to carry away water fast enough. Flooded basements, in homes and storerooms caused much concern this week, and although no accurate estimate of the damage done can be made, the figure will run well into the thousands.

The vicinity of Binns boulevard and Palmetto street was especially hard hit, not only by the flood waters, but also sewage which backed up from mains unable to carry off the downpour of rain.

No great damage was noted in the block north of Palmetto, inasmuch as the water there was carried off by mains to the north. The south mains, however, proved inadequate and much damage and discomfort resulted.

BUSINESS HOUSES HIT

Other sections of the community reported varying amounts of damage, although not in so great proportions as that recorded in the Broadview addition. Storerooms and business houses were also reported as having inundated cellars. Charles Houx, proprietor of the shoe store at Terrace and Broad street, had more than five feet of water and sewage in the basement of his store, which completely covered his furnace. Seiller's dry goods store, also reported some damage done resulting from the backed up water. Practically every storeroom on Broad street and also on Sullivant avenue was troubled with a flooded basement.

SEWERS INADEQUATE

Hope of sewer relief on the Hilltop remained a question this week pending a statement from the city engineer's office. Rumors have it that a two-mill levy will be placed before the people at the next election. This, however, could not be verified. Sums ranging from $350,000 to $682,000 are contained in rumors concerning appropriations city council made some time ago for relief here. Information concerning this will be available next week.

It is possible also, that action may be forced by the State Board of Health, should it investigate the actual state of affairs during periods of heavy rainfall.

Mrs. Violet Wilhelm Dies In Hospital

N. Johnston, pastor of the church, assisted by Rev. W. R. Walker, pastor of Indianola Church of Christ, officiated. Burial was made in Memorial Burial Park. Surviving are: Her husband, Fred L. Wilhelm; two children, Janice and Robert; three sisters, Mrs. Peter Gaskill, of McArthur; Mrs. Frank Theobold and Mrs. Nellie Shaw, of Columbus.

Frank Ruder, Former Hilltopper, Tells Of Experience In California Quake

Graduate of West High School, Now California Resident, Writes Of Destruction Wrought By Earthquake.

A former Hilltop resident and graduate of West High school had first-hand contact with the series of earthquake shocks which disturbed and destroyed a portion of Southern California last week. In a letter home, Frank Ruder, related a few experiences which he had. A few excerpts from his letter follow:

"The house weaved and groaned and squeaked as though it were being pulled to pieces. In fact, it looked as a toy house would look if you gave it a shove with your hand. The lights were swinging in an arc of two feet, pictures on the wall, furniture, all swung together.

"About every five minutes we felt another quake come with marked intensity, and others of less intensity. More than 300 separate shocks have been recorded at the California Institute of Technology.

"The ground here (Pasadena) moved about four inches; the ground in Long Beach, the center of the disturbance, moved about four feet and approximately 12 city blocks have been condemned by army engineers and must be reconstructed."

By driving through alleys and side roads he was able to break through the police guard and get first hand view of the devastated area. He writes of this:

"Forty autos have been dug from the wreckage, and 'parked' in a vacant lot. Smashed is no description for what they were, completely flattened out by the tons of brick that had fallen on them.

"Totalling it up, it was the biggest mass of wreckage I ever expect to see. You can't sleep when one of those things come along"—and we're about ready to agree that such violent shaking is quite superfluous to arouse one from sound slumber.

He is the son of Mr. and Mrs. George F. Ruder, 452 Catherine St.

Hilltop Recreation Ball Loop To Be Discussed At Meeting

Managers and Captains of Interested Teams Asked to Be Present At Hilltop Record Office Tuesday Evening, March 28.

A meeting of all recreation ball managers of both independent and church league teams will be held at the Hilltop Record office, 14 S. Oakley Ave., Tuesday evening, March 28, for the purpose of discussing the organization of an Independent Hilltop Recreation ball league.

Since the close of the season last year many local teams have been interested in the organization of an independent loop wherein reduced fees would prevail. Many teams are unable to pay the entrance fee required by the recreation department, and it is thought that a Hilltop circuit can be organized with a minimum of expense.

Umpires would be available at much lower rates than those who work the regular city recreation department games require. Following stories published in the Record last fall, several teams indicated a desire to organize, and some men applied for umpiring jobs.

It will be understood, of course, that the winning of first place in the contemplated league would not entitle the team to competition in the city recreation ball finals. This right is reserved only for city sponsored leagues.

A suitable award would probably be presented the winner, in the form of a cup.

The contemplated league will be operated by the members entering it. It will in no way conflict with the program of the recreation department. Teams may enter both leagues. The organization, if sufficient interest is shown, will take place Tuesday.

Managers and captains are asked to be present Tuesday at the Record office.

With the approaching good weather, it is thought that teams will be ready to organize before out-door rehearsals get under way. The contemplated league would become a reality should as many as six teams sign up.

NATURE'S CALENDAR

The spring rains have come, heavier than usual, but seem to be followed by warm sunshine. Lilac buds have changed from a brown to fresh green twist the span of dawn and dark. Flowers of elm and maple are open, while the alder catkins now swing loose in the winds.

Over the marshland a foggy mist hangs low, but the songs of many birds may be heard. On the alder trees the red-winged blackbird is perched, his shrill call once again welcome to the ear. A cardinal whistles loud and clear the song sparrow's meter rings, sings its vibrant melody with the cheery song of the robin intermingling.

Now along the running stream the water cress is green and shoots of many other plants are pushing up from the watery depths. From across the field the meadowlark calls—the finest song of the spring.

Springtime lingering—just a moment, as it were, before bursting forth.

OBITUARY

Violet Turner Wilhelm was born near Kingston, Ohio, Oct. 27, 1892, the youngest daughter of W. R. Turner and Matilda Newlun, and departed this life Mar. 19, 1933, in Mt. Carmel hospital of complications.

Early in life she became an earnest Christian, uniting with the Bridge St. Church of Christ in Chillicothe, Ohio.

She graduated from the Chillicothe High school and later from Ohio university.

After teaching several years, she became the devoted wife of Fred L. Wilhelm and to this union were born two children, Janice and Robert.

After coming to Columbus she was a member of the Hilltop Church of Christ. Words cannot express her loyalty to this church.

She was a member of the Royal Neighbors, and besides being active in other organizations, was a faithful member of the Highland Ave. Parent-Teacher association where her absence will be keenly felt.

Those left to mourn their loss besides the husband and children, are three sisters, Mrs. Peter Gaskill of McArthur, Mrs. Nellie Shaw of Columbus, Mrs. Frank Theobald of Dayton and a host of relatives and friends.

CARD OF THANKS

We wish to thank our many friends and neighbors for their kindness and sympathy shown us during our recent bereavement in losing our dear wife and mother, Violet Wilhelm. Also the pastor, the choir and the organizations to which she belonged, and for the beautiful floral offerings. All have our everlasting gratitude.

Fred Wilhelm and children.

BOY SCOUT NEWS

TROOP 118

The meeting was attended by 25 and was officially opened with the scout oath and law. Following the reading of the minutes, patrol meetings were held, after which a talk on Civic Merit Badge was given. The mystery box was opened and contained mints. The meeting closed with the scout benediction.

TROOP 172

The Beavers continued to lead the troop contest, although the Eagle patrol showed a gain of several points at Monday night's meeting. A hike was planned for Saturday to Lancaster. Nature, hiking and cooking will be the scouting projects stressed.

Scouts of Troop 172 will follow a program of planned test periods during the spring months, abandoning the council round-up for a more thorough method of mastering scout tests.

Eight scouts from the troop will take the Red Cross Jr. First Aid Work under the direction of R. C. Kadel, beginning tonight at the Burgess Ave. U. B. church.

TROOP 181

A. S. Baseman, formerly associated with Troop 9, is now acting as assistant scoutmaster at Troop 181.

A class in Junior Red Cross First Aid will be started tonight under the supervision of R. C. Kadel, associated with the Ohio Gas and Fuel Co., 99 N. Front St. Boy Scouts from the Burgess Avenue U. B. church, where the first meeting will be held, and scouts from troop 172 at Hoge Memorial, will constitute the class.

The meeting will get under way at 7 o'clock, with each member of the class instructed to bring two triangular bandages.

GIRL SCOUT NEWS

Anna Walter, a member of Girl Scout Troop No. 34, who has been spending part of the winter in Florida, returned to the meeting last Friday, Mar. 17. Everyone was glad to see her. The LOOKOUT

'ROUND ABOUT THE HILLTOP

George Walker's profile is the most virile of any I have ever seen . . . The West St. class play is a mystery drama—Br-r-r—wonder if it will excell "If I were King." C. Lee Leahy's greatest dramatic triumph . . . I remember the mother's prayer in that, but the name of the actress slips my mind . . . Such giggiers, Jean Armour and Helen Line . . . What a contrast between the brothers Wayne and Hubert of the Schultz family . . . Strange names these, but their owners are such excellent students: Birdwhistle, Tinapple, Cauliflower and Shade Watkins . . . Who thinks the starlings in the asylum towers stay there every night?—sorry, but they're wrong about it—there's at least a 50% turnover each sundown . . . Yeah! . . . That woman, driving car 464975, demonstrating how a car shouldn't be driven . . . Making a U turn through a red light, then crashing four more in her sojourn east on Broad St. . . . I would like to fly a kite . . . Fact is, I won a second prize once, for pulling one down . . . But there were only two entrants . . . George McCrea, whom they call the "Meadowlark" because of his sweet, melodious singing . . . A. W. Lemon, whose work with the younger set of folks is so silently good . . . Ray Wills says he'd get a kick out of making a pillar like this . . . Yeah, if he didn't get kicked . . . Herbie Vagnier, the mite of dynamite . . . So someone thought it was a confidence story—the one about the Hilltop bank a fortnight ago . . . . But they didn't check it at the local institution . . . And so their song is without melody! . . . Funny things one can't laugh at: A stuttering preacher when he prays . . . Jim Probst, the breeze from West Virginia hills . . . And the Barber boy, with his green hat.

RECREATION BALL

Word from the headquarters of the city Recreation department this week revealing plans for the formation of a strictly Hilltop church baseball league will prove welcome to devotees of the sport in the community.

For several years, church athletics on the Hilltop have been increasing in popularity. It now seems apparent that sufficient interest is available, and sufficient teams willing, to be able to stand alone as a Hilltop league. Every effort should be made toward this end, and the co-operation of the recreation department solicited.

The efforts of Leo Uridill, however, toward the establishment of a Hilltop organization along with the reduction of entrance fees, and the offer of co-operation toward the welfare of the loop, should clear up the entire situation. The things which have heretofore caused dissension will pass with the opening of a league composed only of Hilltop teams. We are of the opinion that the work of the recreation department toward this end will be exceedingly popular on the Hilltop.

Marchi, Studer Lease Beacon Light Course

Club House to Be Remodeled and Course and Greens Improved.

Announcement was made this week that Don Studer, 85 Dunn Ave., and Al Marchi, Dublin, had leased the Beacon Light Golf course for the forthcoming season.

The clubhouse is being remodeled at the present time and the course will be improved in the near future. New tees will be installed and several other improvements made. Plans for a Hilltop business men's golf league are under way.

Marchi was formerly affiliated with the Jackson and Arlington clubs in the capacity of assistant pro, and more recently the pro at Urbana.

Recovered

Miss Lucille Lange, 134 N. Eureka Ave., was back on the job again this week following her release from White Cross hospital Friday where she had been taken when a bolt a lightning struck her while she worked at her typewriter at the N. Warrestrom Sons & Co.

City Recreation Department Plans Hilltop Circuit

Entrance Fees Reduced; Opening Recreation Ball Meeting Called for April 3rd.

The first big meeting for the diamond devotees of recreation baseball in the Columbus Church Athletic Association will be held next Monday evening, April 3, in the offices of the city recreation department at 7:30

It is the plan of the department to form two leagues on the West Side for the season and should there be enough teams interested, clubs west of Central avenue being known as the Hilltop league, while all churches east of this street will be known as the East section of the West Church circuit.

With recreation ball entrance fees reduced to fifty cents per team for an eight-team league, for the church teams throughout the city, Director Seddon has announced that this move has been made to create more interest among the church clubs in the various communities. The department officials are also co-operating with the different sporting goods companies in the city, and through this plan it will be possible for any church in the city to sponsor a team at the small sum of 10 cents a man per game.

It was learned from the Recreation department this week that two new diamonds will be constructed at Westgate park for use in the Hilltop Recreation Ball League. Another possibility is West Broad school grounds, where the Recreation department is willing to construct a diamond. The proper authorities willing, this may be done.

It is hoped that Glenwood M. E., Hillcrest Baptist, Warren Avenue Nazarene, Sullivant Avenue Friends, Hope Memorial, Burgess Avenue U. B., Westgate Evangelical, Highland Avenue Friends, St. Aloysius, St. Mary Magdalene and St. John Lutheran will be represented in the Hilltop loop, while it is almost certain that Calvary Presbyterian, Gift Street M. E., Avondale U. B., L. E. C., West Park M. E., Memorial Baptists, Holy Family and St. Johns Episcopal will compose the East section of this loop.

The Hilltop circuit will play on Monday evening on the Westgate park diamonds, while the other league will also play on the same evening at McKinley and Sunshine parks.

In case of six-team leagues, the entrance fee will be $3 per round and teams will play three times around, while eight-team leagues will play twice around and the fee will be $4 per round of seven games each.

Albert H. Cartright, aged 63, and Mrs. Alta Sheets, aged 26, of 489½ S. High St., his companion, were killed Friday night, March 24, when the auto in which they were riding was struck by a fast southbound freight train at the B. & O. crossing on West Mound street.

Rev. Wm. Pieffer, Hillcrest Pastor, Resigns Position

Was President of Hilltop Ministerial Association; Future Plans Not Revealed.

Rev. William Pieffer, for the past two years pastor of the Hillcrest Baptist church, corner of Eldon avenue and Broad street, resigned his position Sunday morning, Mar. 26. The action came as a surprise to a majority of the members of the congregation, although for several months drastic economy has been necessary to preserve the local institution financially.

Rev. Pieffer, who was president of the Hilltop Ministerial association, had no statement to make yet this week, and his future plans were not learned. He will conduct services at Hillcrest this Sunday, Apr. 2, however. From other sources, it was reported that in the interests of economy, services after Sunday, Apr. 30, will be in charge of various ministers, selected weekly by the church council.

Following a meeting of the church council Tuesday evening, the resignation was presented to the congregation Wednesday at a special meeting. It was accepted and will be effective Apr. 30.

Rev. Pieffer has been active in community affairs since his first affiliation here two years ago, and was last year named president of the Hilltop Ministerial association, which sponsored the Hilltop Mussee Revival services, enjoying a tremendous success.

Mrs. Haggard, the wife of Dwight Haggard, and mother of a four-year-old daughter, Jeane Haggard, left her home Friday evening at 7:30 to visit her grandfather, Oscar Chrisman, who is ill at University hospital. A reception for friends, neighbors and patrons will be held Monday, April 3, from 3 to 5 o'clock in the afternoon and from 8 to 10 o'clock in the evening at the residence in an effort to show some appreciation for the kindness with which Dr. Whitehead was received in the community while yet a young physician, and for the continued confidence of Hilltop people down through the passing years.

Assisting hostesses and those in the receiving line will be representatives of families in which Dr. Whitehead has served four generations.

Dr. Whitehead first came to this community after his graduation from the Starling Medical college in April, 1893. He has practiced here since that time. The Starling Medical college later became associated with the Ohio Medical college, which in turn became a part of the College of Medicine of Ohio State university.

After his graduation in March, 1893, he set us his office at 2323 W. Broad St., the present Hutt residence. Later, Joseph Ong constructed the office which he occupied at Highland Ave. and Broad street until 1902. S. W. Six's grocery is now located where this second office was built.

In 1902 he purchased the lot on Broad street near Highland avenue, and built his present residence and moved his office building to this lot. Thirteen years later, in 1915, he moved into his present quarters.

Father Dies

Word was received last week of the death of Mr. T. M. Lewis, of Peoria, Ill., father of Mrs. W. R. Phillips, a former resident of Columbus and the Hilltop. Mr. and Mrs. Phillips moved to Peoria, Ill., the first of March.

Resolution By Millikin Passed

Councilman's Request for Immediate Relief On Hilltop Passed Unanimously.

Councilman Wyatt L. Millikin in city council halls Monday night, came to the rescue of Hilltop residents, whose homes have been damaged by backed up sanitary sewage due to heavy rains. He introduced a resolution asking for immediate relief, which was passed unanimously and turned over to the city administration for action

Many protests have been recorded since heavy rains of a week ago which caused thousands of dollars loss in several sections of the Hilltop when sewer mains proved inadequate and sewage and water flooded the basements of many homes.

Board of Health Protests

The city board of health recently protested the conditions prevailing in this section of the city, calling attention to the necessity for immediate relief. In order to prevent a recurrence of recent losses, and to forstall any epidemic of disease which might result from such unsanitary conditions, Mr. Millikin introduced his resolution, which was promptly passed. It reads in part as follows:

"Be it resolved by the city council of the City of Columbus: That the director of public service be and he is hereby requested to furnish this body with plans and specifications, together with estimates of cost, to bring about the most immediate relief for the West Side section of the city, necessitated by the lack of inadequate sanitary sewer system, by providing for the construction of a 'step by step' sewer system. If workable, to take care of the districts most urgently in need of relief, if the financial condition of the city does not permit the construction of a complete relief sewer system immediately, and

"Be it further resolved, that the city administration be and is hereby requested to co-operate with this body in formulating some plan of immediate relief."

Plans To Be Made

Service Director Halencamp said this week that the plans would be drawn up without delay. More than 100 residents from the afflicted sections attended the council meeting. Several local residents said this week that a clean-up of their basements was not yet completed. Although the water has receded, much debris and sewage had contaminated the basements of their homes to a greater or lesser extent.

Independent League Organization Dropped

Adequate Facilities Not Available, Investigation Reveals.

Answering a call for the purpose of discussing the organization of independent recreation ball leagues, 25 local enthusiasts reported at the Hilltop Record office last Tuesday evening, Mar. 28. Seven church teams and six independent teams were represented.

It was decided by the church representatives that they would seek the co-operation of the city recreation department in forming a strictly Hilltop league. They will meet in the city hall Monday evening, Apr. 3.

The independents, however, held out for a separate league. Investigations reveal, however, that this will be impossible this year. Adequate facilities for playing are not available. The meeting of the managers of independent teams, called for next Tuesday, as a result of these findings, will not be held as previously scheduled.

That Oakley Ave. lady who wedded an ardent suitor on the condition that he do the washing, ironing, etc. . . . And the thing is working, after a fashion . . . ON THE OCEAN WAVE

During recent heavy rains, Jack Merriman's tuneful theme song was "Sailing, sailing, over the basement deep," for Jack was forced to fire his furnace after a maritime fashion. It didn't take a secretary of navy or a peace conference to settle the freedom of the seas problem involved, either, for this ingenious gentleman sailed alone and free over the muddy deep,—one foot in a bucket, the other in a tub, to fire his furnace. Ship ahoy, there mate! Whither goest thou with you sea-faring craft?

OVERHEARD

"People are spending their time working jig-saw puzzles instead of working out their own salvation."—the gentleman across the aisle on the street car.

"Mary don't like Tom. She's just trying to keep him away from Jayne!"—Two girls conversing.

"The church should supervise some of the younger generation's leisure time."—Charles Seddon.

"If I had a mirror, like the organist, I could see who comes to church late without turning around."—A churchgoer.

"I'd as soon listen to the whitecap on the street as Henry Ford, when it comes to predicting the end of the depression."—Jack Shank.

"The city is teaching its charity workers to be loafers."—Clarence Bateman.

"'Tiger House' is a peach of a play."—C. Lee Leahy

"The depression is too deep for me to figure out. But it may all be for the best."—M. W. Seiler.

"People go to church, sometimes, just to hear someone or something knocked'."—George Melvin.

HE STOOPED

Fred Gorslene, 845 S. Wayne Ave., who was once a schoolmate of O. O. McIntyre, tells the following incident concerning the New York columnist's boyhood days.

Fred recalls of the days when they used to go to school barefoot. And Odd was among those present—dressed flashily and with a cud of tobacco in his jaw. And, as was the custom in those days, he spat upon the unshod feet of Fred. Whereupon the barefoot lad, taking hold of a rock, threatened to blast Odd's head from his shoulders if he didn't make haste to clean away the brownish fluid (vulgarly speaking). And the famous Odd stooped, but not to conquer.

Batterymen Get Attention With Season Nearing

Miles, Wylie to Do Mound Work; Morgan and Minnamyer Fight for Receiving Birth.

Those who hope for Cowboy baseballers to race high in the city scholastic scramble this spring had their dreams further darkened this week with the report of Datz' ineligibility. Last year's first sacker had anticipated a good year. In fact, with improved fielding, he might have been outstanding among city first basemen.

Those, however, who are more interested in the development of team spirit and co-operation at the Hilltop institution, will have much cause for rejoicing. Coach Wise has taken the situation in hand, and drastic rules have been laid down, the breaking of which by any player will result in his automatic dismissal from the squad. If West is not in the title race, it will at least have a representative team on the field.

BATTERYMEN WORK OUT

Last week the pitchers and catchers held their initial workouts in the out-of-doors. The gloom was somewhat dispelled when Coach Wise uncovered a good pitching prospect in Joe Wylie, who, according to reports, will bear watching.

Bob Miles, a southpaw, will also share the mound duties. He is being converted from an outfielder to tosser, leaving a tremendous gap in the outer regions, for the lithe portsider was an all-high fly chaser last spring. He will probably be used there again when not working on the slab.

FRANCIS NOT OUT

Two other lads of more than average ability are seeking to share the mound work. Potts, a crooked arm, and Dellinger, who heaves with the proper wing, have showed to good advantage during preliminary workouts.

Minnamyer and Morgan are expected to divide catching labors. It was learned this week that Francis, a catcher of reported ability, will not be out for the spring sport.

Following a rearrangement of the city scholastic schedule, the season will get under way a few days sooner that previously announced. South High's city champions will invade the Cowboy domain on Apr. 18. All games are scheduled to begin at 3:30 o'clock.

Church Managers To Meet Tuesday

East, Hilltop Divisions of West Church League to Organize at Glenwood Shelter House.

Rules and eligibility regulations were discussed at the meeting of church recreation ball managers at the city recreation department offices last Monday evening, Apr. 3. A meeting of West Church league managers and representatives will be held Tuesday evening, Apr. 11, at Glenwood shelter house to complete organization of the east and Hilltop sections of the West Church league.

In all probability games will be played as usual on Monday nights. Decision as to the ball and playing fields will also be considered at Tuesday's meeting.

Eligibility rules will be strictly enforced this year, according to recreation department officials. A player who played with one church during the basket-ball season may switch to another church only provided he play with the latter organization for a period of 12 months. He will not be eligible to compete with any other church team in the city during that time.

It was also decided Monday that in order to be eligible to play in the opening game, a player must have attended church at least four Sundays. The official season will probably get under way about May 1. Attendance during this time need not be consecutive, it was decided

Millikin Speaks

Wyatt L. Millikin, city councilman was the speaker at the regular monthly meeting of the men's brotherhood at St. John's Lutheran church, Hague avenue and Broad street, Tuesday evening, Apr. 4.

Hurt In Accident

Emmett Smith, aged 5, of 281 S. Burgess Ave., suffered a slight cut above his left eye Sunday evening, Apr. 2, when the auto driven by his father collided with another in the 2300 block on West Broad street

COUPLETS

Plentiful at West Broad Street School.

They come and go in two's at West Broad Street school, where no less than eight pairs of brothers and sisters of the same age are getting their elementary education. But the girls have the edge in having a sister or brother. Out of the lot, there's but one set 100 per cent boy. There's another composed 50 per cent of each, while six sets are purely girl.

The couplets are: John and Carles Brown, 1B; Marian and Maxine Reeves, 1A; Lloyd and Barbara Koons, 1A; Margaret and Mildred Bayless, 2B; Betty and Bonnie Lear, 2A; Martha and Mary Von Schraitz, 2A; June and Jean Wheeler, 5B; and Eleanor and Ernestine Noble, 6A.

"Tiger House" Is West Class Play

Mystery Drama Selected; Plot to Be Held From Student Body and Public.

Rehearsals began last week for the Senior class play at West High under the direction of C. Lee Leahy, dramatic coach. "Tiger House," a mystery drama of high repute, is the production to be presented this year with Barbara Brownfield, Valeda Gugger, John Bachman and Inglis Miller in the leading roles. Others included in the cast are: Lorene Rather, Robert Thorne, Rose Van Scoy, June Simmons, William Brownfield and Irwin Barkan.

The play will be presented in May and every effort is being made to withhold the plot from both the student body and the public. Only one member of the cast, at the present time, has read the entire play, and Otto H. Magly, principal, has waived the privilege of looking over the contemplated production.

Ticket prices will be reduced, it was announced this week, although definite information was not yet available.

The setting of the stage will be in charge of Robert Thorn and Carl Boss, and much of the production's success depends upon the settings. C. Lee Leahy, coach, said this week that the play was of the same type as "The Cat and the Canary," "The Bat," and others.

High school officials, and the press, from many sections of the country have been profuse in their praise of "Tiger House." It is hoped by Leahy & Co., at West, that this novel selection will rate on a par with productions of past classes.

Revised Schedule For West Jr. Announced

Three Home Games Arranged for Layman's Baseballers.

The revised junior high baseball schedule, announced this week, gives Coach Gresnell Layman's crew three home games. Opening against Everett on the local field Thursday afternoon, Apr. 20, the Juniors meet Barrett on Apr. 27, on the home lot; Champion at Central, May 4; Pilgrim at home, May 12; and Indianola at Indianola in the finale, May 18.

A preliminary game against Mound will be played Wednesday afternoon, Apr. 12, with admission being free. Prospects at the Hilltop school are fairly bright this year, although chances of a championship are very slim.

Coach Layman has several pitchers still fighting for positions, while none of the other stations have been filled satisfactorily to date.

Republican Club to Meet Tuesday

The Tenth Ward Republican club will meet Tuesday evening, Apr. 11, at 8:00 at the Glenwood shleter house. Following the business meeting a short program will be given and Mr. Harry Lamon, and City Attorney Davies will be the speakers. All members are urged to be present.

Improving

Evelyn Zinn, four year-old daughter of Mrs. Layon Zinn, 104 S. Ogden Ave., who underwent a throat operation Monday morning, is reported doing very nicely.

Democrats Meet

The Wigwam group of the 10th Ward Democratic club will meet Friday, April 7, at Johnson's hall, 414 S. Oakley Ave., at 8 o'clock. Political current events will be discussed

Ministers Oppose Sale Of Beer By Local Merchants

Will Not Support Or Patronize Business Houses Which Sell or Distribute 3.2 Beverage.

The Hilltop Ministerial Association, at a regular meeting Tuesday, April 4, in Hillcrest Baptist church study, declared itself unanimously opposed to the sale of 3.2 beer in the community and resolved to refuse to patronize or support merchants who sell or distribute the beverage.

The resolutions adopted follow:

The members of the organization will recommend to their respective congregations that the members also adopt the resolutions of the association.

Whereas the state of Ohio, and the City of Columbus have enacted legislation legalizing the manufacture, sale and distribution of 3.2 beer, be it resolved:

That the members of the Hilltop Ministerial Association will not support or patronize any merchant on the Hilltop or elsewhere in any way, who engages in the sale or distribution of of 3.2 beer. Furthermore, that a copy of this action be read to the congregations next Sunday morning and that we recomend that our congregations pursue the same policy.

The 15 Hilltop churches representing the Hilltop Ministerial Association are: Glenwood Methodist, Hoge Memorial Presbyterian, Hillcrest Baptist, Hilltop Church of Christ, Highland Avenue Friends, Warren Avenue Church of the Nazarene, Congregational-Evangelical, Westgate Evangelical, Hilltop Church of God, Hilltonia United Brethren, Sullivant Avenue Friends, Burgess Avenue United Brethren, Oakley Avenue Baptist, Wheatland Avenue Methodist and the Stone Quarry Friends church.

Local Boys Slap Depression By Peddling Papers

The inquiring reporter learned this week that the motorcycle which Charles Welch, 80 N. Wayne Ave., and Adam Addison, 86 S. Eureka Ave., drive around is of some use. The "road louse," as grandfather calls it, is equipped with a coffee box and a sidecar license plate, and on Sunday evenings, when the contraption goes sputtering up and down the streets of the Hilltop, it's merely announcing the arrival of out-of-town newspapers to certain residents of the community.

These two lads have been smitten by the depression (and who hasn't), but they've found a partial way out (and who else has?) They have started a newspaper route, catering to the "intelligensia" in many cases, and in other instances, merely to the common man who's not at home without his home town paper. They started their route with less than 20 customers and the figure has now jumped to more than 30. And every sort of paper is carried, from the New York Times to the "Hoboken Gazette."

Some subscribers just call for Sunday editions, and they're delivered promptly each Sabbath evening and daily subscribers get theirs with similar regularity.

So—that sputtering, rumbling, roaring contraption is of some good, after all.

Easter Pageant At Burgess Avenue U. B.

The Easter pageant entitled "The Three Gardens" will be presented at the Burgess Avenue United Brethren church next Sunday evening. The cast of participants is as follows: Adam, John Mitchell; Eve, Helen Brown; the Serpent, Fred Jerkins; Jesus, John Eckard; Judas, Henry Guerkel; Disciples, Jerry Spears, jr.; Kenneth Kimbrel, Charles Miller; Mary Magdala, Majorie Fleming; Mary, mother of James and Joses, Helen Koebel; Salome, Rosalee Perkins; Angels, Pauline Whitcraft, Eileen South, Virginia Provens, Ruth Schofield, Leona South; guards and soldiers of the Roman empire.

Shetrone to Speak to Business Men

Prof. H. C. Shetrone, director of the Ohio State Archaeological Museum, will be the speaker at the April meeting of the Hilltop Business Men's association, Tuesday evening at the Hilltop School of Music.

Wives of members are invited to hear the lecture, which will be a description of Prof. Shetrone's recent scientific expedition into Mexico.

Special Vaudeville

The Ritz Theatre will feature H. H. Walker's Vaudeville Revue, a chorus of 30 children with special acts, Friday and Saturday evenings, Apr. 14 and 15.

"Sure Thing" Fishermen Sure to Enjoy Life At New Cruea Pond

Stream Dammed and Stocked With Wall-eyes, Perch, Cats and Pike.

Fish will soon be biting at Charley Cruea's newly constructed reservoir on Hague avenue. And those who prefer their fishing to be a "sure thing" proposition will line the banks of Charlie's dammed stream in quest of the finny inhabitants.

C. A. Cruea

Having equipped a truck with all the gadgets and essentials necessary to keep fish alive on the trip from Lake Erie to the Hague avenue pond, Cruea is stocking the 'paradise' with wall-eyes, catfish and perch, along with a pike or two. And they're all there, in the stream, waiting to be caught.

Cruea has improved his scheme of last year to operate a fishing pond. He stocked the swimming pool, of which he is the manager, but struck upon a happier idea in constructing dams in the stream that wends its way through Valleyview. There the fishies, in a more natural habitat, will furnish food and recreation for Hilltop anglers through spring, summer and fall. At a minimum cost, one can get bodily sustenance and exercise in a single afternoon.

Fish may be purchased, also, at this unique fishery—or, they may be caught in whatever quantities the fisherman's ability or needs permit. They are cleaned at special quarters, constructed according to the latest sanitary specifications.

The water in the miniature lake ranges from a depth of almost seven feet to less than three feet, with facilities available for every type of fisherman. Those who like their bait and fly casting, may pursue their sport with convenience and ease. Those who prefer the pole and bobber type of angling, may follow this type of fishing with equal ease and comfort.

All in all, 'twill be great days for sure thing fishermen. No bad days, when fish won't bite; no fear of fish being absent from the vicinity. It's a sincere for fishermen—just pullem-out. And they're of varied weights—one pound to almost a dozen pounds—which ought to keep someone busy when spring fishing gets started in earnest.

Hilltop To Have Stadium Section

Local Men in Charge of Ticket Sales On Hilltop for Opener at Red Bird Stadium Tuesday.

W. E. Elson, of the Hilltop Building and Loan association, is chairman of the Red Bird Booster committee for the Hilltop, which is in charge of ticket selling for the opening game at the Red Bird Stadium on the afternoon of April 11.

C. H. Campbell, president of the Hilltop Business Men's association, and Curt Wilcox, manager of the Hilltop office of the Ohio National Bank, are other members of the committee. Tickets are on sale at the Hilltop Bank, Hilltop Building and Loan, and Campbell's Pharmacy.

Hilltoppers purchasing tickets from the committee will be seated in a special section of the stadium at the 1933 diamond ballfter.

The Red Bird's opening opponent will be Minneapolis, which outfit beat the Birds to a pennant last fall. It is the hope of the local committee that Hilltoppers planning to attend the game will buy their ducats on the Hilltop. With Columbus' pennant chances the best in many years, a capacity crowd is expected to greet the team in the initial battle.

Beaver Auto Supply Announces Opening

The Beaver Auto Supply, which company has moved into the rooms formerly occupied by Danziger's Dry Goods at 2354 W. Broad St., will officially open for business Friday, Apr. 7, according to announcements made this week by the manager.

The new concern will be able to supply all auto needs and parts at cut rate prices, it was also announced.

Young People to Repeat Play Sunday

Sunday night at Glenwood M. E. church the young people will have charge of the services and will present the play "The Boy Who Discovered Easter." The cast includes: Dr. John Dexter, H. C. Keefer; Maggie, Judith Ann Garrison; Mary Dexter, Annabel Breese; Skelly Diggs, Earl Webber.

Returns to School

F. W. Howard, 126 S. Harris Ave., returned to classes Wednesday, Apr. 4, at Ohio State university where he is a student, following an illness of over a week. He was taken ill at Indianapolis, Ind., Friday, Mar. 24, while visiting friends.

Art Exhibit To Be On Display At West Junior

Art Interests of City to Sponsor Projects At Various Schools; Will Be Community Exhibit.

In response to the national movement for the intelligent use of leisure time, sponsored by President Roosevelt, it has been decided by the art interests of the city—the board of education, the Parent-Teacher association, and Adult Education committee of the Chamber of Commerce—to hold an exhibit in every school in Columbus of the arts and crafts produced by the parents of the school children of Columbus or any adult living in the school district.

The exhibit will include handwork of original design, drawings, paintings, sculpture, wood carving, weaving, fine needlework, quilts and rugs of original design, metal work, fine cabinet work, pottery, glass, small models, book making, and stage designs.

The exhibit will be held at West Jr. High school during the week of Apr. 24, and officials have asked that all who wish to display suitable projects should get in touch with Principal H. H. Reighley at once. From these individual school exhibits, a selection of the most interesting objects will be made, and placed on display at the Columbus Gallery of Fine Arts.

The individual exhibits will be in charge of a committee composed of the principal of the school, a special art chairman appointed from the P.-T. A. and the art teacher of the school.

Various juries composed of one professional artist, one member of "The Friends of Art," and a member of the P.-T. A. will judge the final articles to appear in the Art Gallery. Hilltoppers interested in the project should call West Jr. High before Apr. 17.

Holy Week To Be Observed

"Christ's Passion In Art" Is Theme of Westgate Pastor's Pre-Easter Services.

Palm Sunday will usher in a week of special activities at the Westgate Evangelical church, on South Powell avenue. At the Sunday morning service there will be the baptism of small children. The Gleaners' class of the Sunday school will attend the church service in a body.

Sunday evening will begin a series of special Holy Week services under the general theme: "Christ's Passion in Art." The masterpieces of art which portray the outstanding events in His last week will be studied. Each person present will receive an 8x11 copy of the painting from which the discourse will be based.

Following is the list of subjects: Sunday, "The Triumphal Entry;" Monday, "Driving Out the Moneychangers;" Tuesday, "The Last Supper;" Wednesday, "Christ in the Garden;" Thursday, "The Betrayal;" Friday, "The Crucifixion."

The pastor, Rev. C. D. Osborn, will preach each evening, using the event portrayed by the picture as the basis for the message.

Special nights have been set aside for different organizations to attend as a group. Trackmen Have Heavy Schedule

Cinder Path Artists Open Season With Dual Meet With Arlington Tuesday.

Coach Arthur Buchanan's trackmen will open a heavy spring program next Tuesday afternoon with a dual meet with Arlington on the latter's field. Following Tuesday's meet, the annual triangular meet with Newark and East High is scheduled for next Friday afternoon.

Then follows in rapid succession, a heavy list of dates for the trackstors. April 19, a dual meet with Central is scheduled at the Pirate field; April 21, at Bexley; with the Delaware Relays on tap April 29.

The City meet will be held May 4 and 5, followed one week later by the district meet at the Ohio Stadium. The season will reach a climax May 19, with the state meet, also at the Ohio Stadium.

West has gradually developed in a track way during Buchanan's reign at the Cowboy institution, and prospects for the best season in years is in order at the present writing. Announcement was made this week that a meet will probably be scheduled for April 21, with either South, Columbus Academy, North or Holy Rosary.

In May: Junior citizen, dressmaker, bugler, hostess, scribe, horse woman, sailor, star finder, laundress and scholarship will be presented. Girls must be second class to register for these examinations and must have the approval of the captain of the troop in which they are registered members. Registrations are accepted at the Girl Scout office, 6 E. Long St., before the 20th of each month.

TROOP 4

Troop 4, West Junior High school, has invested Jean Bowers and Doris Hayes. The troop has been studying the various requirements for second class. At their last meeting they learned to build fires. Mabel Smith is the troop scribe.

TROOP 10

Troop 10, West Broad Elementary school, has invested Jean and Jane Wheeler. Betty Scott, Dorothy Paullin and Leona Thomas were guests at a recent meeting. Anna May Doelker is the troop scribe.

CAMP FIRE GIRLS

IMITAWASI

At the last meeting plans were made to have a nature hike Friday for the purpose of earning Nature Honor No. 108.

Quite a number of the girls were able to earn last month's business honor and expect to report on it at next meeting. This proved to be an especially hard one as it required a grade in school to be over 80 in everything for the whole month. However, those who missed it are going to try again this month.

The girls of this group are working hard to complete requirements for Woodgather rank and as a special honor to their guardian they are trying to make their membership 100 per cent Woodgathers at the May Committee of Awards meeting.

IMITAWASI

Several teachers and mothers of the girls of this group attended the meeting at the school Tuesday. After the regular business was taken care of Miss Ruth Hazlet of Franklin County Executive Council of Camp Fire Girls talked about requirements for Woodgathers' rank. The girls presented for her benefit their sketch "What Our Symbol Means to Us."

Cups Awarded Girl Sextets

Ministers Are Guests of Honor at Banquet at Glenwood Shelter House Friday evening.

Various members of the city recreation department and Hilltop ministers were guests of honor at the banquet of the girls' basketball teams at Glenwood shelter house last Friday evening. Seventeen teams of girls were represented, 14 of which were church teams and six independent teams.

Charles Seddon, director of recreation, presented cups to the winning sextets. Hoge Memorial No. 2, the youngest intramural team in the city, received special mention. Janet Hamilton is captain. Hilltonia girls' team, of which Evelyn Green is captain, was also awarded a cup.

The Speedmonts, champions of the city in their class, was the third aggregation to be honored. This team is an independent entry, and has compiled a record in the past three years unequalled by any sextet in the city. Only one loss has been sustained by the champions in three years of organization.

The LOOKOUT

'ROUND ABOUT THE HILLTOP

Hull's bedroom switch, which floods the entire domicile with light at the press of a button. . . . Useful in driving away after midnight visitors. . . . The man with the crinkley hat at Broad and Hague, who befuddles the best of them with arguments. . . . Eloise Baxter, who thinks her home is uncomfortably clean. . . . Frank Helmbrook, learned and silent. . . . Never did know Mr. and Mrs. Paul Kent's son's name. . . . Ralph Rainier is the nimblest jig man I know. . . . L. Saunders, who has such difficulty in keeping track of his gray hat. . . . Mary Bentz's cheery smile. . . . Bob Jones and his nickle pipe. . . . Archie Turner, sawing wood in his backyard. . . . Fred Williams, they tell me, is the "toughest" motor-cop on the line . . . but they forget to say he's one of the fairest . . . Coca Cola bottles are shaped that way to withstand high pressures. . . . So Lu Raether and Helen Hastings think they are immune to the friendly jeers and cheers of the Lookout . . . Well, Lu is afraid of bees and Helen is all atwitter these fine, spring mornings, for some reason or other. . . . Emmett, down at Oakley and Broad, informs me that Ma and Pa never buy bunnies for the kiddies at Eastertide . . . It's always the aunts and uncles and grandpops, who don't have to put up with the dirt. . . . A bouquet of violets to Mrs. Charlotte Walton, the best of teachers. . . . And a rose to each of the school janitors for faithful work at street intersections after classes are done. . . . But a bunch of spinach (with sand in it) to the bill passers who trod over lawns. . . . Louie Schwartz, of whom they writ mean things in the Occident Annual (1928), but whose heart is of gold. . . . Dr. C. H. Lose and I like green onions. . . . Clarence Borrors sires an Alabama missionary potential. . . . Earl Cline, president of the Sandwich Islander Club (of which I am a modest member). . . . The miester at 2446 W. Broad, whanging carpets in the backyard. . . . The Bellow clerk who distributed kisses on her birthday . . . don't sigh men, they were candy. . . . Some folks find romance in everything: Noted on a tombstone: "Alice,—a flower of the south transplanted in God's rose garden."

"We are a generation born to fight—No power in the world can break us!" says Hitler. Maybe Adolph wasn't old enough to be impressed by the spanking Kaiser got for trying to make good a similar crack.

O-O-O-O-O-O-H!

Ed Chapman, one of the Red Bird pitchers, who attended Ohio State university last fall, recently received an assignment to twirl an exhibition game. He had done well in previous efforts, but on this day he was pecked hard and consistently in baseball vernacular—he had his ears pinned back.

A few days later we chanced to meet one of his classmates—a feminine admirer. And we told her that Ed "had had his ears pinned back."

"O-o-o-o-o-h," she cried, aghast, "what did he do?"

To really get all the dirt at Ohio State university, one should sign up for that course in Soils, 603.

OOP!

Walter Apel, young son of Mr. and Mrs. John Apel, 50 N. Warren Ave., was deeply interested in war conversation of Chris Lucas, who was visiting his brother-in-law, Rev. Henry Koch, last week.

"What did you do in the war?" queried young Walter.

"I was with the engineers," replied Mr. Lucas.

The young lad perked up enthusiastically. "Gee!" said he, "you got to drive a train!"

TO INDIANAPOLIS

Not only flowers spring forth in springtime, but along the road in great variety and abundance — hitchhikers have again made their appearance. In a distance of less than four miles Saturday, I counted 17—college boys, middle-aged business men, travellers, and hoboes. But the trophy goes to the chap at the Big Four R. R. and Broad street, who carried with him a large sign, on which was printed "To Indianapolis — No Robber — Please Help An Unemployed Man With a Lift."

West and South Tangle Tuesday To Open Season

Bulldogs Favored Over Cowboys In Baseball Lid-lifter; Wise Uncertain Concerning Line-up.

The 1933 Cowboy diamond campaign will officially get under way next Tuesday afternoon when the local team will lock horns with the champion South High Bulldogs on the West High field. Festivities will get under way at 3:30.

Fresh from a series of five preliminary games, the Cowboys are expected to be in top form against Coach Rodney Ross's performers. Bill Hickle, of no-hit fame, will in all probability be on the mound for South in an effort to thwart the Cowboy attack, which may have some semblance of "punch" this spring. Wise's choice will lie between Thornton, Miles, Burkhalter and Dellinger. If Thornton, who was late in reporting, is in condition, the burden of stopping the Bulldogs may fall on his shoulders. Either Morgan or Minnamyer will do the catching.

BOYE OR REDIFER AT FIRST

Boye, last year's short-stop may get the job of patroling the first base sector, although Redifer, a southpaw, has shown good form at the plate, although his throwing is somewhat erratic in the field. Corcoran, Colman, and Leggo are keystone sack candidates. Any one of the three may get the call.

At shortstop, Link has a slight edge on Corcoran and Benner; and Coleman is ticketed for the hot corner, although Burr may get the call.

Coon leads the parade of outfielders, being a veteran from last year. Miles, whose fielding was sensational last spring, might again patrol the left garden when pitching chores do not call—provided his hitting improves a little. Van Scoy, Southworth and Miller are other candidates who will see action, with Miller's chances especially good.

BULLDOGS FAVORED

With Hickle or Donovan on the mound, the visitors will be heavy favorites to cop their opening conflict. West will lack heavy artillery of the Wills' type, and likewise miss the sharpshooting of Schmidt from the mound. On the other hand, improved batting on the part of several may make the Cowboys hard to handle, even for such a renowned "Broncho buster" as Hickle.

Martin L. Davey To Speak Here

Noted Democratic Leader to Address Eleventh Ward Democrats at Dinner Thursday.

Martin L. Davey, nationally known Democratic orator and noted tree surgeon of Kent, Ohio, will speak at a dinner and meeting of the Eleventh Ward Democratic club, to be held at the Hillcrest Baptist church, Eldon avenue and West Broad street, at 6:30 p. m. on Thursday, April 20. Church Teams Open Recreation Ball Loop May 1

Ten Teams In Hilltop Section of West Church League; May Be Reduced to Eight.

Ten Hilltop church recreation ball teams may go to the wire May 1 when the annual title scramble gets under way, it was learned Tuesday at a meeting of the West Church League managers at the City Hall. For the first time in the history of the sport, the Hilltop entrants will form a separate organization. At the present writing, 10 local churches will sponsor teams, while in the east section of the loop (east of Central avenue), seven churches will enter teams.

Efforts are being made by officials to reduce the number of Hilltop teams to eight. Sullivant Avenue Friends, it was reported, would prefer a berth in the east section. This would leave the Hilltop League with nine teams.

In case there is no further change, the fees will be nine dollars, which should be paid to there creation department before April 28. In case another team drops out, the fees for the two rounds will be one dollar lower.

NEW DIAMONDS DELAYED

The season will get under way Monday, May 1, it was agreed by the managers Tuesday. Wet spring weather has played havoc with the construction of contemplated diamonds at Westgate park, but according to Leo Uridil of the decreation department, barring rain, the fields will be ready for the Hilliteers as per schedule. Three diamonds will be in use at Westgate Park, and if necessary, permission may be obtained from school officials to build a diamond at the West Broad Street school grounds.

SCHEDULE ANNOUNCED

Although the complete schedule has not yet been drawn up, first round games have been arranged. Should Sullivant Avenue Friends decide to play in the East section of the loop, then the Hilltop Church of Christ, with whom the Sullivant team was to open the season, will probably draw a bye. Other games are: Warren Avenue Nazarene vs. Westgate Evangelical; Hillcrest Baptist Blues vs. St. John Lutheran; Burgess Avenue U. B. vs. Hoge Memorial Presbyterian, Hillcrest Reds vs. Glenwood M. E.

Camp Chase Post Relief Committee In Final Report

Almost 150 Families Supplied With Food and Clothing During Winter Months.

The final report of the Camp Chase Post 98, American Legion Relief committee, was made this week by M. P. Hahn, chairman. One hundred and forty-six separate families with approximately 500 children were supplied with either food or clothing or both during the months of December and January, when most of the goods was distributed.

According to the report, families were supplied from one to six times. A total of 250 orders were delivered to the needy. Ten dollars in currency collected was used for the purchase of fuel. Odds and ends of clothing and materials not distributed were turned over to the Salvation Army.

In general, these supplies were distributed to families, who, for various reasons were not being reached by other relief agencies. Duplication was thus eliminated and the food and clothing supplied where definite need existed.

MAKE CANVASS OF HILLTOP

On Thanksgiving day of last year, the relief committee at the Camp Chase Post canvassed the entire community for food and clothing. The residents of the Hilltop responded generously by contributing more than $500 worth of food, $350 worth of used clothing and $10 in cash. This represented a total of 3500 cans and jars of food, 45 bushels of potatoes, 1100 pounds of bulk goods, five bushels of apples and 1000 pieces of used clothing.

Hilltop May Wait For Sewer Relief

$1,000,000 Necessary for Completion of Project; Trunk Sewer Must Be Built.

Probability of the Hilltop's getting immediate sewer relief was given a set back late this week when it was learned that a trunk sewer, four miles long, extending from the sewage pumping state at the Scioto River to the community, must be completed before local residents can get any relief. According to city engineer, Robert W. Simpson, relief would be delayed many months because the trunk line must be finished first.

A step by step plan for the alleviation of conditions caused by backed up sewage during recent heavy rains will be submitted to Council Monday night, it was reported. The project will cost approximately $1,000,000 and the raising of this amount is another difficulty facing the city fathers in their efforts to produce relief.

Councilmen have been unanimous in opposing any type of sewer levy where home owners would pay according to the amount of water consumed or according to the number of plumbing fixtures they have in their homes.

It was first planned to utilize the $982,000 which remained in the sewer bond issue sanctioned by the people in 1928, but city attorney John L. Davies reported that the money could not be used for that purpose.

Flowers for the sale have been ordered from the hospital at Sandusky, Ohio, which are made by the disabled World War veterans. No price is asked for the legion poppies and the auxiliary wishes everyone to wear a poppy and contribute whatever may be desired. "Little Stories for Bedtime" by Thornton W. Burgess

A CURE FOR OBSTINACY

JOHNNY CHUCK was stiff and sore. It was the day after the great fight. Johnny sat on his doorstep and he was in anything but a happy state of mind. In the first place, each separate wound made by the teeth of Reddy Fox had a separate and distinct ache. No one who aches all over can be in a very happy state of mind.

Then, too, Johnny was nervous. He kept turning his head every two or three minutes to make sure that all was safe behind him. That stone wall which had seemed such a splendid protection when he built his house in the corner of it now seemed a constant danger. Johnny imagined he heard

This Tickled Sammy Jay and He Flew Away Laughing.

enemies creeping up on the other side of it. He expected to see the head of Reddy Fox or Mrs. Reddy bob up over the top of that wall any minute. No one as nervous as that can be in a very happy frame of mind.

Also Johnny was beginning to be quite honest with himself and to admit that he wished he never had thought of leaving his fine home in the far corner of the Old Orchard. He wished he was back there. He knew now that it was the very best place in all the Great World. At least, it was the very best place for him. But he was still too obstinate to make up his mind to go back there. If there had been no one there he wouldn't have minded. But Polly Chuck was there and Johnny just couldn't make up his mind to go back and confess that he had been wrong in the first place. Of course, no one feeling that way could be in a very happy frame of mind.

But what made him most unhappy of all was the fact that he was hungry and all the time growing hungrier. He didn't go far enough away from his doorstep to get his breakfast, and he hadn't had much to eat the day before, nothing at all after the great fight. With longing eyes he looked over to the distant clover patch. After his experience of the day before he didn't dare go so far from his house. If he had been feeling all right he wouldn't have dared to. Stiff and sore as he was it was out of the question. He couldn't run and he couldn't fight.

He tried to eat some of the grass near his doorstep. It was thick with dust and so gritty and unpleasant to the taste that he managed to swallow only a little of it. So the morning passed and afternoon came. With every passing minute Johnny grew hungrier. The hungrier he grew the more he thought of the delicious sweet clover which grew so close to his old home in the far corner, and the more he thought of this the more he thought about going home.

Late in the afternoon Sammy returned to see how Johnny was getting on. An idea came to Johnny. He would ask Sammy Jay to keep watch while he hurried over to that patch of clover and get a bite or two. Sammy agreed at once. But Sammy is just brimming over with mischief, as you know. Johnny was only half way to the patch of clover when Sammy screamed. Back scrambled Johnny Chuck as fast as he could. When he found it was just a joke he scolded as only he can scold. This tickled Sammy Jay and he flew away laughing. You see, Sammy didn't know how very, very hungry Johnny Chuck was.

By the time jolly, round, red Mr. Sun went to bed behind the Purple Hills, hunger and fear had quite cured Johnny Chuck of obstinacy. He would start for home the first thing in the morning.

A FUNNY BIRD

The bowler, he are a funny bird. He thrashes his wings, but he do not fly. Sometimes he sings, but it is not music you love to hear. He throw a ball, and perches on one foot, and leans sometimes to the right and sometimes to the left. When he do not hit what he throw at, he turn his back and whistle—but sometimes he do not whistle. Then he make a noise peculiar to a lion, or merely be silent.

The bowler he is a funny bird. He do the same thing over and over again, but he show no perseverance. If he miss what he aim at, he throw again. But if he miss them, he do not try no more, and they set up all the pins, so he can hit them again.

The bowler, he are a funny bird. He gather in flocks, and sing in chorus. When one bowler hit a pin, or two pins far apart—all the flock do sing very loud. And sometimes the fans sing jump up and down. My, but the bowler are a funny bird!

Citizenship Awards Given Starling Pupils

It is a custom once a semester at Starling Junior High school to award the title of best citizen to an 8A boy and an 8A girl. This semester Ruth Dudley and John Bailey shared honors. Five boys and five girls were selected by the faculty, who in its opinion represented the traits of a good citizen. Each of the ten wrote an article on citizenship and from these papers were selected one boy and one girl who best expressed the conception of a good citizen. Medals were awarded the two.

Electricity
Gives a Lot For a Little

Make a list of the Electrical Appliances and the number of Lamp Bulbs used in your home.

Then compare the amount you pay for Electric Service with the total of your household expenses.

You will be amazed at how small a proportion of the whole is spent for Electricity . . . and how much value is received for so little money.

There is no other expenditure for which you get so much. When you push a button you have at your command all the Electricity you need to do your washing or ironing; to clean your rugs; to prepare, cook and preserve your foods; to furnish entertainment via the Radio; to supply an abundance of light . . . and rid yourself of labor and drudgery in favor of comfort and convenience.

YOU CAN PLACE A LAMP UNDER A BUSHEL MEASURE---

But you can't expect to read the evening newspaper by its illumination. You can hide your light under a bushel, but you won't expect to guide folks to your house of business.

Lights are guiding posts. People do not buy blindly in times like these. Discrimination is their watchword now, and they'll be guided best by the light they have.

People won't guess that there are bargains at your place of business. They want to KNOW. They have guessed too long for their own good.

Have you ever tried to walk down stair-steps in the dark? If you're unacquainted with the stairs, you fall just as hard on the step that isn't there as on the steps that are there.

Turn on the Lights! People want to know what you have to sell! And they'll learn best from reading the ads in the columns of the HILLTOP RECORD. They have made their community paper their guide while they patronize community merchants.

Don't Delay! You can't afford to have people stumble into your store. But if they've read your advertisement in the Hilltop Record—they'll be there with a purpose—not just looking around.

Old Manuscript Recalls Wolfe's Attack on Quebec

One of the most interesting discoveries pertaining to the early history of Canada, writes a correspondent in the New York Times, is the original manuscript copy, bound in rough cow hide, of General Wolfe's orders in preparation for the attack on Quebec in 1759 and its capture from the French under Montcalm in the famous battle of the Plains of Abraham in which both leaders were killed.

The book contains General Wolfe's orders for the expedition up the St. Lawrence river, the siege of Quebec and his secret instructions for the landing below the cliff at what now is Wolfe's cove from which his little army ascended to the plains and victory. The first entry, made at sea, is dated May 16, 1759, and on June 8 there is a notation that General Wolfe had drawn his will leaving all his books and papers to Colonel Carleton, who was Sir Guy Carleton, his quartermaster general, afterward Lord Dorchester and governor general of Canada.

On the front of the cow-hide cover is burned in this brief inscription: "Book 1759." The orders in the first section are believed to be in the handwriting of Captain the Hon. Harvey Smyth, Fifteenth Regiment of Foot, but the writer of the latter portions is not known. Eventually the book will find a home in the national archives of Canada.

Knew What She Wanted

A negro woman walked into an insurance office and asked whether they dealt in fire insurance.

"We do," a clerk replied. "What do you want insured?"

"Mah husband."

"Then you don't want fire insurance," smiled the clerk, as he reached for another application form. "What you want is a life insurance policy."

"No, Ah don't," exclaimed the woman. "Ah wants fee insurance. Mah husband's been fired fo' times in de las' two weeks."

World's Rubber Supply Matter of Importance

The electrical industry, probably more than any other, is dependent upon rubber and without it the telephone company would be compelled to go out of business or find some adequate substitute. The rubber supply comes from Brazil, East Indies and Indo-China. Exactly as houses are numbered, the trees, in many cases, are numbered. Each of the hundreds of workers on the plantations cares for about 450 countchouc trees daily, collecting the sap from cups under spouts in each tree is a great latex pail. The tapper has to be an expert with his knife in attaching the small zinc spout through which the white latex flows into the small cup. The scar in the bark must be kept fresh with the dexterous handling of the knife, but the tapper must be extremely cautious not to injure the cambium, or formative tissue of the wood beneath, for that might kill the tree. On some of the plantations the annual yield of rubber is about 350 pounds to the acre. The juice, or latex, is transformed into crude rubber by curdling it with chemicals and rolling the curds into sheets, which are then smoked over a fire.

APPETIZING DISHES

IN THE spring and early summer green foods—fresh vegetables and fruit—are more appealing than more complicated foods. There are some roughage foods that are needed all the year round and an occasional use of bran in food, or taken in water as a drink, will keep the elimination good. For the children the bran may be given in small cakes, cookies and

Bran Date Muffins.—Break two eggs into a mixing bowl and beat with an egg beater for two minutes; add two-thirds of a cupful of milk, one-half teaspoonful of salt, one-fourth cupful of sugar and one-fourth cupful of softened shortening. Add two teaspoonfuls of baking powder to one cupful of flour, add one cupful of bran, one-half cupful of dates cut fine, and one-half cupful of nutmeats cut fine. Mix all as usual and beat well. Bake in well greased muffin pans for twenty-five minutes.

Liver Sandwiches.—Rub cooked liver while hot through a sieve, season with salt and pepper and mix with three-fourths the amount of thinly sliced olives. Spread on buttered rye bread.

Calf's Liver Sandwich Spread.—Rub cooked liver with hard-cooked eggs through a sieve, using to one pound of liver three hard cooked eggs. Add one grated onion, salt and pepper to season. Mix well and spread on buttered bread. A layer of thinly sliced sour pickle will add to the sandwich.

Chicken Liver and Jelly Sandwich.—Boil two chicken livers until tender; chop fine. Add salt, pepper and a teaspoonful of worcestershire sauce and a tablespoonful of currant jelly. Butter is not needed with this filling.

Shrimp and Liver Sandwiches.—Take one cupful of cooked shrimps, one cupful of cooked chicken livers, one bermuda onion and one green pepper. Remove the seeds from the pepper and grind with all the other ingredients; mix with a little mayonnaise or chili sauce. Use on buttered white bread for filling.

THROUGH A Woman's Eyes

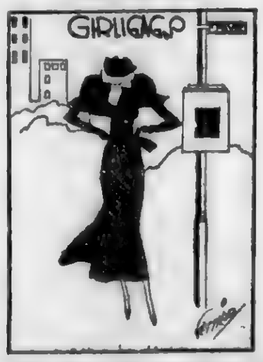
By JEAN NEWTON

MEN LIKE BRAINY WOMEN, BUT—

"DEAR Jean Newton: Why do men pretend to admire the intelligent girl, even pal around with her, and then marry the dumb one? It's no joke; it's a fact. They pretend to want women to use their brains, but they seem to like the brainy woman only at a distance. It's a mystery to me."

Not a very deep mystery, my friend. Diogenes was no more assiduous in his hunt for an honest man than most men are for a brainy woman. That is, a woman brainy enough to appreciate them.

The fact is that any man would rather have a brainy woman listen to him than a stupid one.



It is stimulating to a man to meet a brainy woman. There are times when she fills a need that the brainiest man-friend cannot supply. There's something about the understanding of a really intelligent woman—but then she can't be just understanding for twenty-four hours a day and seven days in the week. That's why they don't marry her.

Historians tell us we once had a matriarchal society—where men admittedly depended on women. But I'm afraid that had no influence on man as we know him. He shows direct descent from those ancestors who expected women to complement them—and valued them precisely for how good a job they made of that.

Oh, yes, one other quality was and is important: "Woman, thou shalt be good to look upon."

And there, I fear, we have the story of the unfortunately brainy woman. The original of the species was not pretty; so she sought to justify her existence by being intelligent. But it got her nowhere with men. Far better for her to have applied herself to making the most of whatever she had in looks. If not pretty, one can at least be smart. And for extreme cases of homeliness there is at least a gamble in the bizarre. But brains—that's a lost cause before you begin. Of course, if you're one of those for whom the other just isn't fun—don't you care! Be brainy!

States and U. S. Trying To Stop Black Bass Sale

Sportsmen, conservationalists, state and federal governments, in trying to stamp out commercial fishing of the black bass, one of the principal game fishes of this country, are attempting to get a uniform provision inserted into the laws of every state, prohibiting the commercial taking, transportation and sale of these game fish, according to a bulletin of the American Game association.

Fourteen states are to consider adopting such regulations as are needed, during the sessions of their legislature this year. These are Arkansas, Delaware, Florida, Missouri, North Dakota, South Dakota, Rhode Island, West Virginia, Indiana, Tennessee, South Carolina, Utah, New Mexico, and Maryland.

The black bass, it has been conclusively proved, is worth approximately $5 a pound as a lure to anglers. The usual commercial market price is 10 or 15 cents a pound. The revenue paid by anglers pursuing the bass is distributed to a large number of interests ranging from railroad fare to a small boy to paddle a boat, and it amounts to millions of dollars annually. Some $350,000,000 is spent every year for sport fishing in this country; the black bass carries a major portion of this golden harvest on his bronze back. The market value of the bass is so small in comparison that it is insignificant; yet, through influence and strong lobbies in state legislatures, a handful of commercial fishermen have managed in many states to defeat all attempts to stop commercial fishing of the bass, according to officials of the association.

A nation-wide campaign, under the direction of the American Game association and the Izaak Walton League, assisted by state organizations, is under way to get the remaining states that allow the sale of black bass, to stop the taking of their own bass for commercial purposes at all times; also to get the few states which prohibit the sale of their own fish but allow the sale of their neighbor's black bass within their borders, to change their laws in order that the Hawes Federal Black Bass Law may become fully effective throughout the United States. Its object is to stop transportation for commercial purposes across a state line, thus stopping the sale of interstate bass officials said.

'ROUND ABOUT THE HILLTOP

Story book people: John Alden and Priscilla—Charles Apel and Norma Hall. . . . George Ruder, one of my favorite people. . . . I like to hear church bells chime on Sunday mornings . . . and if I had a million $, I'd buy one for every church. . . . A picture of nonchalance: Robert Bateman, his hat blown off at Broad and Front by the wind, walking merrily on his way and never blinking an eye. . . . E. H. Matheny tried to interest a dozen men years ago in purchasing the Friends Rescue Home property for a club-house. . . . Thomas Ray (the greater Kent) . . . but it's "Tommy" to me by special permission of the copyright owners. . . . Charles Thurston, born too late to be Dan'l Boone's right hand man. . . . I saw Henry Tarbett or his twin brother at church Sunday . . . (What! He goes to church). . . . That poem of Eddie Guest's about the man with the pipe refers to Prof. H. C. Shetrone (sometimes called "Sherlocko"). . . . And I shall toss a bouquet of pansies to Mrs. Frank Allen, hostess of hostesses. . . . Janet Blaney, in ten more years you shall know what it means to be all atwitter. . . . Spinach this week to George Pekras for that flag flying over his theatre. . . . Mary Krejci once, upon seeing some young pigs, cried aloud: "Oh, there's some fresh ones." . . . Norman Line, comes through again—because he blushed last time he read his name here . . . (Aw, Howjaknow?). . . . Duke, Allen canine pet, who chases bill passers with ferocious howls and growls, lost his teeth years ago. . . . C. C. JUST A THOUGHT

Once in a great while, through the dismal clouds of depression and hopelessness, there comes a refreshing word—something tangible that bespeaks of action for the greater good. The League for Independent Political Action, entering local politics in earnest, by placing two candidates in the field for the Board of Education, heard Dr. W. F. McDonald of the History Department of the Ohio State university at a meeting this week.

He said in part: "A system of profit is built on the supposition that most men are and are content to be goats. A dictatorship is built on the supposition that most men are and are content to be sheep.

"Only a social democracy that substitutes use for profit, and responsibility for anarchy, implies the existence in every man of a faculty whose specific function is the creation of an ordered society."

Both the manufacturer and a band of robbers have a common purpose—profit for their corporation, Dr. McDonald contended.

"The footpad profits by taking $20 and giving his victim nothing in return. The corporation profits by taking $40 and giving its victim $20 in return. The net result is the same.

"A system of private capitalism cannot be all-inclusive, for it implies a gainer and a loser, a knife and a victim. Somebody gains and somebody loses. Men who will not give their best efforts except for money are the worst men. Yet the same society that in the case of robbery speaks of an unjust booty, in the case of corporation speaks of a just profit.

"Until men are taught that the capitalistic system is not a corollary of Christianity and that the Democratic and Republican parties are not the Alpha and Omega of political speculation, democracy must remain a pious aspiration."

On Time Through Sixteen Years, Is Record's Record

Never missed an issue and never late — in sixteen years. Such is the record of the Record since the publication of its first issue on Apr. 27, 1917. Next week's paper will be number one of volume XVII.

The paper was founded in 1917 by S. J. Westlake, who still operates a printing shop at 2351½ W. Broad St., and the first paper came off the press on Apr. 27. The circulation at that time was 2000. Today, more than 8500 Hilltop homes get the Record every week, free of charge. The entire community, from Central avenue to the Big Four R. R. and from Mound street to Valleyview. The Record has by far the largest circulation of any community newspaper in the city, as well as being the oldest.

The Record was taken over by its present owner and publisher, R. D. Hastings, 86 S. Ogden Ave., in 1925, and moved to its present location, 14 S. Oakley Ave., in 1928. Only news of interest to the Hilltop is carried, and local residents are invited to send in their items of interest. The Record Printing Co. also does all kinds of job printing.

'Tiger House' Has Odd Construction

Final Act Opens 15 Minutes Before the Second Act Closes In West Senior Class Play.

"Tiger House," West High's thrilling mystery class play, is the most unique production ever attempted at the local institution. Besides being hailed as a play abounding in thrills and creepy moments, it is oddly constructed. The final act opens before the second act closes—which is all that is available concerning the how, what, who, and why of the performance.

The plot is still as big a mystery as the play itself, for officials and students at West are keeping the events a dark secret until the night of the show, which will be presented early in May.

John Bachman, Inglis Miller, Barbara Brownfield and Valeda Gugger have the leading roles and will be assisted by Lorene Rather, Robert Thorne, Rose Van Scoy, June Simmons, William Brownfield and Irwin Barker.

The play, presented in Indianapolis, was hailed by the press there as a tremendous success. The Indianapolis Star said: ". . . the plot is sound and the situations weird enough to cause at least an occasional shudder in the most blase spine."

Church League May Postpone Lidlifters

Extremely wet weather may force the postponement of opening church league recreation ball games, it was reported this week. Although the recreation department will do all possible to complete three new diamonds at Westgate Park, work has not yet started there because of the wet grounds.

Five days of sunshine, it was thought, would put the ground in workable condition. This would mean that the latter part of next week would be the earliest possible date for diamond construction.

Cowboys Meet Maroons Today

Opening Game Postponed Following Heavy Rains; Play At Canal Winchester Saturday.

Continued bad weather again played havoc with Cowboy baseball stalwarts Tuesday and as a result, the lidlifter with South, scheduled for Tuesday afternoon, was postponed indefinitely. The season will get under way, weather permitting, this afternoon when North's Polar Bears invade the local team's domain.

Coach Wise remained in doubt this week concerning the opening line-up, inasmuch as very little out-of-door work has been possible since the first call was issued. Preliminary games have been rained out several times, but Gahanna and Johnstown fell before the Wisemen last week in abbreviated contests.

AQUINAS NEXT

Following a game with the Canal Winchester High school nine tomorrow on the Winchester diamond, the Cowboys will get a slight rest until Tuesday when they meet Aquinas at West. Announcement concerning the postponed opener has not been forthcoming, and it may be that it will follow the regular season.

More than 100 clerks and their employers attended the Sales Promotion dinner sponsored by the Hilltop Business Men's association Monday evening, Apr. 17, at the Hillcrest Baptist church.

L. C. Buisch, sales promotion manager of the National Cash Register Co., was the principal speaker, pointing out ways in which the employer and employed should co-operate for the mutual benefit of all concerned. He then gave a selling demonstration, stressing the fact that the customer must be pleased. This is a cardinal point in selling merchandise. He also discussed methods of making suggestions to prospective buyers and explained the knack of suggesting companion articles to purchases sought by the customer.

Karl Bolander, former director of the Columbus Art Gallery, completed the evening's program with a discussion of "A Century of Progress," the keynote of the World's Fair to be held at Chicago, Ill., and opening this coming summer.

Millikin Opposed Private Control of New Sewage Plant

Gosh, what a job the city council man has! If he does'nt watch his step, he votes for something which isn't wise at all; and if he watches his step and deliberates before leaping, folks hail him and wonder what he's been doing.

Wyatt Millikin is opposed to the proposition of letting the contract for a sewage disposal plant to a private concern! That makes one against six, for all other of the city fathers are in favor of it.

But listen to Millikin's argument! Here comes a chap who knows everything in the world about sewage. The city solons listen solemnly to him. Ten minutes later, Dr. So and So enters and tears to bits all that the former gentleman has said. Up at Dearborn, Mich., Mr. Millikin tells of a fine new plant which he visited. The engineer there took one hour and a half telling him how he could spend $800,000 to improve the affair—and in the words of Mr. Millikin, "the paint wasn't dry on that one."

"Would it be good business," he continued, "for the City of Columbus to pay a private concern $18 per million gallons of sewage for a period of 15 years, when tomorrow a method might be discovered to treat a million gallons for four dollars?"

And there is a thousand other angles to every problem a councilman faces. "People ought to go up and see the wheels of the government run," thinks the local solon. "People wonder why the Hilltop Sewer report from the city engineer was held up! It would have taken an hour and maybe two, to read the document, let alone study it—so one must be careful."

Yes, the city councilman has his hands full. If it's not with the regular routine of governing the municipality, then its with individuals who call him all day long. Mr. So and So wants a light at such and such a crossing—Mrs. This and That wonders why there's a light at this or that intersection. And still they come.

"If you had been in city council as long as I have," he told a Record reporter, "you'd know that these things are more difficult than just reading the morning paper." "May we quote you on that sewage proposition?" we asked, on leaving. "Sure!" flung back the city father. "This councilman wants to be quoted on the issue."

An Apology

The management of the Rivoli Theater wishes to apologize for the misunderstanding in connection with the tickets recently given away by several merchants, to be honored on Wednesday nights.

The two agents that distributed these tickets to the Hilltop merchants accepted payment for same and left town. One of these was arrested in Dayton, Ohio, brought back to Columbus and has been bound over to the Grand Jury under an embezzlement charge.

Although the Rivoli Theater has received nothing for these tickets it will continue to honor the balance of them each Wednesday night.

If the merchants who bought tickets will come to the Rivoli office final details will be satisfactorily arranged.

Signed,
GEORGE PEKRAS.

By means of a bell tied about his neck, Balnam leads his pal to the grazing grounds and the water trough, carefully avoiding all pitfalls. The Church Bell

By ALLOVETTE ZELLNER

I hear again the church bell chime,
Akin to His dear voice;
That whispers of a love divine,
And makes my heart rejoice.

Its melody instills our care,
Along life's path-way trod;
It calls the pilgrim to his prayer,
Unto the throne of God.

Its joyous peal proclaims the truth,
Which all man-kind have known;
Its solemn dirge has tolled the knell,
When souls have home-ward flown.

Each calm sweet note echoes anon;
The one supernal tone.
The gift of love that guides us on,
To our Eternal home.

Wild Life Gets "Break" In U.S. Land Use Plan

With literally millions of acres reverting to the counties and states because of delinquent taxes, sportsmen have received favorable recognition of their plea to the National Land-Use Planning committee and the National Advisory and Legislative Committee on Land Use, both operating under the United States Department of Agriculture, to utilize desirable areas for natural propagation of wild life for public use, according to a bulletin issued by the American Game association here today. Those committees are trying to correlate the many phases entering into land uses to promote the greatest good to the greatest number including the vast army of the unemployed.

A sub-committee on Forest, Parks, Recreation, and Wild Life Preservation Areas has been appointed; E. A. Sherman, associate forester, Forest Service, U. S. Department of Agriculture, is chairman, according to announcement.

"The concept of efficient utilization includes the concept of conservation of natural resources. The emphasis in land utilization is on the more of use and essential adjustments involved; but the conservation of soil fertility, timber, water, wild life, recreational and scenic resources is a basic consideration in the determination of effective present use," the announcement states.

"In the long run the determination of most effective use becomes a matter of regional or local planning which will take account of important public considerations and necessary adjustments," the statement continued in outlining a plan for formulating policies.

There are any number of instances where land has paid much more money for hunting and fishing to a community or a state than the same land subsequently put into agriculture. Because of this, these same communities, recognizing their mistakes, have turned the land wherever possible, back to hunting or fishing or both, officials of the American Game association point out. These two sports, considered from the angle of industry, have a yearly turnover of approximately $1,000,000,000, officials said.

Sixty Years Ago

I'd had a talk with the Permanent Pessimist the other day and he'd lugged out gloom and grief to me for an hour.

That evening I settled down to read and was half way through the first volume of Burton E. Hendrick's "Life of Andrew Carnegie," when I ran across this:

One day America was joyous with riches, and then, without the slightest warning, came the crash, and the nation was a heap of financial ruins. Bank after bank put up its shutters, and despairing queues before their entrances became the commonest sights in American cities. Railroad after railroad confessed bankruptcy. One factory after another dismissed its workers, frequently with unpaid wages.

The stocks and bonds which had ascended to dizzy heights in the early months of 1873 now fell to depths which beggared millions. The New York Stock Exchange suspended operations for a week. Money passed out of circulation, those fortunate enough to possess a little feverishly hoarding it.

Since the rich could not collect the interest on their investments, they could not pay their bills, while the sufferings of the poor proved an unprecedented tax upon public and private philanthropy. The busiest citizens were sheriffs, levying on property, and auctioneers, sacrificing equities for any prices they would bring.

I said to myself: That might have been written yesterday instead of 60 years ago. Men in those days kept their faith, their hope and their courage and pulled through to bigger things. Has humanity changed so much in 60 years that faith, hope and courage will not win again?

Flowers Accommodate Insects

Many flowers that have their pollen carried from one plant to another by special insects that work only in the daytime, keep their blossoms open only during the hours when the insects are at work. Others, such as the honeysuckle, that make use of the night-flying moths as well as of bees and butterflies for their pollenization, remain open day and night.

Kellogg Finds Six Hour Day Efficient

On Dec. 1, 1930, some 430 new employes tramped into the plant of the Kellogg company, cereal manufacturers of Battle Creek, Mich. The event was of more than ordinary importance, not only because the company was hiring people in the midst of a depression but because it inaugurated an innovation in manufacturing technique.

That innovation was the six-hour day—a plan which has now been in successful operation more than two years and which the company announces it will continue regardless of future business conditions or a let-up in unemployment.

For obvious reasons the same method cannot be applied successfully to all industries, but, so far it its own business is concerned, the Kellogg company finds that it solves many problems.

The plan has proved so practical at the Battle Creek plant that, in September, President Hoover invited W. K. Kellogg, founder and president of the company, to his Rapidan camp to explain the workings of the plan in connection with the president's own program for spreading employment.

Mr. Kellogg told the president that experience in the Battle Creek plant had shown it to be possible, through the six-hour day, to increase the number of employes by 20 per cent without loss to stockholders or hardship to workers already employed. He stated that the plan has in no way impaired earnings of the Kellogg company and that employes were heartily in favor of it and its permanent retention.

A philosopher is he who, discovering the futility of fumbling for stars, is satisfied catching his fish.

Nippy Jacquette

One of the prettiest things brought out recently is this little jacquette of broadtail. With its close collar and capelet sleeves it converts the wool frock into a smart ensemble.

TASTY LITTLE SARDINE

THE little silvery herring which we call sardine comes from the coast of Maine.

We do not serve this delightful little fish often enough to learn of the number of dishes which it may add to our list of good things. How about a rarebit? Everybody likes a rarebit.

Sardine Rarebit.

Mix two tablespoonfuls of melted butter with half a pound of rich cheese grated or broken into bits. Stir constantly while it melts, then add one egg beaten and diluted with two thirds of a cupful of cream. Stir until smooth, season with paprika, a small pinch of salt and a few drops of tabasco sauce. Drain a box of sardines, broil them on slices of toast and pour over the hot rarebit. Serve at once.

One may buy the sardines put up in oil, or in tomato sauce, or "done" in mustard, so all tastes may be served and given a variety.

Curried Sardines.

Mix one teaspoonful each of sugar and curry powder, adding a pinch of salt. Put these into a saucepan with one cupful of cream and a teaspoonful of lemon juice. Stir until hot, then drop in a dozen sardines. In another pan heat some butter, and in it saute slices of bread large enough to hold a sardine and a slice of apple. Pour some of the hot apple sauce over each and serve.

Sardine sandwiches are probably the most popular way of serving this little fish, next to serving them as they come from the tin, with a bit of lemon and bread and butter. How would you like to try:

Sardines on Toast.

This is a most delightful dish for Sunday night supper or in fact for any day in the week. Put two tablespoonfuls of butter in a saucepan, add two tablespoonfuls of flour, stir until smooth and browned slightly, then add a half cupful of good soup stock; stir until thick, add a cupful of sardines from which the skin and bones have been removed and serve over rounds of hot buttered toast.

THROUGH a WOMAN'S EYES • By JEAN NEWTON

ON DYING FOR LOVE

"FOR men have died and worms have eaten them, but not for love!"

For many generations adult opinion has agreed to that effect.

And yet, "every so often," a man or woman attempts or commits suicide, because of love. "Perhaps you'll love me now," the epistles say which they leave behind.

A recent example is that of a young man whose suit was unsuccessful because the parents of the girl found him too old. They regarded a difference of twelve years as too much. And apparently their daughter was willing to let it go at that. Although the specific benefit to him in the event that he was successful is not clear, the young man seemed to think that committing suicide would make her love him more. So he shot himself, sustaining a wound in his chest.

The most unsuccessful and unproductive dying is dying for love, an idea which otherwise sensible women as well as men sometimes take seriously. If you are successful you are cutting off your head to spite your nose! If not, you just make yourself look foolish.

At best that sort of thing always impresses me as a shoddy attempt to force one's own way. It reminds me of a too-exacting parent who uses as a weapon against a defenseless son the threat that "you'll be sorry when I'm dead and gone."

A person whose coldness drives you to despair is certainly not worth dying for—with the world so full of a number of things! And one unfortunate enough to have inspired an unwelcome devotion should certainly not be further imposed upon by having a death laid at their doors! It is unfair as well as foolish.

No, if we can't live for love it is much better to determine on and succeed in getting over that love. For what cannot be accomplished by energetic living will never be helped by dying!

Volume XVII — THE HILLTOP, COLUMBUS, OHIO, FRIDAY, APRIL 28, 1933 — No. 1

The LOOKOUT

'ROUND ABOUT THE HILLTOP

Never could just quite associate the word "scientific" with the manufacture of chewing tobacco. . . . H. H. Keighley, one of my favorite people. . . . Wonder what became of "Bunny" Huffman? . . . That telephone operator whose voice is like Janet Gaynor's. . . . John Wolfe, as we see him, "The Gary Cooper of the Hilltop." . . . "Sometimes I think the horses in the military department are the most intelligent part of the university."—Ira Everett. . . . The odor in the lobbies of large buildings always suggests "Funeral fragrances." . . . Fred Gurlie walks so straight that I get nervous for fear he'll stumble and crumble to pieces like a plaster soldier. . . . J. W. Miles has the most graceful stride of anyone I know. . . . Roses to Miss Harriet Judd, whose work with elementary pupils has been long and successful. . . . Personal nomination for the prettiest home in the community: Gill's, on Wicklow road. . . . Gene McCarty and wife, out for Sunday stroll. . . . Dolores Siegwald has the prettiest "blush" of anyone I know . . . (Bet she's blushing now). . . . So someone threatened to scratch our eyes out if their name appeared here! Ho hum! . . . Picture of pessimism: John Bachman, going angling with a fishing rod in one hand and two library books in the other. . . . Mrs. Adena J. Smith's voice suggests angel food cake. . . . The oldest structure on the Hilltop: That brick house on West Broad, just east of the Westgate Temple. . . . While collecting algae (pond scum) from the lake at Greenlawn cemetery, we were accosted by the caretaker, who said: "You don't look like you're fishing, but what you're doing looks suspicious." . . . But sweet peas to you Mr. Hain, for listening through the entire explanation. . . . Using "aspect" and "owl" in the same sentence: Aspect owl have to quit now.

About the most efficient act an efficiency expert could do would be to eliminate all efficiency experts.

LETTER

Scout Executive Shriver:

The 1933 Scout Circus of the Central Ohio Council, of which you are the head, is over. It was a colorful bit of pageantry. It was a successful venture. It marked your council as an alert and hard-working organization.

But to those who are and have been scouts of other years, it lacked a vital something. There were no thrills that eight boys scaling a 10-foot wall in as many seconds gave 5000 people of several years ago. Nothing took the place of that most spectacular event, 100 boys getting fire by the rubbing together of two sticks, in but a few seconds. Older scouts can well remember the roars that came from excited spectators as a chariot, pulled by four scouts, rumbled around the coliseum arena. Others may well remember the generous applause of approval as a scout signalled a message to a brother scout across the area, in three minutes—perfect in every letter.

Your show was a brilliant spectacle. It drew deserved applause. Still, looking back over but a few years, we can recall the suspense and silence of a filled coliseum, just before eight lithe lads poised, waiting for the crack of the gun, dashed quickly and skillfully over a perpendicular wall. We recall the tenseness that for a few seconds preceded the making of a fire without a match. We recall the spontaneous cheers that greeted through the entire race. We recall a successful chariot rider after he crossed the finish line, having stuck the waves of applause that greeted a barrel tilter as he faltered—and then came back to win.

But 'tis not the applause that makes us remember. It is the skill of the scout, the ruggedness of the event, the action, the "scoutingness" of it all. Those who were a part of those events hold the experiences close to their hearts. For it took hours of practice, it took skill, it took patience, it required courage, and it required knowledge, it required honest and determined effort . . . and these things made the experiences vital ones. And after all, a boy with these characteristics will be somewhat of a man, don't you think?

Scoutingly yours,
THE LOOKOUT.

Recreation Ball Teams Ready for Openers Monday

Weather Permitting, Church League Will Swing Into Action at New Westgate Diamonds.

Monday evening, May 1, at 6 p. m., weather permitting, the first organized league of strictly Hilltop church recreation ball teams will go to the wire to start what promises to be an exciting and interesting campaign.

Nine teams, eight of which will see action in Monday's array of games, compose the loop. With the advent of clear weather, rehearsals started last week and every team is reported in tip-top shape for the openers.

HILLCREST STRONG

The Hillcrest Blues, co-champs with Calvary Presbyterian last year, have revamped their entire squad and appear to be favorites for the cup. However, St. John Lutheran, Hoge Memorial and Warren Avenue also have strengthened their teams and the Blue Racers may be hard pressed, if not decisioned in the race.

Work on diamond construction got under way late last week and with continued good weather the fields will be ready for action Monday evening.

Four diamonds are now located at Westgate Park.

FEES MUST BE PAID

Fees and eligibility lists must be in the recreation department offices not later than Monday noon, according to an announcement made by officials this week. Fees for a nine-team league will be nine dollars for the two rounds.

It is entirely possible that a 10-team league may be formed, according to reports. St. Paul Lutheran at Rome and St. Mary Magdaline have teams but have not yet registered. Managers of both outfits are requested to get in touch with Leo Uridil at the recreation department immediately.

Frank Friend Named Manager

Hilltop Merchants One of Six Teams In the Capital City League.

The Hilltop Merchants' baseball team, formerly the Westwood A. C., is one of six teams which will compose the Capital City league, playing ball Sunday afternoons. The Merchants are under the management of Frank Friend, 125 S. Eureka Ave., formerly with the Columbus association team in the days when Bill Friel was manager. John Ohrman, an old-time baseball player and manager, is business manager of the team.

Besides the Merchants the league is composed of such well-known teams: Federal Glass, Co-op Cabs, Safety Cabs, Corbin Coal and Columbus Sentinals. The league is under the supervision of the recreation department and all Hilltop league games will be played on the old Westwood A. C. diamonds on O'Hara road just east of Hague avenue.

Friend and Ohrman have leased this plot of ground and will put in many improvements for the convenience of ball fans. The diamonds will be improved and new seats provided. The season will open May 11.

Family Night At West Gate Monday

Next Monday evening has been designated as Family Night by Worshipful Master Jacobs of West Gate Masonic Lodge. Members and their families will be given a free entertainment which has been arranged by Past Master Winkler and his committee. Marie Sands will present some of her pupils in a variety of numbers as one of the features of this family night entertainment which will be presented at the West Broad street temple.

West Junior Set Back In Opening Encounter

West Junior baseballers took a neat lacing last Thursday afternoon in the season's lidlifter, on the West field, at the hands of Everett by a score of 16 to 8. The local squad made a total of nine errors, which, coupled with the wildness and ineffectiveness of a trio of "throwers" gave the visitors an easy triumph.

Everett, likewise, played miserable ball, but managed to take advantage of West pitchers at crucial moments.

Correction

Through an unintentional oversight, the names of St. Aloysius and St. Mary Magdeline churches were omitted from the attendance tabulations in last week's issue of the Record.

Business Men To Send Local People To Fair

Six Hilltop people, between the ages of 14 and 21, will be entertained at the World's Fair in Chicago this summer at the expense of the Hilltop Business Men's association according to announcement made late this week by officials of the organization.

The trip will be made via bus and extend over a period of four days. The group will be under the supervision of a chaperone. Further details concerning the trip will be forthcoming next week.

According to the plans of the association, all people on the Hilltop are eligible to participate in the contest, the rules of which will also be announced next week. Final preparations are being made by the business men of the community, but Ray G. Haunts stated this week that at least six Hilltoppers will make the excursion.

The contest will run over a period of ten weeks. Residents interested in entering should watch for detailed announcements in the Hilltop Record next week.

The business men's committee, headed by Ray Haunts, has been working on the plans for the past several weeks and at the present time are nearing completion.

Crowds Attend Art Exhibits At Hilltop School

More Than 1000 at West Broad's Display Tuesday Evening; Affair Termed Huge Success.

Throngs of Hilltop people viewed the various art exhibits sponsored by the schools of the community this week, a check-up of the various displays revealed. At West Broad, more than 1000 persons attended a display which filled the auditorium there.

Hilltop residents responded splendidly to the call of school officials for articles of artistic design, and every school had exceptionally fine exhibits. Quilts of excellent workmanship and design were especially abundant, while handiwork of various types in wood, metal, pottery, sculpture, and painting was on display.

At West High, the largest exhibit of the community attracted much attention. Classes viewed the various articles one by one, with the public attending on Monday night.

One exceptionally interesting feature was a classic model of the new state office building, moulded to scale from plaster, by Irwin Brobeck of 29 S. Hague Ave. Sixty-five art pieces were also shown at West Jr.

Sixteen of the articles at West Broad and more than a dozen at West Jr. were selected for further display at the Columbus Gallery of Fine Arts on May 15. Other schools of the Hilltop will also be represented with various contributions there.

On Wednesday and Thursday an art and handcraft display was held at John Burroughs school. The arrangement was in charge of Mrs. J. W. Thompson, Mrs. L. B. Pence, David Cornwell, H. L. McMillan, Miss Dorothy Weagly, Miss Estella Schart and Mrs. Rebecca Wilhelm.

At Starling Jr. High the manual arts department continued work on projects to be shown at the Columbus Art Gallery. Sixteen students are working on cabinet work of various kinds.

Poppy Buyers to Be Protected By Legion

Steps to protect the public against memorial poppies sold for private profit were being taken this week by the Poppy committee of the Camp Chase Post of the American Legion Auxiliary.

The committee is arranging for distinctive dress and badges for those selling the flowers on the streets, that they might easily be distinguished from imposters.

To further protect the public, the official American Legion and Auxiliary poppies will carry the names and copyrighted emblems of the two organizations on one side and the words "veteran made poppy" on the other.

Poppy Day will be observed May 26 and 27.

Club to Meet

The regular meeting of the Twelve Ohio Congressional District Republican clubs will be held in the Deshler-Wallick hotel, Monday evening, May 1, at 8 o'clock. Mrs. L. T. Weiss, 582 Wiltshire Rd., will present several musical numbers during the meeting.

Men to Meet

The Brotherhood of St. John Lutheran church will hold its regular meeting on Tuesday evening, May 2, in the church basement. Following the business meeting, John N. Wolfe will give a short talk on "Common Plants of Wood and Field."

Tickets Now On Sale For West High Mystery Thriller

May 11 and 12 are the dates chosen for the presentation of "Tiger House," the senior class play for 1933, at West High school.

"Mystery House" was the original name of this tragic home where murder has been done and where it seems murders will be committed for the treasure hidden within.

The ten members of the cast together with a most sinister outside influence are at all times directly under the suspicion of the audience. The action is exceedingly fast and the stage effects will be up to the best efforts of modern stagecraft.

Irma (Barbara Brownfield) is the department store clerk, who has become an heiress to this strange home through the will of her murdered aunt. A week-end party which includes her girl friend Peggy Van Ess (Valeda Gugger), her two cousins, Arthur (William Brownfield) and Oswald (Inglis Miller), bring the story to an intensely exciting climax.

The dramatic appearance of the Mystery Woman (June Simmons), the crystal reading of Yumi (Bob Thorne), the inexplainable Hindu butler and the story of Anne (Lorene Rather) the maid, will bring the audience to the highest tension. Aunt Sophia (Rosemary Van Scoy) adds a bit of comedy to the show.

Macintosh (John Bachman), a brilliant young detective, and Thompson (Irwin Barkan), an animal trainer, unconsciously tie up the threads that eventually bring about the discovery of the real murderer.

This is the latest mystery play to be released by the legitimate stage and will furnish not only an evening of thrills but also the finest sort of comedy.

All precedents have been broken, when the senior class decided to offer this play for 15c admission with no seats reserved. Tickets are on sale today and will be delivered upon receipt of a telephone call at the school, HA. 0033.

Radio Broadcast Opens Record's Seventeenth Year

The Hilltop Record's Singing Reporter will be heard in his initial broadcast Friday morning at 10 o'clock over station WSEN in a program of song and string music, interspersed with the news highlights of the Hilltop during the past week.

Special bargains offered by Hilltop Record advertisers will also be broadcast in this feature half-hour program. Local residents are asked to tune in on the program and send comments to the Record office, 14 S. Oakley Ave.

This new feature of Hilltop Record service is an experiment and its success will depend upon the people of the community. Requests for special numbers should be addressed to the Radio Editor, Hilltop Record, 14 S. Oakley Ave.

The program today will observe the beginning of the Hilltop Record's seventeenth year of continuous publication in the community. The innovation marks another step upward in the development of service of the Record to the Hilltop.

In the development of a suitable radio program, the Record asks the cooperation of the people of the community. Tune in on station WSEN this morning at 10 o'clock, or next Friday morning at the same hour, and if you like it—"tell others, and if not, tell us."

State Champions Defeated 4 to 3

Wisemen Play Sparkling Brand of Ball In Beating South's Ace Moundsman.

In a bitterly fought and hard played ball game, West High's fighting baseballers downed a confident South aggregation on the West field Wednesday afternoon in a surprise upset by a score of 4 to 3. It was the same Bulldog team that copped the state title last year, and to make the victory sweeter, the much talked of Hickle, ace moundsman, was nicked for the win.

MILES HURLS WELL

Many are the posies that could be distributed to local baseballers as they popped into the running for the title again—Redifer's excellent play at first, Francis' brilliant work behind the bat, and so on, but the rosea go to a lithe lefthander by the name of Miles whose work on the mound for West was superb. After the third inning, by which time the champions had counted all their runs, the diminutive tosser had them eating out of his hand. Meanwhile, he was contributing to his team's offensive advances with a trio of solid smacks.

ALMOST LOSE

With the score three to one against them, the Cowpunchers filled the bassocks in the seventh with none out. Two went down easily, but Redifer cracked out a vicious hit to center to apparently score three men. But Corcoran, who slipped rounding third, was helped to his feet by the coacher, and called out. This gave the Cowboys a severe setback, and kept them in arrears three to two. In the eighth, however, Miles contributed his third blow to score a mate. It was in this frame that the great Hickie took the hillock. In the final frame, Francis opened by popping a single to center. He stole second and took third on an infield out, plating a moment later when Link rifled a single to right, winning the ball game and wiping confident smiles from the faces of Rodney Ross and his confident champions.

PLAY CENTRAL TODAY

Completing a strenuous week of baseball, the West High nine will meet Central this afternoon on the Pirate diamond in the hopes of climbing in the standing, despite an inauspicious start against North in the season's lidlifter last Friday. The Pirates will hold a slight edge over the Wisemen, although with continued improvement, the locals may spill the dope bucket.

Next Tuesday West will meet a strong East team on the Tiger diamond. The Tigers will present, with the possible exception of South, the strongest array of talent the Hilltoppers have yet faced.

DEFEAT AQUINAS

Tuesday afternoon, on the Cowboy lot, West displayed a snappy brand of ball to defeat Aquinas by a score of 9 to 5. Bob "Hawk" Thornton was the game's highlight, his hurling being too much for the Terriers to solve. The big right hander's shants were sufficient to fan nine of the Irish, and only five were able to bang out safe knocks, four of which were of the scratchiest sort.

Bob Miles was also in great form offensively and defensively. The diminutive southpaw cracked out a trio of safe wallops and smared all that came his way in the field. Koon, Redifer, and Francis also played well.

LOSE TO NORTH

The Cowboys lost the season's opener last Friday afternoon and evening on the local field by a 10 to 12 count. It was a long, drawn out affair, with a total of 18 errors being charged to the two teams, along with 15 bases on balls.

Dellinger pitched acceptable ball throughout, and had he been accorded better support on the part of his mates, he would have been returned the victor. Zimmer, Polar Bear hurler, gave 11 free passes, although allowing but six

Bureau Warns Paint Buyers of Products

Purchasers of paint were warned this week by the Better Business Bureau officials against buying paint adulterated by water. In conjunction with state officials, the bureau reports that purchases of paint in several stores at a price of $1.00 per gallon revealed that as much at one-third of the entire package of paint contained water.

Harry Van Horn, manager of the bureau, said that selling such paint to members of the public under a label of "High grade" constituted a misrepresentation. The bureau proferred its services to the public to ascertain facts about paint. No charge will be made for the service, Van Horn said.

Starling Loses

Starling Jr. High's baseball team took a 14 to 8 setback Monday afternoon on the Central field at the hands of Franklin. The game was marked by frequent errors and heavy hitting.

Auto Recovered

An auto, stolen from Auto F. Seeds, 103 N. Hague Ave., was recovered near Urbancrest Monday. Constable John Guy Bred four shots at a negro who had been discovered in the car, but he made his escape, dropping a blackjack and a pair of colored glasses in his flight.

FOR RAINY DAYS

An electric motor has been designed which is splash-proof, yet adequately ventilated. Water may be splashed on it under high pressure and from any angle without wetting the inside.

Track Teams In Hard Work Outs

Defeat Bexley in Taking Third Consecutive Win of Season; City Meet May 4.

West High track artists kept their 1933 slate unblemished Tuesday afternoon when they overwhelmed Bexley tracksters by a score of 88 to 39. The Cowpunchers scored a total of 11 first places to the home squad's four. It marked the third straight triumph of the year for Buchanan's men.

Saturday afternoon the local squad will engage Delaware in a dual meet at Delaware. It was announced Wednesday that the postponed meet with Central has been definitely abandoned, with the exception of the relay events which were to have been run off Thursday evening of this week.

Rehearsals of the most strenuous nature are being held at the Hilltop institution in preparation for the city track meet to be held at the North High field on Thursday and Friday, May 4 and 5. North and Central are the favorites to cop this year's hunting, with West trailing. The Pirates are crowded the edge over the Maroons.

safe blows. Dellinger permitted 11 hits but strolled but three. Redifer and Francis were other Cowboys to show well.

Saturday the Wisemen trekked to Canal Winchester, there to hammer out a 12 to 5 victory behind the stellar hurling of Miles and Burkhalter. The home boys cracked out but three safe hits, while West clubbers bounced opposing pitchers at will.

Editor Sir Philip Gibbs Knighted for War Duty

History was Sir Philip Gibbs' first love. At twenty he became "educational editor" of an English publishing house at £120 a year. With £5 capital and that income he married. He was so young and looked so much younger that he hid the event from his boss.

As managing editor of a large literary syndicate later he bought one of Arnold Bennett's novels as his first venture. His weekly column, "Knowledge Is Power," solidified his position in English letters. The Daily Mail fired him. A long association with the Chronicle followed.

When war started in the Balkans, Gibbs packed and crossed the channel. Companions described him as "a dreamy youth who would always leave his kit behind and never know how to get himself a square meal." In the beginning of the World war he was on the black books of detectives at every port; a general warned him if he returned to France he'd be shot. The situation was solved by the appointment of five official correspondents. Gibbs was one of them. He was knighted for his war services.—Detroit Free Press.

The Hilltop Record

A CLASSIFIED AD IN THE RECORD REACHES MORE REAL PROSPECTS

Of Interest to the People of the Hilltop and Vicinity

Volume XVII — THE HILLTOP, COLUMBUS, OHIO, FRIDAY, MAY 5, 1933 — No. 2

The LOOKOUT

'ROUND ABOUT THE HILLTOP

Thank you, Dr. and Mrs. Whitehead, for that splendid bouquet you sent the Record on its seventeenth birthday. . . . Arthur Boyer strolling down Broad street with a bottle (?) in his hand. . . . Frank Hughes, who hired and fired me in a single week. . . . And strangely enough, the depression followed. . . . Nothing makes me so jittery as waiting at a crossing for a fast train. . . . Quotation: "My wife, you know, gets an idea—every once in a while"—Harold Wise (stand by for crash). . . . Spinach to the unknown contributor who crashed the pillar last week with a crack about the compiler (and make it sandy). . . . Christy Michel, one of my favorite people. . . . That West High lassie who would like to see her name here. . . . Mrs. Isaac Hostetter suggests the thought "neighborliness." . . . There are women in the Hilltop Business Men's Ass'n. (but that's nothing, I guess. They're in everything). . . . Chan Gibson, so affable. . . . Two word definition of cocksureness: Laura Mason. . . . That girl on the cigarette ad looks as though she wished the chappie didn't smoke. . . . Thank you, Cliff Rice, for the use of a radio on Friday morning. . . . Miss Blanche Kern somehow suggests Roman statuary. . . . There are more different items in the Economy Variety Store window than any other on the Hilltop (Awgwan and countem yourself). . . . Broad street, on Sunday evenings, is so filled with folks not going any place in particular. . . . An uptown newspaper scribe thinks Hilltop girls are goodlooking—that's nothing, they agree with him. . . . The slowest moving Hilltop mortal is "Sam" Whiting. . . . But he gets where he's going. . . . That scout troop scribe who writes his meeting minutes before assembly—and who forgot to fill in attendance and the speaker's name.

CASEY DESERVES IT

The name of Charles Casey will appear, along with those of Dave Ballard, Roger Mason and Woodrow Wills on the Agonis plaque at West High school by virtue of his having won a minimum of five athletic awards and kept his scholastic efforts above the general average. And the award is richly deserved by Casey.

The scrappy Irishman excelled in football, where he was all-high material at the center position. Likewise, in basketball, his work was far above average and had not doctor's orders prevailed, he might have rated all-high mention there. Also, he was a candidate for a position on the diamond squad.

West officials have not gone wrong in naming Casey. He was forever a team player, always fighting as long as the game lasted—hard, clean Irish fight—and above all, a gentleman of the battlefield—in the sense that he was hard without being tough.

"Casey deserves it" is the way his teammates express it, and they should know.

Jack Shank tells us that no depression has been heard of in his sector. "Why, just last week we hired two new men," relates the nonchalant one.

"What was their official capacity?" we queried. "Collectors," replied Jack, with great solemnity.

POP-GUN

A local detective tells about chasing a car robber. The culprit sped through city streets, with detectives in hot pursuit, far over on the east side colored section. There the pursued stopped his car, jumped out and dashed through alleys, sidestreets and over back fences. The detective fired twice. Just as the bandit climbed atop another fence, he fired again. From another backyard nearby, a colored lady, complacently hanging up clothes, called "Hey theah! What yo all shootin' that pop gun foah!"—just as another bullet thwarted further getaway efforts of the bandit by lodging in his leg.

Starling Wins

Starling Jr. High school baseballers broke into the win column Thursday afternoon by defeating Roosevelt by a 10 to 4 score. Knowles with a homer and Cooper with four hits in five official trips to the plate, led with the club. Starling will meet Franklin Post Monday, Ineligibles on Wednesday and Monnd, Friday.

Local Dry Forces Hold Organization Meeting Tuesday

Attorney Earhart Makes Appeal For Support of Prohibition Laws of State and Nation.

The prohibition workers and supporters of the 18th amendment, on the Hilltop, met Tuesday evening at the Hoge Memorial Presbyterian church, for the purpose of organizing for the campaign on the referendum on the proposed Mosier Law providing the method of the selection of the members of the Constitutional Convention to vote on the repeal of the 18th amendment.

Attorney Ehrhart addressed the assemblage in an appeal for the support of our prohibition laws in the state and nation, and pointed out the claimed injustices of procedure under the Mosier Bill, stating that it was framed for the express purpose of giving the wet forces of the state a very unfair and large advantage and overwhelming the dry vote of the rural sections of the state, by electing all the delegates to the convention at large, contrary to all past precedent and history in the state, permitting the wet centers of the large cities to control the state. A large attendance was present of the workers of the tenth and eleventh wards, and at the conclusion of the address the referendum petitions were distributed to those who are to circulate them, at least two workers and two petitions being assigned to each precinct.

Rev. Hutchison, pastor of Hoge Memorial Presbyterian church, is the general chairman of the eleventh ward workers, and Rev. Fryhoff, pastor of the Highland Avenue Friends church, is the general chairman of the tenth ward. Rev. E. L. Motter, pastor of the Glenwood M. E. church, presided at the meeting Tuesday night, and Rev. A. W. Cultch, pastor of the Burgess Avenue U. B. church, was the secretary. A thorough canvass of the Hilltop for signatures to the referendum petitions is planned.

E. B. White, pastor of the First United Brethren church of Newark, Ohio, who was the founder and builder of the Burgess Avenue church, acting as pastor of the new church while he was a student in Otterbein college.

The church he now serves is one of the largest and strongest of his denomination in its Southwest Ohio Conference. The public is cordially invited to attend this service.

West Sr. Class Mystery Thriller Opens Thursday

What is the significance of the lighted lamp in the painting? Who committed the murders in Tiger House? What is the mystery behind the strange things that happen in this stranger abode called "Tiger House." These are some of the many questions which must be solved in the mystery thriller at West High next week.

It will be a thrilled audience that witnesses the first showing of the West Senior class play next Thursday evening in the auditorium at the school if advance notices are lived up to. Unique in more ways than one, C. L. Leahy is producing the strangest and weirdest of all his many productions in "Tiger House," a mystery thriller that will mystify and thrill simultaneously.

Special lighting effects add much to the atmosphere of the play which also is unusual in that the third act starts before the second act is finished. From the meager reports that are available from officials and students at the school, it is expected that the audience will be kept on edge through the entire production in an effort to fathom the mystery. And the answer, they report from the inner section of dramatic headquarters, will surprise the keenest observer in the crowd.

Final rehearsals will be held next week by the cast of ten. Practically all routine work is completed at the present time. Final dress rehearsal will be held behind closed doors early next week.

The curtain will rise on the first show Thursday night, May 11, at 8:15 o'clock. The thriller will be repeated on Friday evening at the same time. Tickets may be procured from members of the senior class, as well as members of the junior class.

Minister's Assn. Regrets Loss of Pres. Pieffer

Pass Resolutions At Meeting This Week; Past President Was Hillcrest Pastor.

"We, the members of the Hilltop Ministerial association, learn with deep regret that Rev. William Pieffer, our president, and pastor of the Hillcrest Baptist church, has tendered his resignation as pastor effective May 1st.

"Rev. Pieffer has been greatly interested in our association ever since his arrival in this community. His ability was soon recognized, and at the next annual election of officers he was chosen as the president of the association, which position he has continued to hold to this present time. His counsel and advice has been most helpful to the Kingdom, and we shall miss him greatly.

"As our presiding officer he was always kind and courteous and we feel his Christian spirit has aided greatly in the development of an unusually fine and exceptional spirit of co-operation and friendliness among the ministers of the Hilltop.

"Rev. Pieffer was largely responsible for the arrangements for the Union Evangelistic Campaign last January under the leadership of Dr. J. C. Massee and Homer Rodeheaver; a campaign which was indeed a God-send to this community for a time such as this. The ministers' preparatory prayer meetings which were held in Rev. Pieffer's study, were, by general consent, 'Mountain-top' experiences which will never be forgotten by those present.

"Rev. Pieffer was very loyal and enthusiastic in development of his own denomination, yet at the same time he was very conscientious not to violate ministerial etiquette.

"His interest in all community enterprises has been such that we feel the Hilltop, nor any other community, can ill afford to lose a man of Rev. Pieffer's ability and spirituality.

"We assure Rev. Pieffer and his good wife that to whatever field the Lord may call them that the best wishes and earnest prayers of the members of the Hilltop Ministerial association shall follow them."

On behalf of the Hilltop Ministerial association: Rev. H. C. Hutchison, Rev. A. J. Fryhoff, committee.

Most of the damage was confined to the roof, where the fire started.

Cowboy Games Washed Out By Rain And Cold

West Baseballers Hook Up With Bulldogs In Return Melee Saturday at Harley Field.

Rain and cold made an already full baseball schedule all the more crowded for the West High Cowboys this week. The locals were to have engaged the East nine in a battle for second place on Tuesday, but rain forced postponement until Wednesday. Rain, wet grounds and cold played havoc then, and the game was delayed another day.

Thornton was to have hurled against East, with Burkhalter and Dellinger ready for relief work. Miles in all probability, will toil in Saturday's game against the Bulldogs. Having taken the champions into camp once, local fandom hopes for a repition of the performance.

Next Tuesday, the league leading North outfit will be met on the Polar field. It may be that Miles will also be sent in to attempt to stop the drive of the Maroons toward Pennsylvania. Thornton, however, will be in shape, and the big righthander may draw the assignment.

World's Fair Contest to Start Saturday Morning

Winners of Ten-Week Contest Sponsored By Hilltop Business Men's Association to Get Five-Day Trip to Chicago.

Plans are nearing completion for the biggest event in the history of the Hilltop Business Men's association with the announcement this week that the organization will send ten Hilltop boys and girls to the World's Fair in Chicago, late this summer. Transportation, hotel accomodations, meals and admission to Fair and many expositions will be paid by the organization to the ten winning people in the contest sponsored by the association. The trip will extend over a period of five days.

Starts Saturday

The race will get under way tomorrow, with more than 25 local merchants backing the affair. Ten votes for every 10-cent purchase will be given by the participating merchants. Application blanks must be secured and sent or taken to the Hilltop Bank. These blanks are available at the business houses of the sponsors.

Boys and girls of the community, between the ages of 12 and 20, are eligible for the contest. Votes collected each week must be turned in at the Hilltop Bank for tabulation.

Officials of the Hilltop Business Men's association stressed the fact that soliciting of votes in or near the place of business of the sponsoring merchants will be strictly prohibited. Violation of this rule will disqualify the contestant.

Four Districts

The contest will extend over a period of ten weeks, and the winners will be announced as soon thereafter as possible. The Hilltop has been divided into four districts with two contestants to be selected from each district. Two others will round out the total of ten. The two having the largest total votes of all entrants will complete the quota.

The districts named by officials are: Number one, south of Sullivant avenue from Central avenue west; Number two, north of West Broad street, from Central avenue west; Number three, west of Burgess avenue between Sullivant avenue and Broad street; and Number four, east of Burgess avenue between Sullivant avenue and Broad street.

Watch for Announcements

Contestants are asked to watch the Hilltop Record for announcements which may be made from week to week. Questions concerning the contest should be sent to the Hilltop Record office, 14 S. Oakley Ave., or taken up with the sponsoring merchant.

It is also pointed out that only votes obtained from Hilltop merchants who are members of the Hilltop Business Men's association would be valid in the contest. Other votes will be thrown out of the tabulations.

See advertisement on page two for participating merchants.

Delayed Church Opener On Tap Monday Evening

Delay in Diamond Construction Sets Church League Back One Week; Eight Teams Start.

Postponed Hilltop church league opening games will be played Monday evening on the Westgate diamonds, according to an announcement made by the recreation department this week. Diamond construction, delayed almost a month by wet weather, was not completed in time for the lidlifters to be played as scheduled.

Teams in the league for the most part have paid the entrance fees and all is now in readiness for the opening games. An additional week has given ample opportunity for workouts which up to the present time have been few and far between. Officials of the league are anticipating a close race.

It was stressed by the recreation department this week that payment of fees must precede the playing of the opening game. No team will be permitted on the field until eligibility lists are signed and fees paid.

The schedule for Monday's opening round finds the Hillcrest Blues pitted against St. John Lutheran; Hillcrest Reds vs. Glenwood M. E.; Warren Avenue vs. Westgate Evangelical; Burgess U. B. vs. Hoge Memorial; while the Hilltop Church of Christ draws a bye.

West Track Team Ready For Meet

Finals in City Competition to Be Run Off at North High School Field This Afternoon.

The finals in the city track meet will be run off at North High's athletic field this afternoon, following a series of preliminary events yesterday afternoon at the same place. West High's track aggregation, under the supervision of Coach Arthur Buchanan, has a strong team entered, although chances of placing higher than third are remote.

The Cowboys have completed four meets in the past month and are in the pink of condition. Last week, following their third consecutive victory of the season, the locals participated in the meet at Delaware, scoring four points, all in the relay events.

In the city meet, however, they will appear stronger and may surprise the favorite, Central, and North, which team is considered likely to press the Pirates to the finish line.

Young People Will Conduct Services

The young people of the Highland Avenue Friends church will conduct the evening services Sunday, May 5. A program of music and addresses has been arranged, with Kenneth Clark and Clarence Hanne as speakers.

Hilltop young people have been extended an invitation to attend.

Mothers' Banquet

Cowboys Washed Out By Rain and Cold

Continued from Page One

Last Friday afternoon, the Cowboys again displayed an acceptable brand fo ball, but the stellar relief tossing of one, Ralph Emerson of the Central nine, was too much for the Wisemen to handle. Going into the fifth inning with a six to four lead, the West crew was halted in its tracks by the big Pirate southpaw, who flung crooked arm slants with reckless abandon, fanning 10 Cowboy strikers in less than six innings of toil.

In the meantime his mates were getting to Burkhalter, who weakened after a good start, and Dellinger, who replaced him, was nicked for the winning tallies in the final stanza.

Koon, with a homer, and Link with two hits, stood out for West, while Emerson, Chandler and Skinner were the Pirate stars.

Represent School

Mrs. H. Reichel, Mrs. Cape, Mrs. Stubs and Mr. McCain have been chosen to represent Starling Jr. High school with its craftwork at the Columbus Art Gallery which will open May 8.

Fence Constructed

A fence along the south and east sidelines of the baseball diamond at West High is under construction and will be completed in time for the regular high school league games to be played there next week. The local team will not appear on its home lot until Aquinas is met May 9.

School Ransacked

One dollar's worth of postage stamps were stolen from John Burroughs school last Monday night, May 1, by burglars who gained entrance by breaking the glass from a rear window. Although police said the entire building was ransacked, stamps were all that were stolen.

Powdered pumice stone moistened and rubbed over the bathtub will remove stubborn stains on the tub without injuring the surface.

To Have Gardens

Pupils of Starling Jr. High school will cultivate gardens in their respective backyards during the remainder of the school term. Medals will be awarded the winners selected by judges.

The LOOKOUT

WATER! WATER! WATER!

It wasn't so long ago that Hilltop basements in certain sections were flooded and became a menace to health, as well as causing much property damage. This week, rain again caused water to back up in the cellars of many homes. On Wednesday night, particularly, a heavy rain produced much discomfort in many homes.

It is about time, we think, that action be taken by the proper authorities in remedying this situation. The Hilltop is somewhat bored with "red tape and legal procedure." The time is ripe now for action—not when the rain comes again. The Hilltop would be willing to listen to law and legislation, if that would prevent disease and discomfort. But right now, it seems that the best thing to curb further damage by flooded basements is the construction of adequate sewers—not the passing of resolutions lamenting the situation.

'ROUND ABOUT THE HILLTOP

Flowers this week to you, Mother. . . . The backyard of the home on the southwest corner of Smithboro and Walsh avenues vies with Prof. Shetrone's for beauty and design. . . . The girl's local rabbler tells about who wouldn't marry a pretzel manufacturer because he made his living by crooked dough. . . . The only novel I ever read more than once is "Treasure Island." . . . Pearl McCloud, who has lived in the same house for 33 years. . . . Two of the prettiest red-bud trees ever, are located on the Hilltop—one at Olive and Burgess avenue, and the other on Sullivant avenue near Midland. . . . M. L. J., they say, is planning a secret knotting with her boy friend. . . . And some are wondering why E. Hegenberger bowls so much on Sabbath afternoons. . . . Mr. Truman (the railroader) one of my favorite people. . . . Otto H. Magly remembers names better and longer than anyone I know. . . . And Mr. Brandt got his dog back (How? Why through a Record Want Ad, you dope, just three hours after the foist paper was delivered). . . . Since Sherm Edwards had the wheels of his "car" painted red, they're calling him the "Fire Chief." Haw! Haw! . . . Delbert Ardles misplaced eyebrow is referred to by a certain butcher as a mustache. . . . Elizabeth Ruether and Ray Hill, who played lead in West High's "Green Stockings" of many years ago, are opposite each other in earnest, now. . . . Things I can't imagine: Liner Smith with a mustachio. . . . Personal nomination for queen of the May: The cow that used to graze in the pasture back of Weber's. . . . (I reckon cows "graze," or do they feed?) . . . Ho Hum! Spring (fever) is here.

MODESTY PERSONIFIED

They tell one at Ohio State university after this fashion. It seems that a certain aged professor conducted a class in Bible Study. His classes were usually crowded to overflowing, for year after year, his final examination consisted of but a single question, namely: "Name the kings of Israel."

It was truly a "snap" course. But one year he varied the procedure. Final examination time came and he wrote the single question on the board. But lo, it was a different one. It read: "Distinguish between the major and minor prophets."

The class was thunderstruck—except for one bright lad who scribbled the following on his sheet. "Far be it from me to distinguish between those holy men, but the kings of Israel are as follows." And he named the kings of Israel. And he received a deserved A.

Funeral Monday For Seymour McAninch

Funeral services were held Monday afternoon for Seymour McAninch, who died Saturday morning at his residence, 231 S. Burgess Ave. Services were in charge of Rev. A. Ward Clutch, pastor of Burgess Avenue U. B. church, and Rev. E. B. White and Rev. Toy assisting.

Mr. McAninch is survived by one daughter, Mrs. A. C. Hinckle; one son, W. L. McAninch of Mansfield, O.; four grandchildren and one great-grandchild and one half-sister, Mrs. Mary J. Rinehart.

Church Opener Again Delayed By Wet Weather

Games Set for Monday Evening; Entire Recreation Force to Be Sent to Westgate.

The weatherman once again played havoc with plans of the Recreation department last week, preventing workmen from completing the three new recreation ball diamonds at Westgate park and consequently delaying the opening of the 1933 Hilltop Church league.

The Hillifters were postponed until Friday of this week, then later announced for next Monday evening when it is hoped that every league in the city will get under way. Although 30 men have been engaged in conditioning the new diamonds, the ground has been so wet from recent rains that equipment could not be used for finishing work. Leo Urkill, of the Recreation department, said this week, however, that the entire force would be sent to the Hilltop fields as soon as weather permitted.

NEED NEW DIAMOND

Announcement was made this week that Glenwood M. E. would have another team in the league, representing the Tri-Mu class. This will necessitate the construction of another diamond at Westgate in order to accomodate all 10 teams during the same evening. It is the general opinion throughout local circles that this diamond should be constructed along with the three already under way. Doubt concerning the ability of the Hilltop to support a recreation ball league has been banished. The community looks now to the recreation department which promised support to the limit of such an organization. The new diamond is needed and should be constructed.

The loop was originally scheduled to get under way May 1, but heavy spring rains have prevented diamond construction as well as practice sessions of the various teams.

The schedule for Monday's opening round finds the Hillcrest Blues pitted against St. John Lutheran; Hillcrest Reds vs. Glenwood M. E.; Warren Avenue vs. Westgate Evangelical; Burgess U. B. vs. Hoge Memorial; while the Hilltop Church of Christ draws a bye.

Elect Officers

The following officers were elected at the meeting of the West Mound Street Portable school, which was held Wednesday evening, May 3. Mrs. Carl Miller was re-elected president; Mrs. Harry Hunter, vice president; H. L. McMillan, principal of John Burroughs school, second vice president; Mrs. W. S. Essex, secretary; Mrs. Henry A. Koontz, treasurer; Mrs. S. B. Yost, Mrs. E. C. Wilks, Mrs. Orin Siler, Mrs. Harry Geis, Mrs. Charles Richards, and Mrs. Henry Koontz, were elected councilors. These meetings are held the second Wednesday of each month.

The P.-T. A. members are planning a picnic for the entire school to be held Friday, June 7, at Glenwood Park shelter house from 2 o'clock to 7. Mrs. Henry Koontz is chairman of the picnic, and will be assisted by Mrs. Orin Siler, Mrs. E. C. Wilks, and Mrs. Wiggins.

Awarded High Honors

Miss Lodabell Schmidt, daughter of Mr. and Mrs. Fred W. Schmidt, 606 S. Wayne Ave., representing the Juvenile Saturday Music club of Columbus, won a first place for class A girls' voices in the contests held last Saturday, May 6, by the Ohio Federation of Music clubs. The contests were held in Cincinnati.

The meeting for 1934 will be held in Columbus, it was announced.

Rain Causes Tangle In Cowboy Schedule

Following a second week of rain, West High baseballers continued to spend most of their time indoors anticipating a day when baseball could be played. At the present time, games with North, South and Aquinas have been postponed until next week when two games are also scheduled. No announcement has been forthcoming, and it may be that the Wisemen will play daily throughout next week.

Band In Program Prior To Contest

H. E. Hutchinson, Professor of Music At West, Arranges Concert for P.-T. A.

H. E. Hutchinson, professor of music at West High school, has arranged a special concert to be presented Monday evening, May 15, at the regular meeting of the West Parent-Teacher association. The band will present some of the numbers to be used at the State Band Contest at Delaware, Ohio, Saturday, May 20.

The glee clubs, also, will have a part in the program, which will get under way at 8 o'clock.

At 7 o'clock, preceding the P.-T. A. meeting, the Band Parents' club will hold a short meeting in the band room. Final preparations will be made for the trip to Delaware on May 20.

The local band will appear on the State Contest program and efforts are being made to get all members to Delaware by 1 o'clock. Competition will be held with many high school organizations of northern Ohio.

Trackless Street Cars Favored Here

Business Men Seek Improvement of Sullivant Ave., and Broad St. West of Hague.

At the regular meeting of the Hilltop Business Men's association Tuesday evening, May 9, at the Hilltop School of Music, the New York Central and the Pennsylvania railroads were requested to take some safety measures in regard to dangerous crossings in North Eureka avenue. The Baltimore and Ohio railroad was also asked to do likewise at its crossing on West Mound street.

A special committee was appointed to confer with city council concerning the condition of car tracks on Sullivant avenue and on Broad street, west of Hague. It was pointed out that the franchise will expire in a short while and it was thought that trackless trolleys could be used on Sullivant avenue.

Delegates of the organization will be sent to a meeting at the Nell House there to confer in regard to the elimination of the Mary Ann ballot.

It has been brought to the attention of the association that shrubbery, recently planted at Glenwood shelter house, has been repeatedly stolen. Residents of the community witnessing such action are asked to communicate with police immediately.

Other officers of the new incorporation are: Myrtle M. Jacques, first vice president and treasurer; Marylove Jacques, second vice president; David H. Jacques, secretary, and Dorothy E. Whitehead, assistant secretary.

William Ginder, 62 Buehl Ave., was elected vice president; Mrs. Grace Van Hook, 1922 Sullivant Ave., secretary, and Mrs. Betty Koontz, 485 Hillcrest Ave., treasurer.

Howard Wilkins was the speaker of the evening and gave a talk on voting.

The club has set up a free employment agency to aid men and women of the 10th ward, irrespective of politics. Help through this agency may be had by calling RA. 4711M after 6 p. m. The next meeting of the club will be held June 13.

Hole In One

Made By Member of Cowboy Golf Team.

Veto Fragamant, student at West High and member of the school golf team, shot a hole in one at the Beacon Light Golf Course last week, thereby entering the golfer's hall of fame. Fragamant made his spectacular shot on the third green, a 160-yard hole, using a mashie club.

John Stark, Robert McNabb and Tony DeMattio were playing with him at the time.

Mother's Day to Be Observed At Westgate

A special Mother's Day service will be held in the Westgate Evangelical church Sunday evening, May 14, at 7:30 o'clock. The Ladies' Sunday school class, known as the Gleaners, will have charge of the program.

Suffers Cuts

John Harrison, aged 40, of 105 N. Wayne Ave., and his wife, Cora, sustained cuts about the face when the auto in which they were riding struck a safety zone standard at Chicago avenue and Broad street, Sunday, May 7.

Mattox Bowlers Trim Newark Householders

In a three-game match with the Household Co. team of Newark, the Mattox bowling quintet avenged a defeat sustained earlier in the year by walloping the visitors Sunday afternoon on the local alleys by a 221-pin margin.

The Mattox team was decisioned in its initial match with the Newark squad at Newark a few weeks ago.

Artists of Cinder Path Place High

Zenker, Ward, Hoffman and Relay Team Score First Places in City Scholastic Track Meet.

Inching higher than any Cowboy track team ever placed in a city meet in West High history, Coach Arthur Buchanan's cinder path artists bore down on the champion Central Pirates and pressed the Keatermen to win last Friday in the finals of the 1933 city track meet.

For the seventh consecutive year, the Pirates took first place. They tallied 63½ points, with West counting 52½ to come in second, closely pursued by East with 51⅓ points.

Scoring points for West were: Zenker, who won a first place in the 120-yard high hurdles. Boss, a teammate, took second.

Krull placed fourth in the 100-yard dash, and Moorman the same place in the 440-yard event. In the 220-yard low hurdles, Gaylord took a third and Boden took fifth. George Ward won the half mile run in 2:14.6. The Cowboys also scored heavily by winning the mile relay with a team composed of Dellerry, Carter, Norman and Ward.

In the shot put event, Gray took a fourth place for the Cowboys and Michaelis scored a second in the pole vault. Moorman and Michaelis tied for fourth place in the high jump.

Bettiger and Heard scored points in the broad jump, the former taking a third and the latter fifth. Hoffman, a sophomore, won first place in the discus and Corcoran scored a second in the javelin throw. The 220-yard dash proved to be the only event of the entire meet in which the locals did not place.

Hilltop Merchants In Initial Win Sunday

The Hilltop Merchants' baseball team took a close decision from Safety Cabs last Sunday afternoon on the O'Hara road diamond by a score of 4 to 3. The locals tallied all of their runs in the second frame on a quartet of hits, a base on ball and a sacrifice. The Cabs almost rallied to win in the ninth, but fell short by a single run.

It is possible that the Merchants will remain idle this week, inasmuch as no games are scheduled during the home stay of the Red Birds. However, it is planned to book out-of-town opponents on these dates.

Late Contestants May Yet File In Race For Trip

Not Too Late to Sign Application Blanks; Contestants Check Votes on Tuesdays.

Great interest has been shown in the Hilltop Business Men's World Fair Popularity contest during the initial week of action, with enthusiasm slowly rising as witnessed by the continued increase of application blanks turned in at the Hilltop Bank. The first 100 entry blanks signed and turned in received 500 additional votes.

Check on Tuesdays

C. G. Wilcox, manager of the Hilltop Bank, said this week that weekly tabulations by the various contestants should be made on Tuesday afternoons. The great interest shown in the contest prevents a Saturday morning check-up. It was also announced by Ray G. Haunts, general chairman, that entries would still be accepted. With nine weeks of the contest remaining, the winners are by no means settled, it was pointed out.

ENTER NOW

Officials of the Hilltop Business Men's World Fair Contest are stressing the fact that entries should be made immediately by those anticipating participation in the affair. It was pointed out that none will be handicapped by the late entry if action is taken immediately.

Blanks should be signed and turned in to the Hilltop Bank. The blanks may be secured from participating members. It was suggested that entries coming in later than early next week would be behind in the tabulations, inasmuch as votes are being gathered in quickly by boys and girls already entered. One of the buses to convey the winners to Chicago will be on the Hilltop next Tuesday, it was announced.

Ten Get Free Trips

Ten Hilltop boys and girls between the ages of 12 and 21 years will get a free five-day trip to the World's Fair at Chicago this summer. Two will be selected from each of the four Hilltop divisions and two more from the community as a whole. Votes may be had with every purchase of 10 cents or more. Only those merchants participating in the contest are eligible to give votes. A list of these business men appear elsewhere in this issue of the Record.

Application blanks, which must be filled out and turned in at the Hilltop Bank, are available at the business houses of the participating merchants.

Appropriate exercises are held each semester for the purpose of conferring the above honors.

Otto H. Magly, For 25 Years West High Principal, Observes 60th Birthday Today

They'll be tossing birthday greetings about in profusion today at West High school. And in the direction of Otto H. Magly, whose sixtieth birthday falls on May 12, 1933. And for 25 years of Mr. Magly's three-score years, he has directed the destinies of West High school as principal.

He was graduated from Baldwin Wallace college in 1895 with a Ph. B. degree, where he studied for the ministry. In the same year, he began teaching at East High, where he organized the commercial department and coached the baseball squad. In the latter capacity, he was spectacularly successful, winning a championship, defeating the Ohio State university nine, and having the Columbus professional team refuse to play his aggregation.

At that time, East High occupied the second floors of the Felton and Ohio Elementary schools. In April of 1898, the schools moved into a new building, now Franklin, and the first of three new structures Mr. Magly was destined to enter as a member of the faculty.

Ten years later he was appointed principal of West High on Central avenue. There he has been ever since, watching graduates come and go, from the first class numbering a meager 21 to the 1933 class which will number 260.

In February, 1929, the present edifice was opened on South Powell avenue. And when the 1933 graduating class marches up for their diplomas, Mr. Magly will have watched almost 2500 high school youths pass from under his supervision, and file on into the outer world.

This year will complete 38 consecutive years of service in Columbus schools for Mr. Magly, making him eligible for retirement from his profession. The Hilltop congratulates him on his sixtieth birthday.

Orchestra In Program

The Hoge Memorial Sunday school orchestra, under the direction of Mrs. A. J. Corcoran, will feature the Mother's Day program at the church Sunday morning beginning at 9:15. Arthur Corcoran will be in charge of the services which include several instrumental and vocal selections.

First Mother's Day Observed By Pupils of School Teacher In 1877

The finest day of national observance—Mother's Day—as it is known now, had its beginning 56 years ago in a little school teacher's great devotion to her mother.

That school teacher's name was Mary Towles Sasseen, a member of a distinguished Kentucky family. In the beautiful town of Henderson, the birthplace of the famous John James Audubon, Mary Towles Sasseen was born.

As a child she was greatly devoted to her mother, and as she grew older, her devotion increased. She became a school teacher and one of her ambitions was to teach her children to honor their mothers and to make the observance of Mother's Day national in scope.

In 1877, and for several years thereafter, she observed Mother's Day in her own classroom. In closing the introduction to the first pamphlet ever published on the subject, Miss Sasseen wrote:

"This pamphlet is sent forth in the hope of awakening on the part of the child a deeper appreciation of her who is the central figure of the home. May it strengthen the family bonds, making them more beautiful and tender. May it breathe a hope of that future where language is music, thought is light and love is law."

In 1880 she went to Springfield and introduced Mother's Day into the schools there. Traveling extensively for several years, she pursued her ambition assiduously. She married Marshall Wilson in 1890, and moved to Florida, where for six years prior to her death she continued to promote a country wide observance of the day.

Miss Ann Jarvis of Philadelphia took up the work where she left off, however, and eventually succeeded in persuading Senator Burkett of Nebraska to introduce a bill into congress designating the second Sunday in May as a National Mother's Day, which was the birthday of Miss Jarvis.

But to the little Kentucky school teacher must go the credit of founding the day of national veneration for mothers—a day which stimulates in the minds of all, the fullest admiration, love and respect which is her due.

Many Thrills In Wild West Show

Sponsored By Franklin County American Legion Beginning May 20.

Wild horses, bucking broncboes, cowboys, Indians, buffaloes, and many other features of the real "Wild West" are to be seen in King Brothers Rodeo which opens at Neil Park, Columbus, for nine days, starting Saturday, May 20. The rodeo is being brought to Columbus by Franklin County Post, American Legion, and Legion men in this community are supporters. Money cleared goes to Legion relief.

"Wampus Cat," one of the "toughest" outlaw bucking horses in captivity, is a feature of the King Brothers Rodeo. Other hard-to-ride horses are: "Farmer Boy," "Fiddleface," "Blue Goose," "Tumbleweed," "Sure Death" and "Angel Eyes." King Brothers carry 35 head of untrained range horses for the bucking contests which they stage.

They have thirty thoroughbred running horses for the hippodrome races, fifty cow ponies, trick riding and roping horses, ten high jumpers and a herd of long horned Brahmma steers. The western outfit also carries buffalo which will be ridden by the cowboys and a number of miniature bucking Mexican mules.

The rodeo will be replete with thrills and spills. The Kings have the reputation of producing the wild west and roughest wild west show ever presented in the United States. They are native born Texans and have ranches both in Texas and in Oklahoma, from which they draw their stock.

Having had several meetings during past few weeks we are now organized and are going along nicely.

A regular Saturday morning hike has been a part of our program and on one of these hikes we discovered a beautiful camp site and referred it to our state ranger, Mrs. Irene McKinley, 130 Belvidere Ave., who is working on plans to establish it as a permanent Woodcraft camp.

The advisory staff of our tribe includes, in addition to Mrs. McKinley, H. L. McMillen, principal of John Burroughs school; Miss Arta I. Bailey of the school staff, and the tribe guide, D. R. Cornwell, 2000 Sullivant Ave.

The Woodcraft slogan is "With what you have, where you are and now," and our plans for summer activities are made with this in mind.

It Won't Be Long Now!

Summer, with its [illegible] "just around the corner." For Mother it brings [illegible] of trying to cook tasty varied meals to [illegible] appetites . . . in a kitchen as hot as a [illegible] room.

But many modern women now know that an Electric Range will make the kitchen as pleasant and livable as any room in the house.

The oven of an Electric Range is thoroughly insulated top, bottom and sides. Because boil, heat and time are ACCURATELY CONTROLLED, it is not necessary to open the oven door until the meal is done. Thus no heat escapes into the kitchen. The outside of the oven when in full use is so cool that you can rest your hand upon it anywhere and only feel a slight warmth.

The surface cooking units too contribute to the coolness of the Electric Range kitchen. They are so designed that no heat is wasted. All the heat is USED FOR COOKING.

A cool kitchen this summer will make life so much more pleasant for Mother. Plan now to see the many new, fully automatic Electric Ranges that Electrical Merchandise Dealers are displaying.

The LOOKOUT

'ROUND ABOUT THE HILLTOP

A new son at the Dwight Frazures (Daisy Lou Stansbury) titled Thomas Dwight, which sounds like a famous author. . . . Rev. Julius Bodenzeick thinks Hitler is doing wonders for Germany, which he says is more united now than anytime in the past decade. . . . And from the same gentleman comes the most striking phrase of the week: "You can't have revolution without some error." . . . Thank you, H. O. Nippert and R. C. McCreary, for fine letters. . . . Thurlinger, a local woman reports, is just "thataway" (Awgwan, lookitup! We didn't ketchon either) . . . Embryo lovers of night life are lamenting the fact that the DA class party is in the afternoon. . . . Helen Secaur, W. High sec., has been known to throw shoes against the wall (in her younger days) when becoming irritated. . . . Mr. Jane Jones (Henry's wife) bakes wonderful angel food cakes (This is not an advertisement) . . . Mr. Lee, the tailor, plays euchre well, according to Knox, Kent and Co. . . . There is no truth in the rumor that H. H. Heighley will leave for other parts next fall. . . . Wonder when they'll change that news picture of F. D. R. at the Hilltop Bldg. & Loan. . . . Wonder why a big, strong boy would be afraid when arrested on a speeding offense. . . . So to close with more population figures: The Jack Merriman's are sporting a miniature Jack, yet un-named.

Ribbons, Medals Given Trackmen

Buchanan's Scantily Clad Athletes Place Fifth in District Meet Saturday.

Continuing to show excellent form, West High's track team brought home more bacon last week by placing fifth in the district track meet. Besides the team showing, six ribbons and five medals were gathered in by various members of Arthur Buchanan's squad, which is the best to have ever represented West High.

In the high hurdles, Zenker and Boss placed second and third respectively; Corcoran, also a member of the baseball team, took a second in the javelin throw; Bettinger placed third in the broad jump, while George Ward came in third in the half mile run.

The mile relay team, which was meant out by the North quartet, had to be satisfied with a second place after Doherty slipped on the wet track. Michaelis tied for third in the high jump.

In the low hurdles, Baker rated a fourth place. Contrary to previous announcements, the West total outranked that of East High by a narrow margin and the Cowboys were awarded fifth place in the meet.

Officers Installed

Mrs. Kenner McConnell, president of the Columbus and Franklin County Council of the Parent-Teacher association, installed the following new officers of the Highland Avenue Parent-Teacher association at their regular meeting, May 10:

Charles Haine, a member of the 4-H club of Franklin county, will give two selections on the mouth harp and Lawrence Watson of Capital university will give a solo. The following are the contestants: Naomi Green, 2575 Bryden Rd.; Edna Seickard, 223 S. Richardson Ave.; Arthur Haine, 1015 Roxer Lane; Betty Brownfield, 811 Frank Rd.; Robert Sherman, 318 16th Ave.

Camp Chase Post In Membership Victory Again

After battling for several months to retain their standing in paid-up memberships in the American Legion, the Hilltop post will celebrate its victory with a special program following the regular meeting at the shelter house on Friday evening.

Dr. A. C. Myers, chairman of the membership committee, will announce the winners of the Legion uniform, the electric mantel clock and the Legion ring which are to be given to the three men leading in the contest. Gold awards will be presented by the state department to approximately 18 men of the post who have won this honor. Others will be presented bronze buttons. Camp Chase Post is now the largest post in Ohio to reach a 100 per cent paid-up membership for 1933.

Mobilization Call

Once each year the American Legion throughout the country issues a call to arms as a test of speed and efficiency in times of stress and trouble, such as flood, fire and tornado. On this date all members of every post, all nurses, auxiliary members, and kindred organizations are given a call by radio to assemble at some pre-arranged meeting point immediately after the call is sounded.

This will come sometime early Friday evening. The meeting place for Camp Chase Post will be at Glenwood shelter house. Every member is urged to tune in Friday and obey the summons when it is sounded.

Gifts will be presented as door prizes, and a special program consisting of three professional acts including a magician, a clown tumbling act and a musical group will follow the presentation of awards. Bandusch's Orchestra will present a half hour of music and specialties. Stanley Watson will play the musical saw, George Ward will entertain with accordion numbers, and the Camp Chase polo teams, and auxiliary football teams will perform under the leadership of Gerry Gifford. A lunch will follow the entertainment. All post and auxiliary members are urged to attend.

Mother and You

ETHEL TITUS WORTHEN

No matter what your life may be,
Or if your friends are few;
There's a mother somewhere waiting,
Waiting somewhere just for you.

Comforts of life may surround her,
Dear ones may to her be true;
But within her heart is longing,
Yearning, longing just for you.

To her you are yet her baby,
Fancy brings sweet memories, too;
Of a little one she's dreaming,
Fondly dreaming just of you.

Gentle, silver-haired dear mother!
Still in thought she will pursue;
Kneeling, quietly she's praying,
Trusting, praying just for you.

West Broad Stamp Club Plans Display

Organization to Have Part in Philatelic Exhibit.

The Stamp club organized last year by Miss Catherine Hott at West Broad continues to show interest in the work. It was learned this week. Its aims are to provide a wholesome hobby for leisure time, and to acquaint its members with history and geography of other countries.

The club was invited to exhibit at the annual exhibit of the Columbus Philatelic club, held May 13 and 14 at the Hotel Chittenden. Two frames were prepared, one consisting of covers first day, historic, and battleship stamps, the other was made of six sheets of stamps entered by members.

F. E. Parker, former president of the club; Ray Shepard, former secretary-treasurer, and Joe Arthur, a member of the exhibit committee, attended the meeting of West Broad club on Tuesday, and assisted boys and girls in mounting their stamps.

A jigsaw stamp puzzle contest will be held in the near future, and prizes will be awarded.

West Jr. Trails

Behind the stellar pitching of Graves, West Jr. High baseballers were unable to take advantage of base hits and were nosed out by Pilgrim last Thursday afternoon by a score of 3 to 2. It was a pitcher's battle throughout, although Graves's opponent was given a decided advantage when Layman's lads ran wild on the bases.

Sewer Relief Up To People, Says City Health Dept.

Removal of Downspouts or Passage of Bond Issue Will Improve Conditions.

The improvement of sanitary sewage conditions on the Hilltop were held back again this week with the statement from the health department that nothing could be done in the way of immediate relief unless all homes in the community equipped with downspouts leading into sanitary sewers were directed into some other channel. The other alternative, according to authorities of the department, is the passage of a bond issue.

Councilman Wyatt Millikin, however, in a statement this week, said that he believed that the Hilltop had outgrown the old sanitary sewers and that he favored immediate improvement, either by the step by step system, or some other method equally as efficient. "As soon as possible," he said, "steps should be taken to make more adequate the sanitary sewers. The removal of downspouts may help, but I believe the entire system has been outgrown by the community."

It was pointed out by the health department that the two-mill levy, on the ballots in 1930, was voted down by the voters by some 6000 votes. The issue could have been won on the Hilltop, it was said. The ward vote, according to the records, show that the ninth and tenth wards voted against the levy while the eleventh ward carried it by almost 1000 votes. The ninth ward tabulations showed 1047 for the levy, and 1297 against; the tenth ward had 1892 for and 1005 against; the eleventh ward favored the levy by a 33707 to 2771 count. The vote over all showed the Hilltop in favor of the levy, 6736 to 6033.

Bulldogs To Meet Cowboys, Weather Permitting, Today

Locals Have Chance to Oust State Champions From Race By Repeating Victory.

With all chances for the title thrown to the winds, Coach Harold Wise's West High Cowboys will go out to Harley Field this afternoon to do battle with the championship-bound South High Bulldogs.

And they'll be out to repeat their first round victory, with Miles, Hite portsider, slated to do the chucking. Francis will receive his slants, which proved so puzzling to the Rossmen last month.

Following a period of inactivity due to the onslaughts of Jupiter Pluvius, West High baseballers swung into disastrous action last Friday afternoon on the local lot and were eliminated from the high school title race by the lowly Aquinas aggregation by a score of 8 to 4.

The Wisemen, as per usual, hopped off to a neat lead, and at the end of the fourth frame had a three to one advantage with Thornton hurling excellently. Then the deluge. Not of rain, but of hits, walks, errors and wind have you. That was all. The Terriers jumped into a lead and were never headed.

Defeat Central

Wednesday afternoon on the West lot, the Cowboys obtained sweet revenge by hammering "Cocky" Emerson, Central twirler, to all parts of the field to take a 10 to 9 victory. It was the slants of this crookedarm fireball artist that downed the Cowpunchers several weeks ago, and the victory proved sweet.

Bellinger and Burkhalter toiled for Wise's proteges, with the former lasting but a pair of innings. Borker's work was excellent through the rest of the way, though fine fielding by his mates helped him considerably.

West did all of its scoring in three innings, the second, third and eighth, while Central's big rally came in the third and was featured by Skinner's mighty homer to right. Ankrum, sophomoriler, was the West satellite, getting two in four, both smacks coming with mates located on the hassocks.

Race to Start In Earnest Then

Late Applications to Be Taken to Hilltop Bank No Later Than Afternoon of May 23.

Next Tuesday, May 23, has been set as the deadline for entries in the Hilltop Business Men's World Fair Popularity contest. Although the many already entered in the race will have a slight advantage on those delaying their applications, the contest is by no means decided.

Contestants are to check their votes at the Hilltop Bank weekly, and it was thought that many votes have not yet been collected by those eligible for competition. Another warning was issued this week against soliciting votes in the business houses of the participating merchants, or within 150 feet thereof. Those violating this rule will be immediately disqualified.

Interest continued to run high this week and those in the know expected the race to develop into a red hot affair before the ten weeks had elapsed. House to house soliciting has already started. Local merchants are piling out many votes, many of which have as yet remained unreptured by the participating boys and girls. Votes are given with every 10 cent purchase.

An illustrated lecture by Kurt Bolander at West High school on Tuesday morning of this week served to further heighten the interest and enthusiasm in the event. Many were the entries that followed Bolander's discussion and illustration of some of the things that may be expected at the Fair.

The Hilltop has been divided into four divisions, and two representatives will be chosen from each, with the ten lucky contestants being rounded out by two who have the highest number of votes over the entire community. The deadline for entries has been set and officials said that no extension would be made. Those anticipating participation in the contest should go immediately to the nearest merchant supporting the affair, sign a blank properly and take to the Hilltop Bank.

Only seven more weeks. And ten Hilltop boys and girls will be found for points West to see the greatest event in 1933.

Fair Facts

Picture, if you can, a year's growth of a twig in a minute and a quarter; or a Transparent Man featured by the Mayo Clinic, which at the touch of a button, shows the operation of the entire human system. The exhibitions are not just models, they are WORKING models of everything you can think of, from ultra-violet rays to automobiles.

The Hall of Science is so large that inside transportation is necessary. And the doors of the Fair will be opened by light from a distant star, focused on a photo-electric cell which will in turn transmit its power to instruments which will swing wide the doors.

Cash and Carry

According to A. J. Downey, rug cleaner at 2579 Fillirant Ave., his establishment is unique in that it is the only one of its kind in the city—a cash and carry rug cleaning business. This new business was opened early last month and along with his service the idea has taken well with the public as his business has steadily increased.

Weather Man and Kate Smith Have Hard Jobs

Recreation Ball League Still Waiting for Sunshine and Balmy Weather.

Between moanings and groanings of Charlie Seldon and Leo Uridil of the recreation department and the weeping and wailing of local church league managers and crashes of thunder and flashes of lightening, plans are going forward (as has been the case for four weeks) toward the opening of the Church Recreation Ball League on the Hilltop.

Since May 1, when the league was scheduled to get under way, the weatherman has been endeavoring to get the sun from behind the clouds and from the evidence available, he's had approximately the same amount of success that Kate Smith has had in getting the silvery moon over the mountain.

And it's getting tiresome from a newspaper standpoint. One says: Rain Postpones Games. Next week: Games Postponed By Rain etc. but that's getting tiresome. However, a word of cheer came from headquarters this week. Leo Uridil says that efforts are being made to re-organize the loop into a water polo league, but it is thought that sufficient funds will not be available to furnish bathing suits for the contestants. Many of the squads have purchased jerseys and they cannot be traded in on the water apparel.

Getting down to brass tacks, however, Leo did venture an opinion on the possible opening of the league. He thought that Dec. 1 would be a good guess and promised that the diamonds would be ready by that date—if rain didn't hold up the work.

Kate Can't Get Moon Over Mountain; Weatherman Can't Make Sun Shine.

Be that as it may, a 10-team league is ready to swing into action. Charlie Seldon, recreation director, said this week that the fifth diamond would be constructed at Westgate Park as soon as time permitted. Until then, the fifth game each week will have to be played at the State Hospital grounds. Weather permitting, three days will be required to complete three diamonds already under construction. Another week will be necessary for the fifth.

And until then—listen to the rain drops patter. Listen to Charlie and Leo moan—listen to the managers wail—but root for the weatherman to outdo Kate Smith in his battle with the elements and celestial bodies.

Legion Promises Thrilling Show

Rodeo to Get Under Way At Nell Park Tomorrow, Continuing for Eight Days.

The greatest wild west show Columbus has seen in years, and at prices which are below the level of "the Gay Nineties" is promised by Franklin County Council, American Legion, which is bringing Col. Jack King and his famous rodeo to Nell Park, Columbus, starting this Saturday, May 20.

The rodeo, with 500 cowboys, cowgirls, bucking mules, high and wide leaping wild horses, Indians, trick riders, chariot racers, western character actors, and horse show stars, will give a show nightly for the following eight nights, and will give matinees on Saturday, Sunday and Wednesday.

There will be exhibitions of bucking horse riders by both cowboys and cowgirls, steer bulldogging, the most dangerous of western sports, trick and fancy riding by a contingent of horsemen and horsewomen headed by the wonderful Tommy Cropper; fancy and big horse roping, sharp shooting, comedy bucking mules and clowns, beautiful high jumping horses raised and trained on the King ranch, one of the vast domains down in Texas, big horse roping exhibitions of dexterity with long lashed cattle whips, the capture and execution of a Texas horse thief, Indian dances, battles between the Indians and white settlers and many other western events. In the racing line King Bros. present dashes on thoroughbred horses ridden by Indian squaws, by girl jockeys and by picturesque cowboys; thrilling four-horse chariot contests, Roman standing races, relay races in which the riders change mounts every quarter mile and a thrilling "chuck" wagon race, each wagon drawn by a four-horse team.

Minister Addresses Starling Jr. Classes

Rev. M. Matheny Speaks of Travels In Europe.

Rev. M. Matheny was presented to Starling Jr. High school recently by the Latin classes. He gave a very interesting lecture. He told of his visit to England, Belgium, Holland, France, Italy, and Switzerland. He told about the different languages and mostly about Italy. In the commercial center of Italy are three monuments on which are the inscriptions:

"The things that please us are but for the moment.

"The things that annoy us are but for the moment.

The things that are worthwhile are those of eternity."

At Venice the first Bibles and Hebrew books were printed and the first newspapers and art galleries were established.

The 7A's and 8A's were guests upon this occasion and the speaker and his topic proved to be popular with them.

Instruct Students

The Bell Telephone Co. is instructing Starling Jr. High students in the use of the dial telephone, soon to be in use in the community.

Mrs. E. H. Matheny, 170 N. Warren Ave., who underwent a major operation at Grant hospital Saturday, May 6, was discharged Sunday and is improving rapidly at her home.

The LOOKOUT

'ROUND ABOUT THE HILLTOP

"Dutch Ditch," the West Jeff. boy who's making good in the city—with "Bobby" the Broad-Hague Sandwich shop waitress. . . . Barbara Brownfield—whose name slips so glibly from the tongue. . . . I invariably yawn while buttoning the collar button on my shirt. . . . Leo Phillips, I am told, had to have a man with a wheel barrow walk around him until he got used to traffic in Col'm.—when he first came here. Huw! Huw! . . . And Broad and Hague is getting to be the gossipiest place—with Ray Hauntz, Rudy Lurz, Sherm Edwards, et al. . . . And so many folks would like to see that "cute little girl's name in the pillar"—aw you know, the one that wolks at Campbell's. . . . Say's D. Ardle, the man with the mustache,—"It don't look so hot at work, but at night—you should see it when it's all waxed up."

Ed Wilson, the best "deacon" in the community. . . . Wonder what has become of Phil Koontz? . . . Christine, out at Hauntz's, says her girl friend got married and never a word appeared in the Record. My! Hain't that awful. . . . M. W. Seiller is prouder of Jack Merriman's (well, almost as proud) new son as Jack himself. . . . Says he's learning the streets of the Hilltop and will be delivering for Seiller's soon. . . . Don't know of anybody right off hand that's planning to get hitched soon. . . . We won't vouch for that Dr. Fox tale about him catching a large croppie at Buckeye Lake with a two-inch sword fish inside. . . . Gosh, Jane Jones, haven't you baked that angel food cake yet? . . . Arlie Breakey always has his shoes shined. . . . George Heitz is building chairs, furniture and the like, which may be an evil omen. . . . Finally met Norm Line, with whom we have joshed night unseen from the Lookout. . . . Bob Humphrey, pushing his family ahead of him, overseed by "the wife." . . . The laziest guy we know—that chap who exercises his Bulldog by driving along Broad street in his Packard and letting the canine jog along side. . . . Wonder why that big fellow bought a Chevrolet coupe when walking is the best reducing exercise. . . . Ty Thompson, in his white cap, suggests the word "darling." . . . Hold back there, girls, he'll be here all summer. . . . Ho! hum! Hot summer sun, "shine kindly here."

LONG WAY AROUND

Ed Wilson once went fishing with a trio of friends at Buckeye Lake. En route, it was necessary to purchase ice in order to keep perishables over the week-end. So, passing through a small village near the lake, Ed called for the driver to halt, inasmuch as a place nearby was owned by someone who could direct Ed to the icehouse.

Ed entered the store and addressed the lady proprietor in the following manner: "I am Ed Wilson, of the Friedenberg Cigar Co. We live in Columbus and came over for a few days to fish, and a man up there who knows my supervisor told him to tell me that if I stopped here and asked you, you'd tell us where the icehouse was located!"—All this amid the convulsions of his companions who by this time had doubled up with laughter at Ed's flourishing brevity.

Further along the route, Ed pointed out a cottage far over on a hill. "See that house!" pointed Ed. "Well, the man that built that house died," and continuing complacently, —"and don't live there any more."

Spanish-American War Veterans To Attend Morning Worship; Missionary In Evening.

The Spanish American War Veterans of the city will hold their annual Sunday Memorial services this year at the Burgess Avenue United Brethren church at the time of the regular morning services. It is expected that approximately 400 will be in attendance. The veterans will have a prominent part in the services and the sermon will be preached by the pastor of the church, Rev. A. W. Clutch, on the theme, "Memorial Day and Its Meaning to Us."

Sunday evening at 8 o'clock the pulpit of the Burgess Avenue United Brethren church will be occupied by Rev. George Redden, of Bend, Oregon, known as the "Sky Pilot of the Pines," who is engaged in mission work among the mountains and great forests of Oregon with the miners, mountaineers, and lumberjacks of that state. Rev. Redden is attending the sessions of the Presbyterian General Assembly here, and has been having charge of the street meetings held in connection therewith. Rev. Redden has maps and lantern slides with which his addresses are illustrated, in describing his interesting work in the northwestern state.

Miles and Link Named On Hilltop Record's Mythical 1933 Baseball Selections

Hickle and Emerson, Ace Hurlers of South and and Central, With Litzinger of Aquinas, Round Out All-Star Battery.

By John Wolfe

In a season which might have abounded in excellent baseball had it not been for extended periods of rainy weather, the local scholastic campaign is drawing to a close. The race is by no means over, despite North's large lead, although as graduation ceremonies begin to push their way over the horizon, enthusiasm in the national pastime, as far as high school loops are concerned, begins to ebb.

No season in many years has produced as many good ball players and so few poor ones. The teams, also, were of better calibre and more evenly matched than for many campaigns past. One would like to imagine the bitterness of the battle for the pennant had weather conditions of other years prevailed.

Polar Bears Lead

At the present writing, North continues to hold first place, although the strongest team in the loop, despite a trio of losses, is South. West, with a fine staff of hurlers, is probably the best balanced nine and had fair weather prevailed, the gentleman of Wise might have spoken louder in determining who shall take the bacon home. Aquinas even improved with age, and no team proved a set-up for another.

Individually, the season produced many stars. Especially in the hurling department, where no less than four tossers demanded consideration. Hickle, South ace, despite the fact that he was forced to be used in the outfield when not on the mound, was still the finest chucker in the loop. Emerson, cocky Central portsider, had more stuff than any other moundsman, and with better support would have been hard to beat. Zimmer, of North, also showed well, but his victories were due rather to the heavy artillery which supported him rather than his effective slants. Miles, West, was also among the top-notchers. Hickle and Emerson were selected.

Litzinger Lauded

Litzinger, Aquinas catcher, was selected to round out the battery. He was hard pressed by Koch, of Central.

Church League In Opener Following Four Weeks Delay

Heavy Hitting Features Games As Liditters Run True to Predictions.

After four successive postponements, 10 teams of the Hilltop Church League swung into action on the Westgate and State Hospital diamonds last Monday evening, to open what promises to be a close race for top honors.

Westgate Evangelical, Glenwood M. E., Hillcrest Reds, Hope Memorial and Hillcrest Blues were returned the victors in the initial round, in games that ran true to predictions. The Hillcrest teams, both of which are heavy favorites to land high in the race turned in easy victories, the Blues outslugging Glenwood Tri-Mu clan, 10 to 5, and the Reds taking Warren Avenue Nazarene into camp, 8 to 4.

Number one team at Glenwood gave the Methodists an even break for the evening by trimming Burgess U. B. by a score of 8 to 5. Westgate and Hilltop Church of Christ engaged in a hit fest, with Westgate nine emerging on the long end of a 11 to 8 score.

In the final battle of the evening, Hope Memorial came from behind to defeat St. John Lutheran, 9 to 5.

Matsonia Now Manufacturing Own Ice Cream

George Matson, of the Matsonia Restaurant, 3184 W. Broad St., recognizing the possibilities of an ice cream product for the Hilltop, has started a plant at the Matsonia. The ice cream is made in the electric salt and ice machine way, under the direction of a man who has had 25 years experience in the manufacture of ice cream and sherberts.

Operating under state license, the plant has already begun operation for the summer. Matsonia-Made Ice Cream has been chosen for the trade name and in every way it comes up to the standard of nourishing, first class food.

The Matsonia ice cream is not featuring a cut price, although the price is lower than most standard grades. Attempts are being made to build an entirely new business on the Hilltop.

Matsonia-made ice cream is at present only sold at the Matsonia, but as business develops it is planned to start a light delivery system to take care of the small orders beyond walking range of the plant.

Grocers' Picnic Date June 21

Independent grocery stores of the Hilltop section in a few days will have the annual tickets which are distributed in connection with the picnic of the Columbus Retail Grocers' association at Olentangy Park, Wednesday, June 21.

These tickets have a great value, and are given out in connection with purchases of groceries. The picnic this year is being arranged by a large committee headed by Homer Barton, a grocer of the East Side. Russell Williams, of the Wonder Bread Co., is chairman of the bathing girls' review, an annual beauty contest.

A country store and other contests and events are being planned for what will doubtless be, as usual, the largest picnic given in Central Ohio.

Ogborn High In Fire Chief Test Wednesday

Clarence W. Ogborn Leads List of 11 With Grade of 98.7; Favored for Position.

Acting Fire Chief Clarence W. Ogborn, 314 N. Harris Ave., led the list of candidates in the civil service examinations for that position on Wednesday with a grade of 97.8. John A. Welch, who was favored by the administration, failed to place within the first three, his grade 61.8 dropping him to ninth in a list of 11.

Second place went to Capt. Lee M. Green, 2432 Adams Ave., with 94.8, with third place being taken by Capt. Edward Welch, 246 E. Duncan St., with 94.7, according to the unofficial grades released by the civil service commission.

According to regulations, Safety Director C. C. Williams must make the appointment from the three highest in the tests. Although Director Williams refused to say which man would be appointed, it was thought that Ogborn would receive the call.

Following the death of Willis B. Hunt, Ogborn was the only eligible candidate for the office, and Mayor Worley refused to appoint him, favoring Welch. Another examination was called, with the above results. Selection of the fire chief will probably be made upon Mayor Worley's return from the annual tour of the Wholesale and Retailers Assn. of the Chamber of Commerce.

Grades of other Hilltoppers in the examinations were: Capt. Thomas M. Stringer, 331 S. Roys Ave., 91.1; Battalion Chief Chas. F. Garrett, 358 S. Richardson Ave., 68.4; and Battalion Chief James J. Garrish, 270 Columbian Ave., 54.8.

One More Week Given to File Contest Blanks

Time Limit On Entries Extended Until Wednesday, May 31, In Race.

Announcement was made this week by Ray G. Hauntz, chairman of the Hilltop Business Men's World Fair Contest committee, that a one week extension would be made on the entries into the contest. Approximately 100 local children have already entered. It was pointed out, however, that certain districts have few entries and chances to win are very good.

Fair Facts

Take a glimpse at the huge Travel and Transport building which has a roof and walls so built that they are able to expand several feet with increased temperature, and actually breathes with changes of temperature. Imagine seeing Byrd's Polar ship, "The City of New York," with men aboard who have been at the bottom of the world, and Picard's balloon, all in the same minute.

Think of the huge ultra-modern buildings which will house the millions of exhibits from every part of America and the entire world. One of these buildings, the Hall of Science, is so large that inside transportation is necessary.

In view of reports late this week, the contest is just under way and no one has amassed sufficient votes to clinch a seat in the big Greyhound bus that will pull out of Columbus late this summer with ten Hilltop people aboard, bound for the world's fair in Chicago.

Local merchants are reporting an increasing demand for votes, although many are yet to be collected. Warning was again made this week by officials against soliciting votes in the various stores. This will disqualify contestants.

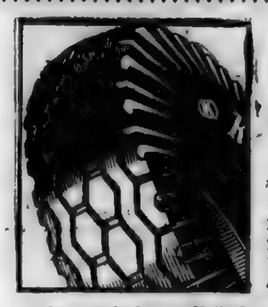
CHIC LINEN SUIT

By CHERIE NICHOLAS



Those who know fashions are all enthusiasm over the idea of linen as a medium for the new jacket suits. The new tweed weave linens are as soft as fine woolen and, the beauty of them is that they crush little, if at all. Smart Parisiennes have started the vogue of the dark blouse with the natural colored linen suit, brown or navy organdie being especially sponsored for these blouses. The young woman in the picture has chosen to wear a navy and white striped blouse with a soft-tied navy scarf with her attractive noncrushable tweed linen suit.

The 1933 Scholastic baseball season for West High will close Monday afternoon on the North High field when the Cowboys hook up with the Polar Bears in a game that might have some bearing on the title hopes of the latter.

Miles will probably get the call for mound duty, with Thornton ready for relief work. Francis will be behind the bat. For North, Zimmer probably will start, with Elliott on the receiving end of his slants.

Four Graduate

Graduation in June will take four Cowboy stalwarts from this year's well balanced squad. Miles, all-high outfielder and southpaw hurler; Thornton, pitcher; Boye, short stop; and Keen, outfielder, will be playing their final game of baseball for West High.

This will leave the Cowboys in greater strength than for many years and if another pitcher or two can be unearthed at the local institution, the other places will well be taken care of by players who almost made the grade this past spring.

Last Friday afternoon, South gained a little revenge for an early season thrashing at the hands of the Cowboys by pounding out a 10 to 10 victory in one of the weirdest games of the season. Although West played errorless ball, the Bulldogs peeled the offerings of Miles, Thornton and Burkhalter to all sections to score at will. Donalds, toiling for the Blue and Gray, was also walloped hard, but managed to last the route. West counted seven runs in the fourth frame.

Tuesday afternoon, on the West field, Coach Wise sent a revised line-up against the rampaging East Tigers, but came out on the short end of a seven to four score. Thornton, who started on the hillock for the locals, was wild and soon was replaced by Burkhalter, who finished in good style. After the initial inning, when West counted three times and East tallied four times, the games was completely in the hands of southpaw Owens, Tiger slab artist. Thomas' homer to the bleachers was the slugging feature of the game.

Mythical Baseball Selection

Continued From Page One

but his finer hitting and general usefulness at critical moments was a deciding factor. He has been named captain.

At first base, two fine candidates must receive consideration. Jack Skinner of Central and Cy Redifer of West. The local entry was the most improved ball player in the loop. His fielding compares with the best, but Skinner's edge in hitting gave him the call, although the Cowboy was no slouch with the mace. The Pirate's greater experience, also, proved to be a valuable asset.

Gunther, Central keystone sacker, was regarded as the most dangerous batter in the proverbial clutch in the entire loop, although no more than an average hitter. His fielding also was better than average.

Shortfielders Weak

Of all positions, shortfield candidates were probably fewest and worst. Boye, West, at times appeared to be the marvel of the loop. At other times, he appeared to be just the opposite. Southworth, East, might be placed in the same category. Kuhnheim, South, seemed to the writer to be the least of many evils, although his work in the field was no more than average and his stickwork a little less. Boye, because of his improved batting and ability to swing from either side of the platter, has been chosen as utility infielder. It can be said, without qualification, that Boye was the "triplest" player in the circuit.

Link Named

Solomon of South, Mutton of Central and Link of West were the three candidates for the hot corner selection. Solomon was undoubtedly the best fielder of the three, but his conduct at the plate was hardly above average. Link, on the other hand, led the Cowboy offensive, and although his fielding at times was erratic, he was given an edge over the Bulldog and Pirate players.

Although the outfielders displayed better than average ball playing through the campaign, there were few of outstanding performance. Bob Miles, West, was one of these. He was a ball hawk of no mean ability, and his hitting has always been satisfactory. Hinchman, North, because of his tremendous power with the ash, was also named among those patrolling the outer regions. Starrett, of East and McQuaig of South, along with Hoppe from the same institution, were others of ability, though none were mighty with the bludgeon. Hoppe was selected to round out the regular trio, with the versatile Starrett in the role of utility man.

Parent-Teacher Officers Named

The following officers were elected at the monthly meeting of the John Burroughs Parent-Teacher Association, held Thursday evening, May 11, at the school: President, Mrs. Stuart Hurd; first vice president, Mrs. Wolf; second vice president, Mr. H. L. McMillan; secretary, Mrs. Homer Johnson; treasurer, Mrs. Bessie Jones; committees, Mrs. Lynn, Mrs. Leo Fence, and Mrs. J. Koelsel.

Although all-star teams of greater batting strength could be selected, balance was the keynote of this selection, which was selected upon observation of the various players only a limited number of times. Fortunately, opinions are no longer punishable by death or undue torture. Here is ours, which, after all, doesn't amount to a great deal.

Nature Trails

By JOHN WOLFE

SPRING FLORA

Spring, it seems, slips in so quietly and unobtrusively each year, that it's almost gone and summer come before we get a real glimpse of its beauty. Down in the hills, once again the horizon has turned green, and the hillsides are splotched here and there with a dash of white of the Shad bush. Underneath the young canopy of oncoming leaves, Trailing Arbutus has already shed its fragrance on the air and nothing is left of its modest beauty but a patch of ugly leaves. Hepaticas, too, are coming into leaf, having these three weeks been devoid of bloom.

The brilliant yellow of Marsh Marigold, too, is fast fading, and the profuse Skunk Cabbage is common in the marshy places, its giant leaves a conspicuous and striking part of the vegetation. But a few days yet, and the spring flowers will have reached their height and the woodlands will begin to take on a more summery aspect.

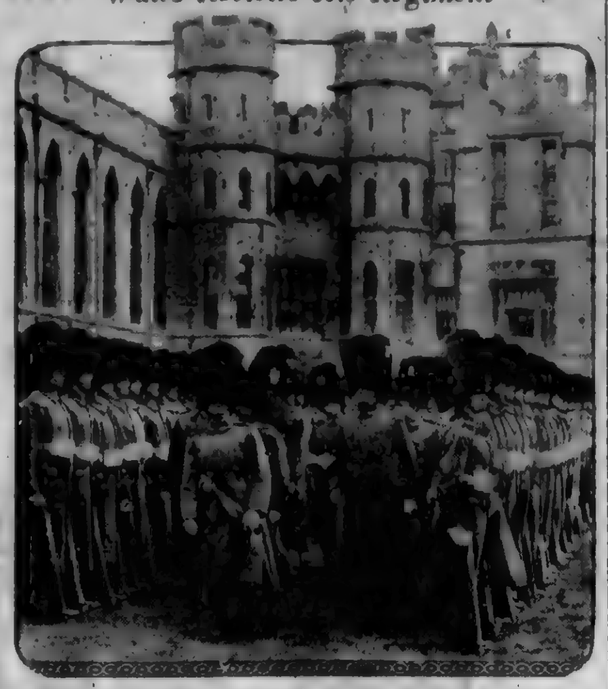
Still, through the month of May and well into June, the woods holds much of interest to the nature lover. Trilliums are at their height, and no flower displays a purer white than do the snowy flowers of the large-flowered Trillium. Anemones nod their multi-petaled heads in the winds, their white flowers forming a striking contrast against the still brown woodland floor. Spring Beauties still linger on the sunny slopes, while in the rockier crevices, the Early Saxifrage is in bloom.

Ferns are unfolding their graceful fronds and the last year's "leaves" are fast dying; mosses are taking on a brighter hue; algae (pond scum) appears in great masses in quiet pools where tadpoles and salamanders make their domain. Snakes and turtles, too, have long since emerged from winter quarters and may frequently be seen sunning themselves, as it were, in some isolated spot.

Bird song again fills the air, coming as a welcome contrast to the less musical notes of winter residents of the region. Towhees flit about in the underbrush; the song sparrow sings his vibrant melody from atop some low shrub; the majestic call of the Cardinal and the clear whistle of the meadowlark mingles with the music of a myriad other returning feathered folk—some of which will linger through the summer—while others wing their way still further northward, where their young will be reared.

Now the marsh throbs with new life. Where before only the dull gray green, browns and grays of last year's vegetation showed, now exists a great variety of greens—but yet no flowers. Still, the change has been miraculous and magnificent. Willow and Alder are coming into leaf, the latter having long since lost its catkin flowers which dangled in the breeze as early as February. The Cinnamon Fern has reached a height of two feet or more, and cat-tails wave once again along the margin of the marsh. From out of the thicket surrounding the bog pond, a soft rustle of large wings causes the rambler to turn about and behold the green heron sail away in an awkward, yet graceful flight. Birds are mating, and the song sparrow already has located for the nesting season. A Bullfrog bellows from somewhere up pond; turtles tumble from their sunny logs at the approach of footsteps; a snake wriggles away into deeper water upon being observed; insects hum again in never ending drone; red winged Blackbirds perch upon a fragile rush and call out their shrill music;—all life is astir.

Once again the returning sun shines warm and things of the field respond readily to its life-giving rays. Soon summer will come, then fall and winter—with nature moving with the seasons in an ever fascinating and mysterious cycle—ever balanced, ever struggling, ever living and ever dying.



Kill the Killer Cat, Law Demands

Maryland is going after the "killer cat," according to legislation just passed prohibiting it "to be lawful and in fact, the duty of any deputy game warden or other officer of this state to humanely destroy any cat found hunting or killing any bird or animal protected by law and no action for damages shall be maintained for such killing," a bulletin of the American Game association states. Hunting cats, mostly night prowlers, kill more than a bird a day every day in the year, observers declare. The cat has no legal status in most states. Several states are considering legislation to license the cat and use such fees derived from the practice for restoration of wildlife.

Our Jig-Saw Puzzle

By ETHEL TITUS WORTHEN

We have the greatest jig-saw puzzle,
And they call it "Our New Deal;"
With its complicated pieces,
It is difficult and real.

Just our president and cabinet,
Cannot solve a nation's plan;
It will take co-operation
Of each woman, child and man.

It will take strong, profound thinking,
Steady hands to work with care;
Clear, keen eyes, quick to discover;
And hearts filled with humble prayer.

Spring Song

By VIRGINIA EATON

Wake, my Heart!
The spring is here,
Birds are calling sweet and clear;
Seeds and roots are stirring now
Soon on every leafless bough
There will be white blossoming—
Earth and skies and trees will sing
With the spring.

Rise, my Heart
And follow after
Wild geese flying; send your laughter
Echoing across the air;
Joy and promise everywhere—
Gone are days of sorrowing
Now is time for flowering
Sing, Heart, Sing.

Contest Winners Are Hilltoppers

In the annual citizenship essay competition, Mathilde Bodensiek of West Jr. High school and John Bailey, jr., of Starling Jr. High, won city-wide recognition. Their essays were judged the best from all entries over Columbus.

Each semester, a boy and a girl from 8A classes in Columbus junior high schools are selected by the faculty on a basis of school citizenship and an original essay. The essays are then entered into city-wide competition.

The West Jr. student is the daughter of Rev. and Mrs. Julius Bodensieck, and the Starling winner is the son of Mr. and Mrs. John A. Bailey, 444 S. Central Ave.

CRIBBAGE

By DOUGLAS MALLOCH

HALF of the game is what you throw away,
And what you keep, before you start to play.
And life's the same,
Same sort of game—
Much like a hand of cribbage that you play.

Count up your cards, not after but before,
Keep what will likely make the largest score,
Some joy denied
And thrown aside
May, at the finish, make you even more.

Discard the useless from your heart and mind,
The plans unworthy and the thoughts unkind,
Old hurts, old hates,
And selfish traits,
And winning will be easy, you will find.

Yes, keep the right and throw the wrong aside,
The little jealousies, the foolish pride,
Consider, too,
The things you do,
The evil habits from the good divide.
For they will win who wisely will discard
The useless action and the useless card.
Watch life the same,
Then play the game—
And you will find the winning not so hard.

THROUGH A Woman's Eyes

By JEAN NEWTON

ON FAITHFULNESS IN MARRIAGE

IN VARIOUS forums now they are seriously discussing the question started by a woman lecturer recently, as to whether faithfulness is necessary in marriage! People are not only suggesting, but advancing arguments to prove that monogamy is going out of date, that we should change the ideas and the laws which require that one man and one woman remain faithful to each other.

They are doing most of the talking, and what they say is well publicized. Perhaps the millions who do not agree with them feel that their viewpoint is so obvious that it needs no publicising. But the other day something well worth passing on was offered on the subject in a lecture given at Teachers' college, in New York, by Dr. Henry Neumann, in which he said: "The greatest need is neither for more liberty nor for stricter divorce laws, but rather a higher grade of personality and all that develops such inner excellence."

To question or change our present standards in marriage, he said, would be revising laws from the viewpoint of those who have failed. Whereas the great need today is a training of people who respect the highest and best in others and themselves and want to live up to it.

Getting down to concrete cases, men and women fail in other things no less than in marriage. Many fail in business. But we do not consider changing the rules and standards of business procedure to make their failure look like success? Men and women fail in honor. As Doctor Neumann pointed out, they lie and cheat. But would we consider holding up to our children a standard of honor which it would be easier to meet? Yet that is exactly what those are doing who are quibbling over the question of monogamous marriage, or so it seems to me. What do my readers think about it?

Easy-to-Make Smart Accessories

By CHERIE NICHOLAS

IN MATTER of adorning, flattering accessories the present fashion program is nothing less than exciting. Did one ever see a more fascinating array of knick-knacks and furbelows made of organdie, pique, linen and other likable washable weaves as add the "touch that tells" to our costumes these days!

The best part of the story is that these intriguing trifles, which carry such an unmistakable air of feminine charm, are so inexpensive they are within the reach of all, and if one can sew even a little, or crochet, one can dress with the aid of these embellishing little fantasies, which are so easily made, to look like "a million" at a cost next to nothing.

The new organdie blouses are adorable. The model at the top in the picture is especially attractive, being styled after a unique pattern which stresses a novel high girdle effect done in tucks, together with the fact that it is handmade, gives it an exclusiveness all its own. Why not copy this dainty blouse? In running the tucks be sure to use the best of thread. Take infinitely fine stitches for best results. By the way, it's fashion-wise to wear with your light gray or string-colored suit either a navy or brown organdie blouse. In handmaking these you can get thread an exact match which does not fade with laundering.

The capelet centered to the right in the group is a "darling." It also is made of organdie, white of course, for white organdie fixings are so crisp and immaculate they freshen up even the most jaded gown. One of these dainty little schulike organdie capes ought to be included in every up-to-date wardrobe. They are positively fetching worn with flowery chiffons or over pastel crepe frocks. The cunningest sort of patterns are easily available. If you are clever at making rolled hems (it's no trick at all after you know how) finish the edges in that way, for it adds greatly to the appearance of the cape to be so daintily hemmed.

About the most thrilling item brought out this season is the little jacket made either of pique of linen. All the young girls, the debutantes, their sisters, will be wearing some type or other of these linen or pique jackets before long. The model in the picture, to the left, intrigues because of its young looking lines and its smart detail. It has the fashionable round, collarless neck. The fastening is made decorative by nine buttons and "eye" buttonholes down the front. This is the simplest type of buttonhole to make. Crochet the little hat of mercerized cotton.

Speaking of crochet note the gloves the figure to the left below in the group is wearing. This resourceful young woman converts a pair of ordinary white fabric gloves into a high-style item by working an insect of hand crochet over the back of the hand and adding deep flaring crocheted cuffs (using mercerized crochet cotton). One could secure directions for crocheting at any fancywork department. The rippling collar which she wears is made of pique, the points so dovetailed as to achieve a sprightly flare. The other collar and cuff set is easily made of pique which is quilted with six-cord, number sixty thread, thus giving it a honeycomb effect. Its little bowties are especially attractive.

Deaf Man Likes Jury Duty

After a trial had been in progress for three hours a juryman in the King's Bench division of London courts told the justice that he was very deaf and had not heard a word. After a consultation with the attorneys the judge continued the hearing with a jury of 11. "I am sorry to go because I liked the job," said the juryman as he left the box.

The Stamp Collector

A missionary had delivered a lecture relating his experiences in various parts of the world. He concluded with an earnest appeal for funds to keep up the good work, and added that even the children would be welcome to give their mite.

When the meeting was over, he was pleased to see a boy pressing forward to meet him. He held out his hand to the boy and said: "I'm glad to see you, my little man. I always take a great interest in children. I suppose you would like to contribute to the cause."

"Well," replied the little boy, "what I wanted to ask was whether you have any foreign stamps to give away?"—Pathfinder.

Legion Auxiliary to Sell Poppies

Sale, Which Started Thursday Morning, to Continue Through Today.

The sale of poppies honoring world war dead, which started yesterday, will continue today. In Columbus, women of the Camp Chase Post Auxiliary will have charge of the distribution in all parts of the city.

Preparation were completed Wednesday and a large group of volunteer workers started the sale early Thursday morning; other women from other organizations have also been enrolled and are assisting in the work.

The Auxiliary will distribute its poppies on a voluntary contribution basis. Poppies will be given in return for contributions of any size the individual is able to make. None of the American Legion Auxiliary workers, who will be easily identified by badges, will receive any compensation for her services. All contributions will be used for the relief and rehabilitation of disabled veterans and their families.

Gentian Hard to Grow

Gentian, a plant which produces a drug highly valuable in stimulating jaded appetites, is found only growing wild. For some reason it has baffled most efforts to produce it in the garden. The common yellow gentian is the one usually used for the production of the drug, the roots yielding the substance desired. The yellow gentian is found usually at high altitudes in Asia Minor, the Alps and the Pyrenees. This particular type of gentian grows on stalks three feet high, and makes a spectacular display when in bloom. Other forms of gentian are found in Asia, Europe, North and South America and New Zealand.

The LOOKOUT

ROUND ABOUT THE HILLTOP

Max McCarty, so often seen standing dreamy-eyed at Gay and Third streets. . . . George Ward, West's crack half miler, did his rehearsing in our back alley. . . . Which makes the alley good for two things. . . . The other service it performs is a lodging place for old tacks, nails, broken bottles, etc. . . . That Hague avenue woman, who's "Teddy Boy" was lost for three days . . . And what a trick to tell her that the circus man had captured it . . . Kenny Clark has such a puritanical, pious expression. . . . Gosh, I wish Carlton Hartley's sports writer down in Greenfield would cease referring to recreation ball as "softball." . . . And Rudy Lurz doesn't mind being part of Broad-Hague's Gossipy Corner, but hates to be mentioned along with Sherm Edwards. . . . Cliff Kohn, who will be in his 25th year of wedlock (with the same woman) this week, says the way to handle the weaker sex is "to treateem rough." . . . (I'll bet he changes his motto before this sheet is delivered) . . . W. E. Knox, one of my favorite people. . . . Mr. Ballard's "Good morning"—as refreshing as the day itself. . . . The finest sermon I ever heard came from the lips of the late Rev. G. W. Lose. . . . And the most striking quotation of the week: Rev. Daniel Rittenhouse's "I have no time for the type of Christianity that makes people miserable." . . . Irishmen O'Keefe and Michael squatting peacefully at Terrace and Broad streets. . . . Soon evening strollers will direct their steps past Del Howard's choice rose garden at South Harris and Olive street . . . Ed Laughlin can tell and remember a nice joke better and longer than any person of our acquaintance . . . . So to close, wondering if the poet that penned that line about rare days in June ever got out from under the shade of the old apple tree.

Thornton Edged In Mound Dual

Fluke Homer Causes Cowboy Tosser to Lose Five-Hit Performance Against Leaders.

Despite the splendid hurling of one, Bob Thornton, last Monday afternoon, West High baseballers took a jolt on the chin in the season's final game by a score of three to two.

Thornton turned in his best performance of the year in the finale, allowing the slugging maroons only five widely scattered safeties, one of which was a fluke home run. Koon losing the ball . the weeds in right field. The Wisemen outran the Bears by a slender margin, but Chuck Zimmer, North hurler, was also in fine fettle and none of the Cowboy's half dozen blows were extra base knocks.

Link was the Cowboy defensive star while Miles was the only player on either team to connect for a pair of blows.

The locals finished the 1933 diamond season sure of a tie for fourth place, with chances more than good that they will end up in first division, South being forced to meet North to complete its season. East, whose chances for a tie for the pennant are remote, will complete its season in the second notch. North, should it win one of three remaining encounters, will be the champion

Council President to Offer Sewage Plan

A drastic change in the sewage disposal plan adopted by city council which would provide the city operate its new plant rather than permit a private contractor to do so, may be suggested to council in a special session by Council President John M. Lewis, it was learned yesterday.

Lewis has been considering a plan whereby contractors would bid only on construction of a plant and after it is completed would turn it over to the city to operate and he is preparing to offer that proposal as an alternate when the special meeting is convened.

he plan favored by five of the seven councilmen provides contractors bid both on construction of the plant and for operation for a period of five years, with the right to renew their operation contract for two successive five-year periods.

Hillcrest Teams And Westgate '9' Still Undefeated

Leading Squads Meet in Crucial Battle Monday Evening In Church League Headliner.

In a game that will have a decided bearing on the final results in the initial round of the Hilltop Church League, Hillcrest Red and Hillcrest Blues will meet Monday evening on the Westgate diamonds in what should be a battle for blood.

At the present time, each team has two victories and no defeats, placing them in a tie for the loop leadership. The two are undoubtedly among the strongest nines in the circuit and Monday's battle should prove highly interesting.

Both squads were victorious last Monday, the Blues walloping Burgess U. B. by a count of 14 to 2, with Shaffer giving up but six safe wallops. The Reds edged Hoge Memorial by an 8 to 6 score, a seven-run lead in the early innings being too much for the Presbyterians to overcome. Westgate remained in a nominal tie for first place when its game with Glenwood M. E. No. 2 was postponed.

In other games, St. John Lutheran outslugged Glenwood No. 1 to break into the win column. The final count was 15 to 10. Warren Avenue Nazarene, behind the excellent southpaw tossing of Reese, pounded out 16 hits in beating the Hilltop Church of Christ 16 to 2.

Schedule

Monday, June 5—Hilltop C. of C. vs. Glenwood M. E. No. 1; Westgate Evangelical vs. Hoge Memorial Presbyterian; St. John Lutheran vs. Burgess Avenue U. B.; Hillcrest Baptist (Blues) vs. Hillcrest Baptist (Reds); Warren Avenue Nazarene vs. Glenwood M. E. No. 2.

Monday, June 12—Burgess Avenue U. B. vs. Westgate Evangelical; St. John Lutheran vs. Glenwood M. E. No. 2; Hillcrest Baptist (Blues) vs. Hoge Memorial Presbyterian; Warren Avenue Nazarene vs. Glenwood M. E. No. 1; Hilltop C. of C. vs. Hillcrest Baptist (Reds).

All games are scheduled to get under way at 6 o'clock.

Chances Are Good For All In Race

Extra Votes to Be Given Those Complying With Regulations; See Advertisement.

The Hilltop Business Men's World's Fair Popularity Contest is in the middle path now, with more than 100 Hilltop boys and girls preparing for the gruelling race down the stretch which will finally decide who will be the fortunate 10 to visit the greatest event in 1933—the World's Fair in Chicago.

Votes are piling up—week by week. Now Jimmy is ahead, then Mary. It is still a race and every contestant has a chance, according to the latest inside dope from Curt Wilcox at the Hilltop Bank, who is generalissimo of tabulations.

None have faltered yet, although a few are secretly piling up surprise votes to spring at the last moment. Officials of the contest are warning against this and if the "hoarding continues, steps will be taken against it."

Bonus Votes

This week will see the fire of battle wax hotter as local merchants are offering bonus votes to those complying with the stipulations found in a full page ad elsewhere in this issue of the Record.

Now is no time to stop working for votes. Many residents report that their votes have not been collected yet. With the race only half done, there is a chance for even the cellar occupant to step up and pass the leaders before the shades of night fall on Tuesday.

World's Fair Opens

Last Saturday the fair opened officially—a spectacle that cost more than 37 million dollars. And 10 local youths will get a free trip to the greatest event of 1933 free of charge. Five more weeks, and the race will be over. Every vote will count, as reports have it that the leaders are bunched.

Watch the advertisements in the Record from now on out. There will always be information there for you.

First Prize Winner Is Hilltop Musician

Francis Baker, son of Mr. and Mrs. Donald F. Baker, 424 S. Burgess Ave., won a first prize at the state high school music contest held at Oberlin, Saturday, May 27. He played a baritone horn and is a student at the Hilltop School of Music.

He has been instructed by Paul Holcomb, of the school's faculty, and is the instructor's sixth pupil in three years to be awarded first honors in state contests.

Young Baker is a student at West High school.

Club to Meet

The Wigwam Democratic club of the tenth ward wishes to announce as the principal speakers for the night of June 2, 8:30 o'clock, Councilmen Ketterer and Dailey. Members are urged to attend and public invited. The meeting will be held at 114 S. Oakley Ave.

Note Words "Another and 'Quickly" Here

Comes a letter to the office this week from H. O. Nippert, reading in part as follows: "I have been wanting to tell you of another ad. in the Record that brought satisfactory results quickly." (And note that he is a regular user of Record Want Ads as inferred by the word "another." Note also that he got results that were not only satisfactory but "quickly.")

His advertised article was sold one hour after men had started distribution. And he received calls long after his item was sold and delivered.

Which would indicate that people read the Hilltop Record. And if you've something to sell—be it furniture or service—you'll find a buyer reading the Record. Therefore, tell that buyer through the Want Ad columns of the community newspaper. Let it do your selling for you.

Sheer, Lovely Cottons for Summer

By CHERIE NICHOLAS

SHEER cottons are triumphant in the mode. Of all the fluttery-ruffly seasons th. coming summer promises to be the flutteriest-ruffliest one we have known for years. With all the dainty crisp organdies, filmy mousselines, dotted nets, swisses and similar airy-fairy cottons which the vogue calls for, it is inevitable that our summer raiment will go alluringly feminine, which it does to the point of enchantment.

Commencement frocks especially yield to feminine persuasion this season. They are all that any fair one might dream of in the way of beguiling effects which myriads of little ruffles and "oodles" of tiny lace edgings unfailingly bespeak.

The prettiness of these frocks, made of plain or embroidered organdies or sheer mousselines and the like, is simply devastating. Their full long skirts (usually ending above the ankle) have a picturesque grace about them as they fairly revel in a frou frou of ruffles and ruchings and such. If not ruffles and frills and decorative treatments, then adroitly cut ample flares and circular movements, such as distinguish the winsome frocks pictured, accomplish the coveted fullness for the new skirts.

Let no one assume, however, that the presence of wide hemlines means that slender silhouettes are to be sacrificed. Not for one moment! The new "lines" call for slim fitted hips, and not until a point is reached between hipline and knees is the skirt allowed to sputter out into whirling, swirling masses of little ruffles or develop widening flares.

The sleeves of these prettily feminine frocks are as whimsical as a passing summer breeze. They are, almost without exception, short and they are either puffed or ruffled or laceadorned or stiffened to stand out as sprightly as a ballet dancer's skirt. Sometimes the cunning puffs are ensnared by a neat band which makes them look demure.

Necklines, too, contribute in no small way to the prettiness and becomingness of these fascinating summer frocks. The gay and debonair gown posed to the right in the illustration, has a lovely neckline. The material for this winsome model is a durened starched sheer cotton. The embroidered dots are green. The belt is green velvet. The white organdie flowers which outline the neckline in lei fashion are repeated on the skirt, for the newest gesture among designers is to feature attractive back views.

The keynote of the frock on the seated figure is its simplicity—sophisticated simplicity, if you please, for the durene embroidered white organdie which fashions it is a last word in fabric lore. Nothing could be prettier for graduate wear. Later this same frock could be posed over a pastel taffeta when it goes to parties and to dances.

Wood Used by Indians for Bows

The wood used by American Indians for making bows was ash, birch, cedar, cottonwood, elm, hickory, oak, walnut, willow, witch-hazel and yew, depending on the wood available and the custom in various tribes. The Indians in sections of the country preferred second growth hickory. The wood must be seasoned at least three years before it is suitable for this purpose. Yew imported from Spain or Italy now is favored for bows.

UNCONCERNED

By ETHEL TITUS WORTHEN

Poor, little, old man! sits all day
In sunshine or the rain:
He does not care what people say,
He has no ache or pain.

If it is wet, or if it's dry,
It troubles not his soul;
He worries not, nor heaves a sigh,
Over government control.

Cries of hunger, he does not heed,
Nor, "Thus saith the Lord—"
He never thinks, or cares to read,
The precious Holy Word.

You wonder how a man could be,
So unconcerned and slow?
Why it is just because that he,
Is a wooden man, you know!

A Mountain Man Goes Home

By DOUGLAS MALLOCH

"YES, I'm from the mountain country," he said with a lonely sigh.
"And the prairie ain't not country for a mountain man to die.
I've set my face to the mountains, my feet on the risin' road,
And I'm goin' back up yonder to a mountain man's abode.
I come from the mountain country, as many a man has come
When the wand'rin' fever's on him, and the call of street and slum.
But now I am sick of cities, and sick of the city's ways,
And I'm goin' back up yonder, to the hills to end my days.

"So, thanks for your breakfast, farmer, and thanks for the bed I had;
It was just a hayloft, farmer, but a hayloft ain't so bad.
The smell of the hay was sweeter than any I've smelt before
Since I waved my hand to Mother, and I turned from Father's door.
I can't help you none with harvest, I can't help you none with stock,
For my feet are soft with prairie, and I want the feel of rock.
Oh, some of you call me hobo, but that doesn't mind to me,
For I'm goin' back up yonder to the place I ought to be.

"Yes, youth is the time to wander, but age is the time to rest,
And your home's the place to head for, and a mountain home is best.
Not many, I guess, will know me, not many'll care to know,
But your home's the place to head for, and it's there I mean to go.
There's many a year left in me, but whether it's one or ten,
It is there I want to finish, in the hills up there again.
I'm off for the mountain country, and here is the reason why:
For the prairie ain't no country for a mountain man to die."

PLENTY OF VARIETY FOUND IN NECKLINE

How much attention are you paying to your neckline? It's all very well to concentrate on the hemline and the waistline provided you don't neglect the neck's best line. Well if you like variety you'll have plenty of it this year. We'll start with the country neckline and work toward town.

The musician and artist how to combined with a Easter Parade collar is A-1 for the winter-time sports. Use the silk scarf of harlequin wingspread around the throat after fool in a careless sort of fashion with the ends flying around like a cowboy. The shirt collar and riding stock worn by girls riding horses, and the knitted straight scarf looped over in front and fastened with a novelty pin are both happy ways of drawing the country neckline.

Helpful Hints

To make the most of the juices in roasted fowl, turn the fowl on its breast, instead of its back, when roasting. By doing this the juices run into the breast instead of the back, making it deliciously moist.

To prevent fruit from settling at the bottom of cake, always pour boiling water over the fruit, squeeze it dry with the hand and roll in flour.

Leftover canned tuna mixed with celery and salad dressing makes a very good sandwich filling.

When the sun is shining on your veranda wring your mop out dry and commence on the lower step and go backward so as not to leave footprints. If you do that every morning you will be surprised how beautifully shiny your veranda floor will keep.

When using valuable vases for table decorations, fill them with sand. This makes them stand firmly and renders them far less liable to be knocked over and broken.

SEASONABLE RECIPES

Baked Stuffed Tomatoes

3 large or 6 small tomatoes, 4 tablespoons finely chopped green pepper, 6 tablespoons tomato centers, chopped, 4 tablespoons toasted bread crumbs, 4 tablespoons cheese, grated or sieved, 6 slices buttered toast, 1 teaspoon salt.

If large tomatoes are used, cut them in halves. Remove the centers with a spoon. Place in a greased baking dish. Then fill the cavities with the stuffing made from green pepper, tomato centers, salt, bread crumbs and cheese mixed together. Cover and bake in a moderate oven, 350 degrees F., for 40 minutes. Arrange the hot toast on a warm platter. Place a baked tomato on each piece of toast. Garnish if desired with parsley and broiled bacon.

Peanut Butter Toast

2 eggs, 1½ cups milk, 6 tablespoons peanut butter, 1 teaspoon salt, 6 slices buttered toast.

Beat the eggs slightly and add the milk, peanut butter and salt. Cook over hot water 12 minutes—no longer or the sauce will curdle. Pour over the hot toast. Served with a fruit gelatine dessert and cocoa, this makes a fine luncheon for school-children.

Cinnamon Toast Pie

4 slices cinnamon toast, 2½ cups apple sauce, 2 egg whites, 2 tablespoons sugar, 1 teaspoon lemon juice, ½ teaspoon grated lemon rind.

Line the bottom of a shallow baking dish with the cinnamon toast, cut in any shape you desire. Fill with the slightly sweetened apple sauce. Beat the egg whites until stiff, beat in the sugar and add the lemon juice and rind. Pile this in little peaks over the apple sauce and bake in a slow oven, 300 degrees F. for 15 to 20 minutes. Serve at once. This makes 6 servings.

Date-Cheese Rounds

½ cup almonds, ½ cup chopped dates, ½ package cream cheese, 1 tablespoon milk, dash of salt, 6 rounds buttered toast.

Put the almonds and dates through the food chopper. Add to the cream cheese, softened with the milk and seasoned with a few grains of salt. Spread the date-cheese mixture on the hot toast rounds and serve them immediately.

MARSHMALLOW TOAST

18 marshmallows, ½ cup strawberry jam, 6 slices buttered toast.

Cut the marshmallows very fine with the kitchen scissors. Stir them into the jam, spread on the hot toast and serve immediately.

Tempting Supper Sandwiches

Cheese Spread—Mix together 1 package cream cheese, ½ cup celery, finely cut, and 6 small pimento-stuffed olives, chopped. Moisten with milk if you wish.

Sardine Spread—Mix together 1 small can sardines in oil, 1 dill pickle chopped, 1 tablespoon butter and 1 teaspoon prepared mustard. Moisten with mayonnaise if desired.

Olive Spread—Mix together ¼ cup chopped ripe olives, 2 hard-cooked eggs chopped, and ½ teaspoon salt. Moisten with mayonnaise.

Shrimp and Cucumber Spread—Drain 1 can shrimps, remove intestinal veins and break shrimps in small pieces. Moisten with ½ cup mayonnaise to which ¼ cup finely chopped cucumber has been added. For variety, tuna fish or crabmeat may be substituted for the shrimps, or a chopped sweet pickle used instead of the cucumber.

Salad Accompaniments

There are innumerable salads that may be used in the supper, which consists of a toasted sandwich, salad and hot beverage but here are some especially good ones:

Strawberry Salad

1 cup cream cheese, 2 cups strawberries, ¼ cup cream, whipped.

Cream the cheese well, add the whipped cream and strawberries. Beat together well, chill and serve on crisp lettuce with cream mayonnaise, which is made by mixing equal amounts of mayonnaise and sweetened whipped cream.

Frozen Fruit Salad

1 egg, 2 tablespoons sugar, 2 tablespoons vinegar, 1 tablespoon butter, ½ cup cream, whipped, 1 cup marshmallows, 1 cup white cherries, 1 cup pineapple, 1 orange.

Beat the egg in a small bowl, add the sugar and then the vinegar. Place over boiling water and cook, stirring constantly, until thick. Remove and beat in the butter. Chill. When cold, fold in the cream, marshmallows and fruit, cut into pieces. Turn into a ring mold or into individual molds and chill 24 hours. This salad may be frozen in the refrigerator tray if preferred.

FUROR FOR LINEN NOTE OF SEASON

Used in Costumes for Day and Night Wear.

Linen is the new rage for costumes to wear from daylight to dark and from dark to dawn.

Linen suits, linen coats, linen sports frocks and linen dinner gowns are blossoming out in our best shop windows, making a gay note in the midst of more somber attire and rating a great big hand from discerning debutantes.

The reason for all this furor about linen probably is that the canny manufacturers have succeeded in overcoming two of the greatest drawbacks heretofore in linen clothes. You know the common failing of a last season's linen suit, that starts out crisp and immaculate in the morning, and after an hour is a crumpled mess. And you know also that in days gone by a bit of moisture in the air was fatal to the spirit of a linen costume. Now they are presenting suits and frocks of linen, not only unerushable but showerproof.

And another point is that linens this year are shown in grand sporting woody designs, stripes and plaids and gingham checks, in every color under the sun.

PEBBLY WOOLEN
By CHERIE NICHOLAS

Have you taken note of the new-this-season pebbly surfaced woolens? They are quite the latest for suits and about-town dresses and come in the loveliest tones and tints which tune in to the summer picture perfectly. The costume pictured is an exponent of all that is smartest for immediate wear. Here a suit of rose and beige wool partners with a rose crepe blouse. The flowers at the neck worked of the same material as the blouse are interesting. The little alpine hat of burlap straw is the newest ever. Perforated leather gloves, with bag to match and the new single eyelet tie shoes with medium heels complete a perfect ensemble down to the slightest detail.

STYLE NOTES

Pink registers as a sports favorite.

Gray flannel is high-style for suits and coats.

Red cotton net makes a winsome dance frock.

The younger set adore the new field flower prints.

Suits and frocks knit of string is the big sports item.

Cotton net for the bride and her attendants is advocated.

Wide hemlines and wide shoulders feature for evening.

Bilt burlap is used for hats, bags, scarfs and jackets.

Metal mesh collars, cuffs, yokes and belts are smartly in vogue.

GIRL SCOUT NEWS

PROGRAM

Through hikes, overnight and week-end trips as well as by summer vacations at camp, Hilltop Girl Scouts carry out one aim of the Girl Scout movement—to keep every girl outdoors as much as possible all the year round.

Many local troops have enjoyed week-end and day trips to the permanent camp, KenJockety, on Big Darby, this spring. Troops have the privilege of using the camp site for over-night trips until the regular camping season opens the second week of July.

TROOP 4 BROADCASTS

Troop 4, West Junior High school, presented a play over radio station WEAO. The girls taking part were: Bernice Nelder, Doris Schubert, Amanda Stinson, Doris Hayes, Helene Fell, Jean Sweet, Helen Van Schultz, Jeannette Reuschling, Jean Bower, Elizabeth Dunn, Janis Butler, Nina Dorsey, Mary Kolns, Anna Kolns, Jean Saul, Ruth Mitchell, Mabel Smith, Dorothy Kimmel, Zoe Crego, Doris Potts, and Carmen Lambert.

On Wednesday, May 31, the troop entertained their mothers at the home of one of their leaders, Mrs. E. G. Nieder, 137 Haldy Ave. Mrs. W. L. Milliken, 53 S. Warren Ave., a member of the local Girl Scout Council, and Mrs. Miriam McIntyre were present.

TROOP 19 HIKES

Troop 19, West Broad Elementary school, took a hike May 27. The four troop committee members for this troop are: Mrs. A. G. McGarvey, Mrs. Theron, Mrs. G. F. Henery, and Mrs. E. L. Krauss. Mrs. H. S. Kimmel, 195 Westmoor Ave., and Mrs. E. R. Wheeler, 2978 Valley View Dr., are the leaders of the troop.

ENTERTAIN MOTHERS

The girls of Troop 22, Hope Memorial Presyterian church, entertained their mothers. Mrs. Myrle Powless, 117 N. Burgess Ave., is the captain of the troop. Mrs. Miriam McIntyre spoke to the mothers on Girl Scouting and camping.

New Member of Wren Family

An entirely new type of marsh wren has been identified at Charleston, S. C., through the research of two Charleston naturalists. It has been named "telmatodytes palustris waynei" in honor of Arthur T. Wayne, now dead, who discovered several new species about 1900. It is exceptionally dark, its head and nape a sooty black, the flanks brown, the tail heavily barred, and the sides of the breast barred. It frequents the rice fields.

Machines to Make Game Birds For Future, Says Bade

Machine-made wild life is the order of today and tomorrow, according to August Bade, director of the Bureau of Game Propagation, Board of Fish and Game Commissioners of California, who explained the advantages of the incubator-brooder methods over the formerly reliable old hen at the Nineteenth American Game Conference at New York City, Nov. 28, 29, and 30, a bulletin of the American Game association announces.

"The more we delve into this subject of rearing game birds with incubators and brooders, the more we are convinced that the system has come to stay and that game birds of the future will be produced by this method," Mr. Bade said.

Mr. Bade pointed out that the setting hen is a carrier of numerous diseases fatal to game birds. Out of 900 hens he tested for only two diseases, tuberculosis and bacilli white diarrhea, 18 per cent of them showed infection of one or both of these diseases.

"More of them possibly carried the blackhead or coccidia germ. In fact, they did, for we found both these germs present in young birds that died. When one considers the hazard of tuberculosis, bacilli white diarrhea, blackhead and coccidiosis—to say nothing about the many kinds of worms, most pernicious of all the cecea worm—the old faithful hen doesn't look so good.

"And it doesn't matter much where one finds the hen, these conditions will be present. All one needs to do is to apply the microscope to find out. And the worst part of it all is that after a year or so, the ground gets so infested that future operations are impossible. Maybe this is the reason the wily Scotchman used new ground each year. It was easier to move than it was to combat infested grounds.

"The incubator-brooder method eliminates these hazards of disease in the beginning and safeguards the industry from all forms of disease. From this point on, it is up to the operator to map out his own course and select the equipment best suited to his needs," Mr. Bade says.

The incubator-brooder system has proven successful with quail, pheasants, ducks, grouse, turkeys, and other game birds, conservationists point out.

Citizenship Requirements Affecting Wives, Children

It requires either birth in this country for full rights of citizenship, or naturalization of parents before children are twenty-one years of age as required by "Act of Congress." In the latter case the children do not require naturalization by the court nor are they required to take out citizenship papers.

Children of parents who are citizens, but born in foreign countries, are on the same basis as those born in this country.

Since 1922 a foreign-born woman, marrying a citizen of this country, is automatically a citizen. A woman shall not become a citizen if she marries a man who has been naturalized after September 22, 1922.

A woman citizen of the United States does not lose her citizenship by marriage to a man of foreign birth if married after September 22, 1922, unless she renounces her citizenship before a court having jurisdiction over the naturalization of aliens.—The New Era.

Some Fellows Have Style That Keeps You Guessing

Among the people you meet, you now and then run across one that puzzles you. He doesn't seem to fit into the average run of human beings, and you are at your wit's end about this newcomer. This is a critical moment in the ordinary run of human affairs, a critical moment for you.

Did you ever think of this? Those who turn out to be puzzles are, after all, worth puzzling with. The individual who has so many sides to his nature that you cannot see them all at once is likely to be a somebody. In other words, he has personality plus. To say the least, he is interesting. He keeps you guessing.

The next time you meet a fellow who is continually displaying unexpected traits, don't be discouraged. Stick by him. You may learn something. And the thing that you are likely to learn is that you are not only the puzzled, but also the puzzler.

It is something of a puzzle how and why the majority of human beings get into a rut and finally have no sides to them at all. The man with only a few sides is totally unable to get the most out of his human surroundings. If you can't recognize and account for the many-sidedness of human nature, you have simply lost your own personality.—Washington Star.

Democratic Presidential Candidates in 1860-1864

Stephen A. Douglas of Illinois and Herschel V. Johnson of Georgia were the Democratic candidates for President and Vice President in 1860. Douglas had broken with President Buchanan and the southern Democrats and consequently lost the support of the South. He carried only the states of Missouri and New Jersey, receiving 12 electoral votes, 9 from Missouri and 3 from New Jersey.

The Democrats of the South organized the Independent Democratic party and named John C. Breckenridge of Kentucky as their candidate for President, and Joseph Lane of Oregon for Vice President. Breckenridge received 72 electoral votes, as follows: Alabama 9, Arkansas 4, Delaware 3, Florida 3, Georgia 10, Louisiana 6, Maryland 8, Mississippi 7, North Carolina 10, South Carolina 8, and Texas 4.

George B. McClellan of New Jersey was the Democratic candidate for President in 1864. His running mate was George H. Pendleton of Ohio. McClellan carried Delaware, which gave him 3 votes; Kentucky, which gave him 11, and New Jersey, 7 votes.

Getting It Over With

"Junior," mother said sternly to the small culprit, "I hate to do it, but I'm going to whip you—not because you broke the windshield, but because you didn't mind me when I told you to go somewhere else to play."

"Please, mother," begged the boy tearfully, "can't you whip me for breaking the windshield, too, while you're about it? Dad'll be so mad when he comes in that he'll want to give somebody a licking for that."

The LOOKOUT

I'll bet you never knew you put the left shoe on last. . . . O. H. Craft says he smells fish for that surprise supper in charge of Art Skipper at Hillcrest. . . . Wonder what has become of Ralph Liebensperger. . . . Gladys Miller (It used to be her name but long since has been changed) wanted to be a movie actress when she was in the fifth grade . . . But she's mothering a fine youngster, now. . . . That Hague avenue chap who thinks a 10-year-old could scribble this gubbie (is my face pink?) . . . Personal nomination for the Hilltop's prettiest boy: The younger of the Johnson brothers, Phil Wolpert or Arlie Breakey . . . and the latter is dreamy-eyed on North Warren, now. . . . Crowds are swelling at the weekly church league games at Westgate Park. . . . Somebody suggests that those four blockheads just fit into the occasion — attending the square dance as they did. . . . Striking phrase: That North Warren little girl, who upon straying too far from the home bounds, came back crying as she saw her mother with a switch. "I'll quit crying if you don't lick me," she bargained. . . . And the next door neighbor children, who had been ordered to wash windows in the garage. One a girl of nine and the other a boy of seven. "Hey, Dad," called the lad, "Imogene hain't doin' nuthin' but standin' around and tell me what to do." . . . Definition of a detour: Longest distance between two points. . . . (Gosh, he's getting weak) . . . The "W" boys say they saved me a place at the banquet—a place right in front of which Valeda Gugger danced. . . . Terrible business, gentlemen—you wouldn't have to give those tickets —auction seats like that away. . . . Howard Slicker, what ever became of him? And his brother, Jimmy? and his sister, La Rue? (Why don't he wonder where the family went?) . . . Lawrence Tracy and wife strolling. . . . Nothing expresses mastery better than the direction of a large vocal chorus. . . . Wonder who those guys were who plastered West High door knobs with limburger cheese? . . . But greater the wonder when we think of the changes rumored at West High school next year?

FREEDOM

Turn me loose from haunts
Of strange noises, and life
That shrieks of shifting gears
And grinding wheels.
Let me go back to the hills,
And listen to the gurgling spring.
Or lay beneath the shade
Of beech boughs, and gaze
At clouds—and vultures' flight.
Let me hear again the Redbird call
And the breeze blow. I shall
Ramble in haunts of fern and flower
Or just waste the hour
Ascending the rock-ribbed slope.
I would drink deep of fresh air
And climb with strong steps
And heaving chest, and sweat,
And pause awhile—
Atop some rugged cliff—
To watch the sunset.

Grocers Have Picnic Tickets

Distribution of Ducats Started On Hilltop for Outing June 21.

These tickets are of value on the day of the picnic, which is the largest affair of its kind in central Ohio each year.

A bathing girl review in which any girl may enter and which holds out ten prizes of cash aggregating one hundred dollars, a country store where one may buy standard grocery articles at picnic day prices, and other features are promised. The picnic is being planned by a committee headed by Homer Barton, East Side grocer.

Broad St.; J. W. Smith, 1895 Sullivant Ave.

Dope Bucket Is Tipped As Blues Take Lone Lead

Hillcrest Reds Lose Tough Game As Hoge Memorial Topples Westgate in League.

Two startling upsets, along with the hard-earned 4 to 3 victory of the Hillcrest Blues over the Hillcrest Reds, placed the former aggregation at the top of the heap in the Hilltop Church League Monday night with a trio of wins and no losses.

Westgate Evangelical, which aggregation was pressing the Baptists for top honors, went down before the onslaughts of Hoge Memorial and lost a 9 to 3 decision. And to top off the evening's workouts, Hilltop Church of Christ doused slugging clothes and wallopped Glenwood No. 1 by a 14 to 13 score in a long drawn out affair.

Burgess U. B. in another surprise battle took the measure of St. John Lutheran by a 10 to 4 score. Wolfe, Lutheran hurler, was early clubbed from the mound and replaced by Smith, who managed to last the remainder of the game. It was the first win for the Brethren.

Bob Humphreys was the hero in the final upset. With a pair of mates on the hassocks the big fellow cracked out a triple which proved to be the edge in Warren Avenue's 5 to 3 win from Glenwood Tri Mu. Corder, on the mound for the Methodists, was wild while Reese, Nazarene southpaw, had matters under control at all times.

The headline attraction, the Hillcrest battle, was truly a battle. Shaffer, hurling for the winners, granted but three hits, but was a trifle wild. H. Kent, who granted but five hits to the winners, lost a tough decision when costly errors permitted all of the Blue runs to count. Sam Toy was the hitting star, getting three hits in four trips and runing his string of hits to 12 in 15 times at bat.

Seniors Asked to Seek Crown of Life In Baccalaureate Sermon

Taking for his text, the twelfth verse of the sixteenth chapter of Ezekial, "And I will put a beautiful crown upon thine head," Dr. Otto Mees, president of Capital university, addressed the West High senior class last Sunday afternoon at the annual class baccalaureate services in the auditorium of the school.

"No young man or young woman can hope to wear the crown unless purity graces their lives," he told the class and hundreds of parents present. "It is the outstanding quality of not only citizens, but all who aspire to citizenship."

He drew an analogy between the crown of God and the crown jewels of England, which crown contains a row of diamonds, a row of rubies, a row of sapphires and finally, a row of emeralds. "The diamonds," Dr. Mees said, "represent purity; the rubies are significant of the blood of mankind lost and represent love; the sapphires, with their blue like the eternal sky above, represent faithfulness and lastly, the emeralds represent constancy of purpose, life and firmness. All of these contain a dark spot, the reflection of the golden cross.

"So ought these attributes in our lives contain the shadow of the cross of Christ."

The auditorium was silent throughout the sermon, as Dr. Mees preceded with his analogy. Deep silence prevailed as he concluded his message to the graduating youth with the admonition that it would be worth their while to be crowned with the crown of life.

"I hope you aspire to wear the crown of purity, love, faithfulness and constancy. May it be with the fervent prayer," he concluded, "Oh God of Hosts be with us—lest we forget!"

According to an announcement made by Mayor Henry W. Worley, Monday evening, three of Columbus' heavy traveled thoroughfares would be immediately improved.

Merrell, state director of highways, asking him to place the projects on a preferred list to be submitted to the government when the public works bill becomes a reality.

Contestants Are Scouring Hilltop For Fair Coupons

Race Begins to Narrow As Home Stretch Nears; Tabulations Being Kept Secret.

More than 100 Hilltop boys and girls entered in the Hilltop Business Men's Association World Fair contest are making final preparations for the home stretch drive for votes, according to information gleaned from local merchants this week. Votes are in great demand throughout the Hilltop, with not only the contestants seeking them, but their great number of friends and relatives also saving the valuable coupons for them.

Although the race is gradually being narrowed down, in some districts the winners are far from being selected. No information could be obtained from the inner office, where C. G. Wilcox presides in secret meditation over the vast figures, but it was learned that the vote numbers of some contestants run well into six digits.

Meanwhile, Ray Hauntz and his corps of business men are planning the five-day trip to the great event for the 10 winners. Every detail is being taken care of—transportation and lodging and meal accomodations. The itinerary will be planned to the minute and every boy or girl on the trip will have experienced something which will stand out in their respective memories for the rest of their lives.

By the time the contest is over and the winners are ready to make the trip, the Century of Progress Exposition will be under way and at its highest peak of perfection. And nothing will be left undone in an effort to give the winners the finest time of their lives. Millions have already attended the tremendous spectacle, with tourists pouring in from all sections of the nation and thousands more from all over the world.

In this vast throng, early this fall, the Hilltop delegation will mingle—seeing strange things and wondering and marveling at the grandeur of it all. And at the present writing, those 10 lucky Hilltoppers have not yet been selected. Everybody has a chance, from the lowest in the standing on up. Votes have not yet been collected and reports come in daily to the effect that none have called for accumulated coupons at certain households. Just four more weeks, and the big announcement—followed by the Big Trip.

Instructions to Be Given In Phone Use

The following business houses will be instruction stations where attendants will serve telephone subscribers on the above date: A. & P. Grocery, 2381 W. Broad St.; Hauntz Market, 2763 W. Broad St.; Kroger Grocery, 2528 Sullivant Ave. and Smith's Market, 1895 Sullivant Ave.

Those unable to attend the demonstrations at one of these places on Monday, June 26, have been asked by H. W. Lindamon, district commercial manager, to telephone Adams 0985 for detailed instructions in folder form.

TALKS ON OSTEOPATHY

By Dr. R. D. Woodmansee, 1870 N. 4th St. Phone UN. 3083. Talk No. 35
Very few men or boys have Goiter. Thousands of young girls and women in central Ohio are so afflicted. Try Osteopathic treatment in your case before submitting to a surgical operation.

LAWN FETE
Southwest corner Harris and Broad, June 10th, evening. Hillcrest Baptist church.

CARD OF THANKS
We wish to thank our friends, neighbors and relatives for the kindness and sympathy shown us during our recent bereavement in the death of our father, Ferdinand Snisberger.
The Family.

Novelty Organdies
Very springlike are the flowers of the new gay chiffy organdie blouses.
Some of the very newest ones are of crinkly organdie with stripes like seersucker. Others are of blistered organdies. Still others are of the sheer starched organdie.

A teacup of small pieces of white soap boiled down with one pint of boiling water, a teaspoon each of powdered ammonia, borax and sugar will make an excellent soap jelly.

West Church League Notes

Hillcrest Blues will meet another stumbling block next Monday when they hook up with Hoge Memorial. Owens, on the mound for the latter aggregation, with improved support in the outfield, should give Shaffer, Blue hurler, a good battle.

• • • • •

"Speedy" Kerr, Hillcrest Red pitcher, is one of the fastest players in the circuit. Dick Bassman, St. John center-fielder, is another fast stepper and many have wondered what the outcome of a race between the two would be.

• • • • •

Emerson Reese, who dishes 'em up for the Warren Avenue Nazarenes, is the only crooked arm chucker in the league, and one of the best in Columbus. He has been handicapped by poor support thus far in the campaign.

• • • • •

League Standing

Team	W.	L.	Pct.
Hillcrest Blues	3	0	1.000
Warren Nazarene	2	1	.667
Westgate Evan.	2	1	.667
Hillcrest Reds	2	1	.667
Hoge Memorial	2	1	.667
Glenwood No. 1	1	2	.333
St. John Lutheran	1	2	.333
Burgess U. B.	1	2	.333
Church of Christ	1	2	.333
Glenwood Tri-Mu	0	3	.000

Sam Toy, center fielder for the Hillcrest Blues, started the season off in great style with the stick. In 11 trips to the platter Sam collected nine safe wallops.

• • • • •

Many close observers of the league are watching the Glenwood No. 2 squad, boasting such players as Harold Wise, Gomell Layman, Curt Wilcox and others. A pitcher and a pair of fast outfielders would place this outfit in the pennant chase.

• • • • •

Watts of Glenwood No. 1, is one of the heaviest sluggers in the race. He does the mound work for his team.

• • • • •

Hillcrest Blues have by far the best defensive record for the season to date. Only eight runs have been scored off the toesings of Shaffer. The Blue Racers are high in offensive work also, ranking second only to Westgate.

• • • • •

St. John Lutheran and the Hilltop Church of Christ have the worst defensive records, while the latter is also the weakest offensively.

• • • • •

The following are games regularly scheduled for Monday night, June 12: Burgess U. B. vs. Westgate; St. John Lutheran vs. Glenwood No. 2; Hillcrest Blues vs. Hoge Memorial; Warren Avenue vs. Glenwood No. 1 and Hilltop C. C. vs. Hillcrest Reds.

Besides these, two sets of games remain yet unplayed and will be scheduled in twin bills, beginning Monday, perhaps. The postponed games include: Warren Avenue vs. Westgate; Hillcrest Blues vs. St. John Lutheran; Burgess U. B. vs. Hoge Memorial; Hillcrest Reds vs. Glenwood No. 1; Hilltop C. of C. vs. Glenwood No. 2; St. John Lutheran vs. Hillcrest Reds; Warren Nazarene vs. Burgess U. B.; Hoge Memorial vs. Glenwood No. 2; Westgate vs. Glenwood No. 1; Hillcrest Blues vs. Hilltop C. of C.

Scenic Ecuador Smallest South American Republic

Travelers are discovering that Ecuador, lying on the Equator, along the west coast of South America, is one of the most unspoiled places in the Western hemisphere. This country was inhabited, long before Columbus ever dreamed that the world was round, by prehistoric races whose origin is shrouded in mystery.

Although it is the smallest of South American republics, Ecuador boasts the most startling scenic contrast of any place of its size on the continent; two of the highest peaks in the Andes, Chimborazo and Cotopaxi about 20,000 feet high; and fertile valleys and coastal plains yielding sugar, coffee, tobacco, cotton and vegetable ivory.

From Guayaquil a spectacular railroad route leads through dense jungles and magnificent mountain scenery to Quito, the capital, which rests almost 10,000 feet above sea level. Quito—along with Mexico City, and Cuzco, ancient capital of the Incas—antedates the white man's discovery of America. Its exact age is unknown.

Ants Carry Earth to Trees

Spherical masses of earth from which various forms of vegetation grow are frequently found in the branches of tropical trees, and sometimes these reach remarkable size. They are the nests of certain species of ants that carry the earth up the trunks of the trees particle by particle. It is believed by some that the plants found growing in these nests are actually planted by the ants, but this is open to doubt. Suspended masses of earth in a humid tropical forest might easily become seeded without the aid of the ants.

Sermon Had Too Much "Go"

At the dedication of the memorial statue to Watcyn Wyn, the Welsh national bard, at the foot of Black mountain, recently, stories of his keen sense of humor were told. One was that on a Sunday afternoon, while Wyn was preaching in a small chapel between the hills, a gust of wind from an open window sent his notes fluttering from the pulpit toward the door. The preacher descended from the pulpit and followed his notes, remarking the while, "I did not think there was so much 'go' in the little sermon until now."

GIRL SCOUT NEWS

PLANS FOR CAMP

Registration for summer camp are already coming into the Girl Scout office.

Mrs. Wellington P. Guild, 1727 Franklin Park South, is chairman of the camp committee. Mrs. W. L. Millikin, 53 S. Warren Ave., is also a member of the camp committee. Camp will open July 9 and will extend until Aug. 19.

The permanent camp, Kenjockety, is located on Big Darby 14 miles west of Columbus. Scattered over wooded hills are three units. Each unit will have its own leaders and the patrol system and court of honor are used. All campers live in tents, which are well made. Most of the meals are served at the Camp Lodge.

For those girls who do not go to camp or those who have been at the for city-wide troop meetings, one day camp, the camp committee is arranging and the other at Indian Springs, on the Ohio State university campus. Trained leaders will direct the activities of these meetings. Exact dates will be announced later by the camp committee.

TROOP 4 ENTERTAINS MOTHERS

Troop 4, West Junior High school, entertained their mothers at a tea at the home of one of their leaders, Miss Irene Neider, 137 Haldy Ave. Miss Lois McFarland is captain of the troop.

Fish Resembles Pelican

A rare deep-sea fish with a long eel-like body has its jaws, throat and stomach so distended as to resemble the pouch of a pelican. This characteristic which gives it the name "pelican fish" is sometimes responsible for its death for it enables it to swallow fishes too large for it to handle. Individuals of one species of this remarkable family of fishes have been known to swallow fishes larger than themselves.

The LOOKOUT

ROUND ABOUT THE HILLTOP

That angel food cake you sent here, Jane Jones, was so good. Thanxalot. . . . Dr. Durflinger is taking his hosses and moving to the fahm. . . . That chappie on Ogden avenue who bathes in olive oil to hasten summer tan. . . . You thought the Mediterranean Sea was bigger than Texas, and you're right for it's as large as the entire U. S. . . . (Whoops! He goes to school). . . . That flag at the Ogden-Broad gas station—so tattered. . . . Paul Rausch, who made a trip to Cincinnati tother Monday—and some are wondering if he visited Kentucky shores. . . . Personal nomination for the most courteous of newspaper carriers: Porter Tracy. . . . Jerry Dorr, one of Van Houten's "melody lads" who meet at the shelter house on Wells. . . . Rudy Lura' mustache is the cause of that whistle you hear during conversation with him. . . . It's a 10 to 1 bet that Tom Zelkoff, the chap that puts the onion on your hot dog at Broad-Hague, has read more extensively that you, regardless of the field. . . . Mr. Howard Helwegan has such a professorial look. . . . I always get the Bentz brothers mixed, but the one who's filling in filling gas tanks at the Sullivant-Hague filling station is losing fur atop his head—from overwork. . . . Gerald DeRolph, no refund. . . . That Rea fellow, whom they sometimes call "Farina," or just "Dovey." . . . Carol Whitlatch's colly hair is so attractive. . . . Our check-up lad has a difficult time keeping track of the social activities in the sector of Betty Lou Earle, Marjorie Nicholas and Mildred Gilbert. . . . Men are being slain regularly, however. . . . Sorry to have missed that birthday party of Eva Stewart in the social lines last week. . . . She was four years old and had a half dozen playmates in. . . . When an article comes in marked "Front Page," our inclination is always to condense it twice and then throw it away. . . . Elsy Miles originates more slang than any other Hilltopper, unless it be Irv Friend. . . . Wonder if it's true that Valeda changed her name across the border last Saturday—and another couple, too? . . . (Why don't he shut up?)

OUR EFFICIENT MAYOR

With the Columbus fire chief yet unnamed by the present city administration, folks are beginning to wonder just what Mayor Worley's intentions are in the delay. Apparently, Mr. Worley and his safety director, C. C. Williams, are dissatisfied with the manner in which the examination was conducted. Or are they dissatisfied with the results? Their choice for the office failed to qualify by such a large number of points, you know.

Folks are beginning to wonder just what the mayor referred to when he said he would be an efficient mayor. He has been an efficient showman so far, his apparent firmness of purpose having bordered on stubbornness. There is a difference between the two.

In times like these, politics and party affiliations are of minor importance in efficiency of government—even in the selection of a fire chief. Clarence W. Osborn has proved himself efficient, both in service and the manner in which he successfully won top honors in the civil service examination. There outwardly seems little to cause such delay in a fire-chief appointment.

Perhaps Mayor Worley seeks another term in office and wants more political power when the time for another election arrives. He is a minority mayor, and he no doubt is aware of the fact that his time is drawing near. He has kept his name well in the headlines, but his efficiency, especially in the fire chief case, might well be questioned. If there is adequate reason for such a pause, the public might be interested in Mr. Worley's explanation.

To Initiate

Tonight at Legion club rooms, 2303½ W. Broad St., Junior Auxiliary to Camp Chase Post No. 98 will initiate. This initiatory ceremony will be carried through by the junior officers.

A flag day program will also be an added feature. The juniors announce that they have 65 members. All mothers are urged to attend this program.

Chaperone to Be Named Next Week For Contestants

Executive Committee to Hold Important Meetings; Race Still Close.

With the end of the contest less than a month away, July 15 to be exact, votes are now rolling in by the thousands and still no candidates are sure of victory in at least three of the districts. Business men are preparing for the great trip and contestants are redoubling their efforts to pile up a sufficient majority to be among the lucky ten.

According to Ray Haunts, general contest chairman, and C. H. Campbell, president of the Hilltop Business Men's association, executive meetings will be held in the near future for the purpose of making final plans.

The chaperone of the trip will be announced next week, and will probably be a local school teacher or someone else familiar with the educational features of the fair.

Although little information is forthcoming from either the inner sanctum of the Hilltop Bank where C. G. Wilcox is checking the votes, or from the contestants themselves, it was learned this week that at the present time, three girls and 10 boys are leading the list. Although their names were not divulged, it is entirely probable that the same 10 will not be in similar places one week hence. Trailing contestants are mustering every available vote and the race waxes closer week by week.

The demand for the valuable coupons is becoming more widespread as the days pass, despite the fact that but 100 are officially entered in the race. Every relative, friend and neighbor is apparently striving to assist his or her favorite win a trip.

Next week it may be that important announcements will be forthcoming. Those entered in the contest should watch the columns of the Record for information.

Patriotic Festival Planned July 4th

Fireworks to Feature Evening Program of Democrats.

A patriotic festival will be given in Franklin Park, on July 4th, by the allied Democratic organizations of Franklin county, it was announced this week.

Commemorating not only the 157th anniversary of the Declaration of American Independence, this day also marks the 15th National Defense Day, as originally proclaimed in 1920 by the late President Woodrow Wilson.

Headlining the program will be a high member of the government at Washington. There will be music, both band and choral, presented by the finest talent in central Ohio, featuring the nationally known Democratic Glee club of Columbus. Further features and special numbers will be announced as part of the complete program to be published later.

Concluding the celebration in the evening will be presented an exhibition of fireworks. There will be panoramic displays of moving fireworks and a demonstration of the more familiar varieties.

The program will be free to the public and picnic parties are invited to attend.

Son of Detective Chief In Auto Crash

George Scully, aged 21, of 2101 Sullivant Ave., son of Detective Chief Thomas Scully, and student at Ohio State university, sustained severe leg injuries and cuts about the face Sunday, June 11, when the auto in which he was riding collided with another at Hawkes and Mound streets. He was treated at St. Carmel hospital.

Albert Radebaugh, aged 21, of 234 Seventeenth Ave., who was Scully's companion at the time of the accident, suffered cuts and bruises about the head.

Plan Tent Meetings At Friends Church

The Highland Avenue Friends church will conduct a tent meeting from July 2 to July 23, it was announced this week by Rev. A. J. Fryhoff, pastor.

Rev. D. H. Ferguson of Coshocton, "The Crosby's" and "The Man With the Silver Bells," will be the workers. On July 4 a holiness rally will be held in connection with the tent meetings.

West Athlete Honored At Agonis Luncheon

Charles Casey, winner of the Agonis athletic award at West High during the years of his athletic activity there, just closed, with five other senior high winners of similar awards, attended the Agonis luncheon in their honor last Tuesday at the Central Y. M. C. A.

Jack Rothrock and Nick Cullop, Columbus Red Birds, were the speakers. Other Columbus athletes were: Ed McSweeney, Aquinas; Bob Starrett, East; Ronald Lane, South; Ralph Emerson, Central; and Carrol Owen, North.

Hidden Valley Camp to Open

First Session Postponed Until Monday, Due to Delay in Building Construction.

Due to a delay in building construction, the Wooderaft camp in "Hidden Valley" has postponed its official opening until Monday, June 19, when the first council and Tepee Talk will be held. All the friends of Wooderaft and Campers of other years will be welcome.

The camp staff includes Irene S. McKinley, state ranger; Wealtha BeVier, chief guide of Central Ohio district; David G. Telfair, Antioch college, naturalist; Catherine Patterson Wheeler, Girl Scout leader of Troop 19, dietitian and cook; Grace M. Jordan, M. D., camp physician, and other Junior Wooderaft Councilors.

The camp is located on McKinley avenue, across the Scioto river from the Arlington Country club, and can be reached from the Hilltop by way of Eureka avenue and from the North Side by way of West Lane avenue.

Camp rates have been made lower than formerly announced. One day will be 75c, the half week will be $2.50, a week will be $4.50. Arrangements can be made for any length of time. Boys will have the camp the first week and girls the second and alternate every week thereafter.

After the delivery of the Hilltop Record last Friday, Joe Davis, nine-year-old son of J. A. Davis, 2929 Crescent Dr., was the first Hilltop youngster to register.

Registrations will be taken at the camp after its opening on Monday, June 19.

Norman Broadway To Play At Commencement

Norman Broadway, 110 S. Roys Ave., will be the pianist at the thirty-fifth annual commencement of the Capitol College of Oratory and Music on Thursday evening, June 22, at the Indianola Presbyterian church. Aaron Durnell, who has assisted the Hilltop Glee club on some of their programs, will direct the Capitol-Indianola choir in one of his new compositions. The program is at 8:30 o'clock and is open to the public.

Free Golfing On Tap At Broadacres Course

Next Thursday, June 15, golfing at the Broadacres Golf Course on West Broad street, will be free, according to an announcement made this week by the management. The event will be known as the "Hilltop Roundup" and three prizes will be awarded for scores throughout the day.

The first prize, a month's membership, will be awarded to the person making the lowest score. A blind-bogey prize of tickets worth five dollars and a prize of a golf club for the least number of putts, will also be awarded.

Children's Program St. John's Sunday

Combined Sunday school and church services will be held Sunday at St. John Lutheran church, Hague avenue and Broad street, at 10 o'clock, when a Children's Day program will be presented. The members of the Sunday school are to assemble at 9:30.

The program is titled "The King's Highway" and divided into three parts. Songs, recitations and short pageants compose the exercises.

To Have Outing

The Adult Bible class of St. John Lutheran church has planned to have a basket picnic supper and outing at Westgate Park, next Thursday evening at 6:30 p. m. All members of the class are urged to be present, together with their families and friends. A program of games will be directed by Mrs. Lloyd Thompson and Mr. and Mrs. H. A. Sullivan.

Free Show!

Manager George Pekras, of the Rivoli Theatre, announced this week that he would give a free show for Hilltop children next Friday morning, June 23 at 9 o'clock.

Hope Soars For Improvement On Sullivant Ave.

Trackless Trolleys or Buses Favored If City Loses Out On Federal Public Works Aid.

Should the Ohio legislature accede to the request of Mayor Henry W. Worley and other Ohio mayors to abolish restrictions on the issuance of municipal bonds, Columbus may be able to participate in President Roosevelt's public works program to an extent of some $615,000.

And if Columbus participates in this great program, Hilltop residents might soon be riding over decent pavement on Sullivant avenue, for this street along with Cleveland avenue and Town street are to be improved.

Under the regulations of the program, the federal government will pay outright 30 per cent of the cost of necessary public projects, and loan the city the remainder. But Columbus and several other Ohio cities may be left out of the federal program unless the legislature abolishes the restriction which at the present time forbids the issuance of bonds in excess of 5 per cent of the total real estate valuation. Unless the present restriction is lifted, Columbus would receive only $5,540,000.

Trackless trolleys or buses may then solve the problem. Ben W. Marr, president of the Columbus Railway, Power and Light Co., will appear before city council next week. Marr's company is also receiver for the Cincinnati and Lake Erie traction line which is at present using the Sullivant lines. Council will consult with Marr concerning the possibility of establishing bus or trackless trolley service.

"Rare" June Evening Freezes Business Men Out In Final Meeting

That old joketter, the weatherman, again played havoc with the plans of men—and Tuesday evening, with the plans of the business men in particular. These gentlemen had planned to golf and dance and dine out of doors at the Maennerchor, at their final meeting of the summer, but descending temperatures caused them to dash inside or "button up their overcoats."

It was one of those "rare" days in June, when fire in the fireplace is a comfortable thing. But the Hilltop Business Men closed their meetings until cold weather sets in next fall despite the unseasonable temperature.

Following a short business session in which a complaint was registered with Police Chief Kundtz concerning depredations committed by loafers in the vicinity of Broad and Hague, and Wyatt Milliken discussed the car track situation on Sullivant avenue, a social hour was enjoyed by those present.

New Recreation Ball Loop Opens Season

The Hilltop Merchant's Recreation Ball League opened its season Wednesday evening, June 14. Games will be played every Wednesday and Thursday evenings throughout the summer.

The following teams will play in the loop: Dodder's Market, Hilltop Cardinals, L. D. S. church, Penfield Market, Terry Barbers, Painter No. 1, Painter No. 2, Waymer No. 1 and Waymer No. 2.

Is Law Graduate

John H. Wagnitz, 124 Highland Ave., was graduated from the law college of the Ohio State university, Monday afternoon at the graduation exercises held in the Ohio Stadium. He is the only Hilltopper receiving a bachelor of laws degree.

Local Pastor Assists Dr. Massee in W. Va.

Rev. C. D. Osborn, pastor of the Westgate Evangelical church, is participating in an evangelistic campaign with Dr. J. C. Massee, in Parkersburg, W. Va., according to information received from that city this week. Dr. Massee conducted similar services on the Hilltop last January.

Rev. Osborn is directing the music at the Parkersburg meeting which is being held in the First Baptist church under the auspices of the Union Mission. The campaign began June 11 and will close June 25.

Former West High Instructor Dies

Miss Olive Flowers, Teacher for 45 Years, Taken By Death at Home of Nieces.

Funeral services for Miss Olive Flowers, age 73, former member of the West High faculty, were held Saturday afternoon, June 10, with burial in Green Lawn cemetery. Miss Flowers had been a teacher in the Columbus public schools for 45 years, 24 of which were spent at West where she was an instructor in French and English. She retired from active service in 1930.

She had been a life-long resident of Columbus, beginning her teaching career at the old Sullivant school in 1888. She was an active member of the Central Presbyterian church where her parents were charter members.

She is survived by a brother, Fred W. Flowers; nieces, Misses Dorothy and Kathaleen Flowers, at whose home she lived, three other nieces, Mrs. J. R. Hague, Miss Helen McCombs, of New York, and Mrs. Karl D. Vittum, and four nephews, Dean Flowers of San Antonio, Tex.; Charles and Nelson McCombs, New York, and Ralph McCombs of Columbus.

Westgate, Holton and Glenwood Playgrounds to Open Monday

Hilltop playgrounds at Westgate, Glenwood and Holton parks will open their summer seasons next Monday morning, June 19, it was announced by Charles Seddon, director of the city recreation department this week.

Although a complete list of directors have not been officially announced, Bill Boyd and Marjorie Marshall will be part time supervisors at Glenwood, with Harold Mason scheduled for duty at Westgate. The supervisors will work in four-hour shifts, according to information.

Since the closing of the parks last September, much work has been carried on by the relief division of the city. A lake and a stone shelter house at Westgate has made the spot one of the finest and most beautiful in the city. Three new recreation ball diamonds have also been constructed and the park is expected to be a mecca for children during the day and adults in the early evening when the Hilltop church league games are on tap. Picnic facilities are also of the highest calibre.

Work is also being completed at Holton park, where an artificial lake is being made and the course of the creek changed through the area. Tennis courts are in fair shape at all parks with the exception of Glenwood where immediate improvement is expected.

Hilltop parents are being urged to send their children to the parks to play and assist in preventing traffic accidents caused by playing in the streets. Adequate supervision of play will be had at all local grounds.

Twin Attractions On Tap In Church League Tonight

League Leaders to Meet Tough Opposition; Eight Games Scheduled for Westgate Diamonds This Evening; More Double Headers Monday.

The right of the Hillcrest Blues to occupy the top rung of the Hilltop Church League will be severely challenged tonight on the Westgate diamonds when the leaders hook up in a double header with Westgate and Warren Nazarene in games that might send the Baptists home with blemished records. Both teams are in the race for honors, and either one may dump the dope bucket and hang up a victory.

In an effort to catch up with the weatherman, after his pre-season vic-

tories, the schedule for the circuit is being doubled up and twin-bill attractions are on tap tonight beginning at 5:30 o'clock. Hillcrest Reds will meet Glenwood Tri-Mu and Burgess U. B.; Hilltop C. of C. will meet Burgess U. B. and Hoge Memorial and St. John Lutheran, like the Hillcrest Blues, will meet both Warren Ave. and Westgate.

Large crowds are expected to attend these games tonight, inasmuch as the race is tightening up and the abundance of up-sets two weeks ago proved highly palatable to the recreation ball hungry enthusiasts. Games will be played on all four of the Westgate diamonds.

Monday evening, the Hillcrest Blues continued their winning ways against Hoge Memorial, with a 7 to 3 victory. Shaffer's hurling was again the feature for the winners while Gene Scott led the lower's cause.

"Bros." Wolfe, St. John Lutheran slow ball artist, decisioned Loren Corder of the Glenwood Tri Mu team in a pitcher's duel and the Lutherans came out on the long end of a 5 to 3 score. Bassman's hitting and baserunning was a feature for the winners.

League Standing

Team	W.	L.	R.	O.R.	Per
Hillcrest Blues	4	0	35	10	1.000
Warren Naz.	3	1	30	15	.750
Hillcrest Reds	3	1	29	15	.750
Burgess U. B.	2	2	31	28	.500
Hoge Memorial	2	2	27	28	.500
St. John Luth.	2	2	20	32	.500
Westgate Evan.	2	2	32	40	.500
Glenwood No. 1	1	3	33	39	.250
Hilltop C. of C.	1	3	25	51	.250
Glenwood No. 2	0	4	18	31	.000

Hillcrest Reds and the Hilltop C. of C. started out in a close game, but Reynold's terrific homer in the fifth broke the ice and the Baptists pumped out a 11 to 1 win.

The strengthened Burgess U. B. nine sent Westgate's title hopes high in the air when the Brethren smacked out a 14 to 2 defeat over the second placers. In the final game, Glenwood No. 1 went down before the southpaw twirling of Reese by a score of 5 to 2.

Double headers are again on tap for Monday evening, inasmuch as early season wet weather forced the postponement of the openers four weeks. The schedule for Monday will be announced by the recreation department, Sunday, June 18.

Churches Plan Bible Schools

Four Hilltop Churches Will Hold Opening Classes Monday Morning, June 26.

Burgess U. B., Hoge Memorial, Glenwood M. Classes will be held at all of the summer schools on each day but Saturday and Sunday and children of all ages are eligible to attend. Various classes have been arranged according to ages.

At Glenwood, a chemical shop will be an additional feature of the work.

These girls will pass in review before the public at the east end of the park's bathing pool.

A grocery products exhibition with a treasure hunt in connection will be another feature of the picnic, and the evening will end with giving away of a number of very valuable prizes. The picnic has been planned by a large committee including grocers and food products salesmen from all over the city.

Summer Classes Begin June 26

Schools to Be On Self Supporting Basis Again; 400 Students Already Enrolled.

The Columbus schools will open for summer session, June 26, on a self-supporting basis. The term will extend over a period of seven weeks, closing Aug. 11. It will be open to pupils from grades five to 12. The summer school day extends from 8 to 12 o'clock. The summer courses are effectively organized into units of work, which insures the covering of essentials, and permits students to progress at individual rates. Pupils may enroll for two subjects and earn one unit of credit during a summer period.

Students living outside the Columbus school district pay the regular tuition rate of $15 per subject, while local residents will be assessed a fee of $5.

The two centers for summer work will be at Central High school and Champion Junior High school.

Application cards received thus far for 1933 predict an attendance of 300 in the high schools and 75 in the elementary.

The second session of the Hutchinson summer school opens at the Hilltop School of Music Monday afternoon, June 19, at 3 o'clock. The beginning band class will be continued and those desiring to enter fifth and sixth grade pupils will be able to register in the sextette class.

The work of the summer session has also been broadened to include voice culture. Capella choral music will be studied, and students may enter for only a nominal fee.

In view of the present economic conditions, Prof. Hutchinson is offering a limited number of free scholarships for both the vocal and instrumental departments for unemployed residents or their children. Applications should be made immediately.

A Lawn Fete to be held Saturday, June 17, in the rear of the Hilltop Lutheran church, on the corner of Terrace and Broad streets, will begin at 5:30 p. m. In charge of the Young People's class.

GREETINGS
To my many friends and patrons I take this means to thank you one and all for the kindness you have shown me. I have solicited grocery orders in this city and in cities in other states have taken order for installment houses through many coal fields, but never have I met such pleasant, kindly people as I have met south of Broad street from the Imbecile grounds and the Baby Camp west, as I have met on the Hilltop. To say I thank you seems not enough for you have one and all been great. I can only wish you all the happiness that can be crowded in a long and perfect life.
Yours truly,
R. E. HANNA.

Local Troop In Camparall Win

Glenwood Boy Scouts Cop High Honors In Annual Affair At Ohio State University.

Boy Scout Troop 18, of Glenwood M. E. church, copped first honors at the 1933 Camparall held at the Ohio State university on June 9, 10 and 11. The blue ribbon award was presented the local troop when its representative patrol scored 2235 points out of a possible 3000 in the various events.

Flag, map, water boiling, knot tying, signalling, judging, firebuilding, and compass contests were held with the Glenwood patrol scoring first in every event, competing against the best troops in the city. Twenty-seven patrols were represented in the three-day affair.

The patrol, composed of the following boys, was supervised by Robert Marsh, assistant scoutmaster, Harley Clark, Billy Monaghan, George Califf, Glen DeLong, Tom Kimmel, Tasker Bliss, Roland Harmer, Billy Ingalls, and Billy Nelson. Clark was the patrol leader, assisted by Monaghan.

West Church League Notes

Despite the fact that the league boasts of such hurlers as Don Shaffer, Loren Corder, Emerson Reese, and Howard Kent, hitting is heavy throughout the circuit. High scores, on many occasions, however, are due to inexpert fielding.

When St. John Lutheran and Hillcrest hook up, a battle worth watching will be forthcoming. The squads are the oldest church teams in the community, and for several years a rivalry has been built up unmatched by other games. The battle is a real "natural," and although Hillcrest has always managed to come out on the long end of the horn, there never has been a game decided by more than three runs, and that on but one occasion.

Following the end of each round, managers will be asked to cast a ballot for an all star team. The composite tabulations should produce an excellent squad at the termination of the season. And some of the positions will be difficult to decide.

Shorty Simms, third sacker for the Hillcrest Blues, is regarded by many close observers as the best hot corner guardian in the city.

The LOOKOUT

'ROUND ABOUT THE HILLTOP

That local church council which reprimanded two young lads for whispering during church services. But three of the fathers dozed twenty minutes of the sermon a few Sabbaths preceding (which reminds us of that passage about sinless ones casting rocks). . . .

When that double wedding occurred in Ky. a fortnight ago, Elsie Little saw the party of the second part walk away with her once cherished "heart"—but word comes in that she's satisfied. . . . Orchids to Chas. Coutillier's parents, who approach their seventieth wedding anniversary. . . . Flo Haulgren is collecting salad recipes, along with others (watch for future developments). . . . Mr. McClelland painting the side of a house from the luxurious comfort of a rocking chair. . . . Things I can't imagine: Chas. W. Walton, sliding into home plate head first. . . . Harry Judy, one of my favorite people. . . . That local gentleman who is constantly borrowing his neighbor's ladder to retrieve his cat from a tree (Naw, he didn't make that one up). . . . Lee, the tailor, reading the morning paper, then placing it back in the box. . . . Freddie Draper is headed for the altar (or is it just another false alarm?). . . . What ever became of Jack Wymer? . . . Carl Stahlt suggests the picture of Julius Caesar. . . . I never saw George Schultz in a hurry. . . . Charles Minshall is a replica of his brother Larry. . . . Wonder why Bob Jones is laying off the nicotine habit? . . . Joe Hutchison's dog is a carpet-biter dog . . . Ketchon? . . . They tell me that "One-eyed" Connelly is a piker compared with Walter Miles. . . . Madge Markins and Betty Coutillier resemble each other. . . . I used to chew grass by the acre (almost) so my mother wouldn't smell smoke on my breath. . . . But it's the nicotine on the fingers that is the give-away. . . . Mrs. Leo Schneyberger hopes her husband doesn't "squeak when he gets old." . . . The crunching sound caused by the mastication of potato chips always makes me think of the old home town (where the horses were). . . . My dad believes in the Great Bolshevian Theory. . . . O. H. Craft contributes the striking phrase of the week: "The Socialists will never gain ascendancy in this country because the Democrats and Republicans absorb their ideas as the times demand."

WHEW!

It was one of those broiling hot days of last week. And Mrs. Jack Shank sent daughter Nina into the basement to burn a small basket of waste paper, thinking that such a small amount would not generate enough heat to raise the temperature on such a day.

Jack, upon his arrival home that evening, passed a register out of which came a withering blast of heat. He was thunderstruck. Furnace heat is generally an accommodation, but not on such a blistering day as the one in question had been.

He called the wife and she explained that a mere basket of paper had been burned. And Jack, investigating, found that the small basket of paper had ignited a furnace full of coal placed there last winter. And Mrs. Shank and daughter had thought the day uncomfortably warm.

"Try and figger out winmin like that," says Jack.

THEY'RE SO INTERESTING

Prologue: A micron is a unit of measurement and is equal to the millionth of a meter.

It actually happened as Frank Melnbrook tells it. They were giving a special course at the university for students who had been out for some time. The professor was reviewing some of the newer theories which had come to be accepted in the field of physics in recent years.

As he proceeded, he spoke of electrons and protons, etc., and as he concluded his lecture and was leaving the room, he was accosted by a woman student.

"Oh, professor," she obed, "can't you tell me something about the micron? They're so interesting!"

Boy's Foot Cut

When he stepped on a piece of glass Monday night, Jack Owens, 13, of 380 Clarendon Ave., sustained a severely cut foot. He was treated at White Cross hospital.

Reds In First Place When St. John, Warren Ave. Win

Hillcrest Team Wins Fifth Consecutive Victory As Lutherans and Nazarenes Topple Leaders In Church League; First Round Ends.

By winning their fifth consecutive victory Monday night on the Westgate diamonds, the Hillcrest Reds rose to the top of the heap in the Hilltop Church League, assisted considerably by the excellent play of Warren Avenue and St. John Lutheran on Friday night, which squads turned in startling upsets by defeating the league leaders.

The leaders had little difficulty turning back Glenwood and Westgate by respective scores of 18 to 1 and 15 to 2 and have but the St. John Lutheran team to hurdle to assure them of a first place tie at the end of the first round. The Hillcrest Blues also had no trouble in disposing of Glenwood by a score of 17 to 7.

In other games Monday, St. John trimmed Hilltop C. of C., 7 to 4; Hoge Memorial whipped Warren Avenue Nazarene, 6 to 1, and Glenwood Tri-Mu finally broke loose to break into the win column at the expense of Burgess U. B., 11 to 2.

Games Tonight

Tonight, on the Westgate diamonds, the St. John Lutheran-Hillcrest Blue battle will be the main attraction. The Lutherans have been playing on and off ball throughout the round, and should they be on tonight, the Blues may be eliminated from the race. Other games include: Warren Avenue Nazarene vs. Westgate; Burgess U. B. vs. Hoge Memorial; and Hilltop C. of C. vs. Glenwood Tri-Mu.

League Standing

Team	W.	L.	R.	O.R.	Pct.
Hillcrest Reds	7	1	72	21	.875

Glenwood No. 1	1	5	21	72	.167
Hilltop C. of C.	1	6	35	71	.143

Monday night, the first round of the season will be completed with five games being played. The games scheduled are: Hillcrest Reds vs. St. John Lutheran; Warren Avenue vs. Burgess U. B.; Hoge Memorial vs. Glenwood Tri-Mu; Westgate vs. Glenwood; and Hillcrest Blues vs. Hilltop C. of C.

Should these games run true to form, which is not probable, the two Hillcrest teams will meet at a later date to decide the winner of the first round. Each team at the present has dropped one battle, the Reds losing to the Blues, and the Blues being trimmed by Warren Avenue.

Blues Bounced

The Hillcrest Blues were taken for a ride in the first game of their Friday double header when Warren Avenue took a 3 to 2 decision in a bitter game. The winners counted all their tallies in the initial frame and thereafter not a hit was registered off the shanks of Ballard.

Meanwhile, the Reds were trimming Glenwood Tri-Mu 7 to 2 and edging Burgess U. B., 3 to 1, and St. John was spilling dope buckets by trimming the Warren Avenue team which had just set itself to share first place honors.

Wolfe again slow-balled his way to victory, but was helped materially by two mighty triples off the bat of Siegwald. The final score was 3 to 2.

Hoge Memorial took Hilltop C. of C., 7 to 4, after the latter had dropped one to Burgess U. B., 6 to 2.

Westgate hammered two St. John twirlers to win 11 to 4, but dropped its second engagement to the Blues, 7 to 1.

Two Cent Stamp Rate Effective Locally

The order of Postmaster General Farley restoring a two-cent local rate on first-class postage, July 1, applies to letters mailed to Upper Arlington, Bexley, Grandview and suburbs of Columbus, Postmaster James R. Geren said, Wednesday.

It is also applicable to all mail for local delivery which can be dispatched by Columbus postmen, or rural carriers working out of the Columbus office, Postmaster Geren said.

Public Invited

The Hilltop School of Music summer school is meeting with great success. The idea of the pupil being with his or her teacher every morning for one hour is in itself a stimulation to the study of music. The public is invited to drop in any morning and enjoy "listening in" to the classes.

Sullivant Ave. May Be Widened

Residents Also Ask Extension Through to Main St. As Co. Agrees to Trackless Cars.

Ben W. Marr, president of the Columbus Railway Power & Light Co., Monday night told city council that his company would be in favor of establishing a trackless trolley line on Sullivant avenue if the city would improve the thoroughfare with federal funds. He also expressed a desire to extend the present service past Hague avenue and operate a service on Hague avenue, between Sullivant avenue and Broad street.

Mary Rentz, proprietor of Benta' Food Shoppe at 2008-8 Sullivant Ave., was the spokesman for a large group of residents at the meeting Monday. She asked council to consider widening the street 10 feet and also to consider the continuation of traffic through from Sullivant avenue to Main street by means of a bridge across the Scioto river. No action was taken on this by council.

Receivers for the Cincinnati and Lake Erie Traction Co. will be called before council next Monday in an effort to learn their attitude concerning the proposed changes.

Council agreed to provide curb zones for the proposed bus service if the change is made.

Musical Artists At Revival

The Crosby artists pictured above, has been secured to provide the special attraction to sacred music lovers during the tent meeting to be held July 2 to 23, by Highland Avenue and Sullivant Avenue Friends churches. These services are to be conducted one half block north of Sullivant on Wrexham avenue.

Their principal instrument, with which they are portrayed above, is especially adapted to the interpretation of sacred music. They will give a half-hour musical concert each evening, preceding the evangelistic service.

The evangelist for this series of meetings is Rev. Dwight Ferguson, who recently conducted services at Sullivant Avenue Friends church, and who has many friends on the Hilltop. The pastors of the two churches will assist in the song services each evening.

Bonus Votes Offered By Hilltop Business Men

Race Narrows As End of Contest Approaches; 4,000,000 Votes Already Tabulated; High Ten Hard Pressed By Other Contestants.

With but three weeks to go in the Hilltop Business Men's World's Fair contest, a wild scramble for votes is being made. With millions of votes already collected, leaders in the various districts are putting forth every effort to retain their slim leads.

The past week marked an exceptional one in the number of votes collected. One contestant rose from obscurity to second place in his district when he spent an entire day scouring the community for the valuable coupons. Starting at 6 o'clock in the morning, he went from house to house until evening, and he's now definitely in the race.

Others, who have accumulated great numbers of votes throughout the campaign, are struggling to retain their leads. C. C. Wilcox, who checks the points at the Hilltop Bank, said this week that the race had been narrowed down considerably, but with one exception, no places had been clinched. More than 4,000,000 votes have been tabulated thus far.

Officials of the Business Men's association were to have met this morning to name a chaperone for the trip. Due to unavoidable and unforeseen circumstances, election could not be held in time for publication this week. Final plans, however, are well under way and will probably be announced, in part at least, in next week's issue of the Record.

Bonus votes will again be offered this week by the participating merchants. In an advertisement on page four of this issue is listed a series of articles, the purchase of which will be rewarded by 1000 votes.

The contest will close on Saturday morning, July 15. All votes must be checked at the Hilltop Bank no later than noon of that day.

Directors Named At Playgrounds

Westgate, Holton and Glenwood Recreation Centers Open Summer Seasons Monday A. M.

Hot summer sunshine and idle hours chased Hilltop kiddies from the city streets Monday to the three local playgrounds which started operations under supervision this week. Taking advantage of the many improvements provided by the recreation department under the direction of Charles Seddon, local children flocked to Glenwood, Holton and Westgate grounds in great numbers throughout the opening day.

Safety Director C. C. Williams announced the selection of playground supervisors for various city playgrounds late last week. Thirty-seven in all, were named, at the recommendation of the recreation director.

On the Hilltop, Bob Haubrich, former football star at Ohio State university, will be at Westgate park, assisted in the mornings by Marie Colburn. Miss Colburn will also assist at Holton park in the afternoons. Carl Holycross is the director throughout the day, there.

At Glenwood, Don Long and Marjorie Marshall will be in charge of activities. A summer program of wide variety and pleasure is being mapped out at all recreation centers.

Hilltop Angler Lands Hefty Bass As Others Let Big Ones Loose

As far as is known, Curt Wilcox, manager of the Hilltop Bank, and Dr. John H. Czatt, 2369 Crescent Dr., are the champion first day fishermen on the Hilltop. They opened the season last Friday morning and snared five fine bass and went back two days later and caught two more, almost as big as the two that got away the opening day.

For Curt was eager to relate about the two beauties that got away—of how they made the water foam and boil as they furiously swirled about—of how they almost were caught, only to make one splendid leap in a final effort and dislodge the hooks from their mouths. It has been ever thus—the biggest fish got away.

But John L. Brown, 233 N. Warren Ave., didn't have to tell about the one that got away. For his catch Sunday was a record for Central Ohio, the small mouth battler landed by him weighing five pounds and five ounces. He used an artificial crab wriggler and made his haul in the Scioto river, just north of Haydu Falls.

But as for telling where they went fishing, the bank manager was reticent. "We're going back and get those big ones," he said, as he tried to convince the reporter that their Friday escapade had no news value and would only serve to stimulate a vicious razzing for them.

Hawaii Graduate

Constant Muth, son of Mr. and Mrs. W. H. Muth, 30 N. Warren Ave., returned last week from Honolulu, Hawaii, where he was awarded a degree from the university there. He went to Honolulu in 1930 and was graduated from West High school in 1925. He will leave for the coast soon, where he will seek employment.

West Church League Notes

Russ Friend, well known among the older Hilltop athletes, is still slugging them sensationally around the hot corner for the Lutherans and hitting with old vigor.

"Lefty" Logan, Burgess U. B. twirler, will cause sorrow to some aspiring squad before the curtains fall on the season. The youngster has excellent control and whips them in with no little hum.

Curt Wilcox of Glenwood Tri-Mus says: "Watch us the second round." The addition of Harold Mason to Hoge Memorial's outfield corps makes the squad a contender. His heavy hitting and neat fielding would have saved the Presbyterians from early season losses.

Of Interest to the People of the Hilltop and Vicinity

Volume XVII — THE HILLTOP, COLUMBUS, OHIO, FRIDAY, JUNE 30, 1933 — No. 10

The LOOKOUT

'ROUND ABOUT THE HILLTOP

Jimmie Hawthorne's pet razor strop. . . . Harry Siegwald, upon being invited to his sister's wedding, queried: "Whadayagonnahavetoeat?" . . . That Draper wedding announced hyar last week will occur in Aug. . . . And Atty "Tag" will sing. . . . No one stares with the placidity and calm of Herb Deems. . . . I am told that no blonde can be called striking, but I opine that many pack hefty wallops. . . . Howard Slicker, whom we wondered about a short while ago, pens a short letter from Wichita, Kansas, where the entire family is living. . . . Says he read about himself in the Hilltop Record (By Golly, everybody reads the Record, from Central avenue to Wichita, Kansas. Try a want ad) . . . We've never seen Ross Glick and his wife (Thelma Salee) together. Don't jump to conclusions, all is well, all is well) . . . Whatever became of the great AAPO? . . . Haven't heard from Bill Pearch in a long spell. . . . That local gentleman, who losing all in a certain Loan Co., went home with a heavy heart expecting the worst from his wife. And she merely smiled and said quietly: "Well, we had a fine time making it, didn't we?" . . . Wonder if the lady on North ——— who thinks this column is a lot of huey would feel better if her name was mentioned herein? . . . Wonder if those billboards south of Broad and west of Hague could possibly be eliminated? . . . Almost payday again! (What! That joker get paid?) . . . Operator's note: "How does he manage to have such a nice, young chauffeur drive him home from the ball games on Monday nights?" . . . And closing with Chas. X. Apel, who is doubly henpecked now since that Easter chick he got Norma has begun to cackle.

JULY 4TH

A day of bursting crackers and fireworks, wherein many are injured and killed. A day in which the youth of the land are more firmly impressed by the glory of battle and bloodshed. A day of education—a vital day in the mental development of the young.

Read any history, ad you visualize a line of battles—wars on wars—bloodshed and human suffering. It does no good to preach "Peace! Peace!" in the colleges and universities of the land with pacifism and anti-militaristic thought. Down deep in the student's mental nature there has been impressed upon him from childhood the glory and the honor due a soldier of the battlefield. He has been a soldier in the vacant field while a boy. He has rigged himself out with swords and guns and cannons and tin soldiers since the day he was first able to enjoy playthings. He has been given fire-crackers and torpedoes to celebrate Independence Day in militaristic fashion. He has been educated a soldier. He shall always thrill to the march of feet and crack of cannon—until someday, he shall meet them on a field red with human blood. Then he shall know.

How much is the cost of it all? This fourth of July—not in money wasted on fire-works—not in the death toll—but in the mental impressions cast on plastic minds. Minds that should be trained in the causes of peace.

What are the chances of observing the Fourth of July instead of celebrating it? They are mighty small so long as those who cry "Peace!" mingle it with roman candles, sky rockets and torpedoes.

A sunk sat on a stump. The skunk thunk that the stump stunk, and the stump thunk that the skunk stunk.

Repeat "Toy Boat" three times as rapidly as you can.

May Be Single Head At West

No Official Action Taken On West High Principalship Yet, According to Board Member.

With the announcement by the board of education Tuesday that teachers' salaries would be paid in full Saturday, July 1, came the report that the placement of teachers and the appointment of school principals would not be made until it was learned whether or not the board would receive financial support from the state.

According to Ray G. Hauntz, member of the board, drastic measures will be necessitated unless assistance was forthcoming before the present legislature adjourns. Many teachers will be released and no new ones will replace vacancies.

Although cognizant of local rumors that but a single principal would be engaged at West High next fall, Hauntz said that no action had been taken by the bdoy, and that Superintendent J. G. Collicott had no recommendations. It had been learned from reliable sources that both the senior and junior high schools at West would be under one head with the beginning of the September semester.

According to information available, the choice would lie between H. H. Keighley, present junior high principal, and O. H. Magly, head of the senior high. Neither had any statement to make prior to the closing of the second semester in June.

"I know nothing of any anticipated official change," said Hauntz this week. "It is entirely possible that the same set-up will prevail when the schools open in the fall."

Further Plans Announced For Street Repair

Traction Co. Will Be Ordered From Streets If National Approval of Improvement Fails.

Fourteen improvement projects for the city of Columbus, including the repair and possible widening of Sullivant avenue from Central to Hague avenues, were approved by city council at its meeting of Monday night. The public works program will entail a cost of over two and one-half million dollars, all of which will be furnished by the federal government under the provisions of the national recovery act.

The list of improvements were turned over to director Fred Rowe of the State Public Works Commission Tuesday from where they will be forwarded to Washington for approval.

The Sullivant avenue project, the cost of which has been estimated at $83,500, is regarded as the third in importance by council in its list of 14.

Some doubt has been expressed by officials concerning the approval of the local project. Sullivant avenue is not a through highway and may not be among those improvements approved by the national administrator.

In a special session Monday afternoon, council made further plans to pave Sullivant avenue along with Town street and Central avenue. The Cincinnati and Lake Erie Traction Co. will be ordered off the streets of Columbus should it be unable to finance the laying of new tracks here. J. H. McClure, one of the receivers for the company said Monday that this would be impossible at the present time. Should the project meet the approval of the national administrator, the company will be forced to remove its cars immediately. Should the project fail to be approved, however, it was reported that the company will be permitted to continue operation within the city limits until the expiration of the franchise in July, 1934.

C. H. Campbell, 91 S. Westmoor Ave., and family, spent Sunday visiting relatives and friends at Bidwell, Ohio.

FAREWELL PARTY

A "farewell party" was given on Friday afternoon, June 23, at the home of Mary Catherine and Ruth Elaine Groves, 28 Midland Ave., in honor of Jacqueline and Betty Shannon, and John and Billy Massee, by their little playmates.

The Shannon sisters left for an extended visit of several weeks in Nashville, Tenn., and the Massee children left for their cottage home in Wellston, for their summer vacation.

Four attractive tables were arranged in the club house at the Grove's home for the party luncheon which was furnished by all the children.

Games were played on the lawn under the shade of the large trees and a most enjoyable time was had by all in attendance.

Among those present were the guest of honor, Jacqueline and Betty Shannon, John and Billy Massee; others were: Elizabeth Howe, Patricia Shannon, Jane Brooks, Ruth Saxby, Gabriel Bailey, Mary Catherine and Ruth Elaine Groves, Donald Noe, Edward Francis, Jimmy Saxby, Dan, Dick and Jack Higgans.

Two to One

The "troop curious" for the championship of Troop 102 will be exhibited Tuesday evening at the Crystal Rock gymkhana when the Battle-Axes under the leadership of Frank Howard, assistant scoutmaster, try to make it three wins over the Ax-Battles, in charge of John Wolfe, scoutmaster. West Church League Notes

"Doc" Dodds, hot corner guardian for Glenwood Tri-Mu, led the squad from the depths of a batting slump two weeks ago with a quartet of doubles and a triple in five trips up against the Church of Christ. And the team is preparing for a brilliant second round, according to reports.

The second round in the loop which will get under way soon, should be quite interesting. Glenwood Tri-Mu, Hope Memorial and Warren Nazarene appear to be the strongest teams and stand the better chance of displacing two fast Hilltop aggregations, St. John and Westgate, along with Burgess U. B., might prove hard to beat by playing consistent ball, while the Hilltop Church of Christ needs additional experience.

Caper dressing is made by adding 2 tablespoons capers, 3 tablespoons chopped green peppers, 2 tablespoons chopped pimento, stuffed olives and 1 tablespoon of chili sauce to ½ cup of French dressing. This dressing blends well with lettuce or vegetable salads.

Non-Partisan Celebration

Planned for July 3rd and 4th At Red Bird Stadium—Clowns, Aerial Acts, Fireworks.

The largest fireworks display ever seen in Ohio is being planned for the July 3-4 celebration to be held at the Red Bird Stadium in Columbus, the two-night show sponsored by the Buckeye Republican club as a non-partisan entertainment for the enjoyment of everyone.

In four parts, the show will run not less than four hours, the gates opening both evenings at 6:30 p. m.

A company of 15 professional clowns will open the show with a variety of comedy acts. They will be followed by an hour of entertainment offered by various civic enterprises which include dance offerings by the Mary Curl, Eddie Powell and Jean La Roe schools, drills by the Moose drill team and the Eagles drill team, music by the American Legion Band and the Columbus Choral Society and a demonstration by the Blose Post American Legion Drum Corps.

The third part of the festivities will be thrilling entertainment by 12 or more professional circus acts, including the celebrated Flying Aces, Les Cattiers (working 115 feet in the air); Billy De Arnes, juggling wonder; Vera Springe and company in a daring trapeze act and a number of other acts of international fame.

Closing the program, and lasting about an hour, will be a gigantic display of fireworks of every conceivable kind. One of the features will be a replica of the civic center, the A. I. C. Citadel, City Hall, Jail and new State Office Building, all in fireworks.

Camp Fire Girls

Mrs. Arthur G. Wyatt, former local Camp Fire executive, is opening a camp for boys and girls 6 to 10 years old at Ash Cave in Hocking County on July 10. It will continue through the summer. The camp will be based on Indian tradition and will offer a full program of activities including nature camp craft and games. The children projects, woodsy handicraft, swimming, will sleep in floored, screened tents and be taught to swim in a shallow pool in the creek. Milk and sanitary conditions will be inspected regularly by the health department. Mr. Wyatt will be at the camp evenings and Saturdays and Sundays and will have some special activities for the boys.

A need for a camp of this type has long been felt by parents of children whose older brothers and sisters go to children get the camping fever before organization camps and by those whose they are old enough to go to large camps.

Any parents who are interested may get in touch with Mrs. Wyatt until July 1. After that she will be at the cabin, Ash Cave, Logan, Ohio.

The LOOKOUT

ROUND ABOUT THE HILLTOP

Seems as though there was some mistake about the interpretion of an item chronicled here a fortnight ago . . . The item said Dr. W. L. Darflinger and bosses would move to the farm . . . But he's still yanking molars at his Broad-Hague office. . . . And that lassie on Richardson avenue whose name has appeared in a Sunday Triviality, wonders why she never crashed this pillar . . . But her friend Spook Wade has. . . . Bob Henery is teaching his son to throw with liber souper, to make an ambidextrous ball player. . . . Frank Brown, one of my favorite people. . . . Why do they call Johnny Blevins "The Kingfish?" . . . On the hottest of days, Otto Mattox seems most cool and unperturbed. . . . Gene Beeaus held a good no trump bridge hand tother eve, with AKQ in four suits, with a 10 spot of hearts. But he couldn't make a big push because he couldn't get into his partner's hand to toss away the 10. . . . Jim Henery can't sleep without a fight (Boogy.. Boo!). . . . One may accurately set a timepiece by the regularity which marks Mrs. Sherm Edwards' evening stroll toward Broad-Hague to fetch the husband home. . . . If ice cream cones were as big as those pictured on the windows—Oh! Boy! . . . Wonder what the hoss likes better than those big bass that George Pekras brings in so regularly? . . . They tell me that certain folks a believing a false rumor about a local couple whose affair went on the rocks. They say it was because he lost his job. But it's not so—and cabbages to those gossips. . . . Wonder what has become of Vernon Phelps? . . . And those huge stumps they haul down Broad street sometimes, are used in the manufacture of table tops, in case you care to know. . . . A local lady (Mrs. R. D. Hastings) hearing her husband mention the purchase of a pipe already broken in, wondered aloud: "Who breaks them in?" . . . Mary Krejci once ate a bar of Ivory soap (not an advertisement)

Eddie Hertenstine, who professes great knowledge and perception of baseball and its ramifications. . . . Virginia Doolittle, who thought her name would never appear here, has heart interests in Athens, Ohio. . . . Apologies, Mr. Balo, we forgot sometime back when we mentioned Cleo Kellar, that you had changed her name. . . . Quotation: (When Jack S. is speaking to his wife) "I listen—take it all in—then go and look for myself."—Mrs. Jack Shunk . . . I've never found an ash tray which has all the gadgets necessary for smoking comfort. . . . Those two Hilltop women in such vigorous verbal combat—but separated by a screen between the two porches. And the battles raged on. . . . Dave Matson wears a skimmer straw hat better than anyone I know. . . . Mayor Worley, who over a month ago, favored an old man for fire chief, changes his mind to favor a young man. . . . That local Napoleon of the Bridge Table met his waterloo at the hands of Paul Milliken and Elmer Hegenberger . . . Jimmie Wagner, who keeps score at church league games equipped with a pair of smoked glasses (the better to see with, my dears)

If It's Good It Will Sell

Advertising is merely an informative agency. It can neither make bad merchandise good, nor good merchandise bad. If you operate a home business, or if you have items to sell, if they are good and needed by someone else, a want ad in the Record will bring them to you.

Just pass the word along by using a Record Want Ad. You can't expect to sell a fleet of battleships to Switzerland—no matter how expertly they have been constructed. If you have something in demand—and if it's good—it will sell, though.

Advertising won't make it any better—but it will tell people who want it—who has it and where they can get it. Try a Record Want Ad!

City Purchases Park Addition

Holton Recreation Center to Undergo Immediate Improvement.

As a result of the efforts of Wyatt L. Milliken, Mayor Worley Saturday authorized the purchase by the city of land adjacent to Holton Park for the sum of $4000. The property, formerly owned by Willis Heed, is composed of two strips, one lying north of the present park, adjacent to Eldon avenue and north of Westwood drive, extending north to the Big Four railroad. The other strip lies along North Eureka avenue and Eldon avenue.

Improvements Planned

According to Milliken, immediate improvement and landscaping of the plots will be in order. He pointed out the necessity of a sidewalk along North Eureka avenue and the construction of a stone wall near the culvert under the road.

Trees and brush will be removed from the two plots and the areas levelled for planting of shrubbery. Heretofor the strip of ground near Eureka avenue has been used as a dump and has been an eyesore to the community.

The purchase of the land has been sought by Councilman Milliken for more that a year and a half, but the city refused to pay the price asked. Mayor Worley finally signed the resolution Saturday, when the $4000 figure was presented.

LONE HILLTOPPER TO FILE PETITION

Deadline for Petitions at 6:30 Saturday Evening.

Tom Jones, 1887 Sullivant Ave., will be the only Hilltopper to file a petition for candidate to municipal offices when the deadline is reached at 6:30 o'clock Saturday evening. He will run on the Democratic ticket along with W. H. Daily, George Ketterer, E. M. Scanlon, Lott B. Burke, J. Arthur Yoder, William C. Pullin and George Walsh, for city council nominations.

Republican candidates for the same offices are: Joe Jones, James S. Thatcher, Shepherd Edmonds, Robert T. McClure, Paul E. Bowen, Alfred L. Bailin, Denny Cross and Melville D. Frank, present councilman.

Six candidates will be nominated irrespective of party, with the Democratic fight centering around Ketterer and Daily. Mayor Worley is actively supporting councilman Ketterer and actively opposing Mr. Dailey.

Orchestra to Broadcast

The Sunday school orchestra of Hoge Memorial Presbyterian church will broadcast over station WCAH, Hotel Fort Hayes, Friday evening, July 7 (tonight) at 10:15 o'clock. Mrs. A. J. Corcoran, 96 S. Ogden Ave., is leader of the orchestra. On Thursday evening, July 6, the orchestra played several numbers at the workhouse.

Long One

When Westgate and Dana playground recreation ball teams started to play ball last Friday afternoon, they didn't know that they were in for an afternoon and evening of it. The boys played that long, however, before the local nine eked out a 4 to 3 win in 23 innings. After the score was tied in the fifth inning, not a run crossed the plate for 18 innings.

Scouts In Camp

Boy Scout Troop 181, Hillcrest Baptist church, will return tomorrow from a week's summer camp in the open. The troop left Sunday, July 2, and were under the leadership of Noble L. Allen, scoutmaster, and Arthur Raesman, assitant scoutmaster.

Opens Market

Harry Elder, 202 S. Burgess Ave., announced this week that he had purchased the confectionary at 2516 W. Broad St., and would open a market immediately, carrying groceries, ments, fruits and vegetables. The store will be known as the Broad-Terrace Market.

To Have Outing

The Goodwill club of the Westwood K. of P. and the Westwood Pythian Sisters will sponsor a picnic Sunday, June 9, at Oak Grove park near Georgesville. Transportation will be furnished and the group will leave the hall at 1:30 o'clock. Those attending should bring baskets and table service. Contests will be held for old and young and will be in charge of Bill Ardle, George Rings and Bill Ruffing.

Open On Time

Columbus public schools will open on schedule on Sept. 5, according to an announcement from the office of Supt. J. C. Collicott this week.

Tent Leader

Rev. Dwight H. Ferguson, leader of the holiness tent meetings sponsored by local Friend churches, will continue services next week at the assembly place, Hilltonia and Sullivant avenues.

Second Round Opens Monday

First Round Closes With Hillcrest Teams in Deadlock; Title Clash Postponed.

According to information received from the recreation department this week, only three teams have paid second round fees in the Hilltop Recreation Ball League. Second round engagements slated for Monday evening will be cancelled unless these fees are paid by Monday noon, July 10.

Should every team again have a squad in the circuit during the second round, the following schedule will prevail in games Monday evening: Warren Avenue Nazarene vs. Westgate Evangelical; Hillcrest Blues vs. St. John Lutheran; Burgess U. B. vs. Hoge Memorial; Hillcrest Reds vs. Glenwood No. 1 and Hilltop Church of Christ vs. Glenwood Tri Mu.

Final Standing

First Round

Team	W	L	R	O R	Pct.
Hillcrest Blues	8	1	91	22	.888
Hillcrest Reds	8	1	88	22	.888
Warren Naz.	6	3	61	31	.667
Hoge Memorial	6	3	58	45	.667
St. John Luth.	4	5	44	80	.444
Glenwood Tri Mu	3	6	47	47	.333
Burgess U. B.	3	6	46	65	.333
Glenwood No. 1	3	6	65	86	.333
Hilltop C. of C.	1	8	36	94	.111

Games scheduled for July 17 are: Hillcrest Reds vs. St. John Lutheran; Warren Avenue Nazarene vs. Burgess U. B; Hoge Memorial vs. Glenwood Tri Mu; Westgate Evangelical vs Glenwood No. 1; and Hillcrest Blues vs. Hilltop C. of C.

Title Battles Delayed

The two Hillcrest teams which closed the first round in a deadlock for first place will clash at a later date, yet to be announced. Activities at the church forced postponement of the game scheduled for tonight and it is probable that the game will be played a week hence.

First Round Ends

The first round was officially terminated last Friday evening with a double header at Westgate Park, featuring the Glenwood No. 1 triumph over the Glenwood Tri-Mu aggregation by a four to two score. The Glenwood team then battled Hoge Memorial into extra innings, but dropped a six to four decision. The games had no bearing on the final standing for top honors, but produced a badly knotted grouping in the totals.

Following the Hillcrest teams in first place, Warren Avenue and Hoge Memorial are tied for third, St. John stands alone in fifth place, with the two Glenwood squads and Burgess U. B. knotted for sixth. Hilltop C. of C. brings up the rear.

No Evening Services

Dr. T. F. Chambers of Granville, Ohio, executive secretary of the Ohio Baptist convention, will occupy the pulpit of Hillcrest Baptist church, Sunday morning, July 9 at 10:45 a. m. Sunday evening services have been dispensed with during the months of July and August.

Presents Flag

Mr. Joe Comer, 2054, Apt. 4, W. Broad St., presented engine house No. 17 with a new flag July 4.

Elected

O. P. Neutzel was named president of the St. John Lutheran Men's Brotherhood at the annual election of officers last Friday night at Westgate Park. Rev. Henry Koch, pastor of the church, was elected vice president, and R. Marvin Draper, secretary.

Hilltop Boys Fatally Hurt

Swept From Top of Moving Van By Overhead Trestle; Third Boy Escapes Injury.

Two Hilltop boys were fatally hurt Saturday at Zanesville, Ohio, when they were swept from the top of a moving van by a trestle spanning the national highway there. The victims were: Dwight Jennings, aged 17, of 2076 Fairmont Ave., and Willis Roell, aged 19, of 639 Hilltonia Ave. A third boy, Phillis Ryan, 150 Guernsey Ave., escaped death when he turned to see the trestle in time to throw himself flat on the top of the van. He was uninjured.

The boys had left Columbus on an adventure tour. Roell was killed instantly and Jennings died a short while after his arrival at a Zanesville hospital.

Survivior Roell is his mother, Mrs. Jack Morrow. Funeral services were held Wednesday, burial in Greenlawn cemetery. Jennings is survived by his mother, Mrs. Gladys Jennings, and three brothers. Funeral services were held Monday in charge of C. J. Kohn, with burial in Greenlawn cemetery.

144 In Nazarene Vacation School

Bible Study and Handwork Feature Program—School Closes July 14.

The Daily Vacation Bible school of the Warren Avenue Church of the Nazarene, 646 S. Warren Ave., Rev. B. H. Haynie, pastor, is completing its second week with an enrollment of 144. The school is organized into four departments. Mrs. Lewis Welch has charge of the kindergarten; Mrs. Edward Thomas, the primary department; Mrs. Harry Thomay, the junior girls; and Lewis Welch is the superintendent of the school and Minnie A. Jones, assistant superintendent.

The first two periods of 45 minutes each are devoted to worship, instruction, Bible stories and memory work. One of the most interesting features of these periods is an object lesson and true story presented daily by Mrs. Leist.

The closing period of one hour is devoted to handwork in all departments. The handwork motto is "Making things for others." The boys are making sets of doll furniture consisting of beds, dressers, rocking chairs, straight chairs, davenport, table, and hall trees. The girls are making complete outfits for each set, including mattresses, pillows, sheets, comforts, bed spreads, rugs and dresser scarfs. They are also making a complete doll wardrobe as well as furnished a doll with each set. Other articles such as scrap books, stuffed animals and other toys are being prepared and the entire handwork project will be presented to one of the orphanages of the Church of the Nazarene.

The school will close Friday, July 14. Closing exercises will begin at 8:30 a. m. after which the handwork will be exhibited. Parents and friends are invited to attend the closing exercises and exhibit.

Airedale Is One of Most Popular of All Terriers

From mongrel to the most popular of all large terriers, at least in this country, in approximately half a century is the record that has been made by the airedale. This breed had its origin in Yorkshire, England, where its mongrel ancestors resulted from the interbreeding of the black-and-tan wire haired terrier and the otter hound about sixty years ago. From a clever and dependable mongrel it has since been developed, by careful breeding, into the airedale terrier of today which generally meets the most exacting of requirements and is considered an all around dog hard to beat.

The airedale terrier has been used successfully for all kinds of purposes, from hunting lions in Africa to guarding and playing with children; and from herding sheep and cattle to drawing a sled in the Arctic. Lively, watchful, impetuous and unusually intelligent, this dog has all the qualities that go into the making of a lovable and useful dog companion.

Dandelion Cultivated

The common dandelion, pest of the lawn grower, is not so unwelcome in Europe as in this country. Across the Atlantic the dandelion is highly prized as a green and is cultivated for table purposes. Its flower, too, is used in preparing a wine which is held in high favor by those who use it. It lures a hundred or more insects, from bees to butterflies, which visit it for nectar and pollen.

Two other names have been given the dandelion—blowball and peasant's clock—although these names are not so common in the United States.—Washington Star.

Morning

By ETHEL TITUS WORTHEN

Dawn sweeps across the eastern sky
In flouds of golden light.
And from behind the horizon,
The sun bursts flaming bright.

Birds awake in their hidden nests,
In bush or bough of tree;
Flowers kiss the sparkling dew
Not least exquisitely.

All nature stirs and puts her robe
With jewelled crown adorning,
In city, town, or countryside
Proclaims the joyous morning.

Tempting Desserts For Hot Days

First Week in July

Hot, with its heavy desserts are as out of place in summer as a fur coat. Avoid them if you would keep your family healthy and happy. Fresh fruits or deserts made from them, light cakes and cookies are the appetite teasers at this season.

It is a good time—speaking of cookies—to keep the cookie jar filled for unexpected guests have a way of dropping in in summer, and with some dainty cakes or cookies and a fresh fruit dessert you are ready for any emergency as far as the end of your meal is concerned. Here are some recipes for cookies that everyone likes.

Sugar Cookies

2½ cups sifted flour, 2½ teaspoons baking powder, ½ teaspoon nutmeg, ½ cup butter or shortening, 1 cup sugar, 2 eggs, well beaten, grated rind of one lemon, 1 tablespoon rich milk or cream.

Sift flour once, measure, add baking powder and nutmeg and sift together twice. Cream butter, add sugar gradually and cream until light. Add eggs, lemon rind, and milk and beat well. Add flour, a small amount at a time. Beat after each addition, until smooth. Roll into a thin sheet on a slightly floured board. Cut with floured cookie cutter and dredge with sugar. Bake in a hot oven 7 minutes. Makes 2½ dozen 3-inch cookies.

Molasses Cookies

2½ cups sifted flour, 1 teaspoon baking powder, 1½ teaspoon ginger, 1 teaspoon salt, 1 cup molasses, ½ cup butter, 2 teaspoons soda.

Sift flour once, add baking powder, ginger and salt and sift again. Heat molasses, remove from fire and add shortening and soda. Add flour gradually. Chill. Roll very thin on floured board. Cut with floured cookie cutter. Bake in moderate oven for 10 minutes. Cool. Makes 8½ dozen cookies.

Jellied Strawberries

1 quart fresh strawberries hulled and drained, 1 cup sugar, 1 package gelatine, 1½ cups boiling water.

Combine strawberries and water and let stand one hour. Dissolve gelatine in boiling water and pour over berries stirring occasionally as they cool. Chill until mixture jells. Serves six.

Rhuber Tapioca

Soak 2-3 cup tapioca over night. Drain, put in double boiler with 1¾ cups boiling water and 1 1-3 teaspoons salt and cook until tapioca has absorbed water. Sprinkle 2 cups chopped rhubarb with sugar and add to tapioca. Cook until tapioca is transparent and rhubarb is soft. Serves six.

To remove fruit and vegetable stains from table linen, soak in a strong solution of borax.

Custard pies should be started in a hot oven (375 degrees Fahrenheit) to set the crust; then heat should be quickly reduced to 300 degrees or even less, to bake crust slowly.

GIRL SCOUT NEWS

The Girl Scout Camp KenJockety, on Big Darby, 14 miles west of Columbus, will open this week. Troops may use the camp for troop camping during July and August. Reservations should be made through the Girl Scout office and troops may stay for a few days or a week at the camp.

Day camping will begin July 11 on the Ohio State university campus, meeting at the field house, which is in the rear of Campbell hall on Neil avenue. The program will last from 10 to 4, the girls bringing their own "nose-bag" lunch. A fee of five cents will be charged and the girls attending will bring notes of consent from their parents. The day camp on the campus will include games, songs, country dancing, handicraft, work on second and first class rank, storytelling and the study and use of foods for picnics. These will be open to any Girl Scout or any girl who wishes to become a Girl Scout who is ten years old.

Beginning Thursday, July 13, second class Girl Scouts who have passed their thirteenth birthday will have a day of camping at Indian Springs at the same hours. Work on first class, outdoor cooking and pioneer work will be on the program. A note of permission and ten cents will be brought by each camper. Registrations for this camp must be made through the Girl Scout office no later than Wednesday, at which time each girl will be told what to bring.

CAMP FIRE GIRLS

Mrs. L. B. Pence, guardian of Towlka Camp Fire group, and part of the group will leave for a group camp Sunday, July 30. She will also take a group to the day camp being held at Indianola Park. The group decided to have meetings every other week.

BOWS AND PLEATS
By CHERIE NICHOLAS

Watch pleats! Already in Paris they are enjoying a big vogue. Many of the most successful evening gowns, especially those of monotone pastel chiffon, have skirts which are fine accordion or knife-pleated the whole way round. In the Lanvin gown to the left in this sketch pleats are discreetly and effectively treated. The idea of using wide pleats for the capelet in contrast to the finely pleated flounce on the skirt is very original and daring. And bows! It is impossible to overdo the bow fad. Fashion is "saying it" with bows every hour in the day and the night for evening frocks fairly revel in bow trimmings. The big bow which fastens the little capelet on the Lanvin gown is one way of interpreting the bow movement, while the conspicuous green velvet bows which distinguish the Paton evening gown of pink satin sketched to the right gives an entirely different impression of how bows and bows are being employed in the most "fetching" of the season's modes.

The LOOKOUT

'BOUND ABOUT THE HILLTOP

Bob Sherwood, of Popeye fame, knows all the people in Greenfield, according to reports—especially the guris . . .The local lady, who, endeavoring to imitate the comic contortions of a movie comedian, sustained a severe contusion (bruises to you) over her right eye . . That flag, at the Ogden-Broad filling station, which was tattered, has been replaced—and but a week after the criticism here . . . And that news picture series is fresh as rain every week at the Htp. Bldg. and Loan . . . Personal nomination for the most difficult job in the world: Driving a car down Broad St. while lapping an ice cream cone on a hot day and keeping the derned thing from dripping . . . Ironic simile: As important as chain store supervisors . . . Things I can't imagine: Ray Roese with hair disheveled (amussed up, to you) . . . Bob Nowell and Bill Oliver no longer comb their hair . . . Chas. Crues, the only chap in the community that has stood the heat without a murmur . . . The Ralph Welches (Ruth Allers) of whom we have not heard in a long spell . . . They're asking if Chas. Welch, Ralph's younger brother, is wedded . . . The Dwight Fraziers (Daisy Lee Stansbury) are at home in W. Jeff . . . The linotyper here has been singing "In the Valley of the Moon" just that much of it) for 25 minutes . . . Listen: In the Valalulalal—eeee of the mee-on.

Geo. Ruder, the dedeckatif, who fell on his haid tother eve, and they took four stitches. Must be weakening with the years, falling for no reason at all . . . Ed Johnston of the B-H Hdw. is not married, despite reports, but gets daily mail from a burg in Aris . . . And Sam Toy (gentleman of the press) found out tother afternoon what would happen if a firecracker exploded inside a milk bottle . . Jack Shank says he never bought a firecracker this year—his wife having placed a spring on the screen door . . . Add quotations: "I'm happier than I've ever been!"—Mrs. W. Ralston Westlake (Helen Siegwald) . . . Elmer Smith is the fastest reader I know. Often he devours as many as three or four average novels in a single night Aw gwan, he does too read every page) . . . T. N. Brown, math teacher at West Jr., gave Howard Kent the title of "Speedy" . . .So many flags hung incorrectly July 4th . . . Stars should always be in same position as Alaska on the map of North America . . . Whatever became of Jay Lucas? . . . And a local gentleman has learned that (applying for a civil service job) all Republicans have weak hearts, or sumpin, during a democratic administration . . . And to close with that sign in 12-inch letters over the home town store: "Dishes, Hardware, Groceries and Ice Cream Cones" . . . Guess they didn't have room for coal oil and hairpins.

COCK-A-DOODLE-DO!

They're telling one about N. W. Kent's new car, which he drove, not long ago into Scioto county for the week-end. And, there being no garage, he parked the shining vehicle in the barn.

And it seems as though a rooster, becoming inquisitive, investigated the contraption. And seeing his reflection in the panel of the door, fought and pecked himself (or his image in the door panel) all afternoon. And the next day N. W. had to have a door of his brand new car refinished.

NOT SO HOT

Comes a report this week that a certain Hilltop ball team (and a good ball team, at that) showed little courtesy or thoughtfulness in conduct last Sunday. This team, and some of its supporters, drove no less than five carloads of people over wet diamonds on the King avenue field, causing much damage to the infield there.

This is to be regretted, especially so, since the team in question has been granted special favors by the recreation department in the use of fields—for the squad is not affiliated with an organized department leage. Whadayasay, fellers. Let's co-operate.

Gets License

Bernard F. Hill, 37½ S. Eureka Ave., was licensed as a chiropractor according to announcements released Tuesday by the state medical board.

Glenwood Defeats Hillcrest Monday

Hoge Memorial, Hillcrest Blues, Glenwood Tri-Mu and Warren Ave. Other Victors.

The second round in the Hilltop Church League began with games played Monday evening, four of five scheduled games coming out according to the pre-game predictions. Glenwood Tri-Mu, Hoge Memorial, Warren Avenue, Hillcrest Blues and Glenwood No 1 were the victors Monday.

Homerly Stops Reds

Homerly, Glenwood No. 1 twirler, a diminutive lad, with a deceptive delivery and plenty of courage, took it upon himself Monday night to snap the winning streak of the Hillcrest Reds which had reached six straight. And he did it in sensational fashion, limiting the first round co-champs to five blows and winning 3 to 2.

Although other games ran true to predictions, St. John Lutheran sent a little scare into the hearts of the Hillcrest Blues, dropping a 7 to 5 decision. It was the fifth straight victory for the Blues. McCrea, Blue first sacker, hit well and played sensational ball afield.

Warren Avenue Nazarenes had an easy time dispersing of Westgate Evangelical, pounding out a 11 to 4 victory to go into a five-way tie for the lead. Hoge Memorial, behind the shutout tossing of George Owens, tallied six times against the Burgess U. B. aggregation and Elliott, for Glenwood Tri-Mu duplicated the feat by shutting out Hilltop C. of C. while his mates were pounding out 21 markers. It was the seventh consecutive loss for the Church of Christ team.

Tri-Mu vs. Hoge Feature

The Hoge Memorial-Glenwood Tri-Mu fracas Monday evening will be the feature attraction. The result is a toss-up and the winner will be tied for top honors with Hillcrest Blues, Warren Nazarene and Glenwood No. 1 —barring spilled dope buckets and the like.

The schedule for Monday is as follows: Hillcrest Reds vs. St. John Lutheran; Warren Avenue Nazarene vs. Burgess U. B.; Hoge Memorial vs. Glenwood Tri-Mu; Westgate Evangelical vs. Glenwood No. 1; and Hillcrest Blues vs. Hilltop C. of C.

Bellmar Market Changes Owners

Combination Grocery and Service Station at Hague-Steele, Now Chamber's Market.

Announcement is being made this week of the change in ownership of Bellmar Market, located at Steele avenue on North Hague. Melvin Chambers, formerly of Middleport, will be the new proprietor, change of ownership having been completed early this week.

The store was formerly known as Crues's Corner and later as the Bellmar Market. Mrs. Chambers will assist in the grocery, while Mr Chambers will be in charge of the service station. A high class line of groceries, meats and vegetables will be carried, while Sinclair products will be featured at the service station. An ice house will also be operated in conjunction with the service station.

Mr. and Mrs. Chambers were married last Tuesday in Circleville, Ohio. Mrs. Chambers, the former Miss Martha Holstetter, is a native of Pomeroy, Ohio. Both come to the community highly recommended and plan to participate in Hilltop affairs.

Two Hilltoppers Pass Medical Exam

Two applicants from the Hilltop passed the examinations of the state medical board according to announcement released Wednesday of this week. They were: William Laudnere Pritchard, son of Dr. William H. Pritchard of the State Hospital, and T. C. Allenbach, 28 N. Ogden Ave.

All but four of 242 candidates passed the examination, 26 of which were from Columbus. Two of the successful ones from Columbus were women.

Installed

Lee A. Prior, 611 S. Roys Ave., was installed as sachem of the Deerfoot Tribe No. 13, Improved Order of Red Men, Tuesday night, at ceremonies conducted at the hall at Monroe and Mt. Vernon avenues by Deputy Great Sachem John T. Miller.

Hilltop Man to Begin Medical Practice Here As Associate of Dr. W. L. Durflinger.

Dr. George T. Mathews, 32 N. Eureka Ave., will open his office for the general practice of medicine at 2760½ W. Broad St., on Saturday morning, July 15, according to an announcement made this week. He will be associated with Dr. W. L. Durflinger, dentist, at the same address.

Dr. Mathews has been a resident of the Hilltop practically all of his life, having graduated from Highland Jr. High school and West High school in 1922. He is a graduate of the Ohio State university medical school and a member of the professional medical fraternity, Phi Rho Sigma.

Prior to his advent into private practice of medicine, he was associated with St. Francis and Columbus State hospitals of this city. He recently completed his internship at the latter institution.

Crash Injuries Fatal to Aged Local Resident

Mrs. Margaret Coberly, aged 70, of 91 N. Eureka Ave., died in University hospital Sunday night of the effects of injuries suffered in an auto accident early in June.

She was a passenger in a car which collided with another auto north of Marysville on state route 31, and suffered a fractured skull, also arm, knee and pelvis fractures.

Funeral services were held Wednesday afternoon from the residence with burial in Green Lawn cemetery by Spears & Born. She is survived by one daughter, Mrs. Daisy Wilkison of Fayette, Ohio; three grandchildren, Mrs. Betty White of residence; Charles and Willie of Detroit, Mich., and four great-grandchildren.

Lead of Hospital Nine Threatened

When Safety Cab baseballers took a seven to six win from the State Hospital team in the Saturday Afternoon League, serious inroads into first place territory were made. It marked the second loss of the season for the Hospital team and both set-backs were at the hands of Safety Cabs.

The local squad now leads the league but by a half game, having won seven and lost two. The Safety Cabs have also won seven, but dropped three.

Hilltoppers in Accident

While returning from a vacation in Minnesota last Saturday, Mrs. Harry Line, son Norman and daughter Helen, and Mrs. C. H. Cramer, mother of Mrs. Line, were in an accident 13 miles north of Elkhorn, Wisconsin, which resulted seriously for Mrs. Cramer. In passing another car the Line machine was forced into the ditch, and Mrs. Cramer sustained a broken leg. She had just recovered from a broken hip suffered a year ago. The others escaped with minor cuts and bruises.

The party returned home Tuesday.

Taken By Death

Funeral services were held Monday evening for Mrs. Mary E. Whitehead, aged 65, who died Friday, July 7, at 67 S. Ogden Ave. Burial was Tuesday morning, July 11 at Shawnee, Ohio.

She is survived by two sons, John C. and James R. Whitehead; two brothers, James and David Hill; and two sisters, Mrs. Anna Swingle and Mrs. Margaret Ricketts. She was a member of the Church of God.

Hilltop Vacation Schools to Close

Hoge Memorial, Warren Nazarene, St. John and Glenwood Hold Final Classes.

Four Hilltop Bible schools will hold final sessions this week at the respective churches. St. John classes closed its program last Tuesday evening, following a picnic in the afternoon at Westgate Park. Hoge Memorial, Glenwood and Warren Nazarene will have final programs today.

Parents and friends have been invited to attend sessions at Glenwood M. E. at 7:30 o'clock tonight. The various departments of the school will have charge of the program which includes a demonstration lesson, recreation, chemical demonstration, student council meeting and handwork display.

In the school at the Warren Avenue Nazarene church, the total attendance to date has been 1430. More than 175 are enrolled in the school. Mrs. J. F. Leist is superintendent and Lewis Welch has charge of the junior boys' division.

The final hour of classes this morning at Hoge Memorial Presbyterian school will be devoted to a special program. Parents and friends of the children have been invited to attend. More than 80 pupils were enrolled during the three-week term of classes.

The program will start at 9:30 and will especially feature a handwork display. Part of these projects will be sent to Grenfel stations in Labrador. The offerings of the children will be sent to the Crossnore school in North Carolina.

Coon In Brilliant Defense of Position Against Small Boys

It's not often that a racoon's business brings him within the bounds of the city limits, yet, when the scrappy gentleman does show up, his words are few and his actions cutting. Leastwise, a visit of one coon seemed to indicate that Wednesday.

It was in the 3100 block on West Broad street, and in a tall poplar tree, a coon was whiling the afternoon away as inconspicuously as possible. He was disturbing no one and apparently did not desire to cause undue commotion.

Small boys, however, playing in the street below, caught sight of the furry rascal, and forthwith set out to capture the animal. High into the tree they climbed. Farther and farther climbed the coon. Farther climbed the boys.

Then there was some commotion. Weary of climbing, the coon started to descend. And in no uncertain terms —for boys never came sliding out of any tree faster than those who had sought to capture the coon. Spitting and scratching his way down—he soon had the tree to himself again. For the boys made haste to depart to other parts.

Picnic Day Scheduled at Holton Playground

Picnic day at Holton playground will get under way this afternoon at 2 o'clock according to an announcement from the supervisors there. One of the features will be a kiddies' bathing revue with two prizes. Families are urged to prepare lunches and attend festivities.

Rausch was named chaperone for the ten contest winners who will leave Columbus Sunday, Aug. 6, for a five-day tour of the World Fair. The winning contestants will be announced next week, following the close of the contest on Tuesday.

Rev. Ferguson To Broadcast

Rev. Dwight H. Ferguson, leader of the tent holiness meetings sponsored by the Highland and Sullivant Avenue Friend churches at Hilltonia and Sullivant avenues, will be heard over radio station WAIU each morning next week. It was announced by officials of the rally this week. The time of the broadcasts is 9:15.

Meanwhile, meetings are continuing at the tent each evening with much interest being shown by the public in the singing, music and sermons. Almost capacity audiences have greeted each evening's program and attendance is on the increase. Assemblies will continue through July 23.

Children's meetings are being held each morning at 9 o'clock at the tent. An invitation has been extended for all children to attend. Bible stories, games and interesting events make up the program.

The public is invited to attend all meetings of the churches.

Scouts Plan Second World Fair Jaunt

Having just returned from a week's tour of the Century of Progress Exposition in Chicago, officials at Boy Scout headquarters are receiving registrations for the second trip to leave Columbus Aug. 16.

Any scout or scouter is eligible to go and may make arrangements with local headquarters. The scouts are under supervision of a competent staff including the tour director, a registered physician and an adult leader for every eight scouts.

Aged Resident Succumbs Friday

Funeral services for Emma Garner, aged 85, who succumbed Friday, July 7, at her home, 70 S. Warren Ave., were held Monday, July 10, from St Paul's Evangelical Congregational church, 24 S. Warren Ave. Burial was in Alton cemetery by Wyllie S. Shroyer.

She is survived by one son, Corman E. Garner; one daughter, Mrs. Nora Clover; four grandchildren, and seven great-grandchildren; and one brother, Leonard B. Stotts.

Nine Straight Wins

Winning its ninth consecutive game in the Hilltop Merchants' recreation ball league, Dolder's Market squad breezed through to a first round championship Wednesday night on the Westgate diamonds by winning from Wayner's Market, 6 to 0. The league was to have started second round activities Thursday. Three rounds will be played in all.

Back From Trip

Dr. C. O. Miller, local optometric eye specialist, has returned from a trip with his family, in northwestern Pennsylvania. Dr. Miller reports farm crops looking very good. He made it a point to inquire of the business conditions at each point of visitation and every reply was that employment has increased.

Free Show!

Manager George Pekras of the Rivoli Theatre announced this week that he would give a free show to Hilltop children on Friday morning, July 21, at 9 o'clock.

Crash Wednesday Fatal to Driver

E. W. Weed, Aged 35, Killed When Flyer Hits Truck at Bloomingburg, Ohio.

When a fast Baltimore and Ohio passenger train struck the truck which he was driving at Bloomingburg near Washington C. H., late Wednesday, E. W. Weed, aged 35, of 288 Clarendon Ave., was killed and his truck demolished.

The body was removed to a funeral home in Washington C. H. and later brought to Columbus.

According to witnesses, Weed, who was driving a car truck, saw the oncoming train but not in time to avoid the crash by beating it to the crossing or swerving from its path. He turned the vehicle desperately to the right, but ran up over a siding and on to the track.

There were many witnesses to the crash which occurred at the main crossing in Bloomingburg.

Aviation Circus At Airport Here

Sullivant Ave. Field to Be Scene of Air Attractions Saturday and Sunday, July 15-16.

A preview of plans for the big aviation circus to be held at the Sullivant Avenue Airport Saturday and Sunday, July 15 and 16, indicates that a real air show has really "arrived" for the first time this year at the West Side air harbor.

A new four-passenger cabin Waco has been named "Miss Hilltop," for the occasion, and will be used to transport air-minded residents over the business section and surrounding territory.

Several of the outstanding features listed on the program are: A two-mile delayed parachute jump by Dave White, paralyzed Cincinnati parachute jumper; a 3000-foot parachute drop by John C. Neal of Columbus, and Allen Hale and his acrobatic "Autogiro" plane. Dave White, at 10:30 p. m. Sunday night, will make a night parachute leap from 3000 feet. White will wear a uniform covered with lights, so that his audience may see his downward path. Fifteen new type speedy planes are expected to take part in this "Central Ohio aviation classic" for 1933.

Hillcrest Picnic to Be Held Saturday

The Hillcrest Baptist Sunday school will hold its annual picnic at Westgate Park Saturday afternoon and evening, the committee on arrangements announced this week. Refreshments will be served free and a basket dinner will be held in the shelter house at 6 o'clock.

In the afternoon a recreation ball game will be the feature attraction. Other events will include horse shoe pitching, races and games. Arch Skipper, George Ballard and John Aston have been appointed by superintendent F. S. Kent to make complete arrangements.

Close Finish Is Anticipated In World's Fair Tour Competition

Final Votes To Be Distributed By Business Men Tomorrow Last Check-up Tuesday.

CHAPERONE ANNOUNCED

Winners to Be Announced Next Week—All Arrangements Are Complete.

Saturday (tomorrow) will mark the close of the Hilltop Business Men's World Fair contest, the 10 winners of which will receive a five-day trip to the Century of Progress Exposition. Immediately following the tabulation of the final votes Tuesday afternoon, a re-check will be made by C. G. Wilcox and contest officials and winners will be announced next Friday morning in the Hilltop Record.

The race, which has narrowed down perceptibly in the final weeks of the campaign for votes, grew closer this week and it was thought by those in charge that the winners could not be predicted before the final tabulations Tuesday. All coupons must be checked in at the Hilltop bank by 2 o'clock Tuesday afternoon, July 18.

Ten-Week Drive

Tomorrow will close the tenth week of a contest which has been extremely popular with both adults and youth of the community. The Hilltop was divided into four divisions at the beginning, and two contestants from each section will be named along with two others who totaled the highest number of votes throughout the community. These, along with the chaperone, will leave Columbus on Sunday morning, Aug. 6, for Chicago, where the group will remain for five days, returning home on Friday, Aug. 11.

Make Reservations

Those Hilltop residents who plan to make the World Fair Tour with the winners of the contest should make reservations immediately at Campbell's Pharmacy, 2768 W. Broad St., according to an announcement made Wednesday by C. H. Campbell, president of the Hilltop Business Men's association. The tour will leave Aug. 6, at the same time as that of the contestants.

Arrangements have also been made by the Business Men whereby Hilltoppers other than the winning contestants may make the trip with the contestants.

An elaborate tour, with everything but transportation included, will cost $30.00. Bus transportation both ways will bring the total to $40.50. Those desiring to motor through to the exposition may join the tour in Chicago. Accommodations can be arranged through C. H. Campbell, president of the Business Men's association.

Another tour, identical with that which will be taken by the winning contestants may be secured for $30 including transportation both ways.

Chaperone Announced

Following a meeting of all participating business men who were free to act in the capacity of chaperone for the trip, it was announced that Lutrell Rausch, 95 S. Hague Ave., had been named.

Rausch is a graduate of West High school in the class of 1929 and for the past two years has been in partnership with his brother, P. H. Rausch, in the Broad-Hague Hardware at 2768 W. Broad St. Prior to that he was employed for seven years as a clerk at the same location.

He is a member of St. John Lutheran church and has been a resident of the Hilltop for more than 16 years.

Hilltop Merchants In Important Win Sunday

Frank Friend's Hilltop Merchants successfully withstood Safety Cab's assault on first place last Sunday afternoon on the Westwood diamond when Al Neptune hurled fine ball to help his team take a five to one decision. Only three hits were registered off his slants, and had it not been for a wild heave in the initial frame, the Merchant hurler would have scored a shut out.

The victory assured the local nine of continued possession of first place. Had the Cabs won, the Merchants would have been relegated to runner-up position. Augsberger's three hits in four trips to the plate paced the Merchant attack.

Sunday afternoon on the Westwood diamond, the locals will tackle the third-place Federal Glass nine in an effort to further increase their present lead. Neptune or Ferguson will probably get the call for mound duty.

Summer Time Is Salad Time

Second Week in July

A hot day and a flagging appetite—a meal tragedy for the home maker, because she knows that even the most carefully prepared menus may fail to charm! But fortunately there is one item that never fails—a deliciously crisp, cold salad. And the grand part of it is that there is a never-failing list to draw upon.

For summer brings so many fruits and vegetables that the resourceful cook will find herself almost bewildered by the array presented to her for selection. So plan to include a salad in at least one meal a day and be gratified by the enthusiastic welcome it receives.

The first rule of salad making is to have all ingredients chilled to the proper temperature. If your refrigerator is not equipped with a special vegetable container, you can keep your green-stuffs almost as well wrapped in a damp cloth enclosed in wax paper or a common paper bag. You'll be surprised at the saving this little additional care will make, for lettuce and other vegetables retain their delightful crispness for several days under this treatment and there are no dried out outer leaves or wilted vegetables to discard.

Perhaps you plan a bridge luncheon—then why not refresh your guests with a salad, tempting to the eye as to the palate and light enough to be inviting and satisfying at the same time. If you wish to serve only one dish, a fruit salad may be selected, served with tiny hot biscuit or cheese squares and iced coffee or tea. A very good fruit salad follows—it is for one portion—duplicate for as many guests as are to be served.

Luncheon Salad

Lettuce, 1½ tablespoon cottage cheese, 3 orange, 5 walnut meats, 1 dessert spoon seeded raisins, 6 almond meats, 5 pitted dates.

Cut a slice of lettuce from the head, place on a salad plate and put cottage cheese in the center. Around this at equal intervals arrange 4 piles of orange sections, between each group place, first, the walnuts; second, the raisins; third, the almonds; fourth, the pitted dates. Serve with oil and vinegar dressing.

Concord Grape Salad

Dissolve one package of lemon or lime gelatin in boiling water. Sprinkle ½ teaspoon salt over ¾ cup finely diced celery. Add ¾ teaspoon salt and 1 tablespoon vinegar to gelatine. When gelatine is slightly thickened fold in celery. Turn into a loaf pan. Slush 2 cups Concord grapes and remove seeds and arrange in gelatine. Chill until firm. Unmold. Serve on crisp lettuce garnished with mayonnaise.

Youths Returned

Byron Carper, 35 N. Huron Ave.; Robert Herron, 2778½ W. Broad St.; and Paul Burrows, 208 S. Eureka Ave., all aged 13, were returned to their respective homes Tuesday of this week after a short adventure tour which took them as far as Dayton. They were apprehended there when they tried to engage a hotel room Monday evening and taken to the county detention home where they spent the night.

Library to Close

The Hilltop Branch Library will be closed for two weeks, between July 31 and Aug. 13, according to an announcement of officials this week. Books will again be issued on Monday, Aug. 14.

BLACK AND WHITE
By CHERRIE NICHOLAS

Many of the best dressed women are displaying enthusiasm for black-and-white. The idea of black and white sheer prints posed over white especially intrigues them, in that the intensity of the black mellows until it gives the general impression of a mingling of gray tones, which is wonderfully effective as well as being up to the moment in chic, since gray is a topnotch style note. A sheer floral print of unusual beauty in black and white fashions the flattering dress of bemberg here pictured. Black piping together with black and white organdie flowers unite with the grayish tones of the print into a perfect symphony of grays, blacks and whites of varying degree. The delightful thing about the very lovely bemberg prints is that they wash and iron perfectly.

The LOOKOUT

'ROUND ABOUT HE HILLTOP

Seems as though the community is becoming all agog over the bicycle craze . . . Outstanding among those stricken with the Hollywood fever — Paul Rausch and Carrie Cromwell, whizzy steaters et al, were noted on Steele Ave. tother eve'. . . And Ruth Hall is in diligent quest for a 2nd hand contraption . . . and Lu Raether anticipates the purchase of a pair of new tires for her vehicle . . And C. O. Miller, eye specialist, never threw his two-wheeler away from the last time they were in style . . . And so on.

Add quotations: Hope, the Campbell clerk, utters: "I detest listening to women's sobsex over the fone. Give me some man's soft, gruff growl." A local mother, who used to make over her dresses for her dotters: "I get theirs now." A fling for far away places and a splash of salt spray in Ray Hill's epistle from Atlantic shores: "We can watch the ocean liners going up and down the bay." A penned note from a Hilltopper reads: "Bender park needs awnings, beech chairs and guards properly and permanently stathoned." To keep the beech chairs from falling in the pool?

Ye friends of Howard Slicker may be surprised to know that the old spit ball artist was an all-state eager for two years down in Kansas . . . Sue Barrell and Jean Harrison look alike . . . Bill Lee, always dressed up with apparently no place to go . . . Bill Bell wheeling a baby buggy down Broad St. . . . Bob Trott, jugged a fortnight ago for resisting an officer. But the judge loosed him 'cause there was nothing to the complaint . . . Louis Pass, whose cust lapel is never without its posie on Sundays . . . Spook Wade, of whom some have wondered about in a "disinterested" sort of womanly way, has several females all atwitter (Now—maybe he doesn't know that himself) . . . Fred Apel, who does the Sabbath strolling act with Clara Mae Sallee, says it is no honor to adorn this pillah. (My man, whither hast thine honor flitted now?) . . . Jack Miles says nothing is known of his actions. Gosh, even an eavesdropper goes to bed before Jack gets in . . . Ruth Berndt suggests the quotation: "There now, little girl, don't cry." . . . Personal nomination for the pleasantest of smiles—that of Andy, who drives the 5c towel truck . . Never saw Louis Schwartz loafing at his filling station job . . Another lad complains that any two-year-old could scribble this buey. But we don't blush any more. It's getting too unbelievable how dull one must be to juggle phrases in a column like this . . . Comes a note via post making a limb comparison between the famous Marlene Deitrich and those of a localite. A comparison demands photographic evidence. Contrasts can be peaced . . . And Bill Boyd's batting averages and Sam Toy and Speedy Kent—all hitting over .300. Remember, fellas, after all, this is a church league. But Ananias was a Biblical character, I suppose you'll answer.

Hilltoppers Trail In Playground Circuit

Hilltop playground teams were trailing West Side squads as the first round of the league was brought to a close Thursday afternoon. Dana topped the six-team circuit with six wins and two losses, followed by McKinley, with five wins and three losses.

Tuesdays results: Dana 1, Sunshine 0 (10 innings); Sunshine 3, Dana 1; Glenwood 21, McKinley 8; McKinley 5, Glenwood 4. Barliger, Dana pitcher, pitched his fourth shut-out of the season, and ran his string of consecutive scoreless innings to 34. In other games, Westgate took two from Holton.

Family Reunion At Hidden Valley

Because of its natural beauty and convenient location, Hidden Valley, the Woodcraft camp on McKinley avenue, was selected this year for the annual reunion of the Cornwell family.

The reunion was held last Sunday and arrangements this year were in charge of O. H. Cornwell, police chief of Xenia, Ohio.

H. R. Cornwell, 2300 Sullivant Ave., was elected to have charge of the reunion next year and the date was set for the first Sunday after July 4th, and Hidden Valley has been selected again.

Three Important Games Scheduled for Monday Night

Tri Mu-Blue Battle and Red-Nazarene Melee Top List of Church League Attractions.

ST. JOHN MEETS HOGE

Race Grows Warmer As Teams Strengthen Prior to Annual Vacation Season Absences.

Three close games, all of which will probably have some bearing on the final results in the Hilltop Church league, are slated for Monday evening on the Westgate and State Hospital diamonds. Two games will feature the assault of Glenwood Tri-Mu and Warren Avenue Nazarene on the first round co-champs, Hillcrest Reds and Blues.

Hillcrest Blues will meet a rejuvenated Tri Mu aggregation, and may have their streak of five victories broken. In another important game, Emerson "Bill" Reese will lead a strong Nazarene nine against the already defeated Hillcrest Reds. The Baptists will be forced to win this game to remain in the race.

DEFEAT CHALLENGERS

Saturday evening, July 15, on the Westgate diamond, Hillcrest Baptist recreation ball team accepted the challenge of the Dolder Bros. Market squad, champions of the Hilltop Merchant league, and administered to the grocerymen an eight to nothing defeat.

Burwell, ace Dolder hurler, was ineffective, and Emerson "Bill" Reese replaced him in the fifth inning to hold the churchmen at bay. Kent, Hillcrest hurler, gave up but three hits; and after the first inning, when Dolder's had the bases full, but one man reached the third cushion. The winners counted four runs in the third frame and as many more in the fifth.

St. John Lutherans, playing improved ball, may force Hoge Memorial to the limit. The Lutherans, while no title contenders, continue to play spasmodic ball, and should they be in fine fettle Monday, the Presbyterians may be temporarily eliminated from the race.

Glenwood No. 1 will attempt to stay on the top rung with a victory over Burgess U. B., while Westgate and Hilltop C. of C. will fight it out for cellar honors in the final fracas of the evening.

Homers Plentiful

In weird games played Monday night, favorites copped all decisions. Heavy hitting featured three of the four games, the scheduled Westgate-Glenwood No. 1 battle being postponed until a later date by mutual agreement.

Hoge Memorial went into Glenwood Tri Mu tooth and nail to set a league record for runs in one game, counting 25 markers while the Methodists could eke out but four. Leach cracked out two homers, while Boyd and Holstein got one each.

Hillcrest Reds and St. John Lutheran engaged in another hit fest, the Baptists finally coming out on the long end of a 16 to 11 score. Wehrle got two homers for the winners while Elmer Smith paced the St. John attack with a four-bager.

Hillcrest Blues had little difficulty in disposing of Hilltop C. of C. and winning their sixth consecutive game, by a score of 9 to 0. The losers pressed the leane for five innings, but could not continue the pace. It was the second straight shutout of the round for the losers. Shaffer and Wills belted out home runs.

Warren Avenue, behind the dazzling hurling of Reese, took a five to one victory from Burgess U. B. on the hospital diamonds. It was the fourth straight win for the Nazarenes and placed them in a three-way tie for first place.

Mrs. Gassman Dies

Funeral services for Mrs. Helen Josephine Gassman, aged 31, of 67 S. Burgess Ave., were held Saturday morning from St. Mary Magdalene church, with burial in St. Joseph's cemetery. She died at Mt. Carmel hospital Wednesday evening of heart disease.

Besides her husband, Joseph Gassman, she leaves one daughter, Dolores; her father and mother, Mr. and Mrs. Thomas Curran; two brothers and four sisters.

Change Prices

Announcement was made this week by the management of the Rivoli and Ritz theatres that prices had been changed to 20 cents for adults and 10 cents for children at all times.

CONTEST WINNERS

Photograph by Russ Cooke

The above Hilltoppers were named winners of the Hilltop Business Men's World Fair Contest Tuesday of this week. They are, reading from left to right: Top row, Robert Smeck, Bill Wylie, Robert Nichols, Bud Lorenz, Jack Livingston, William Bell. Bottom row, Hampton Cruise, Tom Murnane, Lu Raasch, chaperone; Mary Ellen Hulls and John Jenkins.

The nine boys, with their chaperone, Lutrell Rausch of the Broad-Hague Hardware, will leave Columbus, Aug. 6. Mary Ellen Hulls, the lone girl victor, will make the trip at a later date with her mother, according to information received Wednesday.

State Hospital Merchants Lead

Local Teams Retain Big Leads In Saturday Afternoon and Capital City Diamond Loops.

Before a large crowd Saturday afternoon, State Hospital baseball team located itself more surely in first place by trimming the Columbus Belt Works aggregation by a score of 9 to 2 on the Hospital diamond.

The local squad hit hard in the early innings to pile up a lead sufficient to win the game. Kline's homer featured the game, which was also marked by Lattimer's pitching. "Lefty" Kline, who toiled on the mound for the losers during the final four frames, held the Hospital attack at bay, but the damage had already been done.

Safety Cabs remained on the heels of the leaders by defeating the Kruger nine, 5 to 3. But one-half game separates the two teams.

Merchants Win

Behind the excellent hurling of Ferguson, the Hilltop Merchants made the Capital City league race a decided one-team affair Sunday afternoon on the Westwood diamond by trimming the Federal glass team, 6 to 2. Erv. Friend, in center field for the winners, gathered a trio of hits in four trips to the plate and accepted five chances in the field. The Merchants now hold a two-game lead over their closest rivals, Safety Cabs, and need but a single victory to assure themselves of a tie for the title.

Advancement Ass'n. to Start Drive Sunday

The Columbus Junior and College Chapter of the National Association for the Advancement of Colored People is conducting a membership drive at the behest of the national office in order to revive the Columbus Senior branch. The campaign is to begin Sunday, July 23, and culminate in a general mass meeting, Aug. 6, when the principal speaker will award a first and second prize of $10 and $5 respectively, to the solicitors obtaining the greatest number of members. Headquarters for this drive have been established at 971 E. Long St., phone EVergreen 2715. The auditing committee will be George De Loache, chairman; John R. Butler and Robert Johnson. General chairman is H. Stratton Hopson.

Foursomes Feature Play At Broadacres

Sunday afternoon, July 23, beginning at 2 o'clock, mixed foursomes at the Broadacres Golf Course on West Broad street, just west of the Big Four Railroad, will be given two golf balls with an 18-hole round of golf. All mixed foursomes will be awarded the balls.

The local course has announced a change in price scale and 18 holes may now be played for 25 cents. More than 100 golfers took advantage of the prices last Sunday at the Broadacres course.

Cereal Serenaders Broadcast Program

The Kellogg Cereal Serenaders, sponsored by the Kellogg Co., makers of corn flakes, rice krispies, etc., will broadcast over station WAIU from the lobby of the Deshler on Thursday, July 27, from 6 until 7 o'clock. The group will appear at Olentangy Park in the afternoon and evening.

Toby Tobias, saxaphonist, will furnish comedy entertainment between numbers. He is a novelty whistler and comedian. Several seasons ago he was on tour with Irving Berlin's Music Box Revue.

"Air Circus" Is Farce At Airport

Manager of Performance That Failed to Produce, Is Fake Promotor.

The "Air Circus" announced in a news story carried in the Hilltop Record last week, and which was scheduled for the local airport on Sullivant avenue for last Saturday and Sunday, July 15 and 16, did not materialize.

Several hundred people were at the field Sunday expecting to witness the promised aerial stunts, but were doomed to disappointment, as the only thing in the way of stunt demonstration was a parachute jump late Sunday afternoon, and that only after a collection had been taken to pay the jumper.

According to information obtained from representatives of the local port, one William Sweet had leased the field for a two-day aerial circus, representing to the owners of the field that he had a great show and would produce plenty of stunts for the public. What he really produced was two ships to take passengers up at $1 a head and a pop stand.

The owners of the field were sincere in leasing the port for the show, as was the Record in printing the story, but it was a case of a fake producer failing to produce.

According to information received, the show was also to make its appearance in Mansfield, Ohio, this week. Officials at the Sullivant Avenue port notified authorities there in an attempt to prevent a reccurence of the farce. Sweet's action was also reported to the Better Business Bureau this week.

New Junior Court of Macabees Organized

A new Junior Court Starlight of Macabees was organized on the Hilltop Friday eve., July 14, at the home of George Spanabel, 640 S. Eureka Ave. Officers were elected and duly installed by James B. Votes were given over a period of 10 weeks at the rate of 10 votes for each 10-cent purchase. More than 100 Hilltop children, between the ages of 12 and 20, entered the race, which was close throughout.

The contest was made possible through the co-operation of 30 local merchants. Now Is The Time For Picnics

Third Week in July

Picnics are fun for grown-ups and children alike. They are an easy and inexpensive summer amusement—healthful, too, if the food that makes the picnic meal is properly chosen.

Perhaps your husband is one of those Boy Scouts who never grew up and so is able to build a fire out of doors? So much the better. Take one of the removable shelves from your gas stove and prop it up on stones in a sheltered place when you have reached your picnic spot. Have a fire built and when it is a bed of glowing coals your work begins! Small steaks or lamb chops may be broiled to a turn. A casserole of potatoes sliced and cooked in milk at home may be placed at one side of your improvised stove to reheat. Coffee—the most delectable in the world may be made over the fire—and first thing you know you have a feast fit for a king. Supplement the items above with fresh rolls, buttered at home, olives and sweet pickles and serve fresh fruit for dessert.

Maybe you prefer a cold luncheon with coffee kept hot in the thermos. Very well—here are some suggestions for you.

Rye bread sandwiches with minced ham spread.
White bread sandwiches with cream cheese and jam filling.
Potato salad or cole slaw.
Stuffed eggs (the yolk blended with mustard, anchovy paste and salt and pepper with a little cream).
Dill pickle slices.
Ice box cookies.

* * *

Hot baked beans (kept hot in casserole wrapped in paper).
Buttered Boston brown bread.
Sweet pickles.
Sliced cold ham.
Frosted cup cakes.
Iced coffee.

* * *

Cold sliced meat loaf and sliced ham.
Buttered buns.
Pickled onions.
Potato salad.
Gingerbread.
Hot coffee.

* * *

Sliced tomatoes.
Sliced cold roast beef.
Potato chips.
Sweet gherkins.
Thin slices of rye bread buttered.
Nut drops.
Lemonade.

* * *

It's a good idea to include a hot drink with every cold picnic meal if possible, and it is easy nowadays to do so with thermos bottles.

A Good Picnic Sandwich

Four hard cooked eggs, two 8¾ cans sardines, two tablespoons lemon juice, two tablespoons French dressing, mayonnaise, white bread. Chop egg whites fine, mash yolks and sardines together, add egg whites, lemon juice, French dressing and additional seasoning. Spread on slices of thin buttered rye bread.

'ROUND ABOUT THE HILLTOP

Wonder what has become of John Krivda? (Soldier, butcher and finally a barber). . . . And Ed Alban, whom I haven't seen for years. . . . Nelva Mitchell has the twinklingest eyes of anyone I know. . . . Carl Scheidt, who used to be among those present here (he's in Maryland now) took 1st honors then. . . . Larry Minshall (who had regrets when compared with his brother Chas. in this pillah a while ago) is working again. Glory be. . . . That Presbyterian youth, in all seriousness, answered the question: "What did God give Adam and Eve besides a body?" in the following brief fashion—"A heel." . . . Reckon he thought the "soul" got thin too quickly. . . . Bob Jones brot E. J. Hastings Ivory Palaces last week. . . . Add quotations: Mrs. Cruise, "We got up, ate our meals, went to bed" discussing the world's fair. "How 'bout that Hum? . . . Wars and around the world flights, like cows, are things that could fare just as well in a good sized pasture (Aw, gwan, that's just a personal opinion). . . . Henry Jones is fond of tomatoes. . . . Hilltop Merchants Drubbed By Co-ops

Despite a 15 to 5 licking at the hands of the Co-op Cubs Sunday afternoon on the Westwood diamond, the Hilltop Merchants retained their lead in the Capital City baseball loop with six victories in eight starts. Both defeats were sustained to the Cubmen, a second division squad.

In Sunday's game, two big innings in which the winners counted six runs each time, proved disastrous to the league leaders. Murray, local short fielder, led the loser's futile attack with three hits in four trips to the platter.

Wise Announces Football Menu

Two of Four Out-of-town Teams to Be Played On Local Lot; Dayton Steele in Opener.

Despite the fact that more than a score of Hilltop baseball teams are in the midst of torrid pennant races, and the fall season is yet afar off, thoughts turned to football momentarily this week with the announcement by Coach Harold E. Wise of West High that the Cowboys would open the 1933 grid season at Dayton Steele in a night game. The battle is slated for Friday evening, Sept. 22.

Other games with out-of-town teams were also announced, two of which will be played on the local gridiron. On Oct. 13 the Cowboys will stack up against Zanesville and on Oct. 28, a strong Portsmouth team will invade the local ranch.

The Wisemen will tangle with Marietta at the Ohio River city on Sept. 30.

The regular league season will get under way on Oct. 6, with North as the opponent. The game will be played on the Polar Bear gridiron. The South High Bulldogs will inaugurate the city league season on the home grounds Oct. 20. The season will be closed with a game at East High, Nov. 17.

State Hospital '9' Retains Position

Take 5-3 Decision From Clintonville Merchants In Saturday Afternoon Tilt.

State Hospital baseballers held on to their slim lead in the Saturday afternoon league last week by taking a close game from the Clintonville Merchants by a score of five to three. Only one-half game separates the leaders from the second-place Safety Cabs who also turned in a victory by hammering two Federal Class pitchers for 14 runs while the glassmen were accumulating but four.

"Lefty" Mettles, ace hurler for the Hospital team, held the improved Clintonville aggregation at bay throughout the battle, issuing but seven scattered bingles. George McCrea, stellar center gardener for the locals led the attack with a pair of blows in three official trips to the platter and accepted two difficult chances in the field in flawless style.

But three more games remain to be played in the circuit and the local squad can clinch a first place tie by winning twice.

In other games, Warren Avenue will meet Hilltop C. of C., which should result in another victory for the Nazarenes, although C. of C. has strengthened materially recently, and may turn back a leading contender soon. Glenwood Tri-Mu and Westgate Evangelical hook up in the third melee of the evening, with the result a toss-up. Hillcrest Blues, with four regulars at military camp, will meet the improving Burgess U. B. aggregation, and may sustain a set-back. In the final fray of the evening, Glenwood M. E. and St. John Lutheran squads will meet. W. L. Millikin Sewage Proposal Passed By City Council Monday

City Fathers Reach Agreement After Rejecting Plan On Previous Occasions.

The sewage disposal plant plans, favored by Wyatt L. Millikin, Hilltop councilman, for more than a year, finally were passed by city council Monday night just a few hours prior to the opening of bids by Service Director Halencamp on a plan to permit a private contractor to build and operate in the mutual interests of city and contractor.

The plan adopted has been fought for by Millikin since it was learned that action on the matter had to be taken. At one time, council voted against the plan by a six to one vote.

"I am convinced," said Mr. Millikin Wednesday, "that there is no person or company ever devised a perfect way to treat sewage. This being the case, why should the city increase expenditures with an experiment? I think sufficient work should be done to permit the Scioto River to become clean and a plant established which is adequate to care for Columbus sewage."

Bids may still be accepted by Director Halencamp, it was said, but it is expected that all will be rejected because of council's action. The vote was unanimous.

The plan okched by council calls for the city to construct an addition to the present plant, the materials of which will cost approximately $711,000. No estimate was made concerning the cost of labor, much of which will be of the charity type, according to Mr. Millikin.

The anticipated plant would have a capacity of 40,000,000 gallons. The present flow of sewage is 37,000,000 gallons per day.

The Millikin plan, by which it is known, was to have been laid before city council again Thursday at a special meeting called by President John M. Lewis. Minor revisions were to have been discussed at that time.

Goethe's Lineage
Johann Wolfgang von Goethe was a direct descendent of Charlemagne. This is the claim of Professor Dr. Edward, noted German historian, of the University of Tuebingen, who has carefully studied the list of ancestors of the famous German poet, the hundredth anniversary of whose death was marked by memorial festivities throughout entire Europe. According to Professor Schroeder, the wife of an ancestor of Goethe in the eleventh generation, Frau Kuntzai Dietz, was the illegitimate daughter of Duke Henry III of Hesse. Following this line, Professor Schroeder came to the astounding discovery that Charlemagne was one of the early ancestors of the famous German poet.

A man's busy day is when he stays at home to rest and his wife gets him to do a few little odd jobs around the house.

The LOOKOUT

'ROUNDABOUT THE HILLTOP

Ship ahoy! Fetch the life boats! SOS ad infinitum.

Understand there's a conspiracy agin the arkitect of this hyar pilIah—out at Campbell's rendezvous. . . . Ralph Welch (Hilltop boy who made good in the city at Rochester, N. Y.) says they hardly remember the depression up there. . . . E. J. Hastings, whose mother sent her to the store for freestone peaches, had one heck of a time finding a place where they sold the seedless variety. . . . If Ray Haunts had a mustache, he would resemble Paul Whiteman. . . . I never read the comic sections (Awquitcherbraggin! Who cares?) . . . Marlon (Red) Trabue was to have met his wife last Thursday a. m., but at 7:50 she wasn't there (So the fiery-haired one rode alone). . . . Sorry but you're harboring fellacious information if you believe that a snake can charm a bird; there is such a thing as an undertow; or that Betsy Ross designed the American flag. (Aw, he copied that from a book) . . . French scientists have successfully mated man and ape (Homo sapiens and Simia sp., to you, Mr. Campbell). . . . Maybe that flagpole at the fone exchange is for someone to sit on. Haint usin it fer anything. . . . Edith Wilson says she'd estimate nine of ten cars have dogs in them. Many contain jack-asses, also. . . . So Janice Munyan thinks this stuff dry? Maybe I'm all wet. . . . Glen Markins and pater traded in three cars for two new ones, doubling the population of fresh vehicles in the community. . . . The issue with Lu Rausch's pleshure in went to Clifton, Ariz., from where Ed. Johnston gets perfumed stationary . . . Wonder if Phil Wolpert is having any success in talking his Dad into purchasing him a new chariot? . . . Paul Rausch and brother out at the B. H. Hardware request that the thief who took the radio off of the front counter a fortnight ago would call for the cord with which it was attached. . . . Striking phrase goes to a certain school teacher: "Many people think talcum powder is cheaper than soap." . . .

LIKE A PROFESSOR

John Klinger, watchman at the Ohio State University Museum, was riding home the other evening on a Sullivant avenue blunderbus apparently deep in meditation. Anyway when the lady in the seat behind him gave him a spectacle case containing a pair of glasses, he accepted them with a courteous "thank you."

It was not until the lady had disembarked from the car that Mr. Klinger realized that he had a pair of specs which didn't belong to him. And now, as a result of his proverbial professorial absent-mindedness, he has an extra set of eyes.

And should the rightful owner perchance to read of "Professor Klinger's Mistake," he may get his glasses by describing them to the present possessor at 75 N. Chase Ave.

Mother of Local Man Dies at Middleport

Mrs. Ruth A. Saunders, aged 73, of Middleport, Ohio, died last Friday noon, July 28, at her home. Funeral services were held Sunday afternoon, July 30, with interment at the Middleport cemetery in charge of C. J. Kohn.

Hoge Eliminates Reds In Torrid Pennant Scramble

Hillcrest Blues and Warren Ave. Also Win to Cause Three-Way Tie for Top Honors.

TILTS ON TAP TONIGHT

Tri Mus Eliminate Westgate Evangelical to Take Second Place on Heels of Leaders.

Hoge Memorial Presbyterian, playing flawless ball afield and hitting timely in the second and third innings, eliminated Hillcrest Reds from the second round title scramble in the Hilltop church league Monday evening on the Westgate diamond by a three to two score.

George "Chesty" Owens hurled acceptable ball for the winners, and received excellent support. Leady's homer in the sixth featured the loser's attack.

The Hillcrest Blues, crippled by the absence of three regulars, edged Burgess U. B. by a score of six to two. It was the seventh consecutive win for the Baptists and enabled them to continue in a three-way tie for first place.

In a sling fest, Warren Nazarene gave Hilltop C. of C. its ninth straight defeat by a score of 15 to 13.

Tri Mus Win

Behind the brilliant hurling of Corder, the Glenwood Tri-Mus remained in the title running by eliminating Westgate Evangelical from the race by a nine to one score. The winners played sparkling ball afield and hit well, while Turner and Casey stood out for the losers.

In the final fracas of the evening, St. John broke into the win column by taking a wild and wooly affair from Glenwood M. E. It placed the Methodists in third place and the Lutherans just a notch behind in fourth place, tied with Hillcrest Reds.

Games Tonight

The crack game tonight will bring together the undefeated Hillcrest Blue aggregation and the second place Glenwood Tri Mus. With four regulars out of the line-up, the Baptists may be knocked from their high pinnacle. On the other hand, a victory for the first round co-champs will eliminate the Methodists from the running.

Warren Nazarene, also sharing first place honors with the Blues and Hoge Memorial, will also have a tough game, meeting the slumping Hillcrest Reds, already out of the race for second round honors. Other games are: St. John Lutherans vs. Hoge Memorial; Glenwood No. 1 vs. Burgess U. B., and Westgate Evangelical vs. Hilltop Church of Christ.

Monday evening, the long anticipated Hillcrest Red Hillcrest Blue feud will be partially settled. The game will be the regularly scheduled second round engagement, and although the first-round title which lies between the two teams has not yet been decided, the game should elicit considerable interest.

Monday's Schedule

Should the Blues repeat their first round triumph, the Red's only hope of remaining in the limelight will be to defeat Ray Wills' nine in the playoff for the first round hunting.

Hoge Memorial will meet a tartar in the rejuvenated Westgate Evangelical squad. Turner, new tosser for the Westgate team, and Casey, his battery mate, may conspire to lead their team to victory over the rampaging Presbyterians.

Of equal importance is the Glenwood Tri Mu-Warren Nazarene fracas. The result is a toss-up and with both teams anxious for victory in order to stay in the chase, the battle should be worth watching.

Either St. John Lutheran or Burgess U. B. will top the list of second division squads after Monday's game. Both have been difficult to beat thus far, but have been edged out a majority of the time by close scores. The Westgate Evangelical-Hilltop Church of Christ melee will round out the program.

Activities At Local Playgrounds Continue Despite Blistering Heat

Tennis tournament winners from local playgrounds will meet representatives from all city recreation centers next week at the Franklin Park courts according to announcements made this week. Tournaments at the local grounds have been in progress for the past three weeks and winners were announced Tuesday.

Despite torrid temperatures of the past week or so, playground activities at Glenwood, Holton and Westgate parks are continuing in full swing and participated in by hundreds of Hilltop kiddies.

At Glenwood, tennis is the outstanding feature, with tournaments completed Thursday, the winners of which will participate in the city finals. In the senior singles, Don Burkhalter copped the honors with Val Boehm taking first place in the junior division.

In the senior doubles Don Burkhalter and Dud O'Conner were crowned champs with the senior girls' doubles event being taken by Katherine Garja and Catherine Patillo, the latter winning also the singles championship.

Jeanette Dalgarn was named winner of the junior girls' singles tournament.

Men's horseshoe pitching tournament will be held next Monday and Tuesday at Glenwood.

At Westgate, Winifred Corcoran, Alberta Gaffney and Ethel Stanuina, Fred Perkins, Elmer Smith and Henry Messerschmidt will enter the city-wide event. At the same park, horseshoe finals are now in progress, with the winners scheduled to meet in the city finals at Olentangy Park on Aug. 10.

Next Friday, a combined Holton and Westgate day will feature the program. Contests of various sorts, races and trapeze exhibitions and other events will be held. Prizes will be awarded. The Hilltop Business Men's association will co-operate in the program.

At Holton Park, horseshoe championships will be decided the first of next week, while winners in the tennis tournaments have already been decided in the senior boys' doubles. Bill Spring and Chuck Herron were winners while Curtis and Wilcox took top honors in the junior event. Curtis was the winner of the boys' junior singles and Bill Spring will represent Holton in the senior singles finals to be held at Franklin Park.

Boxing Match

This afternoon, at 3 o'clock, at the Glenwood playground, interest in the grudge boxing match between Charles and Eugene Ruder will reach a climax. The two lads, aged seven and nine years, have met twice before, each winning a battle. When they toe off this afternoon, the championship will be decided.

The bout is scheduled to go three rounds to a decision and Don Long, park supervisor will referee.

Hilltop and Worthington Groups Combine Tour

Hospital Nine In Second Place

Lose to Foresters Saturday While Safety Cabs Chalk Up Win at Co-Op Expense.

State Hospital baseballers took a jolt on the chin Saturday afternoon while the heretofore second place Safety Cab nine was winning from Co-op Cabs and as a result were toppled from the top rung of the ladder in the Saturday afternoon circuit. The locals now trail the Safety Cabs by a margin of half a game.

The Catholic Order of Foresters proved the stumbling block to the Hilltoppers Saturday, eking out a four to three decision behind the stellar hurling of Jim Ryan. Mettles, on the mound for the Hospital squad, was touched for 11 safeties, two of which were terrific homers.

Fellmer, local left fielder, was the only one of the losers to gather two hits off Ryan, who was stingy to the extent of six bingles.

The Hospital team still has a chance for the title by winning tomorrow's game and also a play-off of a tie game with Federal Glass. Safety Cabs have but a single game to play. Should the leaders win all games, a championship series would be necessary.

COWBOY GRIDDER IS "DEEP SEA DIVER"

Guy Kellar, erstwhile giant football lineman at West High school, has turned mechanic and deep sea diver. Out in the basement of his home at 39 N. Hague Ave., he has a weird looking contraption which he and Lawrence Michaelis, lifeguard at the local swimming pool, have constructed.

It is a diving outfit, and built from an old hot water tank. The helmet, which is lined with asbestos, fits neatly over the shoulders of the diver, and is equipped with a telephone and a celluloid aperture through which the diver may look while treading the bottoms of deep pools.

It Actually Works

Attached to the helmet is a long set of garden hose, forty feet or more, which in turn is attached to a tank (also made from a hot water boiler) in which is kept a constant pressure of almost 100 pounds of air while the diver is under water.

A signal rope, in case the phone gets out of whack, a safety catch, which will release the heavy helmet at the tug of a strap, compose the array of safety devices.

And the outfit is not just a plaything for Guy. It actually works and he has been under water for more than an hour at a time in the thing. And not just under water, but under 30 feet of the same, in a quarry. "It's easy as pie," say Guy. "The trouble with most guys is that they're scared to death. Shoot! It's great fun."

Can Watch Fishes

Down deep in clear waters, on the rocky floor of a deep quarry lake, Guy says he can watch small fish as they glide their effortless way through the depths. And tiny plants and other aquatic organisms are abundant. And for purposes of seeing better, this erstwhile Cowboy gridman takes a flashlight in a mason jar and wanders whither he will in quest of new and strange sights.

Guy's brother, Henry, calls the contraption a "death trap". Guy says there is nothing dangerous about it. He has been offered a job at Buckeye Lake, diving for lost propellors. It's all so simple, yet not a hair of the diver's head is moistened.

Has Safety Devices

In order to reach great depths, 40 pounds of lead are attached to each foot. In case of accident, these can be released by merely leaning forward. Likewise, the helmet can be removed by bending the head to the front and pulling a handy strap.

Lawrence Michaelis, also a hefty Cowboy lineman, is Guy's partner in the construction of the affair. They tried a year ago to make one, but it didn't work. This year, they tried with better success. Guy has placed many improvements on the affair since its original construction, and now anticipates taking a 45-foot dive.

He is the son of Mr. and Mrs. A. W. Kellar, 39 N. Hague Ave.

To Make Successful Preserves

Fresh fruit in abundance suggests the time when it will not be so plentiful or so cheap, and the busy housewife gets out her pots and pans and rows of sparkling glass jars and sets to work so that autumn and winter will find pantry shelves well stocked.

In choosing fruit for canning be sure that it is of good grade and not too ripe. All jars and glasses and utensils used should be sterilized. The first rule in successful canning is to heat the fruit to the point where all germs are destroyed and sealing it—air-tight—while it is scalding hot.

General rules as to the combination of ingredients are as follows—for canning: use one-third to one-half as much sugar as fruit. For preserving: three-fourths as much sugar as fruit. For jelly: an equal amount of sugar and juice. For jam: equal amounts of sugar and fruit.

Greater success is assured if small amounts of preserves or jellies are put up at a time. The quality is better, the color deeper and richer. When making jelly see that the fruit is a little under-ripe. Fruit that is a bit over-ripe may be utilized in making jam.

Jelly Making

Fruit should be thoroughly washed and cut or mashed. In making apple jelly add a little water to start the boiling and cook until tender over a low fire. Put the fruit through a jelly bag—allowing it to drain for several hours. The bag should not be squeezed as this makes the jelly cloudy. Add sugar and boil in small quantities until the jelly tests to desirable thickness in a saucer.

The less tart fruits require ¾ cup of sugar to cup of juice instead of an equal amount as in apple, currants and raspberries.

A variation in flavor may be obtained by combining the juices of different fruits—apple and quince, currant and raspberry, for example.

Do not neglect to put up a supply of pickles and relishes to give piquancy and tart flavor to your menus. A very good green tomato piccalilli recipe follows:

1 qt. green tomatoes, 1 medium bunch celery, 2 sweet red peppers, 2 green peppers, 2 large mild onions, 1 small head cabbage, 2 cups vinegar, 1 pound brown sugar, 1 teaspoon ground mustard, 1 teaspoon tumeric. Chop or grind vegetables with ¼ cup salt and let stand over-night. Drain and press in cloth to remove all liquor possible. Add remaining ingredients and simmer till clear. Seal in sterilized jars.

ENOUGH

By DOUGLAS MALLOCH

THE old home place is not as fine
As lots of places up the line,
If size is all you care about,
But I can shut all that quite out:
I know, within this house of mine,
Or hers, or ours, that our own stuff,
Though plain, has always been enough.

The old home place is just a farm.
Dad cleared the brush with his own arms
And sowed the seed with his own hand.
Well, other houses may look grand,
With larger fields, and that's no harm—
Unless we quit remembering
That we've enough of ev'rything.

The old home place, or any spot,
By this is judged, though big or not:
If it has housed you, fed you, too,
And both seemed good enough to you,
That's all that matters such a lot.
And this old place, through dry and wet,
Has never really failed us yet.

The old home place has warmed and fed,
And kept a roof above our head,
So we can pass the others by
Without a jealous look or sigh,
And live contented, as I said,
Because, when times were good or tough,
The old home place has been enough.

GRAPHIC GOLF

BRING AROUND THE LEFT SIDE

ONE of the most prevalent faults is failure to let the left side turn around to the right on the backswing. Even those golfers who do, are often far short of a complete turn. One reason for this is that they want to guide the stroke and not being confident of their swing turn but little. They take the club back with the customary wrist and arm movement but allow the left side to remain where it was for fear of destroying their balance. The proper method is to let the left shoulder turn naturally as the left arm is taking the club back until the backswing is complete. In some cases the player's back is practically at right angles to the objective. MacDonald Smith affords a fine example of this turn and at the top of the swing is set to hit from the inside out with perfect balance and freedom. In this position full use can be made of the left arm. Smith is a firm advocate of a complete pivot and lays the blame for much of the slicing on this failure to turn enough.

Do YOU Know—

That there are nearly 20,000 motion picture theatres in America attended nightly by 15,000,000 movie fans. This is five times as many movie houses as there are in the United Kingdom; six times as many as in Germany and ten times as many as there are in France or Italy.

The LOOKOUT

'ROUND ABOUT THE HILLTOP

Bob Barley, whom I've never seen even in the most torrid weather, without a tie and vest and coat, the latter buttoned carefully, even when shooting billiards. . . . No one is more fastidious, however, about his appearance than Edwin Distlehorst. Yet it was he who first attended summer church services sans coat—and others soon followed. . . . Attention, Lloyd Thompson: That tropical lizard you sent this scribbler a fortnight ago, is yet un-named. Have patience. . . . Jay Lucas, of whom we wondered issues ago, is pitching a taxi. . . . Who is that local girl who tells up friends and tells them she is gathering data for this pillar? Well fokes, taint true, and it would be well for her to cease her trouble. . . . (Aw, how'd he find that out?) . . . Lu Ragsher keeps score of ball games in the official way when she attends. . . . George Hardy, versatile Hoge Memorial infielder, is the most colorful ball player in the Hilltop church league. . . . No one, it seems to me, likes to be razzed better than Paul Fulton of the same team. But you'd better be able to "take it" for he lushes a mean tongue, too. . . . Herbie Vagnier, of whom we wondered about a while back, is living on the North Side, and we glimpsed him in a box seat at a Red Bird night game just a week ago. . . . We stood fascinated the other afternoon while "Tommy" (it's a girl) Corcoran cracked one of those rick-rack things 57 consecutive times with a deftness that was amazing. . . . In writing out long words which have t's in them, I always cross the letters before finishing the word (Gosh, he's getting hard up for material). . . . Reckon that is a little dry, Miss Munyan. . . . And Woody Wills, comparing this stuff with a pseudo-sensational Sunday sheet. You must come over sometime, Woody, and see what a whale of a difference a few brains make. (There he goes, braggin again). . . . John Klinger, one of my favorite people. . . . Janice Booth, it seems, never tells all she knows (saving something for seed, I reckon). . . . Bill Whalen expectorates so slorenly. . . . I guess those were riotous antics—these of Ray Ruffing, I mean, chasing an escaped fowl from Haunts' through the shrubbery of West Broad schoolyard. . . . Karl Bolander was "discovered" by Mr. Campbell, West Hi art instructor. . . . Shortening days cause birds to fly southward—and leaves to fall, and not the cold weather. (Betcha!).

PERSONALITY

No one, it seems to me, gets more positive pleasure from every living moment than does Prof. H. C. Shetrone, director of the Ohio State Archaeological Museum. Whether piecing together the crushed remnants of an ancient peace pipe of the Moundbuilders, or supervising the activities of the Museum, or merely working among the flowers in his backyard garden, he moves with the careless precision of one who knows where he is going and loves what he is doing. He has an utter disregard for hurry and scurry and departs for far away places with no more commotion than were he driving to the corner drug store.

A free thinker, his outlook on life is immediately fascinating, and impresses one as that of an individual who watches the flow of creation in the light of the long time, yet is a vital part of the current. He seems less bound by conventional shackles than anyone I know. He lives, it seems, as he thinks.

Class Meets

The meeting of the Busy Bees Sunday school class was held at the home of Martha Swinehart, 35 N. Chase Ave., Thursday evening, Aug. 3. Members present were: Roslyn Gildersleeve, Mary Alice Stoddard, Mrs. D. F. Baker, Esther Plant, Ruth Ann Gurley, Anna Lee Custer, Thelma Kuhn, Betty Limle, Vernadelle Shepherd, Charlotte Reimler, Virginia Snow. Visitors were Mrs. John Gurley, Mrs. F. H. Swinehart, Esther Mae Swinehart, Betty Swickard, Dorothy Donehower, and Martha Swinehart.

Dolder's Defeated

Waymer's Market No. 2, by defeating the league leading Dolder's squad Wednesday, went into a tie for first place with the latter team in the Hilltop Merchant's loop. Each nine has won 15 and lost two.

Playgrounds to Have Park Outing

Kiddies of 46 Columbus Playgrounds to Spend Day At Olentangy Park Aug. 17.

A big day of fun and frolic is in store for kiddies of 46 Columbus playgrounds next Thursday when a big program will get under way at Olentangy Park. The day, planned by the recreation department, will be well filled with many contests, entertainment and special events.

Each playground will be represented with a float, which will also be used to convey the youngsters to and from the park. The parade will be judged at the city hall and prizes awarded the winning vehicle.

Field Day

Westgate-Holton playground day will be observed this afternoon at Westgate Park with several contests and events between representatives of the two parks. The program will get under way at one o'clock and will be in charge of the park supervisors of both playgrounds.

Plans are already under way at the local parks, Glenwood, Westgate and Holton, to make the occasion one to be remembered by the participants. All children will be admitted to the park free on that day.

There will be various contests with prizes going to the winners. The horse-show tournament, in which will be representatives from all Columbus playgrounds, will be held and the city champion determined.

The groups will be chaperoned by the park supervisors.

Carpenters Will Discuss Code

Meeting Called for Wednesday Evening, Aug. 16, at Carpenters' Hall.

A vitally important meeting of all carpenters and woodworkers in Columbus and Franklin county called to take action on a code of fair competition for the carpentry trade under provisions of the N. R. A., will be held at 7:30 p. m. Wednesday, Aug. 16, in Carpenters' Hall, Clinton building, 8 E. Chestnut St., Columbus.

Every carpenter and woodworker in this community is urged to attend this meeting to be held under the sponsorship of the executive board of the Columbus Carpenters' Union in response to the nationwide appeal for quick action or trade codes by the N. R. A. administration. Minimum rates of pay and maximum hours of labor will be the chief points discussed.

S. P. Meadows, Indianapolis, representative of the International Brotherhood of Carpenters and Joiners of America, will direct the meeting and give the principal speech. Among other speakers will be Sam L. Newman, Louisville, of the Axton-Fisher Tobacco Co.

Ralph W. Fackler, recently elected business manager of the Columbus Carpenters' Union, will be in charge of local arrangements. Mr. Fackler announced that 16 new members were initiated at the first August meeting of the union and that 25 new applications have been made since the first of the month. He extends a personal invitation to every carpenter and woodworker in this community to attend the meeting next Wednesday.

Return From Camp

Sam Toy, Robert Bussman, Charles Simms and Ray Wills returned from Camp Perry Sunday where they had spent the past two weeks.

Babe Ruth Cracks Out Another Big Hit

"Babe" Ruth has hit many homeruns, but he never struck a better one than on the day in Indianapolis, Ind., when he refused to have his picture taken with a bottle of beer. The News of that city intimated that he thought his relation as a baseball hero to hundreds of thousands of boys was a matter not to be forgotten or jeopardized by becoming an advertisement of beer. His stand was all the more commendable when it is remembered that the owner of the New York "Yankees," the baseball club in which "Babe" Ruth plays, is owned by the president of the American Brewers' association.

Rev. Henry Koch At World's Fair

Rev. Henry Koch, pastor of St. John Lutheran church, Hague avenue and Broad street, left Sunday for a vacation trip to Chicago, Ill., and Madison, Wis. He was accompanied by his mother, Mrs. William Koch and his sister, Mrs. C. H. Lucas. The party will return the latter part of August.

Following a tour of the World's Fair at Chicago, Rev. Koch will motor to Madison where he will attend a conference of the Luther Leagues of the American Lutheran church. During his absence, Rev. Henry Leupold of Capital university and Rev. Julius Bodenseick, 165 Brins Blvd., editor of the German-Lutheran paper, will occupy the pulpit. Rev. Bodensieck has just returned from Iowa, his former home, where he visited for one month.

Bowling Alleys to Open Monday

Captains of League Teams Asked to Get in Touch With Alley Manager Immediately.

Announcement was made this week by A. K. "Kip" Selbach, proprietor of the Hilltop Bowling Alleys, that bowling would get under way Monday, Aug. 14. The local alleys, considered by many to be the best in Columbus, have been completely refinished and repaired for the opening of the fall season.

Selbach, who has spent most of the summer at Buckeye Lake, said this week that league bowling would get under way just as soon as arrangements for the various circuits could be completed. Captains of the various teams have been asked to get in touch with the alley manager immediately.

The local alleys will be open to the public every afternoon and evening until the leagues begin activity, and after that date, on open evenings.

Hoge Group Plans Outing Saturday

The Young People's Christian Endeavor society of Hoge Memorial Presbyterian church will have a picnic at Maple Shade picnic grounds Saturday afternoon and evening, Aug. 19. Swimming and a program that will interest everyone is being arranged. All members are urged to attend Sunday school Sunday to receive final details.

Wise Rites Saturday

Funeral services for Mrs. Louella J. Wise, aged 65, of 179 N. Burgess Ave., who died last Thursday morning, Aug. 3, were held Saturday afternoon from the residence with interment in Memorial Burial Park. Besides her husband, Walter Wise, she is survived by one son, two brothers and one sister. She was a member of Immanuel Baptist church and J. M. Wells Relief Corps.

Mother Dies

Mr. and Mrs. Jason King, 38 N. Wayne Ave., were called to Buckhannon, W. Va., last week on account of the death of Mrs. King's mother, Mr and Mrs. William Lee Hinkle, 2232 Springmont Ave., accompanied them, and while there they visited with relatives and friends.

Struck By Auto

Miss Mary Wiseman, 300 Eldon Ave., was treated at Grant hospital, Friday, Aug. 4, after sustaining scalp wounds when she was struck by an auto at Broad street and Scioto drive.

Playoff Necessitated When Hospital Nine and Safety Cab Team Drop Conflicts Sat.

As a result of startling upsets in the Saturday Afternoon Baseball league, Federal Glass and State Hospital baseball nines will battle it out tomorrow to decide who will meet the leading Safety Cabs squad for the championship of the loop.

In games Saturday, Federal Glass defeated Kroger's 10 to 7, while State Hospital was bowing to Co-Op Cabs, 4 to 1, and Safety Cabs were coming out on the short end of a 4 to 3 score in a game with Foresters.

The results necessitate the playing off of the State Hospital-Federal Glass conflict which terminated in a tie earlier in the season. The winner of this fracas will tangle with the Safety Cabs for the title.

Lose Opportunity

The local squad, which until two weeks ago, had led the circuit from its opening, lost a golden opportunity to cop undisputed honors Saturday. Had they been able to register a victory, the title would have been theirs.

The playoff is scheduled for next Saturday afternoon (tomorrow), with the championship fray on the following Saturday, on a diamond yet to be designated.

A whole building will be devoted to the 4-H Club work of boys and girls of the county which is carried on under the direction of J. E. Whousetler, Franklin county agricultural agent, and Nellie Watts, home demonstration agent. Arrangements have been made to finance a trip to Chicago for 100 boys and girls placing exhibits in this line.

Close Games In Church Circuit

Kent Hurls Two Shutouts As Baptist Teams Meet in Crucial Games Monday Evening.

The Hillcrest Reds won the first round championship and bounced the Hillcrest Blues out of first place in the second round by taking a twin attraction from the erstwhile leaders Monday night on the Hospital diamonds. The games were bitterly contested throughout, and featured the stellar hurling of Don Shaffer and Howard Kent. The final scores were 1 to 0 and 3 to 0.

Reds Cop Title

The championship battle was decided in the fifth frame when Todd belted out a triple homer down the left field foul line with a mate aboard. Aside from this display of offensive strength, the game was devoid of heavy hitting and was marked by sterling defensive play by both teams. Only two hits were registered off the slants of Shaffer, while Kent gave up but one.

In the initial encounter, the regularly scheduled second round fray, Shaffer granted but a single safety, while Kent permitted but two. The lone tally was plated in the final inning when Moss strolled, Wolfe forced him at second, the latter pulling up at third on a walk and an error. The run scored a moment later on F. Kent's infield bounder.

Hoge in First Place

Hoge Memorial took its sixth straight league victory at the expense of Westgate Evangelical in another game featuring brilliant hurling and sterling defensive play. Turner worked on the mound for the losers while George "Chesty" Owens toiled for the winners.

Notice

Due to several postponed games in the second round, the recreation department is anxious that opposing managers make arrangements to play sometime next week at the latest. Otherwise, the games will be scheduled as double headers at the close of the round. Managers should get in touch with Leo Uridil at the city recreation department

Warren Avenue Nazarene continued just a half game behind the leaders by shutting out the heavy hitting Tri Mu aggregation. It was the second straight shut-out for the Methodists and was accomplished by Emerson Reese, star Nazarene lefthander, who also garnered two of the eight hits granted by Gorder, Tri Mu hurler.

Scoring nine runs in the first inning, the Burgess U. B. team ran rough shod over the hapless St. John squad to pound out a 19 to 5 victory. Atrocious fielding on the part of the losers was responsible for the lop-sided score, while the Brethren fared well on the defense.

Weird, Weird Game

In the final meeting of the evening, Hilltop Church of Christ and Glenwood M. E. engaged in a wild battle which darkness terminated in the eighth inning with the score deadlocked at 21 all. The game served one purpose, however, namely that of breaking the Church of Christ losing streak which had reached nine straight.

Nazarene Defeated

Continuing their hot pace from Monday night, the Reds took a 5 to 1 win from the pennant-bound Warren Nazarene nine, breaking the latter's string of consecutive victories at six, Wednesday on the Westgate diamonds. Whetstone's hitting and Kent's pitching featured the winner's attack, while Humphries starred afield and at bat for the losers. Reese's support was wobbly, however, throughout the game.

Games Tonight

Tonight, on the Westgate diamonds, Hillcrest Reds will meet Glenwood Tri Mus which will be a battle for possession of second place. Three other games of minor importance as far as final standings go, are: Burgess U. B. vs. Hilltop C. of C.; Hoge Memorial vs. Glenwood M. E.; and Westgate Evangelical vs. St. John Lutheran.

On Wednesday evening, Aug. 16, the most crucial game of the round will feature Warren Nazarene and Hillcrest Blues. Both squads have a chance at the bunting, and one will be eliminated by this game. The Blues lost their solitary game in the first round to the Nazarenes by a count of 3 to 2.

Happy Hilltop Tourists Arrive Home Tonight

Contest Winner Scribbles Hasty Note Describing First Two Days At Exposition.

Five-Day Tour of World's Fair to End When Greyhound Bus Pulls In At 7 Tonight.

Five glorious days amid the fascinating exhibits and displays at the Century of Progress Exposition in Chicago will end for nine Hilltop boys and their chaperone tonight when the Greyhound Bus arrives at Hague and Broad from Chicago at seven o'clock.

Since early Monday morning winners in the Hilltop Business Men's Association contest have been having the time of their young lives touring the fair grounds and sight-seeing in the lake-side metropolis. Just a smattering of the hours they are keeping and the time they are having is evidenced in a letter sent to the Record Wednesday.

The epistle, unsigned and hurriedly written (at 1:45 Tuesday morning, according to a note at the top of the page), reads as follows:

Hello Hilltop. We arrived in Chicago at 9:35 Monday morning. After having a wonderful breakfast just on the outskirts of the city, we took a sightseeing tour of Chicago. After being served a most delightful lunch, we then received our first glimpse of the fair.

And it at once presents a most glorious spectacle, which would please every boy and girl in Columbus. After getting our eyes and selves used to the colors of the buildings and the glare of the sun, we proceeded to go over the exposition in minute detail, directed by Mr. Karl S. Bolander.

It is said that the Hilltop Business Men's association is the first in the United States to start a contest of such a nature. The group here gets all these wonderful advantages furnished entirely, all cost paid.

The letter ends abruptly then, with a thank-you note to the business men: Therefore, our hearty thanks and gratitude is turned smiling upon the Hilltop Business Men's association.

Although the letter was unsigned, Ham Cruise, 2432 Westwood Dr., who ranked first among the 10 winners, had promised to write for the group, and it's probably his handiwork, the handwriting having been identified by his mother, Mrs. Fred G. Cruise.

Almost 200 Hilltoppers were present last Sunday evening at Campbell's Pharmacy from where the big Greyhound bus thundered away with the happy winners aboard. The bus arrived at 7 o'clock, and after pictures of the group had been taken, pulled away amid the fond farewells of well-wishing friends.

And from reports received this week, every lad in the tour is having the time of his life. The entire party is scheduled to return to Columbus tonight via the Greyhound bus lines. Lutrell Rausch and Karl Bolander accompanied the group as chaperones, which combined with 17 Worthington residents, to make the trip.

Proud To Pledge Support

to the

NATIONAL RECOVERY ACT

"ALREADY all the great basic industries have come forward willingly with proposed codes, and in these codes they accept the principles leading to mass re-employment. But, important as is this heartening demonstration, the richest field for results is among the small employers, those whose contributions will give new work. **These smaller employers are indeed a vital part of the backbone of the country and the success of our plan lies largely in their hands. . . .**"

FRANKLIN D. ROOSEVELT.

MORE than any other single statement, these remarks make clear the nature of the great recovery program and the commendable methods by which it is being put into swift operation.

Here is no throttling of personal action—no iron discipline from above—no abrogation of the great American principle of private initiative. Instead those very forces of private initiative are to be applied on a grand scale of which our fathers never dreamed.

Industry within its own rank and file is given the sublime opportunity TO DO FOR ITSELF what dictatorship has rarely, if ever, done. Patriotism, not greed, is the motive; lasting national prosperity, not immediate personal gain, the goal. And the essence of it all is CO-OPERATION.

We have always believed that the progress and economic security of our country rests on the ability of men and women to buy and use the products of their toil. We are proud to be able to demonstrate this conviction—not with lip-service—but with higher wages and increased employment.

We therefore pledge ourselves to support in letter and spirit the plan for national recovery as embodied in the codes of our respective industries so that the dream of American prosperity may be realized.

Through Woods and Fields

THE NATURE TRAIL

BY THE RAMBLER

For down in southern Ohio, into the vastness of great forests and the fascinating prairie region of Adams county, we travelled early in June on one of those fine days so characteristic of the month. In the party were Misses Charlotte Whitford and Elizabeth Coyle, Clarence Taft and Elbert Ahlstrom of the Botany department, Ohio State university, and the writer.

Leaving Columbus and travelling south, we passed through a vast area north of Greenfield and Washington C. H. which was once dominated by almost continuous oak and hickory forest. Here and there was what is known as wet prairie, which later developed into swamp forest. This was the type of vegetation the pioneers found upon their advent into the region.

Further south, below Greenfield, where the glaciers of 40,000 years ago have left great moraines and consequently rolling areas, we came to the deep limestone gorge of Cliff Creek, which cuts its way down to the larger stream of Paint Creek.

Here, on the cliffs and in the rocky soil filled crevices, grew the interesting Sedum ternatum and the equally striking plant, the bulbous bladder fern. On the moist gorge walls, various mosses and the aromatic Conocephalon, a liverwort, also made their appearance.

Entering Pike county, we ascended a great slope to arrive finally upon a great plateau, once, in days long gone by, covered predominately with beech forest. Now the area is practically denuded of forest vegetation due to the advance of agriculture. These Beech Flats, as the plateau is known, compose one of the most interesting features of Ohio topography. Long ever ago, when the glacier came down from the far north, the streams of the region were dammed up and the courses completely changed from north to south. In time, the valleys were filled with sediment, and today the beech flat stands physiographically at least, much the same as it existed thousands of years ago.

Moving on, we visited the great serpent mound, a ceremonial place for the ancient mound builders. One must pause a moment, as he surveys this fascinating affair, and wonder who these peoples were that originally inhabited the state. Our brothers of long ago lived here, worshipped their gods here, roamed in the forests here and watched sunsets over the gigantic hills. Could that they come back, and speak our language and tell us of their strange habits and lives.

Leaving the mound now, we strike for the fascinating Lynx prairie, upon which is vegetation little seen in Ohio. Here are plants that are found only in the great prairies of the west. What is the explanation for this striking feature of the landscape? How and when did these plants get into Ohio?

Three thousand years ago, long after the last glacier had receded from the state, there came a tremendous drought upon the land known as the xeric period. The mesophytic vegetation was unable to withstand the dryness and drought and prairie plants, whose water requirement is not so high, gradually replaced the water requiring species. This drought, lasting for more than 100 years, is responsible for the Lynx Prairie in Adams county, as it stands today. It is merely a remnant now, of a greater area, for as the climatic conditions became more moist, mesophytic vegetation one more came back, but in certain places, the prairie plants have survived.

Interesting indeed are these western species of brilliantly colored flora. Here the Agave, flowering spurge, western sunflower, the rare green flowered milkweed, hoary puccon and many others, are found in abundance. What a brilliant spectacle the prairie must be present in September, when these plants come into flower, and as we made our way back through the majestic hills in the glow of the setting sun, we vowed that none should prevent our return to the region when September hazes dim the far horizons.

Mrs. E. G. Nieder, 137 N. Hamby Ave., and her daughter Bernice, are spending the week with Mrs. Nieder's mother, at Bellevue, Ky.

The Cold Buffet Supper Is a Summer Favorite

It's easy and pleasant to be hospitable when you know simple and economical ways of preparing meals for your guests. One of the favorite methods of entertaining in summer time is to serve a buffet supper. Sunday evening seems to be the most popular time to serve such a meal.

Among the many advantages of a supper of this sort is that practically everything may be prepared in advance and as economically as one's purse dictates. Attractive service counts for so much in the appeal of food that a little thought expended on this part of the meal—on the selection and arrangement of the dishes and the choice of table linens and decorations will be well repaid.

Probably the basis of such a supper will be a platter of cold meats. Here the choice is wide and may include slices of chicken and tongue and roast beef if your budget is ample. If you are restricted in the amount you may spend there are substitutes, equally appetizing. Veal loaf is one, boiled ham or pot roast sliced wafer thin are others.

Arrange your meat on the platter and garnish it with radishes cut in rosettes, dill pickles, cut fan-wise, water cress or slices of lemon stuck with cloves or dusted with red pepper. If you have a very large platter you may arrange mounds of salad around the edge. A well seasoned potato salad is always a favorite and you may alternate the mounds with aspic salad if you wish to give color and appeal to your platter.

The salads may easily be prepared the day before or in the morning and put away in the ice box to chill. The meat may be sliced and wrapped in oiled paper, pickles and other garnishes prepared and wrapped in oiled paper so that this part of the supper is all ready to serve.

A plate of assorted appetizers is always appealing. Slices of bread spread with caviar—if you are feeling flush. Bits of dried beef rolled around small ovals of cream cheese and fastened with tooth picks are delicious. Tiny squares of rye bread spread with smoked liver sausage and topped with Swiss cheese are piquant and appetizing.

Remove the crusts from a loaf of bread and cut in two inch squares. Hollow out a portion at the top and fill with pimento cheese and dip the whole in melted butter. Just before serving pop into the oven to toast until the cheese is melted and the squares are browned. These are very good to serve with a cold meal.

It is a good idea to include a fruit gelatin salad in the menu—particularly if you are not serving a dessert. It gives just the proper touch of sweet without any cloying effect. This sort of salad may be served in individual molds or in one large mold garnished with the following dressing—which is delicious on any type of fruit salad.

Four egg yolks, 1-3 cup sugar, 2 tablespoons flour, ½ teaspoon salt, ¼ teaspoon paprika, ½ teaspoon celery salt, ½ cup vinegar, ½ cup pineapple juice, ¼ teaspoon dry mustard, 4 tablespoons water, 2 tablespoons butter.

Instead of serving tomato aspic salad you might serve stuffed tomatoes. These may be stuffed with canned crab meat, lobster or shrimp. Or you may mix these ingredients and blend with mayonnaise, adding chopped celery if desired. Instead of the fish, cottage cheese mixed with chopped almonds and topped with mayonnaise is very good.

Eggs, hard boiled and stuffed are always enjoyed. The yolk should be creamed with butter and spices—chopped herring, anchovy paste or chopped green pepper are delicious creamed with the yolks. Slices of hard boiled egg sprinkled with lemon juice and dusted with red pepper are an attractive and appetizing garnish for salads or meats.

Individual meringues filled with ice cream or fresh fruit are an acceptable dessert to serve with a cold buffet. Frosted cup cakes, fancy cookies, pastries filled with chopped nuts and figs, sliced cake or spice drops are also suggested.

Have your china and silver all in readiness—your flowers arranged, and the assembling of the meal itself is an easy matter. The service is simple, since everyone helps himself.

It is a good plan to serve a hot drink with this meal as it furnishes just the proper contrast to the cold dishes.

Everybody Likes Sandwiches

For a between meals snack or the mainstay of a buffet luncheon—sandwiches prove their popularity over and over. To be truly tempting they must be dainty and appetizing in appearance as well as in content. Here are some particularly delicious sandwiches.

Sandwich Loaf

One loaf picnic bread, crust removed, 2 pkgs. Philadelphia cream cheese, 1 small can pimentoes, Anchovy paste, 4 hard boiled eggs, 3 tomatoes, sliced.

Slice the bread the long way of the loaf in three slices. Cream the cheese with mayonnaise until it has the consistency of creamed butter. Mix enough to cover one long slice of bread with anchovy paste. Spread and press sliced hard boiled eggs over the surface. Spread another slice with plain cheese and sliced tomatoes. Press all slices together. Cover complete loaf with remaining cheese and decorate the loaf with thin slices of pimento. Chill and slice.

Ribbon Sandwiches

Cut slices of white and whole wheat bread one quarter inch thick and trim off crusts. Spread one slice of white bread with creamed butter, place a slice of whole wheat bread on it. Spread the whole wheat with creamed butter and top with another slice of white. Wrap in damp cloth and press under a weight. Cut in ¼ inch slices before serving.

A bit in the horse's mouth doesn't prevent his getting hungry.

Patent Office Is Ahead of All Others on Income

The patent office is self-supporting, there being a surplus of receipts over expenditures in practically every year of operation. A report of the institute for government research states that the charges made by the patent office for its services and most of its publications usually aggregate more than the entire expense of operation, so that this bureau has become one of the revenue-producing organizations of the government. The accumulated surplus earnings of the patent office up to June 30, 1923, amounted to over $8,460,000. A recent act of congress states that the money required for that office shall be appropriated by law out of its revenues, except as otherwise provided by law. The commissioner of patents is appointed by the President, with the consent of the senate. The annual report of the patent office for the year ended June 30, 1932, showed that a record number of patents, 52,572, had been granted; it showed also that all of the 65 examining divisions were less than six months behind, a great advance over former conditions. The demand for economy makes it unlikely that the force of about 700 examiners will be increased in the near future. Statistics for 1930 showed 90,227 applications, 52,571 patents granted, 110,597 pending, 10,230 trademarks.

YEP! SHORE ARE

David Jenkins, aged five, of Venedocia, Ohio, who spent a week visiting with his uncle and aunt, Mr. and Mrs. Henry Jones, 27 S. Terrace St., visited the up-town section of Columbus while here. Noting the AIU tower, the lad scored with: "Gee, that's a little taller than Dad's windpump!"

SPORTSMAN

He pitches ball with his left arm. He's trying to win 100 per cent of the time. He works as though the score were deadlocked constantly. His features speak of nothing but concentration on what he is doing. His mound work is almost machine like.

We have watched Emerson Reese lose the bitterest of games. He has often been on the tough side of a close decision. His teammates have failed him in crucial moments. Yet, through it all he does his job in silence.

Perhaps you have been on the side that defeated "Bill"—because his team erred behind his effective tosses. Perhaps you have felt the friendly heart-tug that pulls when the silent left-hander taps you on the shoulder after the game is over to say in a quiet, friendly way: "Nice game, George."

Or perhaps you've never noticed him, for he's extremely hard to find when not out there on the mound. He doesn't advertise. But he doesn't have to.

MAYBE YOU NEVER KNEW

The world's greatest rainfall is in the valley of the Changes River, where it rains daily, averaging 600 inches per annum. And 900 inches has been recorded.

Three are more than 500 flowering plants that flourish north of the arctic circle, more brilliantly colored than those of temperate climates.

That the lilies of the field mentioned in the Bible are members of the Anemone family.

That temperatures north of the arctic circle often rise above 100 degrees in the summer season.

That plants grow as far north and south as the poles.

That actual jungle (as portrayed in the movies) occupies the smallest areas of tropical vegetation.

That the greatest rainfall ever recorded in 24 hours was 30 inches in the Philippine Islands.

Hoge Memorial In Eighth Straight Victory Monday

Hammer Way to Top of Church Loop By Eliminating Hillcrest Blues in 10 Innings, 4 to 3.

Winning its eighth straight game and eliminating the Hillcrest Blues from the second round pennant chase, Hoge Memorial Presbyterian baseballers assured themselves of at least a tie for top honors Monday night when they took a bitter 4 to 3 decision from the Baptists.

The game was a hurling duel between Owens and Shaffer, the former being unhittable in the pinches and the latter weakening at crucial moments. But two games remain on the Hoge schedule, one of which is with the Warren Nazarene nine, the lone squad yet capable of disputing first place honors with the present leaders.

Corder In Form

Loren Corder, Tri Mu's ace hurler, was in fine fettle against St. John Lutheran Monday, setting the Lutherans down via the strikeout route on 17 occasions. The final score was 12 to 4.

The Hillcrest Reds beat Hilltop C. of C., 14 to 6. J. Wolfe pitching no-hit ball in the role of relief hurler. Whetstone's four wallops and Bundy's two homers were other features.

Warren Nazarene retained hopes of a tie for the title by pounding out a 14 to 2 win over Glenwood M. E. Reese's pitching was outstanding.

Title Game

According to an announcement by the recreation department this week, either Hoge Memorial or Warren Nazarene baseball squads, winner of the second round of play in the Hilltop Church League, will meet the Hillcrest Reds, first round winners for the championship of the league. The game will be scheduled by the department and will be played either on No. 1 diamond at Westgate or at the State Hospital grounds.

Winners of both the first and second rounds will enter the city finals, drawing of which will be made at the department at the close of the seasons.

In the final game, Burgess U. B turned in its fourth consecutive victory by downing Westgate 11 to 1.

Kent Hurls Well

Pitching his fourth victory of the week and third shutout, Howard Kent turned back the Glenwood Tri Mus in a game marked by frequent delays due to arguments. The final count was 4 to 0, all of the runs coming in the fourth frame on two hits and three walks. Corder was invincible at other times, permitting five hits to Kent's three. It was the third straight game in which the Methodists had failed to score.

Hoge Memorial had an easy time with Glenwood M. E., Scott leading an attack that resulted in a 12 to 4 victory for the league leaders. Burgess U. B. boosted Hilltop C. of C. farther in the cellar by winning 8 to 4 as Westgate edged St. John in 12 innings, 5 to 4. Abel and Turner opposed each other on the mound in the latter game, and once again proves, to be the downfall of the Lutherans.

Schedule Completed

The second round will draw to an official close Monday evening on the Westgate diamonds although several teams have postponed and tied games to play off. Monday's schedule follows: Hilltop C. of C. vs. St. John Lutheran; Hillcrest Baptist Blues vs. Glenwood M. E.; Westgate Evangelical vs. Hillcrest Baptist Reds; Warren Nazarene vs. Hoge Memorial and Burgess U. B. vs. Glenwood Tri Mu.

Games to be played this evening are: Hilltop C. of C. vs. Hoge Memorial; Hillcrest Blues vs. Westgate Evangelical; Warren Nazarene vs. St. John Lutheran; Glenwood M. E. vs. Glenwood Tri Mu and the Hillcrest Reds vs. Burgess U. B.

Want Grid Games

The Hilltop Cardinals, which squad held its opening gridiron meeting last Monday evening at the John Burroughs school grounds, wants to schedule games for the coming season. Teams desiring games are asked of write Al Kutany at 671 S. Burgess Ave., or call RA. 0058.

Succumbs Saturday

Funeral services for William A. Stewart, 212 S. Hague Ave., who died from the effects of asthma Saturday evening at his home, were held Tuesday afternoon in the Greenfield Baptist church at Greenfield, Ohio.

He is survived by his widow, Dora Stewart, five sisters and three brothers.

Cereus to Bloom

Arthur Fladt, 87 S. Hague Ave., is offering people of the Hilltop an opportunity to see a night-blooming cereus in flower, seven buds of which are expected to open next week.

He invites the public to see the plant, which he says will bloom after 10 o'clock. The porch light at the above address will be turned on when the plant blooms, and those desiring to stop are welcome to do so.

Indian Day to Be Celebrated

Hilltop Business Men Plan Participation In Annual Observance, September 29th.

Announcement was made this week that the Hilltop Business Men's association would participate in the annual observance of American Indian Day on Sept. 29. Last year's celebration, the only one of its kind in the United States, sponsored by a civic organization, met with such success that officials are planning a repetition of the program.

The committee is headed by Dr. W. L. Durflinger, assisted by Cliff Kohn and W. A. Harris. The committee will co-operate, as in other years, with Boy Scouts and Camp Fire Girls, Woodcraft organizations, Girl Scouts.

The day will be a separate activity from the annual fall festival sponsored by the organization, although a possibility remains that the two events will be held simultaneously. Plans for the latter, however, have not been started. The event will probably be held, however.

Plans for this will be in charge of the business advancement committee, in charge of Ray Hauntz.

Hospital Nine In Third Place

Drop 10 to 7 Verdict to Federal Glass Team to Be Eliminated from Championship Play.

Driving "Lefty" Mettles, ace Hospital hurler, from the mound in the sixth inning, the Federal Glass baseballers pounded out a 10 to 7 win over the local State Hospital nine Saturday afternoon to go into a tie for first place in the loop with the Safety Cabs. The championship battles is scheduled for tomorrow afternoon.

The loss eliminated the local team from the pennant chase, after leading the loop for 12 of the 14 weeks of play.

Both teams scored twice in the opening frame, but in the fourth, the Glassmen tallied thrice; added another in the fifth and iced the game in the sixth with another trio. A abbreviated rally in the ninth frame on the part of the Hilltoppers was cut short when settled down to fan Kiernan and end the game.

Folmar led the local attack with three hits in four times to the rubber, while Callahan and Henson counted six of the 14 Glassmen hits.

Benjamin Sampson Succumbs Sunday

Funeral services were held Wednesday afternoon at the Spears & Born funeral home for Benjamin F. Sampson, 2074 Fairmont Ave., who died Sunday, Aug. 13. Dr. Albert Schatzman officiated at the burial which was in Memorial Burial Park.

Those surviving Mr. Sampson are: Iva, his wife; one brother, Charles Sampson; three sisters, Mrs. Laura McFaddon, New York; Miss Ida Sampson, New York, and Mrs. Marguerite McQuire, Michigan.

Former Resident Dies

Mrs. Martha Jane Oyler, formerly of 528 Wrexham Ave., died Thursday at the age of 63 years. Funeral services were held Saturday, Aug. 12, with burial in Union cemetery. She is survived by her husband, Frank; one brother, one sister and two grandchildren. She was a member of the Worthington M. F church and the Sons of Veterans Auxiliary.

Bowlers Notice

Team captains of both men's and women's bowling squads are asked to get in touch immediately with A. K. Balbach, proprietor of the Hilltop Bowling Alleys. League bowling will get under way on or soon after Sept. 5.

Dr. R. J. Miller announced this week that the new location of his office would be at North Ogden avenue and Broad street, and would be ready for occupancy in the near future.

Wonderful Trip Acclaimed By Homecoming Exposition Tourists

Tired, and still blubbing over with boyish enthusiasm, nine Hilltop lads, and their chaperone, Latrell Rausch, of the Broad-Hague Hardware Co., returned home last Friday having spent an hilarious week at the Century of Progress Exposition in Chicago at the expense of 50 Hilltop business men.

Every minute of the time had its particular thrill and every boy expressed delight in having been able to take the trip. And according to the chaperone, it was no trouble at all to care for the exhuberant flock.

One got lost in the muddle the first evening, but arrived back at the hotel safe and sound. Five, however, lost the party on the second evening and there were suspicions in the mind of their guardian that the act was premeditated. No damage was done, however, and the next morning the entire party assembled for another day chock full of wonder and pleasure.

Answering the question: "What did you like best at the Fair?" Rausch chose the "Believe It Or Not" exhibit, while the choices of the boys were expressed in the following fashions:

"I liked Hollywood best because it showed how they really took pictures there."—John Jenkins.

"I liked the 'Wings of a Century' best because in it was all that you could see at the fair. It told of history connected with costumes of all times and showed the development of transportation."—Bud Lorenz.

"I believe I liked the General Motors building best. Inside and outside, it is very beautiful, and shows a complete assembling shop and exhibits several kinds of cars."—Bill Wylie.

"The thing I enjoyed most was 'The Wings of a Century' and second best, the lighting, color and architecture of the buildings."—Jack Livingston.

"I like the 'Wings of a Century' best. It started with the Indian's mode of travel, on up through the pioneer stage, to present day. It was very colorful."—Robert Nichols.

"The 'Wings of a Century' interested me because it had the development of the earliest methods of transportation to the latest and also the dress from colonial times to the modern day."—Bill Bell.

"At the World's Fair one sees many things of great interest, but the one that impressed me most was the Travel and Transport Building. The building was suspended on cables and many modes of future travel were exhibited."—Hampton Cruise.

"I liked the 'Wings of a Century' best because it showed the progress made in travel from the Indian on horseback down to the present day airplane. It was like a play, each improvement being acted out."—Tom Murnane.

Two Trains Hit Cab, Local Man Lives To Tell It

David A. Ballard Has Narrow Escape In Crash At King Ave. Crossing Saturday.

David A. Ballard, 2986 Louden Ave., supervisor of the Dana Avenue playground, is one tough hombre. Anyway, two trains didn't even scratch him Saturday night when the cab in which he was a passenger, was completely demolished in a triple crash at the King avenue crossing.

Riding west on King avenue, Ballard, with the cab driver, John Halterman, 101 Nell Ave., approached the crossing. In an effort to beat a northbound mail train on the C. & O. tracks, the driver stepped on the gas, only to drive into the path of a southbound freight. Both leaped from the car as it was swept from under them and carried down the tracks 800 feet, completely demolished.

Anticipating the coming of another train, Ballard already had the door of the cab open when the freight engine loomed up in front of them. Both occupants of the car escaped unscathed.

Following the near fatal accident, he continued on his way to a bridge party, none the worse for wear.

Playgrounds May Close This Week

Effort to Remain Open Through Remainder of Month Being Made by Recreation Dept.

Although city playgrounds, including Westgate, Holton and Glenwood parks on the Hilltop, may be forced to terminate their summer programs this week due to insufficient financial support, efforts are being made by officials at the city hall to keep the centers open through the month of August.

The department had not been notified on Thursday morning, Aug. 17, as to whether money would be available for continued service. Recreation officials were anticipating word from the mayor yet this week.

Thursday afternoon, at Olentangy park, children from all the city playgrounds met in various contests and enjoyed a variety of entertaining programs. This event, in other years, has terminated the playground season.

Continued interest, however, along with fair weather, has caused a demand for the playgrounds to remain open. Definite information was expected to be forthcoming no later than the first of next week.

Single Principal to Preside Over West High School

Drastic Cuts In School Budget Make Measure a Necessity; Head Not Yet Named.

According to action taken by the School Board last Friday evening in a four-hour session which caused drastic cuts to be made in the 1934 public school budget, one principal will be located at West junior and senior highs with the opening of the September term, probably Sept. 5.

As intimated in a story carried in the Record a month ago, either H. H. Beigbley or Otto H. Magly may get the call, although there remains a possibility that one of the assistant superintendents may be located here. When questioned by a Record reporter last month, Roy Hauntz, Hilltop member of the school board, said that last year's set-up would probably prevail. Unanticipated cuts in the budget, however, necessitated the move made Friday, and the Hilltop is watching with interest future developments concerning the administration at the local high school.

Although nothing for publication was available this week, it was learned from reliable sources that definite information would be forthcoming in the near future, possibly as early as next week.

In the program which the board presented for approval, classes will be increased in size, the teaching staff decreased, salaries levelled and cut, and jobs eliminated. High school principals and vice principals will teach classes each day, according to the new arrangements. These officials have heretofore confined their activities to administration activities only.

Classes will open one hour later in elementary schools and 45 minutes later in junior and senior high schools and lunch hours will be cut from 15 to 30 minutes in an effort to save lighting and heat expense. Heads of the various high school departments will not receive extra pay this year, and extra janitor service will be discontinued. Teachers due for automatic raises in salary in 1934, will not get them sooner that 1935. Pay of substitute teachers will be cut to $5 per day in elementary schools and $6 per day in senior high schools. Payment of salaries during absence due to sickness will be discontinued. Special courses, requiring extra supplies, will access students a maximum of 50 cents.

Foods to Make The Warm Day Cool

It's difficult to plant a menu that will be really appetizing these days—unless you know how! And the smart home-maker knows that such dishes as these will pep up even the most heat-wilted appetite.

Frozen Sea Food
1 cup salmon.
½cup finely cut celery.
½ cup dill pickle, chopped fine.
2 teaspoons gelatine.
3 tablespoons cold water.
½ cup mayonnaise.
½ teaspoon salt.
½ cup cream.

Flake the salmon, add celery and dill pickle. Soak gelatine in cold water, dissolve over hot water, add mayonnaise and beat well. Add fish mixture and salt. Fold in stiffly beaten cream. Turn into an oiled mold. Cover with waxed paper secured by a rubber band and freeze packed in ice and salt for two hours or turn into tray of electric refrigerator. Unmold and place in center of a platter. Dip whole shrimps in highly seasoned French dressing and place between mounds of cole slaw.

Golden Salad
1 pkg. lemon gelatine.
1 pint boiling water.
1 cup canned pineapple juice.
1 tablespoon vinegar.
½ teaspoon salt.
1 cup canned pineapple, diced and drained.
1 cup raw carrots, grated.
1-3 cup pecan meats, cut fine.

Dissolve gelatine in boiling water. Add pineapple juice, vinegar and salt. Chill. When slightly thickened add pineapple, carrot and nuts. Turn into individual molds. Chill until firm. Unmold on bed of lettuce and garnish with mayonnaise.

Frozen Fruit Salad
2 slices canned pineapple, diced
1 orange, diced.
1 banana, sliced.
⅛ cup mayonnaise.
¼ cup maraschino cherries.
1 cup sweetened whipped cream.

Moulten fruit with mayonnaise. Fold in whipped cream. Freeze in trays of electric refrigerator. Slice and serve on lettuce leaves with mayonnaise.

Strawberry Tapioca
Crush one quart fresh hulled strawberries and add 1 cup of sugar. Let stand 30 minutes. Cook ½ cup minute tapioca in 2 2-3 cups water salted with ½ teaspoon salt in double boiler for 15 minutes, or until tapioca is clear, stirring frequently. Add 2 cups strawberry juice drained from berries to tapioca mixture. Chill. Pour ½ of this mixture into the remaining mixture. Chill. Pile lightly on mixture in parfait glasses. Chill. Just before serving top with crushed strawberries.

Pilgrims Established "Washday"

The fact that December 20, 1620, fell on Sunday made Monday washday for the whole United States. The Pilgrims established Monday as the traditional day in the American household for washing the clothes and linens. The day they landed on Cape Cod was Sunday. In their long voyage their supplies of clean clothing ran low. Fresh water aboard the Mayflower had been restricted to a few barrels for drinking and cooking. Consequently it is easy to see why the God-fearing newcomers seized the first opportunity after the Sabbath to freshen their wardrobes.—Washington Post.

FOR SERVICE STATIONS

A new driveway signal for service stations notifies attendants of a customer's approach, can also be made to light up a sign. A photo-electric relay turns the trick.

Round About The Hilltop

Lee Davis, with red cap, blue sweater and white trousers, is the neatest ball player in the church loop. (And that doesn't mean he's a slouch, either, for he cracked out the ninth frame hit that tied the ball game when his team played a crossbal affair to her eye). . . . One word description of Harold Fugate: Leisurely. . . . Opie Reed is the only man I know who might be termed vivacious. . . . I never know whether Curt Wilcox wants to kick me or pat me on the back when we meet. . . . The favorite poet of E. N. Littleton, former Highland principal, is Robert Browning. . . . Mr. Littleton, one time, when I was sent to his office for chewing gum in a math class, gave me my choice between a paddling and him calling my dad. I asked for the former, but he called my dad, etc. . . . Haydn Jones and Catherine Sperry, I'm told, are champion corn eaters of Hoge Memorial church. . . . I like mustard and butter sandwiches. . . . Jack Merriman knows a chap, who being unemployed for two years, got a job. And after working a month, took a voluntary vacation. . . . Rev. J. Hollenbeck, one of my favorite people. . . . Practically every inmate of the corrective institutions at Delaware, Mansfield and Lancaster has relatives in the Ohio State Pen. But the data is being suppressed. . . . Ruth Elizabeth Hall's new bicycle. . . . This pillah was all wrong in its interpretation of information about J. G. Collicott's salary. But he has taken a cut every time one has been made. . . . And we're sorry to have stated the conditions erroneously. . . . "Moby Dick" is coming to be recognized by experts as the greatest American novel. . . . And Robert Frost as the greatest American poet (All right, Longfellow boosters, his stuff wouldn't be accepted by high class publishers today). . . . Comes another anonymous letter, saluting us like this: "Say you big boob . . ." But aren't we all?

"Men are exceedingly poor politicians, as the state of politics can prove."—Mrs. Walter Ferguson.

"It's written somewhere that you can't make a silk purse of a sow's ear; and it's well known that you can't make an angel food cake of cornmeal. Likewise you can't make a good man out of a poor boy."—A. W. Elliott, school teacher.

"How are we improving crime conditions? The city of Columbus tells vagrants to move on. Another city sends them on again. We have them in circulation. Modern transportation facilities, however, help a little. Some get killed off."—Dr. W. M. Barrows, O. S. U.

Hoge Memorial to Clash With Reds In Title Battle

Championship Fracas Scheduled for Westgate Diamonds Tonight at Six o'Clock.

Sweeping the final obstacle from its path in its flight for the second round pennant in the Hilltop Church League, Hoge Memorial Presbyterian eliminated a stubborn Warren Nazarene nine Monday night on the Westgate diamonds and with the 5 to 3 victory, won the right to play Hillcrest Reds, first round winners, for the championship of the Hilltop. The game will mark the third meeting between the two squads, Hoge having annexed a second round triumph by a three to two score and the Reds having won the opening encounter, 8 to 6.

Harry Thornton, ace of the Hilltop league umpiring staff, will officiate, and festivities are slated to begin promptly at 6 o'clock.

Mrs. Margaret Millikin, Aged 90, Recalls Days of Pioneer Times

The ninetieth birthday anniversary of Mrs. Margaret Millikin was celebrated last Sunday at the home of her daughter, Mrs. A. L. Wagner on Burgess avenue, by three generations of her descendants.

Mrs. Millikin was born near Zanesville in 1843. When a young girl she came to Madison county where she lived sixty years. In 1865 she married Mr. Millikin, an uncle of Councilman Millikin. Her two children, Mrs. Wagner and Mr. Royal Millikin, live in Columbus. She has four grandchildren, and four great grandchildren.

The writer had a delightful interview with this splendid old lady who has gone so far beyond the Biblical three score and ten years. Her mind is clear and she vividly remembers the scenes and events of pioneer days. She tells with pride of swimming the Muskingum river on horseback when a young girl—a feat not many of the athletic girls of the present day would care to undertake.

When she came to Madison county the land was covered with woods and swamps; there were no improved roads and the people lived in log cabins. There were no modern conveniences in the homes or on the farm. She vividly remembers the days when the women did the cooking on a crane hung in the fireplace, and carded the wool and spun the flax for the family's clothing. The forest was full of game and almost all the food and clothing was obtained from the farm.

Notwithstanding the hard work and privations of those early days, she believes the people were happier than at the present time. Life was simpler and people lived nearer to Nature. She thinks the people were much more religious than at the present time. Although the roads were bad and the homes scattered, everybody went to church, even the mid-week prayer meeting would have a crowded house—think of that today. She belonged to the Big Darby Baptist church which is still standing.

Mrs. Millikin may reasonably hope to live many years yet, as she comes of a long-lived family—her grandfather and grandmother each lived to be over one hundred years old.

Operations at the Sullivant Avenue Airport were taken over late last week by Major Leslie G. Mulzer, pioneer pilot of Columbus, according to announcements made Friday, Aug. 25.

The new operator, who resides at 261 N. Warren Ave., served with the signal corps during the World war. He became interested in aviation upon his return to this country and is credited with more than 5000 flying hours.

Major Mulzer was the first aerial police officer of Columbus and was the first to operate a commercial plane from Norton Field. He left Columbus eight years ago to continue his training in the U. S. Army Air Corps, later establishing the Mulzer Flying service in Wisconsin Rapids, Wis. He built the Nepco Tri-City airport, which he still operates. During his 5000 hours of flying time he has never lost a ship or injured a passenger. The service will be open day and night and sight seeing trips will be feature events.

Board Rescinds Vote On West Hi Principalship

Otto H. Magly and H. H. Reighly to Again Head Senior and Junior High Schools.

Rescinding its action of a week ago when it was decided that but a single principal would preside over West Senior and Junior High schools, the board of education Monday night decided by a five to two vote to again place H. H. Reighly at the helm in the junior high with Otto H. Magly heading the senior high.

Ray G. Hauntz, local member of the board, had statistics showing that the cost per capita at West was not as great as in other sections of Columbus, even with two principals located here.

Automatic salary increases totaling $40,000 were also restored to the teachers by the board which reconsidered its former action of a week ago in abolishing the increase. Other economies, however, made up for the restored increase in salaries.
